

## HOUSING AUTHORITY OF ST. LOUIS COUNTY

### ADMISSIONS AND CONTINUED OCCUPANCY POLICY REVISIONS

#### EXECUTIVE SUMMARY

SEPTEMBER 2024

This document provides an overview of the Housing Authority of St. Louis County's (County Housing) updates to the Admissions and Continued Occupancy Policy (ACOP).

#### **Background**

While federal statutes and regulations require housing authorities to adopt certain governing and operating policies for the Public Housing Program, the U.S. Department of Housing and Urban Development (HUD) grants considerable discretion in establishing and implementing policies. Housing authorities communicate those policies, rules, and requirements through a document known as the Admissions and Continued Occupancy Policy (ACOP).

The ACOP is the principal document describing County Housing's policies concerning key topics such as eligibility, tenant selection, admissions preferences, waitlist procedures, rent determination, utilities, transfers, occupancy guidelines, grievance procedures, pet ownership, and the community service and self-sufficiency requirement. The ACOP is essential for residents, prospective residents, community members, and HUD staff when communicating about specific County Housing policies. County Housing staff must submit all ACOP changes to the Board of Commissioners for approval.

County Housing's proposed changes to the policy are based on guidance by the Nan McKay Model ACOP Guide. Nan McKay & Associates, Inc. provides training, training products, and other resources for public housing authorities nationwide. County Housing purchased the Model ACOP Guide to streamline the revision process and ensure that our policies align with current HUD regulations and requirements.

#### **ACOP Updates**

County Housing's Admissions and Continued Occupancy Policy (ACOP) consists of sixteen chapters outlining the policies and procedures for administering the public housing program. Several chapters underwent minor formatting changes to reflect County Housing's recent rebranding efforts. However, substantial revisions were made to certain chapters in preparation for compliance with the Housing Opportunities Through Modernization Act of 2016 (HOTMA).

HUD has recently announced a delay in the transition to the new Housing Information Portal (HIP), which is tied to HOTMA implementation. As a result, the policies revised to align with HOTMA Sections 102 and 104 will be implemented in accordance with HUD's updated implementation schedule. Until the new HUD implementation date, which has not yet been released, but is anticipated on or before January 1, 2025, County Housing will continue to follow the existing policies outlined in the 2023 ACOP for Chapters 3, 6, 7, and 9.

The chapters and sections that were substantially revised are indicated with an asterisk in the document's bookmarks. The chapter names and section titles are also highlighted in yellow to indicate where revisions have been made.

## Chapter 1

### OVERVIEW OF THE PROGRAM AND PLAN

#### INTRODUCTION

The Housing Authority of St. Louis County (County Housing) is a Public Housing Agency (PHA) that receives its operating subsidy for the public housing program from the Department of Housing and Urban Development (HUD). The Authority is not a federal department or agency. County Housing is a municipal corporation, created and authorized by state law to develop and operate housing and housing programs for low-income families. County Housing enters into an Annual Contributions Contract (ACC) with HUD to administer the public housing program. County Housing must ensure compliance with federal laws, regulations and notices and must establish policies and procedures to clarify federal requirements and to ensure consistency in program operation.

This chapter contains information about County Housing and its programs with emphasis on the public housing program. It also contains information about the purpose, intent and use of the plan and guide.

There are three parts to this chapter:

Part I: The Public Housing Agency. This part includes a description of County Housing, its jurisdiction, its programs, and its mission and intent.

Part II: The Public Housing Program. This part contains information about public housing operations, roles and responsibilities, and partnerships.

Part III: The Admissions and Continued Occupancy (ACOP). This part discusses the purpose and organization of the plan and its revision requirements.

## **PART I: THE PHA**

### **1-I.A. OVERVIEW**

This part describes the County Housing’s creation and authorization, the general structure of the organization, and the relationship between County Housing’s board and staff.

### **1-I.B. ORGANIZATION AND STRUCTURE OF THE PHA**

Public housing is funded by the federal government through the U.S. Department of Housing and Urban Development (HUD) and administered by County Housing for the jurisdiction of St. Louis County.

County Housing is governed by a board of officials that are called “commissioners.” Although some PHAs may use a different title for their officials, this document refers to the “board of commissioners” or the “board” when discussing the board of governing officials.

Commissioners are appointed in accordance with state housing law and generally serve in the same capacity as the directors of a corporation. The board of commissioners establishes policies under which County Housing conducts business and ensures that those policies are followed by County Housing staff. The board is responsible for preserving and expanding the agency’s resources and assuring the agency’s continued viability and success.

Formal actions of County Housing are taken through written resolutions, adopted by the board and entered into the official records of County Housing.

The principal staff member of County Housing is the Executive Director (ED) and Chief Executive Officer (CEO), who is selected and hired by the board. The ED and CEO oversees the day-to-day operations of County Housing and is directly responsible for carrying out the policies established by the commissioners. The ED and CEO’s duties include hiring, training, and supervising the County Housing’s staff, as well as budgeting and financial planning for the agency. Additionally, the ED and CEO is charged with ensuring compliance with federal and state laws, and program mandates.

### **1-I.C. PHA MISSION**

The Housing Authority of St. Louis County

- a. provides decent, safe, and affordable housing,
- b. ensures equal housing opportunity,
- c. promotes self-sufficiency, and
- d. improves the quality of life and economic vitality for low- and moderate-income families.

County Housing pursues these goals by using existing federal programs to the maximum feasible extent, by linking with other service providers, and by creating new opportunities of its own design.

### **1-I.D. THE PHA’S COMMITMENT TO ETHICS AND SERVICE**

As a public service agency, County Housing is committed to providing excellent service to all public housing applicants, residents, and the public. In order to provide superior service, County Housing resolves to:

- Follow applicable federal and state laws and regulations to achieve high ratings in compliance measurement indicators while maintaining efficiency in program operation to ensure fair and consistent treatment of clients served.

- Provide housing that is safe, habitable, functionally adequate, operable, and free of health and safety hazards—in compliance with the National Standards for the Physical Inspection of Real Estate: Inspection Standards (NSPIRE) – for very low- and low-income families.
- Achieve a healthy mix of incomes in its public housing developments by attracting and retaining higher income families and by working toward deconcentration of poverty goals.
- Encourage self-sufficiency of participant families and assist in the expansion of family opportunities that address educational, socio-economic, recreational, and other human services needs.
- Promote fair housing and the opportunity for very low- and low-income families of all races, ethnicities, national origins, religions, ethnic backgrounds, and with all types of disabilities to participate in the public housing program and its services.
- Create positive public awareness and expand the level of family and community support in accomplishing County Housing’s mission.
- Attain and maintain a high level of standards and professionalism in day-to-day management of all program components.
- Administer an efficient, high-performing agency through continuous improvement of County Housing’s support systems and commitment to our employees and their development.

County Housing will make every effort to keep residents informed of program rules and regulations, and to advise participants of how the program rules affect them.

## **PART II: THE PUBLIC HOUSING PROGRAM**

### **1-II.A. OVERVIEW AND HISTORY OF THE PROGRAM**

The intent of this section is to provide the public and staff an overview of the history and operation of public housing.

The United States Housing Act of 1937 (the “Act”) is responsible for the birth of federal housing program initiatives, known as public housing. The Act was intended to provide financial assistance to states and cities for public works projects, slum clearance and the development of affordable housing for low-income residents. There have been many changes to the program since its inception in 1937.

The Housing Act of 1965 established the availability of federal assistance, administered through local public agencies, to provide rehabilitation grants for home repairs and rehabilitation. This act also created the federal Department of Housing and Urban Development (HUD).

The Housing Act of 1969 created an operating subsidy for the public housing program for the first time. Until that time, public housing was a self-sustaining program.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) – also known as the Public Housing Reform Act or Housing Act of 1998 – was signed into law. Its purpose was to provide more private sector management guidelines to the public housing program and provide residents with greater choices. It also allowed PHAs more remedies to replace or revitalize severely distressed public housing developments. Highlights of the Reform Act include: the establishment of flat rents; the requirement for PHAs to develop five-year and annual plans; income targeting, a requirement that 40% of all new admissions in public housing during any given fiscal year be reserved for extremely low-income families; and resident self-sufficiency incentives.

On July 29, 2016, the Housing Opportunity Through Modernization Act of 2016 (HOTMA) was signed into law. HOTMA made numerous changes to statutes governing HUD programs, including sections of the United States Housing Act of 1937. Title I of HOTMA contains 14 different sections that impact the public housing and Section 8 programs. The Final Rule implementing broad changes to income and assets in Sections 102 and 104 of HOTMA, and for PHAs that administer the public housing program over-income provisions in Section 103, was officially published in the Federal Register on February 14, 2023. On September 29, 2023, HUD issued notice PIH 2023-27, which provided guidance to PHAs on the implementation of the program changes described in the Final Rule.

### **1-II.B. PUBLIC HOUSING PROGRAM BASICS**

HUD writes and publishes regulations in order to implement public housing laws enacted by Congress. HUD contracts with County Housing to administer programs in accordance with HUD regulations and provides an operating subsidy to County Housing. County Housing must create written policies that are consistent with HUD regulations. Among these policies is County Housing’s Admissions and Continued Occupancy Policy (ACOP). The ACOP must be approved by the board of commissioners.

The job of County Housing pursuant to HUD regulations is to provide safe, habitable dwelling units, to low-income families at an affordable rent. County Housing screens applicants for public housing and, if they are determined to be eligible for the program, County Housing makes an offer of a housing unit. If the applicant accepts the offer, County Housing and the applicant will enter

into a written lease agreement. At this point, the applicant becomes a tenant in the public housing program.

In the context of the public housing program, a tenant is defined as the adult person(s) (other than a live-in aide who (1) executed the lease with County Housing as lessee of the dwelling unit, or, if no such person now resides in the unit, (2) who resides in the unit, and who is the remaining head of household of the tenant family residing in the dwelling unit [24 CFR 966.53]. The Public Housing Occupancy Guidebook refers to tenants as “residents.” The terms “tenant” and “resident” are used interchangeably in this policy. Additionally, this policy uses the term “family” or “families” for residents or applicants, depending on context.

Since County Housing owns the public housing development, it is the landlord. County Housing must comply with all of the legal and management responsibilities of a landlord in addition to administering the program in accordance with HUD regulations and County Housing policy.

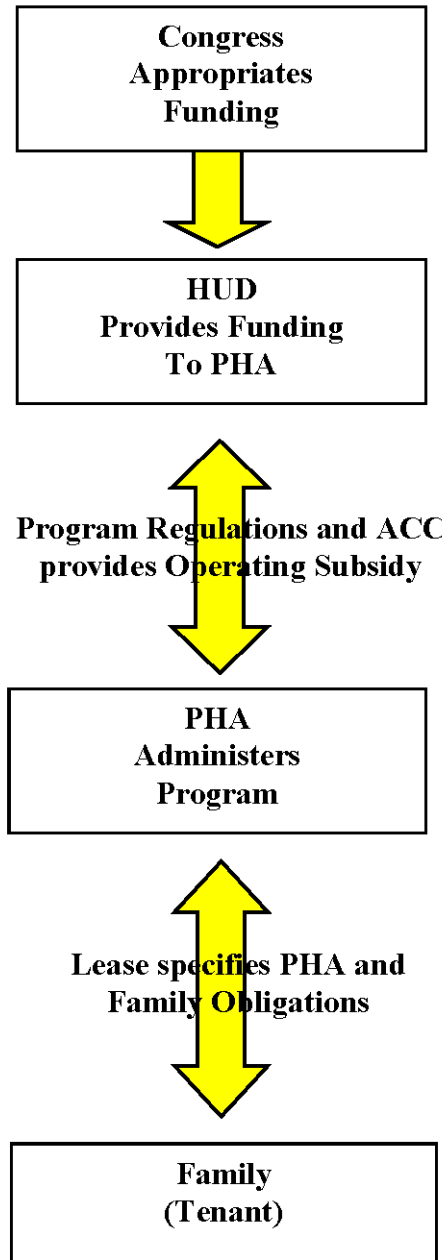

### **1-II.C. PUBLIC HOUSING PARTNERSHIPS**

To administer the public housing program, County Housing must enter into an Annual Contributions Contract (ACC) with HUD. County Housing also enters into a contractual relationship with the tenant through the public housing lease. These contracts define and describe the roles and responsibilities of each party.

In addition to the ACC, County Housing and the family must also comply with federal regulations and other HUD publications and directives. For the program to work and be successful, all parties involved – HUD, County Housing, and the tenant – play an important role.

The chart on the following page illustrates key aspects of these relationships.

## The Public Housing Relationships

## **What does HUD do?**

Federal law is the source of HUD responsibilities. HUD has the following major responsibilities:

- Develop regulations, requirements, handbooks, notices and other guidance to implement housing legislation passed by Congress
- Allocate operating subsidies to PHAs
- Allocate capital funding to PHAs
- Provide technical assistance to PHAs on interpreting and applying program requirements
- Monitor PHA compliance with program requirements and PHA performance in program administration

## **What does the PHA do?**

The PHA's responsibilities originate in federal regulations and the ACC. The PHA owns and manages public housing developments, administers the program under contract with HUD and has the following major responsibilities:

- Ensure compliance with all non-discrimination, equal opportunity, and fair housing laws, and ensure that the program is accessible to persons with disabilities
- Establish local policies and procedures for operating the program
- Accept applications from interested applicant families and determine whether they are income eligible for the program
- Maintain waiting list and select families for admission
- Screen applicant families for suitability as renters
- Maintain housing units by making any necessary repairs in a timely manner
- Make unit offers to families (minimize vacancies without overcrowding)
- Maintain properties to the standard of safe, habitable dwelling units (including assuring compliance with National Standards for the Physical Inspection of Real Estate (NSPIRE))
- Make sure the PHA has adequate financial resources to maintain its housing stock
- Perform regular reexaminations of family income and composition in accordance with HUD requirements
- Collect rent due from the assisted family and comply with and enforce provisions of the lease
- Ensure that families comply with program rules
- Provide families with prompt and professional service
- Comply with all fair housing and equal opportunity requirements, HUD regulations and requirements, the Annual Contributions Contract, HUD-approved applications for funding, the PHA's ACOP, and other applicable federal, state and local laws

### **What does the tenant do?**

The tenant's responsibilities are articulated in the public housing lease. The tenant has the following broad responsibilities:

- Comply with the terms of the lease and PHA house rules, as applicable, including paying their portion of the rent on time
- Provide the PHA with complete and accurate information, determined by the PHA to be necessary for administration of the program
- Cooperate in attending all appointments scheduled by the PHA
- Allow the PHA to inspect the unit at reasonable times and after reasonable notice
- Take responsibility for care of the housing unit, including any violations of NSPIRE caused by the family
- Not engage in drug-related or violent criminal activity
- Notify the PHA before moving or termination of the lease
- Use the assisted unit only for residence and as the sole residence of the family. Not sublet the unit or assign the lease
- Promptly notify the PHA of any changes in family composition
- Not commit fraud, bribery, or any other corrupt or criminal act in connection with any housing programs
- Take care of the housing unit and report maintenance problems to the PHA promptly

If all parties fulfill their obligations in a professional and timely manner, the program responsibilities will be fulfilled in an effective manner.

### **1-II.D. APPLICABLE REGULATIONS**

Applicable regulations include:

- 24 CFR Part 5: General Program Requirements
- 24 CFR Part 8: Nondiscrimination
- 24 CFR Part 35: Lead-Based Paint
- 24 CFR Part 902: Public Housing Assessment System
- 24 CFR Part 903: Public Housing Agency Plans
- 24 CFR Part 945: Designated Housing
- 24 CFR Part 960: Admission and Occupancy Policies
- 24 CFR Part 965: PHA-Owned or Leased Projects – General Provisions
- 24 CFR Part 966: Lease and Grievance Procedures

## **PART III: THE ADMISSIONS AND CONTINUED OCCUPANCY POLICIES**

### **1-III.A. OVERVIEW AND PURPOSE OF THE POLICY**

The ACOP is County Housing's written statement of policies used to carry out the housing program in accordance with federal law and regulations, and HUD requirements. The ACOP is required by HUD, and it must be available for public review [CFR 24 Part 903]. The ACOP also contains policies that support the objectives contained in County Housing's Agency Plan.

All issues related to public housing not addressed in this ACOP are governed by federal regulations, HUD handbooks and guidebooks, notices and applicable state and local laws. The policies in this ACOP have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding. County Housing is responsible for complying with all changes in HUD regulations pertaining to public housing. If such changes conflict with this plan, HUD regulations will have precedence.

### **1-III.B. CONTENTS OF THE POLICY**

Unlike the housing choice voucher program, HUD regulations for public housing do not contain a list of what must be included in the ACOP. However, individual regulations contain requirements of inclusion in County Housing's written policy. At a minimum, the ACOP plan should cover County Housing policies on these subjects:

- Standards for determining eligibility, suitability for tenancy, and the size and type of the unit needed (Chapters 3 and 5)
- The method for achieving deconcentration of poverty and income-mixing of public housing developments (Chapter 4)
- The organization of the waiting list and how families are selected and offered available units, including any County Housing admission preferences, procedures for removing applicant names from the waiting list, and procedures for closing and reopening County Housing's waiting list (Chapters 4 and 5)
- Procedures for verifying the information the family has provided (Chapter 7)
- Interim redeterminations of family income and composition (Chapter 9)
- Policies and rules about safety and ownership of pets in public housing (Chapter 10)
- Policies regarding community service requirements (Chapter 11)
- Transfer policies and the circumstances under which a transfer would take precedence over an admission (Chapter 12)
- Grievance procedures (Chapter 14)
- Policies concerning payment by a family to County Housing of amounts the family owes the (Chapter 15 and 16)

## **Mandatory vs. Discretionary Policy**

HUD makes a distinction between mandatory policies and non-mandatory policies:

- Mandatory policies: those driven by legislation, regulations, current handbooks, current PIH notices, and legal opinions from the Office of General Counsel
- Optional, non-binding guidance: includes guidebooks, FAQs, PIH notices that have expired, and recommendations from individual HUD staff

HUD expects PHAs to develop policies and procedures that are consistent with mandatory policies and to make clear the optional policies the PHA has adopted. The ACOP is comprised of mandatory policies and optional PHA policy. HUD emphasizes the need for a clearly written and comprehensive ACOP to guide staff in the clear and consistent application of policy.

### **1-III.C. UPDATING AND REVISING THE POLICY**

County Housing will review the ACOP annually and update as necessary to reflect changes in regulations, operations, and to ensure staff consistency in administration. The original policy and any changes must be approved by the board of commissioners of County Housing, the pertinent sections included in the Agency Plan, and a copy provided to HUD.

## Chapter 2

### FAIR HOUSING AND EQUAL OPPORTUNITY

#### INTRODUCTION

This chapter explains the laws and HUD regulations requiring PHAs to affirmatively further civil rights and fair housing in all federally assisted housing programs. The letter and spirit of these laws are implemented through consistent policy and procedures. The responsibility to further nondiscrimination pertains to all areas of a PHA's public housing operations.

This chapter describes HUD regulations and County Housing policies related to these topics in three parts:

Part I: Nondiscrimination. This part presents the body of laws and regulations governing the responsibilities of the County Housing regarding nondiscrimination.

Part II: Policies Related to Persons with Disabilities. This part discusses the rules and policies of the public housing program related to reasonable accommodation for persons with disabilities. These rules and policies are based on the Fair Housing Act (42.U.S.C.) and Section 504 of the Rehabilitation Act of 1973, and incorporate guidance from the Joint Statement of The Department of Housing and Urban Development and the Department of Justice (DOJ), issued May 17, 2004.

Part III: Prohibition of Discrimination Against Limited English Proficiency Persons. This part details the obligations of County Housing to ensure meaningful access to the public housing program and its activities by persons with limited English proficiency (LEP). This part incorporates the Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons published January 22, 2007, in the *Federal Register*.

## **PART I: NONDISCRIMINATION**

### **2-I.A. OVERVIEW**

Federal laws require PHAs to treat all applicants and tenant families equally, providing the same quality of service, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. In addition, HUD regulations provide additional protections regarding sexual orientation, gender identity, and marital status. County Housing will comply fully with all federal, state, and local nondiscrimination laws and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Orders 11063 and 13988
- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- The Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity Final Rule, published in the *Federal Register* February 3, 2012, and further clarified in Notice PIH 2014-20
- The Violence against Women Act (VAWA)
- Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted

When more than one civil rights law applies to a situation, the laws will be read and applied together.

### **2-I.B. NONDISCRIMINATION**

Federal regulations prohibit discrimination against certain protected classes and other groups of people. State and local requirements, as well as County Housing policies, can prohibit discrimination against additional classes of people.

County Housing shall not discriminate because of race, color, sex, religion, familial status, age, disability, or national origin (called “protected classes”).

Familial status includes children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18.

County Housing will not discriminate on the basis of marital status, gender identity, or sexual orientation [FR Notice 02/03/12; Executive Order 13988].

County Housing will not use any of these factors to:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the public housing program

- Provide housing that is different from that provided to others
- Subject anyone to segregation or disparate treatment
- Subject anyone to sexual harassment
- Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
- Treat a person differently in determining eligibility or other requirements for admission
- Steer an applicant or tenant toward or away from a particular area based on any of these factors
- Deny anyone access to the same level of services
- Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
- Discriminate in the provision of residential real estate transactions
- Discriminate against someone because they are related to or associated with a member of a protected class
- Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class

### **Providing Information to Families**

County Housing must take steps to ensure that families are fully aware of all applicable civil rights laws. As part of the public housing orientation process, County Housing will provide information to public housing applicant families about civil rights requirements.

## **2-I.C. DISCRIMINATION COMPLAINTS**

### **General Housing Discrimination Complaints**

If an applicant or tenant family believes that any family member has been discriminated against by County Housing, the family should advise County Housing. All general discrimination complaints should be forwarded to the Director of Housing Administration. County Housing should make every reasonable attempt to determine whether the applicant or tenant family's assertions have merit and take any warranted corrective action.

In all cases, County Housing will advise the family that they may file a fair housing complaint if the family feels they have been discriminated against under the Fair Housing Act.

#### County Housing Policy

Applicants or tenant families who believe that they have been subject to unlawful discrimination may notify County Housing either orally or in writing.

Within 10 business days of receiving the complaint, County Housing will attempt to remedy discrimination complaints made against County Housing. It will also advise the family of their right to file a fair housing complaint with HUD's Office of Fair Housing and Equal Opportunity (FHEO). The fair housing poster, posted in conspicuous and accessible locations in County Housing lobbies, will reference how to file a complaint with FHEO.

County Housing will keep a record of all complaints, investigations, notices, and corrective actions (see page 16-13 regarding record keeping).

### **Complaints under the Equal Access Final Rule [Notice PIH 2014-20]**

Notice PIH 2014-20 requires an articulated complaint process for allegations of discrimination under the Equal Access Final Rule. The Equal Access Final Rule requires that PHAs provide equal access regardless of marital status, gender identity, or sexual orientation. County Housing will be informed of these obligations by the HUD Field Office or FHEO when an Equal Access complaint investigation begins.

#### County Housing Policy

Applicants or tenant families who believe that they have been subject to unlawful discrimination based on marital status, gender identity, or sexual orientation under the Equal Access Final Rule may notify either orally or in writing.

Within 10 business days of receiving the complaint, County Housing will provide a written notice to those alleged to have violated the rule. County Housing will also send a written notice to the complainant informing them that notice was sent to those alleged to have violated the rule, as well as information on how to complete and submit a housing discrimination complaint form to HUD's Office of Fair Housing and Equal Opportunity (FHEO).

County Housing will attempt to remedy discrimination complaints made against County Housing and will investigate all allegations of discrimination.

Within 10 business days following the conclusion of the investigation, County Housing will provide the complainant and those alleged to have violated the rule with findings and either a proposed corrective action plan or an explanation of why corrective action is not warranted.

County Housing will keep a record of all complaints, investigations, notices, and corrective actions (see page 16-13 regarding record keeping).

### **VAWA Complaint Processing [Notice FHEO 2023-01]**

A complainant may, not later than one year after an alleged VAWA violation has occurred or terminated, file a complaint with FHEO alleging such violation. If there is a violation that began prior to a year before the complaint is filed, but it continues into the one-year time period, HUD will accept the complaint. FHEO will investigate the complaint if it is timely and FHEO otherwise has jurisdiction. If a complaint is filed more than one year after the alleged violation occurred or terminated, FHEO may, but is not required to, investigate the allegations under the additional authority and procedures described in FHEO 2023-01.

Complaints do not need to allege a violation of the Fair Housing Act for FHEO to accept and investigate the complaint.

#### County Housing Policy

Applicants or tenant families who wish to file a VAWA complaint against County Housing may notify County Housing either orally or in writing.

County Housing will advise the family of their right to file a VAWA complaint with FHEO. County Housing will inform the family that not later than one year after an alleged VAWA violation has occurred or terminated, applicants and tenants who believe they have been

injured by a VAWA violation or will be injured by such a violation that is about to occur may file a VAWA complaint using FHEO's online complaint form via mail, email, or telephone.

County Housing will attempt to remedy complaints made against County Housing and will investigate all allegations of discrimination.

County Housing will keep a record of all complaints, investigations, notices, and corrective actions (see page 16-13 regarding record keeping).

## **PART II: POLICIES RELATED TO PERSONS WITH DISABILITIES**

### **2-II.A. OVERVIEW**

One type of disability discrimination prohibited by the Fair Housing Act is the refusal to make reasonable accommodation in rules, policies, practices, or services when such accommodation may be necessary to afford a person with a disability the equal opportunity to use and enjoy a program or dwelling under the program.

Persons with disabilities must have full access to County Housing's programs and services. This responsibility begins with the first inquiry of an interested family and continues through every programmatic area of the public housing program [24 CFR 8].

County Housing must provide a notice to each tenant that the tenant may, at any time during the tenancy, request reasonable accommodation of a handicap of a household member, including reasonable accommodation so that the tenant can meet lease requirements or other requirements of tenancy [24 CFR 966.7(b)].

#### County Housing Policy

County Housing will ask all applicants and resident families if they require any type of accommodations, in writing, on the intake application, reexamination documents, and notices of adverse action by County Housing, by including the following language:

“If you or anyone in your family is a person with disabilities, and you require a specific accommodation in order to fully utilize our programs and services, please contact the housing authority.”

The Director of Housing Administration's phone number will be provided as the contact for requests for accommodation for persons with disabilities.

### **2-II.B. DEFINITION OF REASONABLE ACCOMMODATION**

A “reasonable accommodation” is a change, exception, or adjustment to a policy, practice, or service that may be necessary for a person with a disability to have an equal opportunity to use and enjoy a dwelling, including public and common-use spaces. Since policies and services may have a different effect on persons with disabilities than on other persons, treating persons with disabilities exactly the same as others will sometimes deny them an equal opportunity to use and enjoy a dwelling [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

Federal regulations stipulate that requests for accommodations will be considered reasonable if they do not create an "undue financial and administrative burden" for a PHA, or result in a “fundamental alteration” in the nature of the program or service offered. A fundamental alteration is a modification that alters the essential nature of a provider's operations.

#### **Types of Reasonable Accommodations**

When it is reasonable (see definition above and Section 2-II.E), County Housing shall accommodate the needs of a person with disabilities. Examples include but are not limited to:

- Permitting applications and reexaminations to be completed by mail
- Providing “large-print” forms
- Conducting home visits

- Permitting a higher utility allowance for the unit if a person with disabilities requires the use of specialized equipment related to the disability
- Modifying or altering a unit or physical system if such a modification or alteration is necessary to provide equal access to a person with a disability
- Installing a ramp into a dwelling or building
- Installing grab bars in a bathroom
- Installing visual fire alarms for hearing impaired persons
- Allowing a County Housing-approved live-in aide to reside in the unit if that person is determined to be essential to the care of a person with disabilities, is not obligated for the support of the person with disabilities, and would not be otherwise living in the unit.
- Providing a designated handicapped-accessible parking space
- Allowing an assistance animal
- Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with County Housing staff
- Displaying posters and other housing information in locations throughout County Housing's office in such a manner as to be easily readable from a wheelchair

### **2-II.C. REQUEST FOR AN ACCOMMODATION**

If an applicant or participant indicates that an exception, change, or adjustment to a rule, policy, practice, or service is needed because of a disability, HUD requires that County Housing treat the information as a request for a reasonable accommodation, even if no formal request is made [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The family must explain what type of accommodation is needed to provide the person with the disability full access to County Housing's programs and services.

If the need for the accommodation is not readily apparent or known to County Housing, the family must explain the relationship between the requested accommodation and the disability.

#### County Housing Policy

County Housing will encourage the family to make its request in writing. However, it will consider the accommodation any time the family indicates that an accommodation is needed whether or not a formal written request is submitted.

### **2-II.D. VERIFICATION OF DISABILITY**

The regulatory civil rights definition for persons with disabilities is provided in Exhibit 2-1 at the end of this chapter. The definition of a person with a disability for the purpose of obtaining a reasonable accommodation is much broader than the HUD definition of disability which is used for waiting list preferences and income allowances.

Before providing an accommodation, County Housing must determine that the person meets the definition of a person with a disability and that the accommodation will enhance the family's access to County Housing's programs and services.

If a person's disability is obvious or otherwise known to County Housing staff, and if the need for the requested accommodation is also readily apparent or known, no further verification will be required [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to County Housing, it must verify that the person meets the definition of a person with a disability, and that the limitations imposed by the disability require the requested accommodation.

When verifying a disability, County Housing will follow the verification policies provided in Chapter 7. All information related to a person's disability will be treated in accordance with the confidentiality policies provided in Chapter 16 (Program Administration). In addition to the general requirements that govern all verification efforts, the following requirements apply when verifying a disability:

- Third-party verification must be obtained from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual's disability may provide verification of a disability [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].
- County Housing must request only information that is necessary to evaluate the disability-related need for the accommodation. County Housing may not inquire about the nature or extent of any disability.
- Medical records will not be accepted or retained in the participant file.
- In the event that County Housing does receive confidential information about a person's specific diagnosis, treatment, or the nature or severity of the disability, it will dispose of it. In place of the information, County Housing will note in the file that the disability and other requested information have been verified, the date the verification was received, and the name and address of the knowledgeable professional who sent the information [Notice PIH 2010-26].

**2-II.E. APPROVAL/DENIAL OF A REQUESTED ACCOMMODATION** [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act, Notice PIH 2010-26]

County Housing must approve a request for an accommodation if the following three conditions are met.

- The request was made by or on behalf of a person with a disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on County Housing, or fundamentally alter the nature of County Housing's operations.

Requests for accommodations must be assessed on a case-by-case basis. The determination of undue financial and administrative burden must be made on a case-by-case basis involving various factors, such as the overall size of County Housing's program with respect to the number of employees, type of facilities and size of budget, type of operation including composition and structure of workforce, the nature and cost of the requested accommodation, and the availability

of alternative accommodations that would effectively meet the family's disability-related needs.

Before making a determination whether to approve the request, County Housing may enter into discussion and negotiation with the family, request more information from the family, or may require the family to sign a consent form so that the Authority may verify the need for the requested accommodation.

#### County Housing Policy

After a request for an accommodation is presented, the Authority will respond, in writing, within 10 business days.

If County Housing denies a request for an accommodation because there is no relationship, or nexus, found between the disability and the requested accommodation, the notice will inform the family of the right to appeal County Housing's decision through an informal hearing (if applicable) or the grievance process (see Chapter 14).

If County Housing denies a request for an accommodation because it is not reasonable (it would impose an undue financial and administrative burden or fundamentally alter the nature of County Housing's operations), County Housing will discuss with the family whether an alternative accommodation could effectively address the family's disability-related needs without a fundamental alteration to the public housing program and without imposing an undue financial and administrative burden.

If County Housing believes that the family has failed to identify a reasonable alternative accommodation after interactive discussion and negotiation, County Housing will notify the family, in writing, of its determination within 10 business days from the date of the most recent discussion or communication with the family. The notice will inform the family of the right to appeal the decision through an informal hearing (if applicable) or the grievance process (see Chapter 14).

## **2-II.F. PROGRAM ACCESSIBILITY FOR PERSONS WITH HEARING OR VISION IMPAIRMENTS**

HUD regulations require County Housing to take reasonable steps to ensure that persons with disabilities related to hearing and vision have reasonable access to County Housing's programs and services [24 CFR 8.6].

At the initial point of contact with each applicant, County Housing shall inform all applicants of alternative forms of communication that can be used other than plain language paperwork.

#### County Housing Policy

To meet the needs of persons with hearing impairments, TTD/TTY (text telephone display / teletype) communication will be available.

To meet the needs of persons with vision impairments, large-print and audio versions of key program documents will be made available upon request. When visual aids are used in public meetings or presentations, or in meetings with County Housing staff, one-on-one assistance will be provided upon request.

Additional examples of alternative forms of communication are sign language interpretation; having material explained orally by staff; or having a third-party representative (a friend, relative or advocate, named by the applicant) to receive, interpret and explain housing materials and be present at all meetings.

## **2-II.G. PHYSICAL ACCESSIBILITY**

County Housing must comply with a variety of regulations pertaining to physical accessibility, including the following.

- Notice PIH 2010-26
- Section 504 of the Rehabilitation Act of 1973
- The Americans with Disabilities Act of 1990
- The Architectural Barriers Act of 1968
- The Fair Housing Act of 1988

County Housing's policies concerning physical accessibility must be readily available to applicants and resident families. They can be found in three key documents.

- This policy, the Admissions and Continued Occupancy Policy, describes the key policies that govern County Housing's responsibilities with regard to physical accessibility.
- Notice PIH 2010-26 summarizes information about pertinent laws and implementing regulations related to nondiscrimination and accessibility in federally-funded housing programs.
- The PHA Plan provides information about self-evaluation, needs assessment, and transition plans.

The design, construction, or alteration of County Housing facilities must conform to the Uniform Federal Accessibility Standards (UFAS). Notice PIH 2010-26 contains specific information on calculating the percentages of units for meeting UFAS requirements.

Newly-constructed facilities must be designed to be readily accessible to and usable by persons with disabilities. Alterations to existing facilities must be accessible to the maximum extent feasible, defined as not imposing an undue financial and administrative burden on the operations of the public housing program.

## **2-II.H. DENIAL OR TERMINATION OF ASSISTANCE**

County Housing's decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation [24 CFR 966.7].

When applicants with disabilities are denied assistance, the notice of denial must inform them of their right to request an informal hearing [24 CFR 960.208(a)].

When a family's lease is terminated, the notice of termination must inform the family of their right to request a hearing in accordance with County Housing's grievance process [24 CFR 966.4(l)(3)(ii)].

When reviewing reasonable accommodation requests, County Housing must consider whether reasonable accommodation will allow the family to overcome the problem that led to the decision to deny or terminate assistance. If a reasonable accommodation will allow the family to meet the requirements, County Housing must make the accommodation [24 CFR 966.7].

In addition, County Housing must provide reasonable accommodation for persons with disabilities to participate in the hearing process [24 CFR 966.56(h)].

## **PART III: IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)**

### **2-III.A. OVERVIEW**

Language for Limited English Proficiency Persons (LEP) can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the public housing program. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin. This part incorporates the Final Guidance to Federal Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons, published January 22, 2007, in the *Federal Register*.

County Housing will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).

LEP persons are defined as persons who do not speak English as their primary language and who have a limited ability to read, write, speak or understand English. For the purposes of this Admissions and Continued Occupancy Policy, LEP persons are public housing applicants and resident families, and parents and family members of applicants and resident families.

In order to determine the level of access needed by LEP persons, County Housing will balance the following four factors: (1) the number or proportion of LEP persons eligible to be served or likely to be encountered by the public housing program; (2) the frequency with which LEP persons come into contact with the program; (3) the nature and importance of the program, activity, or service provided by the program to people's lives; and (4) the resources available to County Housing and costs. Balancing these four factors will ensure meaningful access by LEP persons to critical services while not imposing undue burdens on County Housing.

### **2-III.B. ORAL INTERPRETATION**

County Housing will offer competent interpretation services free of charge, upon request, to the LEP person.

#### County Housing Policy

County Housing will utilize a language line for telephone interpreter services.

When exercising the option to conduct remote hearings, however, County Housing will coordinate with a remote interpretation service which, when available, uses video conferencing technology rather than voice-only interpretation.

Where LEP persons desire, they will be permitted to use, at their own expense, an interpreter of their own choosing, in place of or as a supplement to the free language services offered by County Housing. County Housing, at its discretion, may choose to use the language services even when LEP persons desire to use an interpreter of their choosing. The interpreter may be a family member or friend. If the interpreter chosen by the family is a minor, County Housing will not rely on the minor to serve as the interpreter.

County Housing will analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. "Reasonable steps"

may not be reasonable where the costs imposed substantially exceed the benefits.

Where feasible and possible, according to its language assistance plan (LAP), County Housing will train and hire bilingual staff to be available to act as interpreters and translators, will pool resources with other PHAs, and will standardize documents.

### **2-III.C. WRITTEN TRANSLATION**

Translation is the replacement of a written text from one language into an equivalent written text in another language.

#### County Housing Policy

In order to comply with written translation obligations, County Housing will take the following steps:

County Housing will provide written translations of vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered. Translation of other documents, if needed, can be provided orally; or

If there are fewer than 50 persons in a language group that reaches the 5 percent trigger, County Housing may not translate vital written materials, but will provide written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.

### **2-III.D. IMPLEMENTATION PLAN**

After completing the four-factor analysis and deciding what language assistance services are appropriate, County Housing shall determine whether it is necessary to develop a written implementation plan to address the identified needs of the LEP populations it serves.

If County Housing determines that it is not necessary to develop a written implementation plan, the absence of a written plan does not obviate the underlying obligation to ensure meaningful access by LEP persons to County Housing's public housing program and services.

#### County Housing Policy

If it is determined that County Housing serves very few LEP persons, and County Housing has very limited resources, it will not develop a written LEP plan, but will consider alternative ways to articulate in a reasonable manner a plan for providing meaningful access. Entities having significant contact with LEP persons, such as schools, grassroots and faith-based organizations, community groups, and groups working with new immigrants will be contacted for input into the process.

If County Housing determines it is appropriate to develop a written LEP plan, the following five steps will be taken: (1) Identifying LEP individuals who need language assistance; (2) identifying language assistance measures; (3) training staff; (4) providing notice to LEP persons; and (5) monitoring and updating the LEP plan.

**EXHIBIT 2-1: DEFINITION OF A PERSON WITH A DISABILITY UNDER FEDERAL CIVIL RIGHTS LAWS [24 CFR Parts 8.3 and 100.201]**

A person with a disability, as defined under federal civil rights laws, is any person who:

- Has a physical or mental impairment that substantially limits one or more of the major life activities of an individual, or
- Has a record of such impairment, or
- Is regarded as having such impairment

The phrase “physical or mental impairment” includes:

- Any physiological disorder or condition, cosmetic or disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to: such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

“Major life activities” includes, but is not limited to, caring for oneself, performing manual tasks, walking, seeing, hearing, breathing, learning, and/or working.

“Has a record of such impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major live activities.

“Is regarded as having an impairment” is defined as having a physical or mental impairment that does not substantially limit one or more major life activities but is treated by a public entity (such as the Authority) as constituting such a limitation; has none of the impairments defined in this section but is treated by a public entity as having such an impairment; or has a physical or mental impairment that substantially limits one or more major life activities, only as a result of the attitudes of others toward that impairment.

The definition of a person with disabilities does not include:

- Current illegal drug users
- People whose alcohol use interferes with the rights of others
- Persons who objectively pose a direct threat or substantial risk of harm to others that cannot be controlled with a reasonable accommodation under the public housing program

The above definition of disability determines whether an applicant or participant is entitled to any of the protections of federal disability civil rights laws. Thus, a person who does not meet this definition of disability is not entitled to a reasonable accommodation under federal civil rights and fair housing laws and regulations.

The HUD definition of a person with a disability is much narrower than the civil rights definition of disability. The HUD definition of a person with a disability is used for purposes of receiving the disabled family preference, the \$400 elderly/disabled household deduction, the allowance for medical expenses, or the allowance for disability assistance expenses.

The definition of a person with a disability for purposes of granting a reasonable accommodation request is much broader than the HUD definition of disability. Many people will not qualify as a disabled person under the public housing program, yet an accommodation is needed to provide equal opportunity.

## Chapter 3

### ELIGIBILITY

#### INTRODUCTION

County Housing is responsible for ensuring that every individual and family admitted to the public housing program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. The family must provide any information needed by County Housing to confirm eligibility and determine the level of the family's assistance.

To be eligible for the public housing program:

- The applicant family must:
  - Qualify as a family as defined by HUD and County Housing.
  - Have income at or below HUD-specified income limits.
  - Qualify on the basis of citizenship or the eligible immigrant status of family members.
  - Provide social security number information for household members as required.
  - Consent to County Housing's collection and use of family information as provided for in Authority-provided consent forms.
  - Not currently be receiving a duplicative subsidy.
  - Meet net asset and property ownership restriction requirements.
- County Housing must determine that the current or past behavior of household members does not include activities that are prohibited by HUD or County Housing.

This chapter contains three parts:

Part I: Definitions of Family and Household Members. This part contains HUD and County Housing definitions of family and household members and explains initial and ongoing eligibility issues related to these members.

Part II: Basic Eligibility Criteria. This part discusses income eligibility and rules regarding citizenship, social security numbers, and family consent.

Part III: Denial of Admission. This part covers factors related to an applicant's past or current conduct (e.g. criminal activity) that can cause County Housing to deny admission as well as the asset limitation for public housing.

## **PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS**

### **3-I.A. OVERVIEW**

Some eligibility criteria and program rules vary depending upon the composition of the family requesting assistance. In addition, some requirements apply to the family as a whole and others apply to individual persons who will live in the public housing unit. This part provides information that is needed to correctly identify family and household members and explains HUD's eligibility rules.

### **3-I.B. FAMILY AND HOUSEHOLD [24 CFR 5.105(a)(2), 24 CFR 5.403, FR Notice 02/03/12, Notice PIH 2014-20, Notice PIH 2023-27, and FR Notice 2/14/23]**

The terms *family* and *household* have different meanings in the public housing program.

#### **Family**

To be eligible for admission, an applicant must qualify as a family. *Family* as defined by HUD, includes but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status, a single person, who may be an elderly person, displaced person, disabled person, near-elderly person, or any other single person; an otherwise eligible youth who has attained at least 18 years of age and not more than 24 years of age and who has left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act (42 U.S.C. 675(5)(H)), and is homeless or is at risk of becoming homeless at age 16 or older; or a group of persons residing together. Such group includes, but is not limited to, a family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family), an elderly family, a near-elderly family, a disabled family, a displaced family, and the remaining member of a tenant family. The Authority has the discretion to determine if any other group of persons qualifies as a family.

*Gender Identity* means actual or perceived gender characteristics.

*Sexual orientation* means homosexuality, heterosexuality, or bisexuality.

#### County Housing Policy

A family also includes two or more individuals who are not related by blood, marriage, adoption, or other operation of law, but who either can demonstrate that they have lived together previously or certify that each individual's income and other resources will be available to meet the needs of the family.

Each family must identify the individuals to be included in the family at the time of application and must update this information if the family's composition changes.

#### **Household**

*Household* is a broader term that includes additional people who, with the Authority's permission, live in a public housing unit, such as live-in aides, foster children, and foster adults.

### **3-I.C. FAMILY BREAKUP AND REMAINING MEMBER OF TENANT FAMILY**

#### **Family Breakup**

Except under the following conditions, County Housing has discretion to determine which members of an assisted family continue to receive assistance if the family breaks up:

- If the family breakup results from an occurrence of domestic violence, dating violence, sexual assault, stalking, or human trafficking, County Housing must ensure that the victim retains assistance (for documentation requirements and policies related to domestic violence, dating violence, sexual assault, and stalking, see section 16-VII.D of this plan).
- If a court determines the disposition of property between members of the assisted family, County Housing is bound by the court's determination of which family members continue to receive assistance.

County Housing Policy

When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date. Other former family members may submit a new application with a new application date if the waiting list is open.

If a family breaks up into two otherwise eligible families while living in public housing, only one of the new families will retain occupancy of the unit.

In the absence of a judicial decision or an agreement among the original family members, County Housing will determine which family will retain their placement on the waiting list or continue in occupancy. In making its determination, County Housing will take into consideration the following factors: (1) the interest of any minor children, including custody arrangements; (2) the interest of any ill, elderly, or disabled family members; (3) the interest of any family member who is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, including a family member who was forced to leave a public housing unit as a result of such actual or threatened abuse and provides documentation in accordance with section 16-VII.D of this ACOP; (4) any possible risks to family members as a result of criminal activity, and (5) the recommendations of social service professionals.

**Remaining Member of a Tenant Family [24 CFR 5.403]**

The HUD definition of family includes the *remaining member of a tenant family*, which is a member of a resident family who remains in the unit when other members of the family have left the unit [PH Occ GB, p. 26]. Household members such as live-in aides, foster children, and foster adults do not qualify as remaining members of a family.

If dependents are the only “remaining members of a tenant family” and there is no family member able to assume the responsibilities of the head of household, see Chapter 6, Section 6-I.B, for the policy on “Caretakers for a Child.”

**3-I.D. HEAD OF HOUSEHOLD [24 CFR 5.504(b)]**

*Head of household* means the adult member of the family who is considered the head for purposes of determining income eligibility and rent. The head of household is responsible for ensuring that the family fulfills all of its responsibilities under the program, alone or in conjunction with a cohead or spouse.

County Housing Policy

The family may designate any qualified family member as the head of household.

The head of household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as head of household.

### **3-I.E. SPOUSE, COHEAD, AND OTHER ADULT**

A family or head of household may have a spouse or cohead, but not both [HUD-50058 IB, p. 13].

*Spouse* means the marriage partner of the head of household.

#### County Housing Policy

A *marriage partner* includes the partner in a "common law" marriage as defined in state law. The term "spouse" does not apply to friends, roommates, or significant others who are not marriage partners.

A *cohead* is an individual in the household who is equally responsible, with the head of household, for ensuring that the family fulfills all of its responsibilities under the program, but who is not a spouse. A family can have only one cohead.

#### County Housing Policy

Minors who are emancipated under state law may be designated as a cohead.

*Other adult* means a family member, other than the head, spouse, or cohead, who is 18 years of age or older. Foster adults and live-in aides are not considered other adults [HUD-50058 IB, p. 14].

### **3-I.F. DEPENDENTS AND MINORS [24 CFR 5.603]**

A *minor* is a member of the family, other than the head of family or spouse, who is under 18 years of age.

A *dependent* is a family member who is under 18 years of age or a person of any age who is a person with a disability or a full-time student, except that the following persons can never be dependents: the head of household, spouse, cohead, foster children/adults and live-in aides. Identifying each dependent in the family is important because each dependent qualifies the family for a deduction from annual income, as described in Chapter 6.

#### **Joint Custody of Dependents**

#### County Housing Policy

Dependents who are subject to a joint custody arrangement will be considered members of the family if they live with the applicant or resident family 50 percent or more of the time.

When more than one applicant or assisted family (regardless of program) is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, County Housing will make the determination based on available documents such as court orders, an IRS income tax return showing which family has claimed the child for income tax purposes, school records, or other credible documentation.

### **3-I.G. FULL-TIME STUDENT [24 CFR 5.603]**

A *full-time student* (FTS) is a person who is attending school or vocational training on a full-time basis. The time commitment or subject load that is needed to determine if attendance is full-time is defined by the educational institution.

Identifying each FTS is important because (1) each family member that is an FTS, other than the head, spouse, or cohead, qualifies the family for a dependent deduction and (2) the income of such an FTS is treated differently from the income of other family members.

### **3-I.H. ELDERLY AND NEAR-ELDERLY PERSONS, AND ELDERLY FAMILY [24 CFR 5.100, 5.403, 945.105, and FR Notice 02/03/12]**

#### **Elderly Persons**

An *elderly person* is a person who is at least 62 years of age.

#### **Near-Elderly Persons**

A *near-elderly person* is a person who is 50-61 years of age.

#### **Elderly Family**

An *elderly family* is one in which the head, spouse, cohead, or sole member is an elderly person. Identifying elderly families is important because these families qualify for the elderly family allowance and the medical allowance as described in Chapter 6 and may qualify for a particular type of development as noted in Chapter 4.

### **3-I.I. PERSONS WITH DISABILITIES AND DISABLED FAMILIES [24 CFR 5.403, FR Notice 02/03/12]**

#### **Persons with Disabilities**

Under the public housing program, special rules apply to persons with disabilities and to any family whose head, spouse, or cohead is a person with disabilities. The technical definitions of individuals with handicaps and persons with disabilities are provided in Exhibit 3-1 at the end of this chapter. These definitions are used for a number of purposes, including ensuring that persons with disabilities are not discriminated against based on disability.

As discussed in Chapter 2, County Housing must make all aspects of the public housing program accessible to persons with disabilities and consider requests for reasonable accommodations when a person's disability limits their full access to the unit, the program, or County Housing's services.

#### **Disabled Family**

A *disabled family* is one in which the head, spouse, or cohead is a person with a disability. Identifying disabled families is important because these families qualify for the disabled family allowance and the medical allowance as described in Chapter 6 and may qualify for a particular type of development, as noted in Chapter 4.

Even though persons with drug or alcohol dependencies are considered persons with disabilities for the purpose of non-discrimination, this does not prevent County Housing from denying admission or taking action under the lease for reasons related to alcohol and drug abuse in accordance with the policies found in Part III of this chapter and in Chapter 13.

### **3-I.J. GUESTS [24 CFR 5.100]**

A *guest* is defined as a person temporarily staying in the unit with the consent of a tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant.

The lease must provide that the tenant has the right to exclusive use and occupancy of the leased unit by the members of the household authorized to reside in the unit in accordance with the lease, including reasonable accommodation of their guests [24 CFR 966.4(d)]. The head of household is responsible for the conduct of visitors and guests inside the unit as well as anywhere on or near County Housing premises [24 CFR 966.4(f)].

#### County Housing Policy

A resident family must notify County Housing when overnight guests will be staying in the unit for more than three days. A guest can remain in the unit no longer than 14 consecutive days or a total of 30 cumulative calendar days during any 12-month period.

A family may request an exception to this policy for valid reasons (e.g., care of a relative recovering from a medical procedure). An exception will not be made unless the family can identify and provide documentation of the residence to which the guest will return.

Children who are subject to a joint custody arrangement or for whom a family has visitation privileges and who are not included as family members because they live outside of the public housing unit more than 50 percent of the time are not subject to the time limitations of guests as described above.

Former residents who have been evicted are not permitted as overnight guests.

Guests who represent the public housing unit address as their residence address or address of record for receipt of benefits or any other purposes will be considered unauthorized occupants. In addition, guests who remain in the unit beyond the allowable time limit will be considered to be unauthorized occupants, and their presence will constitute a violation of the lease.

### **3-I.K. FOSTER CHILDREN AND FOSTER ADULTS [24 CFR 5.603]**

A *foster adult* is a member of the household who is 18 years of age or older and meets the definition of a foster adult under state law. In general, a foster adult is a person who is 18 years of age or older, is unable to live independently due to a debilitating physical or mental condition and is placed with the family by an authorized placement agency or by judgment, decree, or other order of any court of competent jurisdiction.

A *foster child* is a member of the household who meets the definition of a foster child under state law. In general, a foster child is placed with the family by an authorized placement agency (e.g. public child welfare agency) or by judgment, decree, or other order of any court of competent jurisdiction.

Foster children and foster adults who are living with an applicant or resident family are considered household members but not family members. The income of foster children/adults is not counted in the family's annual income and foster children/adults do not qualify for a dependent deduction [24 CFR 5.603 and HUD-50058 IB, pp. 13-14].

#### County Housing Policy

A foster child or foster adult may be allowed to reside in the unit if their presence would not overcrowd the unit.

Children that are temporarily absent from the home as a result of placement in foster care are discussed in Section 3-I.L.

### **3-I.L. ABSENT FAMILY MEMBERS**

Individuals may be temporarily or permanently absent from the unit for a variety of reasons including educational activities, placement in foster care, employment, and illness.

#### **Definitions of Temporarily and Permanently Absent**

##### County Housing Policy

Generally, an individual who is or is expected to be absent from the public housing unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally, an individual who is or is expected to be absent from the public housing unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

#### **Absent Students**

##### County Housing Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to County Housing indicating that the student has established a separate household, or the family declares that the student has established a separate household.

#### **Absences Due to Placement in Foster Care [24 CFR 5.403]**

Children temporarily absent from the home as a result of placement in foster care are considered members of the family.

##### County Housing Policy

If a child has been placed in foster care, County Housing will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

#### **Absent Head, Spouse, or Cohead**

##### County Housing Policy

An employed head, spouse, or cohead absent from the unit for more than 180 consecutive days due to employment will continue to be considered a family member.

#### **Individuals Confined for Medical Reasons**

##### County Housing Policy

An individual confined to a nursing home or hospital on a permanent basis is not considered a household member.

If there is a question about the status of a family member, County Housing will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The family may present evidence that the family

member is confined on a permanent basis and request that the person not be considered a family member.

### **Return of Permanently Absent Family Members**

#### County Housing Policy

The family must request County Housing approval for the return of any adult family members that County Housing has determined to be permanently absent. The individual is subject to the eligibility and screening requirements discussed in this chapter.

### **3-I.M. LIVE-IN AIDE**

*Live-in aide* means a person who resides with one or more elderly persons, near-elderly persons, or persons with disabilities, and who: (1) is determined to be essential to the care and well-being of the person(s), (2) is not obligated for the support of the person(s), and (3) would not be living in the unit except to provide the necessary supportive services [24 CFR 5.403].

County Housing must approve a live-in aide if needed as a reasonable accommodation for a person with disabilities in accordance with 24 CFR 8.

A live-in aide is considered a household member but not a family member. The income of the live-in aide is not counted in determining the annual income of the family [24 CFR 5.609(c)(5)]. Relatives may be approved as live-in aides if they meet all of the criteria defining a live-in aide. However, a relative who serves as a live-in aide is not considered a family member and would not be considered a remaining member of a tenant family.

#### County Housing Policy

A family's request for a live-in aide may be made either orally or in writing. County Housing will verify the need for a live-in aide, if necessary, with a reliable, knowledgeable professional as provided by the family, such as a doctor, social worker, or case worker. For continued approval, the family may be required to submit a new, written request—subject to County Housing verification—at each annual reexamination.

County Housing has the discretion not to approve a particular person as a live-in aide and may withdraw such approval if [24 CFR 966.4(d)(3)(i)]:

The person commits fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program;

The person has a history of drug-related criminal activity or violent criminal activity;  
or

The person currently owes rent or other amounts to County Housing or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

Within 10 business days of receiving a request for a live-in aide, including all required documentation related to the request, County Housing will notify the family of its decision in writing.

## PART II: BASIC ELIGIBILITY CRITERIA

### 3-II.A. INCOME ELIGIBILITY AND TARGETING

#### Income Limits

HUD is required by law to establish income limits that determine the income eligibility of applicants for HUD's assisted housing programs, including the public housing program. The income limits are published annually and are based on HUD estimates of the median incomes for families of different sizes in a particular area or county.

#### Types of Low-Income Families [24 CFR 5.603(b)]

*Low-income family.* A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.

*Very low-income family.* A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.

*Extremely low-income family.* A family whose annual income does not exceed the federal poverty level or 30 percent of the median income for the area, whichever number is higher.

Area median income is determined by HUD, with adjustments for smaller and larger families. HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

HUD also publishes over-income limits annually, but these are not used at admission. Over-income limits will be discussed in Chapter 13.

#### Using Income Limits for Eligibility [24 CFR 960.201 and Notice PIH 2023-27]

Income limits are used to determine eligibility at admission. Eligibility is established by comparing a family's annual income with HUD's published income limits. To be income-eligible, a family must be a *low-income* family. Income and net family assets of household members are excluded when determining income eligibility; however, household members are considered for purposes of unit size and subsidy standards.

#### Using Income Limits for Targeting [24 CFR 960.202(b)]

At least 40 percent of the families admitted from County Housing waiting list to the public housing program during a PHA fiscal year must be *extremely low-income* families. This is called the "basic targeting requirement."

If admissions of extremely low-income families to the County Housing's housing choice voucher program during the fiscal year exceed the 75 percent minimum targeting requirement for that program, such excess shall be credited against County Housing's public housing basic targeting requirement for the same fiscal year.

The fiscal year credit for housing choice voucher program admissions that exceed the minimum voucher program targeting requirement must not exceed the lower of:

- Ten percent of public housing waiting list admissions during County Housing's fiscal year
- Ten percent of waiting list admission to County Housing's housing choice voucher program during the fiscal year

- The number of qualifying low-income families who commence occupancy during the fiscal year of public housing units located in census tracts with a poverty rate of 30 percent or more. For this purpose, qualifying low-income family means a low-income family other than an extremely low-income family.

For discussion of how income targeting is used in tenant selection, see Chapter 4.

### **3-II.B. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5, Subpart E]**

Housing assistance is available only to individuals who are U.S. citizens, U.S. nationals (herein referred to as citizens and nationals), or noncitizens who have eligible immigration status. At least one family member must be a citizen, national, or noncitizen with eligible immigration status in order for the family to qualify for any level of assistance.

All applicant families must be notified of the requirement to submit evidence of their citizenship status when they apply. Where feasible, and in accordance with County Housing's Limited English Proficiency Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

#### **Declaration [24 CFR 5.508]**

HUD requires each family member to declare whether the individual is a citizen, a national, or an eligible noncitizen, except those members who elect not to contend that they have eligible immigration status. Those who elect not to contend their status are considered to be ineligible noncitizens. For citizens, nationals, and eligible noncitizens, the declaration must be signed personally by the head, spouse, cohead, and any other family member 18 or older, and by a parent or guardian for minors. The family must identify in writing any family members who elect not to contend their immigration status (see Ineligible Noncitizens below). No declaration is required for live-in aides, foster children, or foster adults.

#### ***U.S. Citizens and Nationals***

In general, citizens and nationals are required to submit only a signed declaration that claims their status. However, HUD regulations permit PHAs to request additional documentation of their status, such as a passport.

##### County Housing Policy

Family members who declare citizenship or national status will not be required to provide additional documentation unless County Housing receives information indicating that an individual's declaration may not be accurate.

#### ***Eligible Noncitizens***

In addition to providing a signed declaration, those declaring eligible noncitizen status must sign a verification consent form and cooperate with County Housing's efforts to verify their immigration status as described in Chapter 7. The documentation required for establishing eligible noncitizen status varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, the person's age, and the date on which the family began receiving HUD-funded assistance.

Lawful residents of the Marshall Islands, the Federated States of Micronesia, and Palau, together known as the Freely Associated States, or FAS, are eligible for housing assistance under section 141 of the Compacts of Free Association between the U.S. Government and the Governments of the FAS [Public Law 106-504].

### ***Ineligible Noncitizens***

Those noncitizens who do not wish to contend their immigration status are required to have their names listed on a noncontending family members listing, signed by the head, spouse, or cohead (regardless of citizenship status), indicating their ineligible immigration status. County Housing is not required to verify a family member's ineligible status and is not required to report an individual's unlawful presence in the U.S. to the United States Citizenship and Immigration Services (USCIS).

Providing housing assistance to noncitizen students is prohibited [24 CFR 5.522]. This prohibition extends to the noncitizen spouse of a noncitizen student as well as to minor children who accompany or follow to join the noncitizen student. Such prohibition does not extend to the citizen spouse of a noncitizen student or to the children of the citizen spouse and noncitizen student. Such a family is eligible for prorated assistance as a mixed family.

### **Mixed Families**

A family is eligible for admission as long as at least one member is a citizen, national, or eligible noncitizen. Families that include eligible and ineligible individuals are considered *mixed families*. Such families will be given notice that their assistance will be prorated, and that they may request a hearing if they contest this determination. See Chapter 6 for a discussion of how rents are prorated, and Chapter 14 for a discussion of grievance hearing procedures.

### **Ineligible Families [24 CFR 5.514(d), (e), and (f)]**

A PHA may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member [24 CFR 5.512(b)]. Otherwise, no individual or family may be assisted prior to the affirmative establishment by the PHA that the individual or at least one family member is eligible [24 CFR 5.512(a)].

#### County Housing Policy

County Housing will not provide assistance to a family before the verification of at least one family member as a citizen, national, or eligible noncitizen.

If, following the verification process, County Housing determines that an applicant family does not include any citizens, nationals, or eligible noncitizens, the family will be sent a written notice within 10 business days of the determination.

The notice will explain the reasons for the denial of assistance and will advise the family of its right to request an appeal to the United States Citizenship and Immigration Services (USCIS), or to request a grievance hearing with County Housing. The grievance hearing with County Housing may be requested in lieu of the USCIS appeal, or at the conclusion of the USCIS appeal process. The notice must also inform the applicant family that assistance may not be delayed until the conclusion of the USCIS appeal process, but that it may be delayed pending the completion of the grievance hearing process.

Grievance hearing procedures are contained in Chapter 14.

### **Time Frame for Determination of Citizenship Status [24 CFR 5.508(g)]**

For new occupants joining the resident family, County Housing must verify status at the first interim or regular reexamination following the person's occupancy, whichever comes first.

If an individual qualifies for a time extension for the submission of required documents, County Housing must grant such an extension for no more than 30 days [24 CFR 5.508(h)].

Each family member is required to submit evidence of eligible status only once during continuous occupancy.

#### County Housing Policy

County Housing will verify the status of applicants at the time other eligibility factors are determined.

### **3-II.C. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and 5.218, Notice PIH 2018-24]**

The applicant and all members of the applicant's household must disclose the complete and accurate social security number (SSN) assigned to each household member, and the documentation necessary to verify each SSN. If a child under age six has been added to an applicant family within the six months prior to program admission, an otherwise eligible family may be admitted to the program and must disclose and document the child's SSN within 90 days of admission. A detailed discussion of acceptable documentation is provided in Chapter 7.

**Note:** These requirements do not apply to noncitizens who do not contend eligible immigration status.

In addition, each participant who has not previously disclosed an SSN, has previously disclosed an SSN that HUD or the Social Security Administration (SSA) determined was invalid, or has been issued a new SSN must submit their complete and accurate SSN and the documentation required to verify the SSN at the time of the next interim or annual reexamination or recertification. Participants age 62 or older as of January 31, 2010, whose determination of eligibility was begun before January 31, 2010, are exempt from this requirement and remain exempt even if they move to a new assisted unit.

County Housing must deny assistance to an applicant family if they do not meet the SSN disclosure and documentation requirements contained in 24 CFR 5.216.

### **3-II.D. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 5.232]**

HUD requires each adult family member, and the head of household, spouse, or cohead, regardless of age, to sign form HUD-9886, Authorization for the Release of Information Privacy Act Notice, the form HUD-52675, Debts Owed to Public Housing Agencies and Terminations, and other consent forms as needed to collect information relevant to the family's eligibility and level of assistance. Chapter 7 provides detailed information concerning the consent forms and verification requirements. The consent form remains effective until the family is denied assistance, assistance is terminated, or the family provides written notification to revoke consent.

County Housing must deny admission to the program if any member of the applicant family fails to sign and submit the consent forms for obtaining information that County Housing has determined is necessary in the administration of the public housing program [24 CFR 960.259(a) and (b) and 24 CFR 5.232(a)].

However, this does not apply if the applicant, participant, or any member of their family revokes their consent with respect to the ability of County Housing to access financial records from financial institutions unless County Housing establishes a policy that revocation of consent to access financial records will result in denial or termination of assistance or admission [24 CFR 5.232(c)].

### County Housing Policy

County Housing has established a policy that the family's revocation of consent to allow County Housing to access records from financial institutions will result in denial of admission.

## **3-II.E. EIV SYSTEM SEARCHES [EIV FAQs; EIV System Training 9/30/20; and Notice PIH 2023-27]**

### **Existing Tenant Search**

Prior to admission to the program, County Housing must search for all household members using the Enterprise Income Verification (EIV) Existing Tenant Search module. County Housing must review the reports for any SSA matches involving another PHA or a multifamily entity and follow up on any issues identified. County Housing must provide the family with a copy of the Existing Tenant Search results if requested. At no time may any family member receive duplicative assistance.

If the tenant is a new admission to County Housing, and a match is identified at a multifamily property, County Housing must report the program admission date to the multifamily property and document the notification in the tenant file. The family must provide documentation of move-out from the assisted unit, as applicable.

### County Housing Policy

County Housing will contact the other PHA, or owner identified in the report to confirm that the family has moved out of the unit and obtain documentation of current tenancy status, including a form HUD-50058 or 50059, as applicable, showing an end of participation. The Authority will only approve assistance contingent upon the move-out from the occupied assisted unit.

### **Debts Owed to PHAs and Terminations**

All adult household members must sign the form HUD-52675, Debts Owed to Public Housing and Terminations. Prior to admission to the program, County Housing must search for each adult family member in the Debts Owed to PHAs and Terminations module.

If a current or former tenant disputes the information in the module, the tenant should contact County Housing directly in writing to dispute the information and provide any documentation that supports the dispute. If County Housing determines that the disputed information is incorrect, it will update or delete the record from EIV. Former tenants may dispute debt and termination information for a period of up to three years from the end of participation date in the program.

### County Housing Policy

County Housing will require each adult household member to sign the form HUD-52675 once at the eligibility determination. Any new members added to the household after admission will also be required to sign the form HUD-52675 prior to being added to the household.

County Housing will search the Debts Owed to PHAs and Terminations module as part of the eligibility determination for new households and as part of the screening process for any household members added after the household is admitted to the program. If any information on debts or terminations is returned by the search, County Housing will determine if this information warrants a denial in accordance with the policies in Part III of this chapter.

**Income and IVT Reports**

For each new admission, County Housing is required to review the EIV Income and IVT Reports to confirm and validate family-reported income within 120 days of the IMS/PIC submission date of the new admission. County Housing must print and maintain copies of the EIV Income and IVT reports in the tenant file and resolve any discrepancies with the family within 60 days of the EIV Income or IVT report dates.

## **PART III: DENIAL OF ADMISSION**

### **3-III.A. OVERVIEW**

A family that does not meet the eligibility criteria discussed in Parts I and II must be denied admission. In addition, HUD requires or permits PHAs to deny admission based on certain types of current or past behaviors of family members as discussed in this part. County Housing's power in this area is limited by the Violence Against Women Act (VAWA), which prohibits the denial of admission to an otherwise qualified applicant on the basis or as a direct result of the fact that the applicant is or has been the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking [24 CFR 5.2005(b)].

While the regulations state that PHAs must prohibit admission for certain types of criminal activity and give PHAs the option to deny for other types of previous criminal history, more recent HUD rules and OGC guidance must also be taken into consideration when determining whether a particular individual's criminal history merits denial of admission.

When considering any denial of admission, PHAs may not use arrest records as the basis for the denial. Further, HUD does not require the adoption of "One Strike" policies and reminds PHAs of their obligation to safeguard the due process rights of applicants and tenants [Notice PIH 2015-19].

HUD's Office of General Counsel issued a memo on April 4, 2016, regarding the application of Fair Housing Act standards to the use of criminal records. This memo states that a PHA violates the Fair Housing Act when their policy or practice has an unjustified discriminatory effect, even when the PHA had no intention to discriminate. Where a policy or practice that restricts admission based on criminal history has a disparate impact on a particular race, national origin, or other protected class, that policy or practice is in violation of the Fair Housing Act if it is not necessary to serve a substantial, legitimate, nondiscriminatory interest of the PHA, or if that interest could be served by another practice that has a less discriminatory effect [OGC Memo 4/4/16]. HUD codified this stance on disparate impact and discriminatory effects in a final rule dated March 31, 2023. In doing so, HUD also standardized its long-practiced three-step approach to assessing burdens of proof.

PHAs who impose blanket prohibitions on any person with any conviction record, no matter when the conviction occurred, what the underlying conduct entailed, or what the convicted person has done since then will be unable to show that such policy or practice is necessary to achieve a substantial, legitimate, nondiscriminatory interest. Even a PHA with a more tailored policy or practice that excludes individuals with only certain types of convictions must still prove that its policy is necessary. To do this, the PHA must show that its policy accurately distinguishes between criminal conduct that indicates a demonstrable risk to resident safety and property and criminal conduct that does not.

This part covers the following topics:

- Required denial of admission
- The asset limitation in public housing
- Other permitted reasons for denial of admission
- Screening
- Criteria for deciding to deny admission

- Prohibition against denial of admission to victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking
- Notice of eligibility or denial

### **3-III.B. REQUIRED DENIAL OF ADMISSION [24 CFR 960.204]**

PHAs are required to establish standards that prohibit admission of an applicant to the public housing program if they have engaged in certain criminal activity or if there is reasonable cause to believe that a household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

Where the statute requires that PHAs prohibit admission for a prescribed period of time after some disqualifying behavior or event, PHAs may choose to continue that prohibition for a longer period of time [24 CFR 960.203(c)(3)(ii)].

HUD requires PHAs to deny assistance in the following cases:

- Any member of the household has been evicted from federally assisted housing in the last three years for drug-related criminal activity. HUD permits but does not require PHAs to admit an otherwise-eligible family if the household member has completed a PHA-approved drug rehabilitation program or the circumstances which led to eviction no longer exist (e.g. the person involved in the criminal activity no longer lives in the household).

#### County Housing Policy

County Housing will admit an otherwise-eligible family who was evicted from federally assisted housing within the past three years for drug-related criminal activity, if County Housing is able to verify that the household member who engaged in the criminal activity has completed a supervised drug rehabilitation program approved by County Housing, or the person who committed the crime is no longer living in the household.

- When PHAs determine that any household member is currently engaged in the use of illegal drugs. *Drug* means a controlled substance as defined in section 102 of the Controlled Substances Act [21 U.S.C. 802]. *Currently engaged in the illegal use of a drug* means a person has engaged in the behavior recently enough to justify a reasonable belief that there is continuing illegal drug use by a household member [24 CFR 960.205(b)(1)].

#### County Housing Policy

*Currently engaged in* is defined as any use of illegal drugs during the previous three months.

- If a PHA has reasonable cause to believe that any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

#### County Housing Policy

In determining reasonable cause, County Housing will consider all credible evidence, including but not limited to, any record of convictions, arrests, or evictions of household members related to the use of illegal drugs or the abuse of alcohol. A conviction will be given more weight than an arrest. A record or records of arrest will not be used as the sole basis for the denial or proof that the applicant engaged in disqualifying criminal activity.

County Housing will also consider evidence from treatment providers or community-based organizations providing services to household members.

- Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing.
- Any household member is subject to a lifetime registration requirement under a state lifetime sex offender registration program.

### **3-III.C. RESTRICTION ON ASSISTANCE BASED ON ASSETS [24 CFR 5.618]**

There are two circumstances under which a family is ineligible for the program based on asset ownership.

First, assistance may not be provided to any family if the family's net assets exceed \$100,000 (adjusted annually by HUD).

Second, the family has real property that is suitable for occupancy by the family as a residence and the family has:

- A present ownership interest in the real property;
- A legal right to reside in the real property; and
- The effective legal authority to sell (based on state or local laws of the jurisdiction where the property is located) the real property.

However, the real property restriction does not apply in the following circumstances:

- Any property for which the family is receiving assistance for a manufactured home under 24 CFR 982.620 or under the HCV Homeownership program;
- Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property;
- Any family that is offering the property for sale; or
- Any person who is a victim of domestic violence, dating violence, dating violence, sexual assault, or stalking.
  - When a family asks for an exception because a family member is a victim of domestic violence, dating violence, sexual assault, or stalking, County Housing must comply with all the confidentiality requirements under VAWA. County Housing must accept a self-certification from the family member, and the restrictions on requesting documentation under VAWA apply.

A property is considered *suitable for occupancy* unless the family demonstrates that it:

- Does not meet the disability-related needs for all members of the family (e.g. physical accessibility requirements, disability-related need for additional bedrooms, proximity to accessible transportation, etc.);
- Is not sufficient for the size of the family;

### County Housing Policy

County Housing defines not sufficient for the size of the family as being overcrowded based on the occupancy standards in Chapter 5.

- Is geographically located so as to be a hardship for the family (e.g. the distance or commuting time between the property and the family's place of work or school would be a hardship to the family, as determined by County Housing or owner);
- Is not safe to reside in because of the physical condition of the property (e.g. property's physical condition poses a risk to the family's health and safety and the condition of the property cannot be easily remedied); or
- Is not a property that a family may reside in under the state or local laws of the jurisdiction where the property is located.

### **3-III.D. OTHER PERMITTED REASONS FOR DENIAL OF ADMISSION**

HUD permits but does not require PHAs to deny admission for the reasons discussed in this section.

#### **Criminal Activity [24 CFR 960.203(c)]**

County Housing is responsible for screening family behavior and suitability for tenancy. In doing so, County Housing may consider an applicant's history of criminal activity involving crimes of physical violence to persons or property and other criminal acts that would adversely affect the health, safety, or welfare of other tenants.

### County Housing Policy

If any household member is currently engaged in or has engaged in any of the following criminal activities within the past three years, the family will be denied admission.

*Drug-related criminal activity*, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug [24 CFR 5.100].

*Violent criminal activity*, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100].

Criminal activity that may threaten the health, safety, or welfare of other tenants [24 CFR 960.203(c)(3)].

Criminal activity that may threaten the health or safety of County Housing staff, contractors, subcontractors, or agents.

Criminal sexual conduct, including but not limited to sexual assault, incest, open and gross lewdness, or child abuse.

Evidence of such criminal activity includes, but is not limited to, any record of convictions, arrests, or evictions for suspected drug-related or violent criminal activity of household members within the past three years. A conviction for such activity will be given more weight than an arrest or an eviction. A record or records of arrest will not be used as the

sole basis for the denial or proof that the applicant engaged in disqualifying criminal activity.

In making its decision to deny assistance, County Housing will consider the factors discussed in Sections 3-III.F and 3-III.G. Upon consideration of such factors, the Authority may, on a case-by-case basis, decide not to deny assistance.

**Previous Behavior [960.203(c) and (d) and PH Occ GB, p. 48]**

HUD authorizes PHAs to deny admission based on relevant information pertaining to the family's previous behavior and suitability for tenancy.

In the event of the receipt of unfavorable information with respect to an applicant, PHAs must consider the time, nature, and extent of the applicant's conduct (including the seriousness of the offense). As discussed in Section 3-III.F, County Housing may also need to consider whether the cause of the unfavorable information may be that the applicant is the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking.

County Housing Policy

County Housing will deny admission to an applicant family if it is determined that the family:

Has a pattern of unsuitable past performance in meeting financial obligations, including rent, within the past three years.

Has a pattern of disturbance of neighbors, destruction of property, or living or housekeeping habits at prior residences within the past three years, which may adversely affect the health, safety, or welfare of other tenants.

Owes rent or other amounts to this or any other PHA or owner in connection with any assisted housing program.

Misrepresented or does not provide complete information related to eligibility, including income, award of preferences for admission, expenses, family composition, or rent.

Has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program in the last three years.

Has engaged in or threatened violent or abusive behavior toward PHA personnel.

*Abusive or violent behavior towards Authority personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

*Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to deny admission, County Housing will consider the factors discussed in Sections 3-III.F and 3-III.G. Upon consideration of such factors, County Housing may, on a case-by-case basis, decide not to deny admission.

County Housing will consider the existence of mitigating factors, such as loss of employment or other financial difficulties, before denying admission to an applicant based on the failure to meet prior financial obligations.

### **3-III.E. SCREENING**

#### **Screening for Eligibility**

PHAs are authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the public housing program. This assists them in complying with HUD requirements and their own policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records, PHAs must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

PHAs may not pass along to the applicant the costs of a criminal records check [24 CFR 960.204(d)].

#### County Housing Policy

County Housing will perform criminal background checks through local law enforcement for all adult household members.

County Housing is required to perform criminal background checks necessary to determine whether any household member is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household member is known to have resided [24 CFR 960.204(a)(4)].

#### County Housing Policy

County Housing will use the Dru Sjodin National Sex Offender database to screen applicants for admission.

Additionally, County Housing must ask whether the applicant or any member of the applicant's household is subject to a lifetime registered sex offender registration requirement in any state [Notice PIH 2012-28].

If County Housing proposes to deny admission based on a criminal record or on lifetime sex offender registration information, it must notify the household of the proposed action and must provide the subject of the record and the applicant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to a denial of admission [24 CFR 5.903(f) and 5.905(d)].

#### ***Obtaining Information from Drug Treatment Facilities [24 CFR 960.205]***

HUD authorizes PHAs to request and obtain information from drug abuse treatment facilities concerning applicants. Specifically, PHAs may require each applicant to submit for all household members who are at least 18 years of age, and for each family head, spouse, or cohead regardless of age, one or more consent forms signed by such household members that request any drug abuse treatment facility to inform the PHA whether the drug abuse treatment facility has reasonable cause to believe that the household member is currently engaging in illegal drug use.

*Drug Abuse Treatment Facility* means an entity that holds itself out as providing, and provides, diagnosis, treatment, or referral for treatment with respect to the illegal drug use, and is either an identified unit within a general care facility, or an entity other than a general medical care facility.

*Currently engaging in illegal use of a drug* means illegal use of a drug that occurred recently enough to justify a reasonable belief that there is continuing illegal drug use by a household member.

Any consent form used for the purpose of obtaining information from a drug abuse treatment facility to determine whether a household member is currently engaging in illegal drug use must expire automatically after a PHA has made a final decision to either approve or deny the admission of such person.

Any charges incurred by a PHA for information provided by a drug abuse treatment facility may not be passed on to the applicant or tenant.

If a PHA chooses to obtain such information, it must abide by the HUD requirements for records management and confidentiality as described in 24 CFR 960.205(f).

County Housing Policy

County Housing will obtain information from drug abuse treatment facilities to determine whether any applicant family's household members are currently engaging in illegal drug activity only when County Housing has determined that the family will be denied admission based on a family member's drug-related criminal activity, and the family claims that the culpable family member has successfully completed a supervised drug or alcohol rehabilitation program.

**Screening for Suitability as a Tenant [24 CFR 960.203(c)]**

County Housing is responsible for the screening and selection of families to occupy public housing units. County Housing may consider all relevant information. Screening is important to public housing communities and program integrity, and to ensure that assisted housing is provided to those families that will adhere to lease obligations.

County Housing Policy

County Housing will consider the family's history with respect to the following factors:

Payment of rent and utilities

Caring for a unit and premises

Respecting the rights of other residents to the peaceful enjoyment of their housing

Criminal activity that is a threat to the health, safety, or property of others

Behavior of all household members as related to the grounds for denial as detailed in Sections 3-III. B and C

Compliance with any other essential conditions of tenancy

**Resources Used to Check Applicant Suitability [PH Occ GB, pp. 47-56]**

PHAs have a variety of resources available to them for determination of the suitability of applicants. Generally, PHAs should reject applicants who have recent behavior that would warrant lease termination for a public housing resident.

County Housing Policy

In order to determine the suitability of applicants, County Housing will examine applicant history for the past three years. Such background checks will include:

*Past Performance in Meeting Financial Obligations, Especially Rent*

PHA and landlord references for the past three years, gathering information about past performance meeting rental obligations such as rent payment

record, late payment record, whether the PHA/landlord ever began or completed lease termination for non-payment, and whether utilities were ever disconnected in the unit. PHAs and landlords will be asked if they would rent to the applicant family again.

Utility company references covering the monthly amount of utilities, late payment, disconnection, return of a utility deposit and whether the applicant can get utilities turned on in his/her name. (Use of this inquiry will be reserved for applicants applying for units where there are tenant-paid utilities.)

If an applicant has no rental payment history, County Housing will check court records of eviction actions and other financial judgments, and credit reports. A lack of credit history will not disqualify someone from becoming a public housing resident, but a poor credit rating may.

Applicants with no rental payment history will also be asked to provide County Housing with personal references. The references will be requested to complete a verification of the applicant's ability to pay rent if no other documentation of ability to meet financial obligations is available. The applicant will also be required to complete a checklist documenting their ability to meet financial obligations.

If previous landlords or the utility company do not respond to requests from County Housing, the applicant may provide other documentation that demonstrates their ability to meet financial obligations (e.g., rent receipts, canceled checks, etc.)

*Disturbances of Neighbors, Destruction of Property or Living or Housekeeping Habits at Prior Residences that May Adversely Affect Health, Safety, or Welfare of Other Tenants, or Cause Damage to the Unit or the Development*

PHA and landlord references for the past three years, gathering information on whether the applicant kept a unit clean, safe and sanitary; whether they violated health or safety codes; whether any damage was done by the applicant to a current or previous unit or the development, and, if so, how much the repair of the damage cost; whether the applicant's housekeeping caused insect or rodent infestation; and whether the neighbors complained about the applicant or whether the police were ever called because of disturbances.

Police and court records within the past three years will be used to check for any evidence of disturbance of neighbors or destruction of property that might have resulted in arrest or conviction. A record or records of arrest will not be used as the sole basis for the denial or proof that the applicant engaged in disqualifying activity.

A personal reference will be requested to complete a verification of the applicant's ability to care for the unit and avoid disturbing neighbors if no other documentation is available. In these cases, the applicant will also be required to complete a checklist documenting their ability to care for the unit and to avoid disturbing neighbors.

Home visits may be used to determine the applicant's ability to care for the unit.

### **3-III.F. CRITERIA FOR DECIDING TO DENY ADMISSION**

#### **Evidence**

##### County Housing Policy

County Housing will use the preponderance of the evidence as the standard for making all admission decisions.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

#### **Consideration of Circumstances [24 CFR 960.203(c)(3) and (d)]**

HUD authorizes PHAs to consider all relevant circumstances when deciding whether to deny admission based on a family's past history except in situations for which denial of admission is mandated (see Section 3-III.B).

In the event that a PHA receives unfavorable information with respect to an applicant, consideration must be given to the time, nature, and extent of the applicant's conduct (including the seriousness of the offense). In a manner consistent with its policies, a PHA may give consideration to factors that might indicate a reasonable probability of favorable future conduct.

##### County Housing Policy

County Housing will consider the following facts and circumstances prior to making its decision:

The seriousness of the case, especially with respect to how it would affect other residents' safety or property.

The effects that denial of admission may have on other members of the family who were not involved in the action or failure to act.

The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or (as discussed further in section 3-III.F) a victim of domestic violence, dating violence, sexual assault, or stalking, or human trafficking.

The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family's recent history and the likelihood of favorable conduct in the future.

While a record or records of arrest will not be used as the sole basis for denial, an arrest may, however, trigger an investigation to determine whether the applicant actually engaged in disqualifying criminal activity. As part of its investigation, County Housing may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. County Housing may also consider:

Any statements made by witnesses or the applicant not included in the police report.

Whether criminal charges were filed.

Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal.

Any other evidence relevant to determining whether or not the applicant engaged in disqualifying activity.

Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property.

Evidence of the applicant family's participation in or willingness to participate in social service or other appropriate counseling service programs.

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully.

County Housing will require the applicant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

### **Removal of a Family Member's Name from the Application**

Should County Housing's screening process reveal that an applicant's household includes an individual subject to state lifetime registered sex offender registration, County Housing must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, County Housing must deny admission to the family [Notice PIH 2012-28].

For other criminal activity, PHAs may permit the family to exclude the culpable family members as a condition of eligibility. [24 CFR 960.203(c)(3)(i)].

#### County Housing Policy

As a condition of receiving assistance, a family may agree to remove the culpable family member from the application. In such instances, the head of household must certify that the family member will not be permitted to visit or to stay as a guest in the public housing unit.

After admission to the program, the family must present evidence of the former family member's current address upon County Housing's request.

### **Reasonable Accommodation [PH Occ GB, pp. 58-60]**

If the family includes a person with disabilities, County Housing's decision concerning denial of admission is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

#### County Housing Policy

If the family indicates that the behavior of a family member with a disability is the reason for the proposed denial of admission, County Housing will determine whether the behavior is

related to the disability. If so, upon the family's request, County Housing will determine whether alternative measures are appropriate as a reasonable accommodation. County Housing will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed denial of admission. See Chapter 2 for a discussion of reasonable accommodation.

### **3-III.G. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING**

The Violence Against Women Act (VAWA) and the HUD regulation at 24 CFR 5.2005(b) prohibit PHAs from denying admission to an otherwise qualified applicant on the basis or as a direct result of the fact that the applicant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

- Although the VAWA 2022 statute does not specifically include human trafficking in the list of victims protected under VAWA, in 2022 HUD began including human trafficking as part of the list of victims protected under VAWA (as seen in Notices PIH 2022-06, PIH 2022-22, and PIH 2022-24). In the absence of a final rule implementing VAWA 2022 and to mirror HUD's recent usage, this policy includes human trafficking in addition to domestic violence, dating violence, sexual assault, and stalking anywhere such a list appears.

Definitions of key terms used in VAWA are provided in section 16-VII of this ACOP, where general VAWA requirements and policies pertaining to notification, documentation, and confidentiality are also located.

#### **Notification**

VAWA requires PHAs to provide applicants who are denied assistance with a VAWA Notice of Occupancy Rights (form HUD-5380) and a domestic violence certification form (HUD-5382) at the time the applicant is denied.

#### County Housing Policy

County Housing acknowledges that a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking may have an unfavorable history (e.g., a poor credit history, poor rental history, a record of previous damage to an apartment, a prior arrest record) due to adverse factors that would warrant denial under County Housing's policies.

While County Housing is not required to identify whether adverse factors that resulted in the applicant's denial are a result of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the applicant may inform County Housing that their status as a victim is directly related to the grounds for the denial. County Housing will request that the applicant provide enough information to allow the County Housing to make an objectively reasonable determination, based on all circumstances, whether the adverse factor is a direct result of their status as a victim.

County Housing will include in its notice of denial information about the protection against denial provided by VAWA in accordance with section 16-VII.C of this ACOP, a notice of VAWA rights, and a copy of the form HUD-5382. County Housing will request in writing that an applicant wishing to claim this protection notify County Housing within 14 business days.

## **Documentation**

### ***Victim Documentation [24 CFR 5.2007]***

#### County Housing Policy

If an applicant claims the protection against denial of admission that VAWA provides to victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking, County Housing will request in writing that the applicant provide documentation supporting the claim in accordance with section 16-VII.D of this ACOP.

### ***Perpetrator Documentation***

#### County Housing Policy

If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the public housing unit

Documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

## **3-III.H. NOTICE OF ELIGIBILITY OR DENIAL**

County Housing will notify an applicant family of its final determination of eligibility in accordance with the policies in Section 4-III.E.

If County Housing uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before County Housing can move to deny the application. In addition, a copy of the record must be provided to the subject of the record [24 CFR 5.903(f) and 5.905(d)].

#### County Housing Policy

If, based on a criminal record or sex offender registration information an applicant family appears to be ineligible, County Housing will notify the family in writing of the proposed denial and provide a copy of the record to the applicant and to the subject of the record. The family will be given 10 business days to dispute the accuracy and relevance of the information. If the family does not contact County Housing to dispute the information within that 10-day period, County Housing will proceed with issuing the notice of denial of admission. A family that does not exercise their right to dispute the accuracy of the information prior to the issuance of the official denial letter will still be given the opportunity to do so as part of the informal hearing process.

Notice requirements related to denying admission to noncitizens are contained in Section 3-II.B.

Notice policies related to denying admission to applicants who may be victims of domestic violence, dating violence, sexual assault, or stalking are contained in Section 3-III.F.

## EXHIBIT 3-1: DETAILED DEFINITIONS RELATED TO DISABILITIES

### Person with Disabilities [24 CFR 5.403]

The term *person with disabilities* means a person who has any of the following types of conditions.

- Has a disability, as defined in 42 U.S.C. Section 423(d)(1)(A), which reads:

Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months

In the case of an individual who has attained the age of 55 and is blind (within the meaning of “blindness” as defined in section 416(i)(1) of this title), inability by reason of such blindness to engage in substantial gainful activity, requiring skills or ability comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time.
- Has a developmental disability as defined in the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C.15002(8)], which defines developmental disability in functional terms as follows:

(A) IN GENERAL – The term *developmental disability* means a severe, chronic disability of an individual that-

  - (i) is attributable to a mental or physical impairment or combination of mental and physical impairments;
  - (ii) is manifested before the individual attains age 22;
  - (iii) is likely to continue indefinitely;
  - (iv) results in substantial functional limitations in 3 or more of the following areas of major life activity: (I) self-care, (II) receptive and expressive language, (III) learning, (IV) mobility, (V) self-direction, (VI) capacity for independent living, (VII) economic self-sufficiency; and
  - (v) reflects the individual’s need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

(B) INFANTS AND YOUNG CHILDREN – An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific congenital or acquired condition, may be considered to have a developmental disability without meeting 3 or more of the criteria described in clauses (i) through (v) of subparagraph (A) if the individual, without services and supports, has a high probability of meeting those criteria later in life.
- Has a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration; substantially impedes his or her ability to live independently, and is of such a nature that the ability to live independently could be improved by more suitable housing conditions.

People with the acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for AIDS are not excluded from this definition.

A person whose disability is based solely on any drug or alcohol dependence does not qualify as a person with disabilities for the purposes of this program.

For purposes of reasonable accommodation and program accessibility for persons with disabilities, the term person with disabilities refers to an individual with handicaps.

**Individual with Handicaps [24 CFR 8.3]**

*Individual with handicaps* means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such an impairment; or is regarded as having such an impairment. The term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:

(1) Physical or mental impairment includes:

- (a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine
- (b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

(2) Major life activities means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) Is regarded as having an impairment means:

- (a) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation.
- (b) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment.
- (c) Has none of the impairments defined in paragraph (a) of this section but is treated by a recipient as having such an impairment.

## Chapter 4

### APPLICATIONS, WAITING LIST AND TENANT SELECTION

#### INTRODUCTION

When a family wishes to reside in public housing, the family must submit an application that provides County Housing with the information needed to determine the family's eligibility. HUD requires PHAs to place all eligible families that apply for public housing on a waiting list. When a unit becomes available, County Housing must select families from the waiting list in accordance with HUD requirements and County Housing policies as stated in its Admissions and Continued Occupancy Policy (ACOP) and its annual plan.

County Housing is required to adopt a clear approach to accepting applications, placing families on the waiting list, and selecting families from the waiting list, and must follow this approach consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or County Housing to receive preferential treatment.

HUD regulations require that County Housing comply with all equal opportunity requirements, and it must affirmatively further fair housing goals in the administration of the program [24 CFR 960.103, PH Occ GB p. 13]. Adherence to the selection policies described in this chapter ensures that County Housing will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and County Housing policies for accepting applications, managing the waiting list, and selecting families from the waiting list. County Housing's policies for assigning unit size and making unit offers are contained in Chapter 5. Together, Chapters 4 and 5 of the ACOP comprise the County Housing's Tenant Selection and Assignment Plan (TSAP).

The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process and discusses how applicants can obtain and submit applications. It also specifies how County Housing will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how County Housing's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for public housing. It also discusses the process County Housing will use to keep the waiting list current.

Part III: Tenant Selection. This part describes the policies that guide County Housing in selecting families from the waiting list as units become available. It also specifies how in-person interviews will be used to ensure that County Housing has the information needed to make a final eligibility determination.

## **PART I: THE APPLICATION PROCESS**

### **4-I.A. OVERVIEW**

This section describes the policies that guide County Housing's efforts to distribute and accept applications and make preliminary determinations of applicant family eligibility that affect placement on the waiting list. It also describes the County Housing's obligation to ensure the accessibility of the application process.

### **4-I.B. APPLYING FOR ASSISTANCE**

Any family that wishes to reside in public housing must apply for admission to the program [24 CFR 1.4(b)(2)(ii), 24 CFR 960.202(a)(2)(iv), and PH Occ GB, p. 68]. HUD permits County Housing to determine the format and content of its applications, as well as how such applications will be made available to interested families and how applications will be accepted by County Housing. County Housing must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of the application [Notice PIH 2009-36].

#### County Housing Policy

County Housing will use a two-step application process. Under the two-step application process, County Housing will initially require families to provide only the information needed to make an initial assessment of the family's eligibility and to determine the family's placement on the waiting list. The family will be required to provide all the information necessary to establish family eligibility and the amount of rent the family will pay when the family is selected from the waiting list.

Families may access applications online using Rent Café, an online registration and application portal. If families are unable to complete the online version of the application, they may contact County Housing's office during normal business hours to schedule an appointment to complete the application in person. Families may also request – by telephone, email, or by mail – that an application form be sent to the family via first class mail.

Completed applications must be submitted to County Housing electronically, by fax, email, mail, or dropped off at the County Housing office. Applications must be filled out completely to be accepted by County Housing for processing. Duplicate applications will not be accepted.

### **4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS**

County Housing must take a variety of steps to ensure that the application process is accessible to those people who might have difficulty complying with the standard application process.

#### **Elderly and Disabled Populations [24 CFR 8; PH Occ GB, p. 68]**

County Housing must provide reasonable accommodation as needed for persons with disabilities to make the application process fully accessible. The facility where applications are accepted and the application process must be fully accessible, or County Housing must provide an alternate approach that provides equal access to the program. Chapter 2 provides a full discussion of County Housing's policies related to providing reasonable accommodations for people with disabilities.

## **Limited English Proficiency**

PHAs are required to take reasonable steps to ensure meaningful access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion of County Housing's policies related to ensuring access to people with limited English proficiency (LEP).

### **4-I.D. PLACEMENT ON THE WAITING LIST**

County Housing must review each completed application received and make a preliminary assessment of the family's eligibility. Applicants for whom the waiting list is open must be placed on the waiting list unless County Housing determines the family to be ineligible. Where the family is determined to be ineligible, County Housing must notify the family in writing [24 CFR 960.208(a); PH Occ GB, p. 41].

No applicant has a right or entitlement to be listed on the waiting list or to any particular position on the waiting list.

#### **Ineligible for Placement on the Waiting List**

##### County Housing Policy

If County Housing determines from the information provided that a family is ineligible, the family will not be placed on the waiting list. When a family is determined to be ineligible, County Housing will send written notification of the ineligibility determination within 10 business days of the determination. The notice will specify the reasons for ineligibility and will inform the family of its right to request an informal hearing and explain the process for doing so (see Chapter 14).

#### **Eligible for Placement on the Waiting List**

##### County Housing Policy

County Housing will send written notification of the preliminary eligibility determination within 30 business days of closing the waiting list. If applicable, the notice will also indicate the waiting list preference(s) for which the family appears to qualify.

Applicants will be placed on the waiting list using a lottery system. Once each application has been randomly assigned a number, the applications will be placed on the waiting list in order of the assigned numbers.

County Housing will assign families on the waiting list according to the bedroom size for which a family qualifies as established in its occupancy standards (see Chapter 5).

Placement on the waiting list does not indicate that the family is, in fact, eligible for admission. When the family is selected from the waiting list, County Housing will verify any preference(s) claimed and determine eligibility and suitability for admission to the program.

## **PART II: MANAGING THE WAITING LIST**

### **4-II.A. OVERVIEW**

County Housing must have policies regarding the type of waiting list it will utilize as well as how the waiting list will be organized and managed. This includes policies on notifying the public on the opening and closing of the waiting list for new applicants, updating family information, purging the list of families that are no longer interested in or eligible for public housing, and conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how County Housing may structure its waiting list and how families must be treated if they apply for public housing at a PHA that administers more than one assisted housing program.

### **4-II.B. ORGANIZATION OF THE WAITING LIST**

County Housing's public housing waiting list must be organized in such a manner to allow it to accurately identify and select families in the proper order, according to the admissions policies described in this ACOP.

#### County Housing Policy

The waiting list will contain the following information for each applicant listed:

Names, birth dates, and social security numbers of all family members

Amount and source of annual income

Mailing address, phone numbers, and email address

Accessibility requirement, if any

Household type (family, elderly, disabled)

Admission preference, if any

Race and ethnicity of the head of household

Citizenship/eligible immigration status

PHAs may adopt one community-wide waiting list or site-based waiting lists. PHAs must obtain approval from HUD through submission of its Annual Plan before it may offer site-based waiting lists. Site-based waiting lists allow families to select the development where they wish to reside and must be consistent with all applicable civil rights and fair housing laws and regulations [24 CFR 903.7(b)(2)].

#### County Housing Policy

County Housing will maintain one single community-wide waiting list for its developments. Within the list, County Housing will designate subparts to easily identify who should be offered the next available unit (i.e., unit size and accessible units).

County Housing will not adopt site-based waiting lists.

HUD requires that public housing applicants must be offered the opportunity to be placed on the waiting list for any tenant-based or project-based voucher or moderate rehabilitation program that County Housing operates if 1) the other programs' waiting lists are open, and 2) the family is qualified for the other programs [24 CFR 982.205(a)(2)(i)].

HUD permits, but does not require, that PHAs maintain a single merged waiting list for their public housing, Housing Choice Voucher program, and other subsidized housing programs [24 CFR 982.205(a)(1)].

County Housing Policy

County Housing will not merge the public housing waiting list with the waiting list for any other program it operates.

**4-II.C. OPENING AND CLOSING THE WAITING LIST**

**Closing the Waiting List**

County Housing Policy

County Housing will close the waiting list, in whole or in part, if it has an adequate pool of families to fully lease its developments. County Housing may close the waiting list completely or restrict intake by preference, type of project, or size and type of dwelling unit.

**Reopening the Waiting List**

If the waiting list has been closed, it may be reopened at any time. PHAs should publish a notice announcing the opening of the waiting list in local newspapers of general circulation, minority media, and other suitable media outlets. Such notice must comply with HUD fair housing requirements. PHAs should specify who may apply, and where and when applications will be received.

County Housing Policy

County Housing will announce the reopening of the waiting list at least 10 business days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice. The notice will specify where, when, and how applications are to be received.

County Housing will give public notice by publishing the relevant information in suitable media outlets, including, but not limited to:

- County Housing's website
- St. Louis Post Dispatch
- Available minority publications

**4-II.D. FAMILY OUTREACH [24 CFR 903.2(d); 24 CFR 903.7(a) and (b)]**

County Housing should conduct outreach as necessary to ensure that there are sufficient applicants on the waiting list to fill anticipated vacancies and to assure that County Housing is affirmatively furthering fair housing and complying with the Fair Housing Act.

Because HUD requires PHAs to admit a specified percentage of extremely low-income families, County Housing may need to conduct special outreach to ensure that an adequate number of such families apply for public housing.

County Housing outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations

- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

County Housing outreach efforts must be designed to inform qualified families about the availability of units under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low-income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

County Housing Policy

County Housing will monitor the characteristics of the population being served and the characteristics of the population in its jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

**4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES**

County Housing Policy

While the family is on the waiting list, the family must inform County Housing of changes in family size or composition, preference status, or contact information, including current residence, mailing address, and phone number. The changes must be submitted in the online application portal, by email, or by written notice via mail.

Changes in an applicant's circumstances while on the waiting list may affect the family's qualification for a particular bedroom size or entitlement to a preference. When an applicant reports a change that affects their placement on the waiting list, the waiting list will be updated accordingly.

**4-II.F. UPDATING THE WAITING LIST**

HUD requires PHAs to establish policies that describe the circumstances under which applicants will be removed from the waiting list [24 CFR 960.202(a)(2)(iv)].

**Purging the Waiting List**

The decision to remove an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to County Housing's request for information or updates because of the family member's disability, County Housing must, upon the family's request, reinstate the applicant family to their former position on the waiting list as a reasonable accommodation [24 CFR 8.4(a), 24 CFR 100.204(a), and PH Occ GB, p. 39 and 40]. See Chapter 2 for further information regarding reasonable accommodations.

County Housing Policy

The waiting list will be updated as needed to ensure that all applicant information is current and timely.

To update the waiting list, County Housing will send an update request via mail and email to each family on the waiting list to determine whether the family continues to be interested in, and to qualify for, the program. This update request will be sent to the last email and mailing address that County Housing has on record for the family. The update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant's name being removed from the waiting list.

The family's response to the update request must be in writing and may be delivered in person by appointment, by mail, by email, by fax, or by updating family information in the online application portal. Responses should be postmarked or received by County Housing not later than 30 calendar days from the date of County Housing's letter.

If updates to applications are made by the applicant family in the online application portal, County Housing staff must review and approve the updates. Applicants will not be able to see the updated information in the portal until County Housing staff has approved the changes. Once changes are approved, an email will be sent to the applicant informing them that the changes were approved. County Housing staff will review application updates in the portal within 14 calendar days.

If the family fails to respond to update requests from County Housing within 30 calendar days, the family will be removed from the waiting list without further notice.

If the update request is returned by the post office with no forwarding address, the applicant will be removed from the waiting list without further notice.

If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated. The family will have 30 calendar days to respond from the date the letter was re-sent. If the family fails to respond within this time frame, the family will be removed from the waiting list without further notice.

Before a family is removed from the waiting list during the update process for failure to respond, County Housing will contact an unresponsive applicant through all means available, which may include via mail, phone, email, and text message. will give that family a reasonable period of time to respond with their interest so as to not inadvertently remove an applicant who remains interested but may have moved, changed their contact information, or otherwise is difficult to reach. No informal hearing will be offered in such cases. Such failures to act on the part of the applicant prevent County Housing from making an eligibility determination; therefore, no informal hearing is required.

If a family is removed from the waiting list for failure to respond, County Housing may reinstate the family if the lack of response was due to County Housing error, or to circumstances beyond the family's control, as a result of a family member's disability, or as a direct result of status as a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, including an adverse factor resulting from such abuse.

### **Removal from the Waiting List**

#### County Housing Policy

County Housing will remove an applicant from the waiting list upon request by the applicant family. In such cases, no informal hearing is required.

If County Housing determines that the family is not eligible for admission (see Chapter 3) at any time while the family is on the waiting list, the family will be removed from the waiting list.

If a family is removed from the waiting list because County Housing has determined the family is not eligible for admission, a notice will be sent to the family's email address of record as well as to any alternate address provided on the initial application. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal hearing regarding the decision (see Chapter 14) [24 CFR 960.208(a)].

## **PART III: TENANT SELECTION**

### **4-III.A. OVERVIEW**

County Housing must establish tenant selection policies for families being admitted to public housing [24 CFR 960.201(a)]. County Housing must not require any specific income or racial quotas for any developments [24 CFR 903.2(d)]. County Housing must not assign persons to a particular section of a community or to a development or building based on race, color, religion, sex, disability, familial status, or national origin for purposes of segregating populations [24 CFR 1.4(b)(1)(iii) and 24 CFR 903.2(d)(1)].

The order in which families will be selected from the waiting list depends on the selection method chosen by County Housing and is impacted in part by any selection preferences that the family qualifies for. The availability of units also may affect the order in which families are selected from the waiting list.

County Housing must maintain a clear record of all information required to verify that the family is selected from the waiting list according to County Housing's selection policies [24 CFR 960.206(e)(2)]. County Housing's policies must be posted in any place where County Housing receives applications. A copy of its tenant selection policies must be provided upon request to any applicant or tenant [24 CFR 960.202(c)(2)].

#### County Housing Policy

When an applicant or resident family requests a copy of County Housing's tenant selection policies, County Housing will provide copies to them free of charge.

### **4-III.B. SELECTION METHOD**

County Housing must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that County Housing will use.

#### **Local Preferences [24 CFR 960.206]**

PHAs are permitted to establish local preferences and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits PHAs to establish other local preferences, at its discretion. Any local preferences established must be consistent with the PHA plan and the consolidated plan and must be based on local housing needs and priorities that can be documented by generally accepted data sources [24 CFR 960.206(a)].

#### County Housing Policy

County Housing will use the following local preferences:

County Housing will offer a preference to families that include victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking who have either been referred by a partnering service agency or consortia or who are seeking an emergency transfer under VAWA from County Housing's housing choice voucher program or other covered housing program operated by County Housing.

County Housing will work with the local partnering service agencies.

The applicant must certify that the abuser will not reside with the applicant unless County Housing gives prior written approval.

### **Income Targeting Requirement [24 CFR 960.202(b)]**

HUD requires that extremely low-income (ELI) families make up at least 40 percent of the families admitted to public housing during County Housing's fiscal year. ELI families are those with annual incomes at or below the federal poverty level or 30 percent of the area median income, whichever number is higher [*Federal Register* notice 6/25/14]. To ensure this requirement is met, County Housing may skip non-ELI families on the waiting list to select an ELI family.

If a PHA also operates a housing choice voucher (HCV) program, admissions of extremely low-income families to the PHA's HCV program during a PHA fiscal year that exceeds the 75 percent minimum target requirement for the voucher program shall be credited against the PHA's basic targeting requirement in the public housing program for the same fiscal year. However, under these circumstances, the fiscal year credit to the public housing program must not exceed the lower of: (1) ten percent of public housing waiting list admissions during the PHA fiscal year; (2) ten percent of waiting list admissions to the PHA's housing choice voucher program during the PHA fiscal year; or (3) the number of qualifying low-income families who commence occupancy during the fiscal year of PHA public housing units located in census tracts with a poverty rate of 30 percent or more. For this purpose, qualifying low-income family means a low-income family other than an extremely low-income family.

#### County Housing Policy

County Housing will monitor progress in meeting the ELI requirement throughout the fiscal year. ELI families will be selected ahead of other eligible families on an as-needed basis to ensure that the income targeting requirement is met.

### **Mixed Population Developments [24 CFR 960.407]**

A mixed population development is a public housing development or portion of a development that was reserved for elderly families and disabled families at its inception (and has retained that character) or a PHA at some point after its inception obtained HUD approval to give preference in tenant selection for all units in the development (or portion of a development) to elderly and disabled families [24 CFR 960.102]. Elderly family means a family whose head, spouse, cohead, or sole member is a person who is at least 62 years of age. Disabled family means a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403]. PHAs must give elderly and disabled families equal preference in selecting these families for admission to mixed population developments. PHAs may not establish a limit on the number of elderly or disabled families that may occupy a mixed population development. In selecting elderly and disabled families to fill these units, PHAs must first offer the units that have accessibility features for families that include a person with a disability and require the accessibility features of such units. PHAs may not discriminate against elderly or disabled families that include children (Fair Housing Amendments Act of 1988).

### **Units Designated for Elderly or Disabled Families [24 CFR 945]**

PHAs may designate projects or portions of a public housing project specifically for elderly or disabled families. PHAs must have a HUD-approved allocation plan before the designation may take place.

Among the designated developments, PHAs must also apply any preferences that it has established. If there are not enough elderly families to occupy the units in a designated elderly development, near-elderly families may be allowed to occupy the units [24 CFR 945.303(c)(1)].

Near-elderly family means a family whose head, spouse, or cohead is at least 50 years old, but is less than 62 [24 CFR 5.403].

If there are an insufficient number of elderly families and near-elderly families for the units in a development designated for elderly families, PHAs must make available to all other families any unit that is ready for re-rental and has been vacant for more than 60 consecutive days [24 CFR 945.303(c)(2)].

The decision of any disabled family or elderly family not to occupy or accept occupancy in designated housing shall not have an adverse effect on their admission or continued occupancy in public housing or their position on or placement on the waiting list. However, this protection does not apply to any family who refuses to occupy or accept occupancy in designated housing because of the race, color, religion, sex, disability, familial status, or national origin of the occupants of the designated housing or the surrounding area [24 CFR 945.303(d)(1) and (2)].

This protection does apply to an elderly family or disabled family that declines to accept occupancy, respectively, in a designated project for elderly families or for disabled families, and requests occupancy in a general occupancy project or in a mixed population project [24 CFR 945.303(d)(3)].

#### County Housing Policy

County Housing does not have designated elderly or designated disabled housing at this time.

#### **Deconcentration of Poverty and Income-Mixing [24 CFR 903.1 and 903.2]**

County Housing's admission policy must be designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. A statement of County Housing's deconcentration policies must be included in its annual plan [24 CFR 903.7(b)].

County Housing's deconcentration policy must comply with its obligation to meet the income targeting requirement [24 CFR 903.2(c)(5)].

Developments subject to the deconcentration requirement are referred to as 'covered developments' and include general occupancy (family) public housing developments. The following developments are not subject to deconcentration and income mixing requirements: developments operated by a PHA with fewer than 100 public housing units; mixed population or developments designated specifically for elderly or disabled families; developments operated by a PHA with only one general occupancy development; developments approved for demolition or for conversion to tenant-based public housing; and developments approved for a mixed-finance plan using HOPE VI or public housing funds [24 CFR 903.2(b)].

#### ***Steps for Implementation [24 CFR 903.2(c)(1)]***

To implement the statutory requirement to deconcentrate poverty and provide for income mixing in covered developments, County Housing must comply with the following steps:

Step 1. County Housing must determine the average income of all families residing in all the its covered developments. County Housing may use the median income, instead of average income, provided that it includes a written explanation in its annual plan justifying the use of median income.

### County Housing Policy

County Housing will determine the average income of all families in all covered developments on an annual basis.

Step 2. County Housing must determine the average income of all families residing in each covered development. In determining the average income for each development, County Housing has the option of adjusting its income analysis for unit size in accordance with procedures prescribed by HUD.

### County Housing Policy

County Housing will determine the average income of all families residing in each covered development (not adjusting for unit size) on an annual basis.

Step 3. County Housing must then determine whether each of its covered developments falls above, within, or below the established income range (EIR), which is from 85% to 115% of the average family income determined in Step 1. However, the upper limit must never be less than the income at which a family would be defined as an extremely low-income family (federal poverty level or 30 percent of median income, whichever number is higher).

Step 4. If County Housing has covered developments with average incomes outside the EIR, it must then determine whether or not these developments are consistent with its local goals and annual plan.

Step 5. Where the income profile for a covered development is not explained or justified in the annual plan submission, County Housing must include in its admission policy its specific policy to provide for deconcentration of poverty and income mixing.

Depending on local circumstances, County Housing's deconcentration policy may include, but is not limited to, the following:

- Providing incentives to encourage families to accept units in developments where their income level is needed, including rent incentives, affirmative marketing plans, or added amenities
- Targeting investment and capital improvements toward developments with an average income below the EIR to encourage families with incomes above the EIR to accept units in those developments
- Establishing a preference for admission of working families in developments below the EIR
- Skipping a family on the waiting list to reach another family to further the goals of deconcentration
- Providing other strategies permitted by statute and determined by County Housing in consultation with the residents and the community through the annual plan process to be responsive to local needs and County Housing's strategic objectives

A family has the sole discretion whether to accept an offer of a unit made under the deconcentration policy. County Housing must not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under the deconcentration policy [24 CFR 903.2(c)(4)].

If, at annual review, the average income at all general occupancy developments are within the EIR, County Housing will be in compliance with the deconcentration requirement, and no further action is required.

### County Housing Policy

For developments outside the EIR County Housing will take the following actions to provide for deconcentration of poverty and income mixing:

County Housing will use greater flexibility in attracting households with broader ranges of income. County Housing will continue to reassess flat rental amounts in public housing developments to attract higher-income families, as well as offer incentives to residents presently residing in developments. Other avenues to attract higher income families being considered are:

- changes in wait list admission preferences
- more aggressive marketing of developments
- ongoing evaluation of public housing inventory for capital improvements.

### **Order of Selection [24 CFR 960.206(e)]**

County Housing's system of preferences may select families either according to the date and time of application or by a random selection process.

### County Housing Policy

Families will be selected from the waiting list based on selection preference(s) for which they qualify and in accordance with County Housing's hierarchy of those preferences. Within each preference category, families will be selected in numerical order based on the numbers that were assigned to each application, by lottery, at the time the applications were placed on the waiting list.

When selecting applicants from the waiting list, County Housing will match the characteristics of the available unit (unit size, accessibility features, unit type) to the applicants on the waiting lists. County Housing will offer the unit to the highest-ranking applicant who qualifies for that unit size or type, or that requires the accessibility features.

By matching unit and family characteristics, it is possible that families who are lower on the waiting list may receive an offer of housing ahead of families with a higher placement based on application number and/or higher preference status.

Factors such as deconcentration or income mixing, and income targeting will also be considered in accordance with HUD requirements and County Housing policy.

### **4-III.C. NOTIFICATION OF SELECTION**

When the family has been selected from the waiting list, County Housing must notify the family [24 CFR 960.208].

### County Housing Policy

Families selected from the waiting list are required to complete an intake application process. An electronic version of the intake paperwork replaces the need for an in-person interview. However, if an applicant is unable to complete the electronic application or requests an in-person interview, County Housing will schedule an appointment.

County Housing will notify the family by email and first-class mail when it is selected from the waiting list. The notice will inform the family of their selection from the waiting list and will provide instructions for completing the intake process. A copy of the electronic intake paperwork will be sent to the applicant's email address for completion. County Housing staff will be available to assist applicants with the intake paperwork via phone, email, or in-person appointment. Required verification documents will be requested, and applicants will sign all required intake forms electronically, if possible.

All adult household members will be required to supply required documentation, and to electronically sign all required intake forms. If an in-person interview is scheduled, all adult family members are required to attend.

If a notification letter is returned to County Housing with no forwarding address, the family will be removed from the waiting list without further notice. Such failure to act on the part of the applicant prevents County Housing from making an eligibility determination; therefore, no informal hearing will be offered.

#### **4-III.D. THE APPLICATION INTERVIEW**

HUD recommends that PHAs obtain the information and documentation needed to make an eligibility determination through a private interview. Being invited to attend an interview does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if County Housing determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by County Housing [Notice PIH 2018-24].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability [24 CFR 8.4(a) and 24 CFR 100.204(a)].

##### County Housing Policy

Pending disclosure and documentation of social security cards, County Housing will allow the family to retain its place on the waiting list for 30 days. If not all household members have disclosed their social security cards at the next time a unit becomes available, County Housing will offer a unit to the next eligible applicant family on the waiting list.

If the family is claiming a waiting list preference, the family must provide documentation to verify their eligibility for a preference (see Chapter 7). If the family is verified as eligible for the preference, County Housing will proceed with the intake application process. If County Housing determines the family is not eligible for the preference, the intake application will not be made available, and the family will be placed back on the waiting list according to the date and time of their application.

The family must provide the information necessary to establish the family's eligibility, including suitability, and to determine the appropriate amount of rent the family will pay. The family must also complete required forms, provide required signatures, and submit required documentation. If any materials are missing, County Housing will send an email providing the family with a written list of items that must be submitted.

Any required documents or information that the family is unable to provide in the initial intake application must be provided within 10 business days (Chapter 7 provides details about longer submission deadlines for items, including documentation of Social Security

numbers and eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request an extension. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial (see Chapter 3).

An advocate, interpreter, or other assistant may assist the family with the intake application process.

Interviews will be conducted in English. County Housing will provide translation services as needed for limited English proficient (LEP) applicants.

#### **4-III.E. FINAL ELIGIBILITY DETERMINATION [24 CFR 960.208]**

County Housing must verify all information provided by the family (see Chapter 7). Based on verified information related to the eligibility requirements, including County Housing suitability standards, County Housing must make a final determination of eligibility (see Chapter 3).

When a determination is made that a family is eligible and satisfies all requirements for admission, including tenant selection criteria, the applicant must be notified of the approximate date of occupancy insofar as that date can be reasonably determined [24 CFR 960.208(b)].

##### County Housing Policy

County Housing will notify a family of their eligibility via email and mail within 15 business days of the determination and will provide the approximate date of occupancy insofar as that date can be reasonably determined.

County Housing will expedite the administrative process for determining eligibility to the extent possible for applicants who are admitted to the public housing program because of an emergency transfer from another County Housing program.

County Housing must promptly notify any family determined to be ineligible for admission of the basis for such determination, and must provide the applicant upon request, within a reasonable time after the determination is made, with an opportunity for an informal hearing on such determination [24 CFR 960.208(a)].

##### County Housing Policy

If County Housing determines that the family is ineligible, it will send notification via email and mail of the ineligibility determination within 15 business days of the determination. The notice will specify the reasons for ineligibility and will inform the family of its right to request an informal hearing (see Chapter 14).

If County Housing uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before County Housing can move to deny the application. See Section 3-III.G for County Housing's policy regarding such circumstances.

County Housing must provide the family a notice of VAWA rights (form HUD-5380) as well as the HUD VAWA self-certification form (form HUD-5382) in accordance with the Violence Against Women Act, and as outlined in 16-VII.C, at the time the applicant is provided assistance or at the time the applicant is denied assistance. This notice must be provided in both of the following instances: (1) when a family actually begins receiving assistance (lease execution); or (2) when a family is notified of its ineligibility.

## Chapter 5

### OCCUPANCY STANDARDS AND UNIT OFFERS

#### INTRODUCTION

County housing must establish policies governing the occupancy of dwelling units and offering dwelling units to qualified families.

This chapter contains policies for assigning unit sizes and making unit offers. County Housing's waiting list and selection policies are contained in Chapter 4. Together, Chapters 4 and 5 of the ACOP comprise County Housing's Tenant Selection and Assignment Plan (TSAP).

Policies in this chapter are organized in two parts.

Part I: Occupancy Standards. This part contains County Housing's standards for determining the appropriate unit size for families of different sizes, compositions, and types.

Part II: Unit Offers. This part contains County Housing's policies for making unit offers and describes actions to be taken when unit offers are refused.

## **PART I: OCCUPANCY STANDARDS**

### **5-I.A. OVERVIEW**

Occupancy standards are established by County Housing to ensure that units are occupied by families of the appropriate size. This policy maintains the maximum usefulness of the units, while preserving them from underutilization or from excessive wear and tear due to overcrowding. Part I of this chapter explains the occupancy standards. These standards describe the methodology and factors County Housing will use to determine the size unit for which a family qualifies and includes the identification of the minimum and maximum number of household members for each unit size. This part also identifies circumstances under which an exception to the occupancy standards may be approved.

### **5-I.B. DETERMINING UNIT SIZE**

In selecting a family to occupy a particular unit, County Housing may match characteristics of the family with the type of unit available, for example, number of bedrooms [24 CFR 960.206(c)].

HUD does not specify the number of persons who may live in public housing units of various sizes. PHAs are permitted to develop appropriate occupancy standards if the standards do not have the effect of discriminating against families with children [PH Occ GB, p. 62].

Although County Housing does determine the size of the unit the family qualifies for under the occupancy standards, it does not determine who shares a bedroom/sleeping room.

County Housing's occupancy standards for determining unit size must be applied in a manner consistent with fair housing requirements.

#### County Housing Policy

County Housing will use the same occupancy standards for each of its developments.

The occupancy standards are as follows:

County Housing will assign one bedroom for each two persons within the household, except in the following circumstances:

Persons of different generations will not be required to share a bedroom, except:

A single pregnant woman with no other household members and a single parent with one child and no other household members will be assigned a one-bedroom unit. Assuming no other changes in family composition, after the child reaches the age of 2 years, the family will be eligible for a transfer to a 2-bedroom unit.

Otherwise, an unborn child will not be counted as a person in determining unit size.

Live-in aides will be allocated a separate bedroom. No additional bedrooms will be provided for the live-in aide's family.

Single-person families will be allocated a zero (studio) or one bedroom.

Children related to a household member by birth, adoption, or court-awarded custody will be considered when determining unit size.

Foster children will be considered when determining unit size. The family may add foster children to the household if it does not overcrowd the unit based on County Housing’s occupancy standards.

Children away at school, but for whom the unit is considered the primary residence, and children temporarily placed outside the home, will be considered when determining unit size.

Children in the process of being adopted will be considered when determining unit size.

Children who will live in the unit less than 50 percent of the time will not be considered when determining unit size.

Full-time college students attending school within 250 miles of the assisted dwelling unit will be considered when determining unit size.

County Housing will reference the following standards in determining the appropriate unit bedroom size for a family:

<b>BEDROOM SIZE</b>	<b>MINIMUM NUMBER OF PERSONS</b>	<b>MAXIMUM NUMBER OF PERSONS</b>
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8
5	6	10
6	8	12

### **5-I.C. EXCEPTIONS TO OCCUPANCY STANDARDS**

#### **Types of Exceptions**

##### County Housing Policy

County Housing will consider granting exceptions to the occupancy standards at the family’s request if County Housing determines the exception is justified by the relationship, age, sex, health or disability of family members, or other personal circumstances.

For example, an exception may be granted if a larger bedroom size is needed for medical equipment due to its size and/or function or as a reasonable accommodation for a person with disabilities. An exception may also be granted for a smaller bedroom size in cases where the number of household members exceeds the maximum number of persons allowed for the unit size in which the family resides (according to the chart in Section 5-I.B), and the family does not want to transfer to a larger size unit.

When evaluating exception requests, County Housing will consider the size and configuration of the unit. In no case will County Housing grant an exception that is in violation of local housing or occupancy codes, regulations, or laws.

Requests from applicants to be placed on the waiting list for a unit size smaller than designated by the occupancy standards will be approved as long as the unit is not overcrowded according to local code, and the family agrees not to request a transfer for a period of two years from the date of admission, unless they have a subsequent change in family size or composition.

To prevent vacancies, County Housing may provide an applicant family with a larger unit than the occupancy standards permit. However, in these cases, the family must agree to move to a suitable, smaller unit when another family qualifies for the larger unit and there is an appropriate-sized unit available for the family to transfer to.

### **Processing of Exceptions**

#### County Housing Policy

All requests for exceptions to the occupancy standards must be submitted in writing.

In the case of a request for an exception as a reasonable accommodation, County Housing will encourage the resident to make the request in writing. However, County Housing will consider the exception request any time the resident indicates that an accommodation is needed whether or not a formal written request is submitted.

Requests for a larger size unit must explain the need or justification for the larger size unit and must include appropriate documentation. Requests based on health-related reasons must be verified by a knowledgeable professional source unless the disability and the disability-related request for accommodation is readily apparent or otherwise known.

County Housing will notify the family of its decision within 15 business days of receiving the family's request.

## **PART II: UNIT OFFERS**

24 CFR 1.4(b)(2)(ii); 24 CFR 960.208

### **5-II.A. OVERVIEW**

County Housing must assign eligible applicants to dwelling units in accordance with a plan that is consistent with civil rights and nondiscrimination laws.

In filling an actual or expected vacancy, County Housing must offer the dwelling unit to an applicant in the appropriate offer sequence. County Housing will offer the unit until it is accepted. This section describes County Housing's policies regarding the number of unit offers that will be made to applicants selected from the waiting list. This section also describes County Housing's policies for offering units with accessibility features.

#### County Housing Policy

County Housing will maintain a digital record of units offered, including the location, date, and circumstances of each offer, each acceptance or rejection, and the reason for the rejection.

### **5-II.B. NUMBER OF OFFERS**

#### County Housing Policy

County Housing has adopted a "one offer plan" for offering units to applicants. Under this plan, the first qualified applicant in sequence on the waiting list will be made one offer of a unit of the appropriate size at a site in which the applicant has applied to reside.

### **5-II.C. TIME LIMIT FOR UNIT OFFER ACCEPTANCE OR REFUSAL**

#### County Housing Policy

Applicants must accept or refuse a unit offer within 10 business days of the date of the unit offer.

Offers made by telephone will be confirmed by email and letter if requested.

### **5-II.D. REFUSALS OF UNIT OFFERS**

#### **Good Cause for Unit Refusal**

An elderly or disabled family may decline an offer for designated housing. Such a refusal must not adversely affect the family's position on or placement on, the public housing waiting list [24 CFR 945.303(d)].

#### County Housing Policy

Applicants may refuse to accept a unit offer for "good cause." *Good cause* includes situations in which an applicant is willing to move but is unable to do so at the time of the unit offer, or the applicant demonstrates that acceptance of the offer would cause undue hardship not related to considerations of the applicant's race, color, national origin, etc. [PH Occ GB, p. 104]. Examples of good cause for refusal of a unit offer include, but are not limited to, the following:

The family demonstrates to County Housing's satisfaction that accepting the unit offer will require an adult household member to quit a job, drop out of an educational institution or job training program, or take a child out of day care or an educational program for children with disabilities.

The family demonstrates to County Housing's satisfaction that accepting the offer will place a family member's life, health, or safety in jeopardy. The family should offer specific and compelling documentation such as restraining orders, other court orders, risk assessments related to witness protection from a law enforcement agency, or documentation of domestic violence, dating violence, sexual assault, stalking, or human trafficking in accordance with section 16-VII.D of this ACOP. The reasons offered must be specific to the family. Refusals due to location alone do not qualify for this good cause exemption.

A health professional verifies the temporary hospitalization or recovery from illness of the principal household member, other household members (as listed on the final application), or live-in aide necessary to the care of the principal household member.

The unit is inappropriate for the applicant's disabilities, or the family does not need the accessible features in the unit offered and does not want to be subject to a 30-day notice to move.

The unit has lead-based paint, and the family includes children under the age of six.

In the case of a unit refusal for good cause, the applicant will not be removed from the waiting list as described later in this section. The applicant will remain at the top of the waiting list until the family receives an offer for which they do not have good cause to refuse.

County Housing will require documentation of good cause for unit refusals.

### **Unit Refusal without Good Cause**

#### County Housing Policy

When an applicant rejects the final unit offer without good cause, County Housing will remove the applicant's name from the waiting list and send notice to the family of such removal. The notice will inform the family of their right to request an informal hearing and the process for doing so (see Chapter 14).

The applicant may reapply for assistance if the waiting list is open. If the waiting list is not open, the applicant must wait to reapply until County Housing opens the waiting list.

### **5-II.E. ACCESSIBLE UNITS [24 CFR 8.27]**

PHAs must adopt suitable means to assure that information regarding the availability of accessible units reaches eligible individuals with disabilities and take reasonable nondiscriminatory steps to maximize the utilization of such units by eligible individuals whose disability requires the accessibility features of a particular unit.

When an accessible unit becomes vacant, before offering such units to a non-disabled applicant, County Housing must offer such units:

- First, to a current resident of another unit of the same development, or other public housing development under County Housing's control, who has a disability that requires the special features of the vacant unit and is occupying a unit not having such features, or if no such occupant exists, then
- Second, to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.

When offering an accessible unit to an applicant not having a disability requiring the accessibility features of the unit, County Housing may require the applicant to agree (and may incorporate this agreement in the lease) to move to a non-accessible unit when available.

#### County Housing Policy

Families requiring an accessible unit may be over-housed in such a unit if there are no resident or applicant families of the appropriate size who also require the accessible features of the unit.

When there are no resident or applicant families requiring the accessible features of the unit, including families who would be over-housed, County Housing will offer the unit to a non-disabled applicant.

When offering an accessible unit to a non-disabled applicant, County Housing will require the applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit, and there is another unit available for the non-disabled family. This requirement will be a provision of the lease agreement.

## Chapter 6

### INCOME AND RENT DETERMINATIONS

[24 CFR Part 5, Subparts E and F; 24 CFR 960, Subpart C]

#### INTRODUCTION

A family's annual income is used to determine their income eligibility for the public housing program and is also used to calculate the amount of the family's rent payment. County Housing will use the policies and methods described in this chapter to ensure that only income-eligible families receive assistance and that no family pays more or less rent than is required under the regulations. This chapter describes HUD regulations and County Housing policies related to these topics in three parts as follows:

Part I: Annual Income. HUD regulations specify the sources of income that are excluded from the family's annual income. These requirements and County Housing policies for calculating annual income are found in Part I.

Part II: Adjusted Assets. HUD regulations specify the types of assets that are excluded from a family's annual income. These requirements and County Housing policies for calculating income from assets are found in Part II.

Part III: Adjusted Income. Once annual income has been established, HUD regulations require County Housing to subtract from annual income any of five mandatory deductions for which a family qualifies. HUD allows PHAs to adopt additional permissive deductions. These requirements and County Housing policies for calculating adjusted income are found in Part III.

Part IV: Calculating Rent. This part describes the statutory formula for calculating total tenant payment (TTP), the use of utility allowances, and the methodology for determining family rent payments. Also included here are flat rents and the family's choice of rent.

## **PART I: ANNUAL INCOME**

### **6-I.A. OVERVIEW [24 CFR 5.609]**

Annual income includes:

- All amounts not specifically excluded in 24 CFR 5.609(b);
- All amounts received from all sources by each member of the family who is 18 years of age or older or is the head of household or spouse;
- Unearned income by or on behalf of each dependent who is under 18 years of age; and
- Imputed returns of an asset based on the current passbook savings rate, as determined by HUD, when the value of net family assets exceeds \$50,000 (HUD will adjust the amount annually) and the actual returns from a given asset cannot be calculated.

In addition to this general definition, the regulations at 24 CFR 5.609(b) provide a comprehensive listing of all sources of income that are excluded from annual income. Note, unlike in previous versions of the regulations, the current regulations governing annual income do not list sources of income that are to be included. Instead, HUD relies on the definition of excluded income under 24 CFR 5.609(b) to provide the scope of what is included. To that end, generally, all income is included unless it is specifically excluded by regulations.

Annual income includes “all amounts received,” not the amount that a family may be legally entitled to receive but did not receive. For example, a family’s child support or alimony income must be based on payments received, not the amounts to which the family is entitled by court or agency orders [Notice PIH 2023-27].

Annual income also includes all actual anticipated income from assets (provided the income is not otherwise excluded), even if the asset itself is excluded from net family assets [Notice PIH 2023-27]. 24 CFR 5.603(b)(1) describes HUD regulations for treating specific types of assets.

The full texts of those portions of the regulations are provided in exhibits at the end of this chapter as follows:

- Annual Income Full Definition (Exhibit 6-1)
- Treatment of Family Assets (Exhibit 6-2)
- The Effect of Welfare Benefit Reduction (Exhibit 6-3)

Sections 6-I.B and 6-I.C discuss general requirements and methods for calculating annual income. The rest of this section describes how each source of income is treated for the purposes of determining annual income. Verification requirements for annual income are discussed in Chapter 7.

### **6-I.B. HOUSEHOLD COMPOSITION AND INCOME**

#### **Overview**

Income received by all family members must be counted unless specifically excluded by the regulations. It is the responsibility of the head of household to report changes in family composition in accordance with HUD regulations and County Housing policies in Chapter 9. The rules on which sources of income are counted vary somewhat by family member. The chart below summarizes how family composition affects income determinations.

<b>Summary of Income Included and Excluded by Person</b>	
Live-in aides	Income from all sources (both earned and unearned) is excluded [24 CFR 5.609(b)(8)].
Foster child or foster adult	Income from all sources (both earned and unearned) is excluded [24 CFR 5.609(b)(8)].
Head, spouse, or cohead Other adult family members	All sources of income not specifically excluded by the regulations are included [24 CFR 5.609(a)].
Minors	Earned income of children under 18 years of age is excluded [24 CFR 5.609(b)(3)].  All other sources of unearned income, except those specifically excluded by the regulations, are included.
Full-time students 18 years of age or older (not head, spouse, or cohead)	Earned income in excess of the dependent deduction is excluded [24 CFR 5.609(b)(14)].  All other sources of unearned income, except those specifically excluded by the regulations, are included.

### **Temporarily Absent Family Members**

The current regulations governing annual income do not specifically address temporarily absent family members. The regulations also do not define “temporarily” or “permanently” absent or specify a timeframe associated with a temporary versus a permanent absence.

#### County Housing Policy

Unless specifically excluded by the regulations, the income of all family members approved to live in the unit will be counted, even if the family member is temporarily absent from the unit.

Generally, an individual who is or is expected to be absent from the assisted unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally, an individual who is or is expected to be absent from the assisted unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

### **Absent Students**

#### County Housing Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to County Housing indicating that the student has established a separate household or the family declares that the student has established a separate household.

### **Absences Due to Placement in Foster Care**

Children temporarily absent from the home as a result of placement in foster care (as confirmed by the state child welfare agency) are considered members of the family [24 CFR 5.403].

### County Housing Policy

If a child has been placed in foster care, County Housing will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will continue to be counted as a family member.

### ***Absent Head, Spouse, or Co-head***

#### County Housing Policy

An employed head, spouse, or co-head absent from the unit for more than 180 consecutive days due to employment will continue to be considered a family member.

### ***Family Members Confined for Medical Reasons***

#### County Housing Policy

County Housing will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person will generally be considered temporarily absent. The family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.

When an individual who has been counted as a family member is determined permanently absent, the family is eligible for the medical expense deduction only if the remaining head, spouse, or cohead qualifies as an elderly person or a person with disabilities.

### **Joint Custody of Children**

#### County Housing Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family if they live with the applicant or resident family 50 percent or more of the time.

When more than one applicant or assisted family (regardless of program) is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, County Housing will make the determination based on available documents such as court orders, an IRS income tax return showing which family has claimed the child for income tax purposes, school records, or other credible documentation.

### **Caretakers for a Child**

#### County Housing Policy

The approval of a caretaker is at County Housing's discretion and subject to County Housing's screening criteria. If neither a parent nor a designated guardian remains in a household, County Housing will take the following actions.

If a responsible agency has determined that another adult is to be brought into the unit to care for a child for an indefinite period, the designated caretaker will not be considered a family member until a determination of custody or legal guardianship is made.

If a caretaker has assumed responsibility for a child without the involvement of a responsible agency or formal assignment of custody or legal guardianship, the caretaker will be treated as a visitor for 90 days. After 90 days have elapsed, the caretaker will be considered a family member unless information is provided that would confirm that the caretaker's role is temporary. In such cases County Housing will extend the caretaker's status as an eligible visitor.

At any time that custody or guardianship legally has been awarded to a caretaker, the lease will be transferred to the caretaker as head of household.

During any period that a caretaker is considered a visitor, the income of the caretaker is not counted in annual income, and the caretaker does not qualify the family for any deductions from income.

### **6-I.C. CALCULATING ANNUAL INCOME**

The methodology used for calculating income differs depending on whether income is being calculated at initial occupancy, interim reexamination, or annual reexamination. However, income from assets is always anticipated regardless of certification type.

#### **Anticipating Annual Income [24 CFR 5.609(c)(1)]**

At initial occupancy and for an interim reexamination of family income, County Housing is required to use anticipated income (current income) for the upcoming 12-month period following the new admission or interim reexamination effective date. Policies related to verifying income are found in Chapter 7.

#### County Housing Policy

When County Housing cannot readily anticipate income based on current circumstances (e.g., in the case of temporary, sporadic, or variable employment, seasonal employment, unstable working hours, or suspected fraud), the PHA will review and analyze historical data for patterns of employment, paid benefits, and receipt of other income and use the results of this analysis to establish annual income.

Any time current circumstances are not used to project annual income, a clear rationale for the decision will be documented in the file. In all such cases, the family may present information and documentation to County Housing to show why the historic pattern does not represent the family's anticipated income.

In all cases, the family file will be documented with a clear record of the reason for the decision, and a clear audit trail will be left as to how County Housing annualized projected income.

#### ***Known Changes in Income***

If County Housing verifies an upcoming increase or decrease in income, annual income will be projected by applying each income amount to the appropriate part of the 12-month period.

**Example:** An employer reports that a full-time employee who has been receiving \$8/hour will begin to receive \$8.25/hour in the eighth week after the effective date of the new admission or interim reexamination. In such a case, County Housing would calculate annual income as follows:  $(\$8/\text{hour} \times 40 \text{ hours} \times 7 \text{ weeks}) + (\$8.25 \times 40 \text{ hours} \times 45 \text{ weeks})$ .

The family may present information that demonstrates that implementing a change before its effective date would create a hardship for the family. In such cases County Housing will calculate annual income using current circumstances and then, should the change in income require County Housing to conduct an interim reexamination, conduct an interim reexamination in accordance with policies in Chapter 9.

### **Calculating Annual Income at Annual Reexamination [24 CFR.609(c)(2); Notice PIH 2023-27]**

At annual reexamination, PHAs must first determine the family's income for the previous 12-month period and use this amount as the family income for annual reexaminations; however, adjustments to reflect current income must be made. Any change of income since the family's last annual reexamination, including those that did not meet the threshold to process an interim reexamination of family income in accordance with County Housing policies in Chapter 9 and HUD regulations, must be considered. If, however, there have been no changes to income, then the amount of income calculated for the previous 12-month period is the amount that will be used to determine the family's rent. Policies related to conducting annual reexaminations are located in Chapter 9.

### **6-I.D. EARNED INCOME**

#### ***Wages and Related Compensation [24 CFR 5.609(a); Notice PIH 2023-27]***

The earned income of each member of the family who is 18 years of age or older or who is the head of household or spouse/cohead, regardless of age, is included in annual income. Income received as a day laborer or seasonal worker is also included in annual income, even if the source, date, or amount of the income varies [24 CFR 5.609 (b)(24)].

*Earned income* means income or earnings from wages, tips, salaries, other employee compensation, and net income from self-employment. Earned income does not include any pension or annuity, transfer payments (meaning payments made or income received in which no goods or services are being paid for, such as welfare, social security, and governmental subsidies for certain benefits), or any cash or in-kind benefits [24 CFR 5.100].

A *day laborer* is defined as an individual hired and paid one day at a time without an agreement that the individual will be hired or work again in the future [24 CFR 5.603(b)].

A *seasonal worker* is defined as an individual who is hired into a short-term position ( e.g., for which the customary employment period for the position is six months or fewer), and the employment begins about the same time each year (such as summer or winter). Typically, the individual is hired to address seasonal demands that arise for the particular employer or industry [24 CFR 5.603(b)]. Some examples of seasonal work include employment limited to holidays or agricultural seasons. Seasonal work may include but is not limited to employment as a lifeguard, ballpark vendor, or snowplow driver [Notice PIH 2023-27].

#### **County Housing Policy**

County Housing will include in annual income the gross amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation.

For persons who regularly receive bonuses or commissions, County Housing will verify and then average amounts received for the two years preceding admission or interim reexamination. If only a one-year history is available, County Housing will use the prior year amounts. In either case, the family may provide, and County Housing will consider, a credible justification for not using this history to anticipate future bonuses or commissions.

If a new employee has not yet received any bonuses or commissions, County Housing will count only the amount estimated by the employer. The file will be documented appropriately.

### ***Military Pay***

All regular pay, special pay, and allowances of a member of the Armed Forces are counted except for the special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(b)(11)].

### ***Earnings of a Minor [24 CFR 5.609(b)(3)]***

A minor is a member of the family, other than the head of household or spouse, who is under 18 years of age. Employment income earned by minors is not included in annual income. All other sources of unearned income, except those specifically excluded by the regulations, are included.

### ***Earned Income of Full-Time Students [24 CFR 5.609(b)(14)]***

The earned income of a dependent full-time student in excess of the amount of the dependent deduction is excluded from annual income. All sources of unearned income, except those specifically excluded by the regulations, are included.

A family member other than the head of household or spouse/cohead is considered a full-time student if they are attending school or vocational training on a full-time basis [24 CFR 5.603(b)]. Full-time status is defined by the educational or vocational institution the student is attending [New PH OCC GB, *Lease Requirements*, p. 5].

### **6-I.E. EARNED INCOME DISALLOWANCE [24 CFR 960.255; Streamlining Final Rule (SFR) Federal Register 3/8/16; Notice PIH 2023-27]**

HOTMA removed the statutory authority for the Earned Income Disallowance (EID). The EID is available only to families that are eligible for and participating in the program as of December 31, 2023, or before; no new families may be added on or after January 1, 2024. If a family is receiving the EID prior to or on the effective date of December 31, 2023, they are entitled to the full amount of the benefit for a full 24-month period. The policies below are applicable only to such families. No family will still be receiving the EID after December 31, 2025. The EID will sunset on January 1, 2026, and the County Housing policies below will no longer be applicable as of that date or when the last qualifying family exhausts their exclusion period, whichever is sooner.

#### **Calculation of the Disallowance**

Calculation of the EID for an eligible member of a qualified family begins with a comparison of the member's current income with his or her "baseline income." The family member's baseline income is his or her income immediately prior to qualifying for the EID. The family member's baseline income remains constant throughout the period that he or she is participating in the EID.

#### **Calculation Method**

##### ***Initial 12-Month Exclusion***

During the initial exclusion period of 12 consecutive months, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded.

### County Housing Policy

The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings.

### **Second 12-Month Exclusion**

During the second exclusion period of 12 consecutive months, County Housing must exclude at least 50 percent of any increase in income attributable to employment or increased earnings.

### County Housing Policy

During the second 12-month exclusion period, County Housing will exclude 50 percent of any increase in income attributable to new employment or increased earnings.

### **Lifetime Limitation**

The EID has a two-year (24-month) lifetime maximum. The two-year eligibility period begins at the same time that the initial exclusion period begins and ends 24 months later. During the 24-month period, an individual remains eligible for EID even if they receive assistance from a different housing agency, move between public housing and Section 8 assistance, or have breaks in assistance. The EID will sunset on January 1, 2026. In no circumstances will a family member's exclusion period continue past January 1, 2026.

### **Individual Savings Accounts [24 CFR 960.255(d)]**

#### County Housing Policy

County Housing chooses not to establish a system of individual savings accounts (ISAs) for families who qualify for the EID.

### **6-I.F. BUSINESS AND SELF-EMPLOYMENT INCOME [24 CFR 5.609(b)(28); Notice PIH 2023-27]**

Annual income includes "net income from the operation of a business or profession. *Net income* is gross income minus business expenses that allow the business to operate. *Gross income* is all income amounts received into the business prior to the deduction of business expenses.

Expenditures for business expansion or amortization of capital indebtedness may not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family."

#### County Housing Policy

To determine business expenses that may be deducted from gross income, County Housing will use current applicable Internal Revenue Service (IRS) rules for determining allowable business expenses [see IRS Publication 535] unless a topic is addressed by HUD regulations or guidance as described herein.

### **Independent Contractors**

Income received as an independent contractor is included in annual income, even if the source, date, or amount of the income varies [24 CFR 2.609 (b)(24)].

An *independent contractor* is defined as an individual who qualifies as an independent contractor instead of an employee in accordance with the Internal Revenue Code Federal income tax requirements and whose earnings are consequently subject to the Self-Employment Tax. In general, an individual is an independent contractor if the payer has the right to control or direct only the result of the work and not what will be done and how it will be done [24 CFR 5.603(b)].

### **Business Expansion**

HUD regulations do not permit County Housing to deduct from gross income expenses for business expansion.

#### County Housing Policy

*Business expansion* is defined as any capital expenditure made to add new business activities, to expand current facilities, or to operate the business in additional locations. For example, purchase of a street sweeper by a construction business for the purpose of adding street cleaning to the services offered by the business would be considered a business expansion. Similarly, the purchase of a property by a hair care business to open at a second location would be considered a business expansion.

### **Capital Indebtedness**

HUD regulations do not permit County Housing to deduct from gross income the amortization of capital indebtedness.

#### County Housing Policy

*Capital indebtedness* is defined as the principal portion of the payment on a capital asset such as land, buildings, and machinery. This means County Housing will allow as a business expense interest, but not principal, paid on capital indebtedness.

### **Negative Business Income**

If the net income from a business is negative, no business income will be included in the annual income; a negative amount will not be used to offset other family income.

### **Withdrawal of Cash or Assets from a Business**

HUD regulations require County Housing to include in annual income the withdrawal of cash or assets from the operation of a business or profession unless the withdrawal reimburses a family member for cash or assets invested in the business by the family.

#### County Housing Policy

Acceptable investments in a business include cash loans and contributions of assets or equipment. For example, if a member of a tenant family provided an up-front loan of \$2,000 to help a business get started, County Housing will not count as income any withdrawals from the business up to the amount of this loan until the loan has been repaid. Investments do not include the value of labor contributed to the business without compensation.

### **Assets Owned by a Business Entity**

If a business entity (e.g., limited liability company or limited partnership) owns the asset, then the family's asset is their ownership stake in the business, not some portion of the business's assets. However, if the family holds the assets in their own name (e.g., they own one-third of a restaurant) rather than in the name of a business entity, then the percentage value of the asset owned by the

family is what is counted toward net family assets (e.g., one-third of the value of the restaurant) [Notice PIH 2023-27].

### **6-I.G. STUDENT FINANCIAL ASSISTANCE [24 CFR 5.609(b)(9)]**

The regulations distinguish between two categories of student financial assistance paid to both full-time and part-time students.

#### **Types of Assistance**

Any assistance to students under section 479B of the Higher Education Act of 1965 (Title IV of the HEA) must be excluded from the family's annual income [24 CFR 5.609(b)(9)(i)].

Examples of assistance under title IV of the HEA include:

- Federal Pell Grants;
- Teach Grants;
- Federal Work Study Programs;
- Federal Perkins Loans;
- Income earned in employment and training programs under section 134 of the Workforce Innovation and Opportunity Act (WIOA); or
- Bureau of Indian Affairs/Education student assistance programs
  - The Higher Education Tribal Grant
  - The Tribally Controlled Colleges or Universities Grant Program

Any other grant-in-aid, scholarship, or other assistance amounts an individual receives for the actual covered costs charged by the institution of higher education not otherwise excluded by the Federally mandated income exclusions are excluded [24 CFR 5.609(b)(9)(ii)]. *Actual covered costs* are defined as the actual costs of:

- Tuition, books, and supplies;
  - Including supplies and equipment to support students with learning disabilities or other disabilities
- Room and board; and
- Other fees required and charged to a student by the education institution.

For a student who is not the head of household or spouse/cohead, actual covered costs also include the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit.

Further, to qualify, other student financial assistance must be expressly:

- For tuition, book, supplies, room and board, or other fees required and charged to the student by the education institution;
- To assist a student with the costs of higher education; or
- To assist a student who is not the head of household or spouse with the reasonable and actual costs of housing while attending the educational institution and not residing in an assisted unit.

The student financial assistance may be paid directly to the student or to the educational institution on the student's behalf. However, any student financial assistance paid to the student must be verified by County Housing.

The financial assistance must be a grant or scholarship received from:

- The Federal government;
- A state, tribal, or local government;
- A private foundation registered as a nonprofit;
- A business entity (such as a corporation, general partnership, limited liability company, limited partnership, joint venture, business trust, public benefit corporation, or nonprofit entity); or
- An institution of higher education.

Student financial assistance does not include:

- Financial support provided to the student in the form of a fee for services performed (e.g., a work-study or teaching fellowship that is not excluded under section 479B of the Higher Education Act HEA);
- Gifts, including gifts from family or friends; or
- Any amount of the scholarship or grant that, either by itself or in combination with assistance excluded under the HEA, exceeds the actual covered costs of the student.

### **Calculating Income from Student Financial Assistance [HOTMA Student Financial Assistance Resource Sheet; Notice PIH 2023-27]**

The formula for calculating the amount of other student financial assistance that is excluded from income always begins with deducting the assistance received under 479B of the HEA from the total actual covered costs because the 479B assistance is intended to pay the student's actual covered costs. When a student receives assistance from both Title IV of the HEA and from other sources, the assistance received under Title IV of the HEA must be applied to the student's actual covered costs first, and then other student financial assistance is applied to any remaining actual covered costs. Once actual costs are covered, any remaining student financial assistance is considered income.

#### County Housing Policy

If a student only receives financial assistance under Title IV of the HEA and does not receive any other student financial assistance, County Housing will exclude the full amount of the assistance received under Title IV from the family's annual income. County Housing will not calculate actual covered costs in this case.

If the student does not receive any assistance under Title IV of the HEA but does receive assistance from another source, County Housing will first calculate the actual covered costs to the student in accordance with 24 CFR 5.609(b)(ii). County Housing will then subtract the total amount of the student's financial assistance from the student's actual covered costs. County Housing will include any amount of financial assistance in excess of the student's actual covered costs in the family's annual income.

**Example 1**

- Actual covered costs: \$20,000
- Other student financial assistance: \$25,000
- Excluded income: \$20,000 (\$25,000 in financial assistance - \$20,000 in actual covered costs)
- Included income: \$5,000

When a student receives assistance from both Title IV of the HEA and from other sources, County Housing will first calculate the actual covered costs to the student in accordance with 24 CFR 5.609(b)(ii). The assistance received under Title IV of the HEA will be applied to the student's actual covered costs first, and then the other student financial assistance will be applied to any remaining actual covered costs.

If the amount of assistance excluded under Title IV of the HEA equals or exceeds the actual covered costs, the full amount of the other financial assistance will be included in the family's annual income.

**Example 2**

- Actual covered costs: \$25,000
- Title IV HEA assistance: \$26,000
- Title IV HEA assistance covers the students entire actual covered costs.
- Other Student Financial Assistance: \$5,000
- Excluded income: The entire Title IV HEA assistance of \$26,000
- Included income: All other financial assistance of \$5,000

If the amount of assistance excluded under Title IV of the HEA is less than the actual covered costs, County Housing will exclude the amount of other student financial assistance up to the amount of the remaining actual covered costs.

**Example 3**

- Actual covered costs: \$22,000
- Title IV HEA assistance: \$15,000
- The remaining amount not covered by Title IV HEA assistance is \$7,000 (\$22,000 in actual covered costs - \$15,000 in Title IV HEA assistance).
- Other Student Financial Assistance: \$5,000
- \$7,000 in remaining actual covered costs - \$5,000 in

other financial assistance

- Excluded income: \$15,000 entire amount of the Title IV HEA Assistance + \$5,000 in other financial assistance
- Included income: \$0

**Example 4**

- Actual covered costs: \$18,000
- Title IV HEA Assistance: \$15,000
- The remaining amount not covered by Title IV HEA assistance is \$3,000 (\$18,000 in actual covered costs - \$15,000 in Title IV HEA Assistance)
- Other student Financial Assistance: \$5,000
- When other student financial assistance is applied, financial assistance exceeds actual covered costs by \$2,000 (\$3,000 in actual covered costs - \$5,000 in other financial assistance).
- Included income: \$2,000 (the amount by which the financial aid exceeds the student's actual covered costs).

**6-I.H. PERIODIC PAYMENTS [Notice PIH 2023-27]**

Periodic payments are forms of income received on a regular basis. HUD regulations specify periodic payments that are not included in annual income. Regulations do not specify which types of periodic payments are included in annual income.

Income that has a discrete end date and will not be repeated beyond the coming year is excluded from a family's annual income because it is nonrecurring income. However, this does not include unemployment income and other types of periodic payments that are received at regular intervals (such as weekly, monthly, or yearly) for a period of greater than one year that can be extended. For example, a family receives income from a guaranteed income program in their city that has a discrete beginning and end date. While the guaranteed income will be repeated in the coming year, it will end before the family's next annual reexamination. This income is fully excluded from annual income.

Insurance payments and settlements for personal or property losses, including but not limited to payments under health insurance, motor vehicle insurance, and workers' compensation, are excluded from annual income. However, periodic payments paid at regular intervals (such as weekly, monthly, or yearly) for a period of greater than one year that are received in lieu of wages for workers' compensation are included in annual income. Payments received in lieu of wages for worker's compensation are excluded, even if paid in periodic payments, if the income will last for a period of less than one year.

### **Lump-Sum Payments for the Delayed Start of a Periodic Payment [24 CFR 5.609(b)(16)]**

Deferred periodic amounts from Supplemental Security Income (SSI) and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts, or any deferred Department of Veterans Affairs (VA) disability benefits that are received in a lump sum amount or in prospective monthly amounts are excluded from annual income.

#### County Housing Policy

County Housing will include in annual income lump sums received as a result of delays in processing periodic payments (other than those specifically excluded by the regulations), such as unemployment or welfare assistance.

When a delayed-start payment is received that is to be included, and the family reports this during the period in which County Housing is processing an annual reexamination, County Housing will adjust the family's rent retroactively for the period the payment was intended to cover.

If the delayed-start payment is received outside of the time County Housing is processing an annual reexamination, then County Housing will consider whether the amount meets the threshold to conduct an interim reexamination. If so, County Housing will conduct an interim in accordance with policies in Chapter 9. If not, County Housing will consider the amount when processing the family's next annual recertification.

### **Retirement Accounts [24 CFR 5.609(b)(26); Notice PIH 2023-27]**

Income received from any account under a retirement plan recognized as such by the IRS, including individual retirement arrangements (IRAs), employer retirement plans, and retirement plans for self-employed individuals, is not considered actual income from assets.

However, any distribution of periodic payments from such accounts is included in annual income at the time they are received by the family.

An asset moved to a retirement account held by a member of the family is not considered to be an asset disposed of for less than fair market value.

### **Social Security Benefits [Notice PIH 2023-27]**

County Housing is required to use the gross benefit amount to calculate annual income from Social Security benefits.

Annually in October, the Social Security Administration (SSA) announces the cost-of-living adjustment (COLA) by which federal Social Security and SSI benefits are adjusted to reflect the increase, if any, in the cost of living. The federal COLA does not apply to state-paid disability benefits. Effective the day after the SSA has announced the COLA, PHAs are required to factor in the COLA when determining Social Security and SSI annual income for all annual reexaminations and interim reexaminations of family income that have not yet been completed and will be effective January 1 or later of the upcoming year [Notice PIH 2023-27]. When a family member's benefits are garnished, levied, or withheld to pay restitution, child support, tax debt, student loan debt, or other debts, County Housing must use the gross amount of the income prior to the reduction to determine a family's annual income.

#### County Housing Policy

Annual income includes "all amounts received," not the amount that a family may be legally entitled to receive but which they do not receive. When the SSA overpays an

individual, resulting in a withholding or deduction from their benefit amount until the overpayment is paid in full, the PHA will use the reduced benefit amount after deducting only the amount of the overpayment withholding from the gross benefit amount.

### **Alimony and Child Support**

Annual income includes “all amounts received,” not the amount that a family may be legally entitled to receive but which they do not receive. For example, a family’s child support or alimony income must be based on payments received, not the amounts to which the family is entitled by court or agency orders [Notice PIH 2023-27].

#### County Housing Policy

County Housing will count all regular payments of alimony or child support awarded as part of a divorce or separation agreement.

County Housing will count court-awarded amounts for alimony and child support unless the family certifies and County Housing verifies that the payments are not being made.

In order to verify that payments are not being made, County Housing will review child support payments over the last three months.

If payments are being made regularly, County Housing will use the amount received during the last 12 months (excluding any lump sums received). If payments have been made for a period of less than 12 months, County Housing will average all payments that have been made.

At new admission or interim recertification, if any lump sum payments were made in the past 12 months, County Housing will determine the likelihood of the family receiving another similar payment(s) within the next 12 months before deciding whether or not this amount will be included in the calculation of annual income.

If County Housing determines and can appropriately verify that the family, in all likelihood, will not receive a similar payment, then the amount will not be considered when projecting annual income.

If County Housing determines that it is likely that the family will receive a similar payment and can appropriately verify it, the amount will be included when projecting annual income.

If no payments have been made in the past three months and there are no lump sums, County Housing will not include alimony or child support in annual income.

### **6-I.I. NONRECURRING INCOME [24 CFR 5.609(b)(24); Notice PIH 2023-27]**

Nonrecurring income, which is income that will not be repeated beyond the coming year (e.g., 12 months following the effective date of the certification) based on information provided by the family, is excluded from annual income. County Housing may accept a self-certification from the family stating that the income will not be repeated in the coming year. See Chapter 7 for policies related to verification of nonrecurring income.

Income received as an independent contractor, day laborer, or seasonal worker is not excluded from income as nonrecurring income, even if the source, date, or amount of the income varies.

Income that has a discrete end date and will not be repeated beyond the coming year during the family’s upcoming annual reexamination period will be excluded from a family’s annual income as

nonrecurring income. This exclusion does not include unemployment income and other types of periodic payments that are received at regular intervals (such as weekly, monthly, or yearly) for a period of greater than one year that can be extended.

Income amounts excluded under this category may include, but are not limited to:

- Nonrecurring payments made to the family or to a third party on behalf of the family to assist with utilities;
- Payments for eviction prevention;
- Security deposits to secure housing;
- Payments for participation in research studies (depending on the duration); and
- General one-time payments received by or on behalf of the family.

Nonrecurring income that is excluded under the regulations includes:

- Payments from the U.S. Census Bureau for employment (relating to decennial census or the American Community Survey) lasting no longer than 180 days and not culminating in permanent employment [24 CFR 5.609(b)(24)(i)].
- Direct federal or state payments intended for economic stimulus or recovery [24 CFR 5.609(b)(24)(ii)].
- Amounts directly received by the family as a result of state refundable tax credits or state or federal tax refunds at the time they are received [24 CFR 5.609(b)(24)(iii) and (iv)].
- Gifts for holidays, birthdays, or other significant life events or milestones (e.g., wedding gifts, baby showers, anniversaries) [24 CFR 5.609(b)(24)(v)].
- Non-monetary, in-kind donations, such as food, clothing, or toiletries, received from a food bank or similar organization [24 CFR 5.609(b)(24)(vi)]. When calculating annual income, PHAs are prohibited from assigning monetary value to non-monetary in-kind donations received by the family [Notice PIH 2023-27]. Non-recurring, non-monetary in-kind donations from friends and family are excluded as non-recurring income.
- Lump-sum additions to net family assets, including but not limited to lottery or other contest winnings [24 CFR 5.609(b)(24)(vii)].

## **6-I.J. WELFARE ASSISTANCE**

### **Overview**

Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments.

## **Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]**

County Housing must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-3. The requirements are summarized below. This rule applies only if a family was a public housing resident at the time the sanction was imposed.

### ***Covered Families***

The families covered by 24 CFR 5.615 are those “who receive welfare assistance or other public assistance benefits (‘welfare benefits’) from a state or other public agency (‘welfare agency’) under a program for which federal, state, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance” [24 CFR 5.615(b)]

### ***Imputed Income***

When a welfare agency imposes a sanction that reduces a family’s welfare income because the family commits fraud or fails to comply with the agency’s economic self-sufficiency program or work activities requirement, County Housing must include in annual income “imputed” welfare income. County Housing must request that the welfare agency provide the reason for the reduction of benefits and the amount of the reduction of benefits. The imputed welfare income is the amount that the benefits were reduced as a result of the sanction.

This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

### ***Offsets***

The amount of the imputed welfare income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].

## **6-I.K. STATE PAYMENTS TO ALLOW INDIVIDUAL WITH DISABILITIES TO LIVE AT HOME [24 CFR 5.609(b)(19)]**

Payments made by or authorized by a state Medicaid agency (including through a managed care entity) or other state or federal agency to an assisted family to enable a member of the assisted family who has a disability to reside in the family’s assisted unit are excluded.

Authorized payments may include payments to a member of the assisted family through state Medicaid-managed care systems, other state agencies, federal agencies or other authorized entities.

The payments must be received for caregiving services a family member provides to enable another member of the assisted family who has a disability to reside in the family’s assisted unit. Payments to a family member for caregiving services for someone who is not a member of the assisted family (such as for a relative that resides elsewhere) are not excluded from income.

Furthermore, if the agency is making payments for caregiving services to the family member for an assisted family member and for a person outside of the assisted family, only the payments

attributable to the caregiving services for the caregiver's assisted family member would be excluded from income.

#### **6-I.L. CIVIL RIGHTS SETTLEMENTS [24 CFR 5.609(b)(25); FR Notice 2/14/23]**

Regardless of how the settlement or judgment is structured, civil rights settlements or judgments, including settlements or judgments for back pay, are excluded from annual income. This may include amounts received because of litigation or other actions, such as conciliation agreements, voluntary compliance agreements, consent orders, other forms of settlement agreements, or administrative or judicial orders under the Fair Housing Act, Title VI of the Civil Rights Act, Section 504 of the Rehabilitation Act (Section 504), the Americans with Disabilities Act, or any other civil rights or fair housing statute or requirement.

While these civil rights settlement or judgment amounts are excluded from income, the settlement or judgment amounts will generally be counted toward the family's net family assets (e.g., if the funds are deposited into the family's savings account or a revocable trust under the control of the family or some other asset that is not excluded from the definition of *net family assets*). Income generated on the settlement or judgment amount after it has become a net family asset is not excluded from income. For example, if the family received a settlement or back pay and deposited the money in an interest-bearing savings account, the interest from that account would be income at the time the interest is received.

Furthermore, if a civil rights settlement or judgment increases the family's net family assets such that they exceed \$50,000 (as annually adjusted by an inflationary factor), then income will be imputed on the net family assets pursuant to 24 CFR 5.609(a)(2). If the imputed income, which HUD considers unearned income, increases the family's annual adjusted income by 10 percent or more, then an interim reexamination of income will be required unless the addition to the family's net family assets occurs within the last three months of the family's income certification period and the PHA or owner chooses not to conduct the examination.

#### **6-I.M. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME [24 CFR 5.609(b)]**

Other exclusions contained in 24 CFR 5.609(b) that have not been discussed earlier in this chapter include the following:

- Payments received for the care of foster children or foster adults or state or tribal kinship or guardianship care payments [24 CFR 5.609(b)(4)].
- Insurance payments and settlements for personal or property losses, including but not limited to payments through health insurance, motor vehicle insurance, and workers' compensation [24 CFR 5.609(b)(5)]. However, periodic payments paid at regular intervals (such as weekly, monthly, or yearly) for a period of greater than one year that are received in lieu of wages for workers' compensation are included in annual income [Notie PIH 2023-17].
- Amounts received by the family that are specifically for, or in reimbursement of, the cost of health and medical care expenses for any family member [24 CFR 5.609(b)(6)].
- Any amounts recovered in any civil action or settlement based on a claim of malpractice, negligence, or other breach of duty owed to a family member arising out of law, that resulted in a member of the family becoming disabled [24 CFR 5.609(b)(7)].
- Income and distributions from any Coverdell education savings account under Section 530 of the Internal Revenue Code of 1986 or any qualified tuition program under Section 529 of such Code [24 CFR 5.609(b)(10)].

- Income earned by government contributions to, and distributions from, “baby bond” accounts created, authorized, or funded by federal, state, or local government [24 CFR 5.609(b)(10)].
- The special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(b)(11)].
- Payments related to aid and attendance under 38 U.S.C. 1521 to veterans in need of regular aid and attendance [24 CFR 5.609(b)(17)]. This income exclusion applies only to veterans in need of regular aid and attendance and not to other beneficiaries of the payments, such as a surviving spouse [Notice PIH 2023-27].
- Loan proceeds (the net amount disbursed by a lender to or on behalf of a borrower, under the terms of a loan agreement) received by the family or a third party (e.g., proceeds received by the family from a private loan to enable attendance at an educational institution or to finance the purchase of a car) [24 CFR 5.609(b)(20)]. The loan borrower or co-borrower must be a member of the family for this income exclusion to be applicable [Notice PIH 2023-27].
- Payments received by tribal members as a result of claims relating to the mismanagement of assets held in trust by the United States, to the extent such payments are also excluded from gross income under the Internal Revenue Code or other federal law [24 CFR 5.609(b)(21)]. Generally, payments received by tribal members in excess of the first \$2,000 of per capita shares are included in a family’s annual income for purposes of determining eligibility. However, as explained in Notice PIH 2023-27, payments made under the Cobell Settlement, and certain per capita payments under the recent Tribal Trust Settlements, must be excluded from annual income in HUD programs that adopt the definitions of *annual income* in 24 CFR 5.609, the Census Long Form, and the IRS Form 1040, including the programs affected by Notice PIH 2023-27.
- Replacement housing “gap” payments made in accordance with 49 CFR Part 24 that offset increased out of pocket costs of displaced persons that move from one federally subsidized housing unit to another federally subsidized housing unit. Such replacement housing “gap” payments are not excluded from annual income if the increased cost of rent and utilities is subsequently reduced or eliminated, and the displaced person retains or continues to receive the replacement housing “gap” payments [24 CFR 5.609(b)(23)].
- Income earned on amounts placed in a family’s Family Self-Sufficiency account [24 CFR 5.609(b)(27)].
- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (e.g., special equipment, clothing, transportation, childcare, etc.) and which are made solely to allow participation in a specific program [24 CFR 5.609(c)(12)(iii)].
- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR 5.609(b)(12)(ii)].
- Amounts received under a resident service stipend not to exceed \$200 per month. A resident service stipend is a modest amount received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development [24 CFR 5.600(b)(12)(iii)].

- Incremental earnings and benefits to any family member resulting from participation in a qualifying training program funded by HUD or in qualifying federal, state, tribal, or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the training program unless those amounts are excluded under 24 CFR 5.609(b)(9)(i) [24 CFR 5.609(b)(12)(iv)].

County Housing Policy

County Housing defines *training program* as “a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period of time. It is designed to lead to a higher level of proficiency, and it enhances the individual’s ability to obtain employment. It may have performance standards to measure proficiency. Training may include but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education” [expired Notice PIH 98-2, p. 3].

County Housing defines *incremental earnings and benefits* as the difference between (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3-4].

In calculating the incremental difference, County Housing will use as the pre-enrollment income the total annualized amount of the family member’s welfare assistance and earnings reported on the family’s most recently completed HUD-50058.

End of participation in a training program must be reported in accordance with County Housing’s interim reporting requirements (see Chapter 11).

- Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era [24 CFR 5.609(b)(13)].
- Adoption assistance payments for a child in excess of the amount of the dependent deduction per adopted child [24 CFR 5.609(b)(15)].
- Refunds or rebates on property taxes paid on the dwelling unit [24 CFR 5.609(b)(20)]
- Amounts that HUD is required by federal statute to exclude from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(b) apply. HUD will publish a notice in the *Federal Register* to identify the benefits that qualify for this exclusion. Updates will be published when necessary [24 CFR 5.609(b)(22)].
- HUD publishes an updated list of these exclusions periodically. The most recent list of exclusions was published in the *Federal Register* on May 20, 2014. It includes:
  - (a) The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017 (b))

## PART II: ASSETS

### 6-II.A. OVERVIEW

Annual income includes all actual anticipated income from assets (unless otherwise excluded by the regulation), even if the asset itself is excluded from net family assets [Notice PIH 2023-27].

The regulation at 24 CFR 5.603(b)(3) provides a list of items that are excluded from the calculation of net family assets. Note that unlike previous versions of the regulations, the current regulations do not list types of assets that are included in annual income. Instead, HUD relies on the definition of items excluded from assets to provide the scope of what is included. Exhibit 6-2 provides the regulatory definition of *net family assets*.

Optional policies for family self-certification of assets are found in Chapter 7. Policies related to the asset limitation may be found in Chapter 3.

Income from assets is always anticipated, irrespective of the income examination type.

#### County Housing Policy

County Housing generally will use current circumstances to determine both the value of an asset and the anticipated income from the asset. County Housing will use other than current circumstances to anticipate income when (1) an imminent change in circumstances is expected, (2) it is not feasible to anticipate a level of income over 12 months, or (3) County Housing believes that past income is the best indicator of anticipated income. For example, if a family member owns real property that typically receives rental income, but the property is currently vacant, County Housing can take into consideration past rental income along with the prospects of obtaining a new tenant.

Any time current circumstances are not used to determine asset income, a clear rationale for the decision will be documented in the file. In such cases, the family may present information and documentation to County Housing to show why the asset income determination does not represent the family's anticipated asset income.

### 6-II.B. ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE [24 CFR 5.603(b)(2)]

PHAs must include the value of any business or family assets disposed of by an applicant or participant for less than fair market value (including a disposition in trust but not in a foreclosure or bankruptcy sale) during the two years preceding the date of the application or reexamination, as applicable, in excess of the consideration received for the asset.

An asset moved to a retirement account held by a member of the family is not considered to be an asset disposed of for less than fair market value [Notice PIH 2023-27].

#### ***Minimum Threshold***

HUD does not specify a minimum threshold for counting assets disposed of for less than fair market value. A PHA may establish a policy to ignore small amounts such as charitable contributions [New PH OCC GB, *Income Determinations*, p. 24].

#### County Housing Policy

County Housing will not include the value of assets disposed of for less than fair market value unless the cumulative fair market value of all assets disposed of during the past two years exceeds the gross amount received for the assets by more than \$5,000.

### ***Separation or Divorce***

The regulation also specifies that assets are not considered disposed of for less than fair market value if they are disposed of as part of a separation or divorce settlement and the applicant or tenant receives important consideration not measurable in dollar terms.

#### County Housing Policy

All assets disposed of as part of a separation or divorce settlement will be considered assets for which important consideration not measurable in monetary terms has been received. In order to qualify for this exemption, a family member must be subject to a formal separation or divorce settlement agreement established through arbitration, mediation, or court order.

### ***Foreclosure or Bankruptcy***

Assets are not considered disposed of for less than fair market value when the disposition is the result of a foreclosure or bankruptcy sale. Negative equity in real property or other investments does not prohibit the owner from selling the property or other investments, so negative equity alone would not justify excluding the property or other investments from family assets.

### ***Asset Owned by a Business Entity***

If a business entity (e.g., limited liability company or limited partnership) owns the asset, then the family's asset is their ownership stake in the business, not some portion of the business's assets. However, if the family holds the assets in their own name (e.g., they own one third of a restaurant) rather than in the name of a business entity, then the percentage value of the asset owned by the family is what is counted toward net family assets (e.g., one-third of the value of the restaurant) [Notice PIH 2023-27].

### ***Family Declaration***

#### County Housing Policy

Families must sign a declaration form at initial certification and each annual recertification identifying all assets that have been disposed of for less than fair market value or declaring that no assets have been disposed of for less than fair market value. County Housing may verify the value of the assets disposed of if other information available to County Housing does not appear to agree with the information reported by the family.

## **6-II.C. ASSET INCLUSIONS AND EXCLUSIONS**

### ***Checking and Savings Accounts [Notice PIH 2023-27]***

HUD considers bank accounts as non-necessary items of personal property. Whether or not non-necessary personal property is counted toward net family assets depends on the combined value of all of the family's assets.

- When the combined value of net family assets is greater than \$50,000, as adjusted by inflation, checking and/or savings accounts would be counted toward net family assets.
- When the combined value of all non-necessary personal property does not exceed \$50,000, as adjusted by inflation, all non-necessary personal property is excluded from net family assets. In this case, the value of the family's checking and/or savings accounts would not be considered when calculating net family assets.

However, actual income from checking and savings accounts is always included in a family's annual income, regardless of the total value of net family assets or whether the asset itself is included or excluded from net family assets unless that income is specifically excluded.

***ABLE Accounts [24 CFR 5.609(b)(10); Notice PIH 2019-09]***

An Achieving a Better Life Experience (ABLE) account is a type of tax-advantaged savings account that an eligible individual can use to pay for qualified disability expenses. Section 103 of the ABLE Act mandates that an individual's ABLE account (specifically, its account balance, contributions to the account, and distributions from the account) is excluded when determining the designated beneficiary's eligibility and continued occupancy under certain federal means-tested programs. County Housing must exclude the entire value of the individual's ABLE account from the household's assets. Distributions from the ABLE account are also not considered income. However, all wage income received, regardless of which account the money is paid to, is included as income.

***Investment Accounts Such as Stocks, Bonds, Saving Certificates, and Money Market Funds [24 CFR 5.603(b)(1)]***

HUD considers financial investments such as stocks and bonds as non-necessary items of personal property. Whether non-necessary personal property is counted toward net family assets depends on the combined value of all of the family's assets.

- When the combined value of net family assets is greater than \$50,000, as adjusted by inflation, financial investments such as stocks and bonds are considered part of net family assets. In this case, the value of the family's financial investments, such as stocks and bonds, would be counted toward net family assets.
- When the combined value of all non-necessary personal property does not exceed \$50,000, as adjusted by inflation, all non-necessary personal property is excluded from net family assets. In this case, the value of the family's financial investments, such as stocks and bonds, would not be considered when calculating net family assets.

However, actual income from financial accounts is always included in a family's annual income, regardless of the total value of net family assets or whether the asset itself is included or excluded from net family assets unless that income is specifically excluded. When a stock issues dividends in some years but not others (e.g., due to market performance), the dividend is counted as the actual return when it is issued, but when no dividend is issued, the actual return is \$0. When the stock never issues dividends, the actual return is \$0.

County Housing Policy

County Housing will include interest or dividends earned by investment accounts as actual income from assets even when the earnings are reinvested.

The cash value of such an asset is determined by deducting from the market value any broker fees, penalties for early withdrawal, or other costs of converting the asset to cash.

In determining the market value of an investment account, County Housing will use the value of the account in the most recent investment report.

***Necessary and Non-Necessary Personal Property [24 CFR 5.603(b)(3)(i)]***

All assets are categorized as either *real property* (e.g., land, a home) or *personal property*.

*Personal property* includes tangible items, like boats, as well as intangible items, like bank accounts.

The value of necessary items of personal property is excluded from the calculation of net family assets. Necessary items of personal property include a car used for commuting or medical devices.

HUD defines *necessary personal property* as items essential to the family for the maintenance, use, and occupancy of the premises as a home, or they are necessary for employment, education, or health and wellness. Necessary personal property includes more than merely items that are indispensable to the bare existence of the family. It may include personal effects (such as items that are ordinarily worn or utilized by the individual), items that are convenient or useful to a reasonable existence, and items that support and facilitate daily life within the family’s home. Necessary personal property also includes items that assist a household member with a disability, including any items related to disability-related needs or that may be required for a reasonable accommodation for a person with a disability. Necessary personal property does not include bank accounts, other financial investments, or luxury items. Items of personal property that do not qualify as necessary personal property are classified as non-necessary personal property.

The combined value of all non-necessary items of personal property is only included in annual income when the combined total value exceeds \$50,000 (adjusted annually). When the combined value of all non-necessary personal property does not exceed \$50,000, as adjusted by inflation, all non-necessary personal property is excluded from net family assets.

While not an exhaustive list, the following table from Notice PIH 2023-27 provides examples of necessary and non-necessary personal property.

<b>Necessary Personal Property</b>	<b>Non-Necessary Personal Property</b>
<p>Car(s)/vehicle(s) that a family relies on for transportation for personal or business use (e.g., bike, motorcycle, skateboard, scooter)</p> <p>Furniture, carpets, linens, kitchenware</p> <p>Common appliances</p> <p>Common electronics (e.g., radio, television, DVD player, gaming system)</p> <p>Clothing</p> <p>Personal effects that are not luxury items (e.g., toys, books)</p> <p>Wedding and engagement rings</p> <p>Jewelry used in religious/cultural celebrations and ceremonies</p> <p>Religious and cultural items</p> <p>Medical equipment and supplies</p> <p>Health care–related supplies</p> <p>Musical instruments used by the family</p>	<p>Recreational car/vehicle not needed for day-to-day transportation for personal or business use (campers, motorhomes, traveling trailers, all-terrain vehicles (ATVs))</p> <p>Bank accounts or other financial investments (e.g., checking account, savings account, stocks/bonds)</p> <p>Recreational boat/watercraft</p> <p>Expensive jewelry without religious or cultural value, or which does not hold family significance</p> <p>Collectibles (e.g., coins/stamps)</p> <p>Equipment/machinery that is not used to generate income for a business</p> <p>Items such as gems/precious metals, antique cars, artwork, etc.</p>

--	--

County Housing Policy

In determining the value of non-necessary personal property, County Housing will use the family’s estimate of the value. County Housing may obtain an appraisal if there is reason to believe that the family’s estimated value is off by \$100 or more. The family must cooperate with the appraiser but cannot be charged any costs related to the appraisal.

***Lump-Sum Additions to Net Family Assets [24 CFR 5.609(b)(24(viii)); Notice PIH 2023-27]***

The regulations exclude income from lump-sum additions to family assets, including lottery or other contest winnings as a type of nonrecurring income.

In addition, lump sums from insurance payments, settlements for personal or property losses, and recoveries from civil actions or settlements based on claims of malpractice, negligence, or other breach of duty owed to a family member arising out of law that resulted in a member of the family becoming a family member with a disability are excluded from income.

Further, deferred periodic amounts from Supplemental Security Income (SSI) and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts, or any deferred Department of Veterans Affairs disability benefits that are received in a lump sum amount or in prospective monthly amounts are also excluded from income.

However, these amounts may count toward net family assets. County Housing must consider any actual or imputed returns from assets as income at the next applicable income examination. In the case where the lump sum addition to assets would lead to imputed income, which is unearned income, that increases the family’s annual adjusted income by 10 percent or more, then the addition of the lump sum to the family’s assets will trigger an immediate interim reexamination of income in accordance with Chapter 9. This reexamination of income must take place as soon as the lump sum is added to the family’s net family assets unless the addition takes place in the last three months of family’s income certification period and County Housing chooses not to conduct the examination.

For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-I.I.

County Housing Policy

Any lump-sum receipts are only counted as assets if they are retained by a family in a form recognizable as an asset [RHIP FAQs]. For example, if the family receives a \$1,000 lump

sum for lottery winnings, and the family immediately spends the entire amount, the lump sum will not be counted toward net family assets.

***Jointly Owned Assets [Notice PIH 2023-27]***

For assets owned jointly by the family and one or more individuals outside of the assisted family, County Housing must include the total value of the asset in the calculation of net family assets unless:

- The asset is otherwise excluded;
- The family can demonstrate that the asset is inaccessible to them; or
- The family cannot dispose of any portion of the asset without the consent of another owner who refuses to comply.

If the family demonstrates that they can only access a portion of an asset, then only that portion's value is included in the calculation of net family assets for the family.

Any income from a jointly owned asset must be included in annual income, unless:

- The income is specifically excluded;
- The family demonstrates that they do not have access to the income from that asset; or
- The family only has access to a portion of the income from that asset.

If an individual is a beneficiary who is entitled to access the account's funds only upon the death of the account's owner, and may not otherwise withdraw funds from an account, then the account is not an asset to the assisted family, and the family should provide proper documentation demonstrating that they are only a beneficiary on the account.

***Trusts [24 CFR 5.609(b)(2) and 5.603(b)(4)]***

A *trust* is a legal arrangement generally regulated by state law in which one party (the creator or grantor) transfers property to a second party (the trustee) who holds the property for the benefit of one or more third parties (the beneficiaries).

The following types of trust distributions are excluded from annual income:

- Distributions of the principal or corpus of the trust; and
- Distributions of income from the trust when the distributions are used to pay the costs of health and medical care expenses for a minor.

The basis for determining how to treat trusts relies on information about who has access to either the principal in the account or the income from the account. There are two types of trusts, *revocable* and *irrevocable*.

When the creator sets up an *irrevocable trust*, the creator has no access to the funds in the account. Irrevocable trusts not under the control of any member of the family or household are not assets. Typically, special needs trusts are considered irrevocable. The value of the trust is not included in net family assets so long as the fund continues to be held in a trust that is not revocable by, or under the control of, any member of the family or household [24 CFR 5.603(b)(4)]. Where an irrevocable trust is excluded from net family assets, County Housing must not consider actual income earned by the trust (e.g., interest earned, rental income if the property is held in the trust)

for so long as the income from the trust is not distributed. If the value of the trust is not considered part of the family's net assets, then distributions from the trust are treated as follows:

- All distributions from the trust's principal are excluded from income.
- Distributions of income earned by the trust (i.e., interest, dividends, realized gains, or other earnings on the trust's principal) are included as income unless the distribution is used to pay for the health and medical expenses of a minor.

A *revocable trust* is a trust that the creator of the trust may amend or end (revoke). When there is a revocable trust, the creator has access to the funds in the trust account.

The value of revocable trusts that are not under the control of the family are excluded from net family assets. This happens when a member of the assisted family is the beneficiary of a revocable trust, but the grantor is not a member of the assisted family. In this case, the beneficiary does not "own" the revocable trust, and the value of the trust is excluded from net family assets. For the revocable trust to be considered excluded from net family assets, no family or household member may be the account's trustee. If this is the case, then distributions from the trust are treated as follows:

- All distributions from the trust's principal are excluded from income.
- Distributions of income earned by the trust (i.e., interest, dividends, realized gains, or other earnings on the trust's principal), are included as income unless the distribution is used to pay for the health and medical expenses for a minor.

Revocable trusts under the control of the family or household (e.g., the grantor is a member of the assisted family or household) are considered assets and must be included in net family assets.

If the value of the trust is considered part of the family's net assets, then distributions from the trust are not considered income to the family. County Housing must count all actual returns (e.g., interest earned) from the trust as income or, if the trust has no actual returns (e.g., if the trust is comprised of farmland that is not in use) and the total value of the combined net family assets exceeds \$50,000 (as that amount is updated for inflation), as imputed returns, as applicable.

#### ***Life Insurance [FR Notice 2/14/23 and Notice PIH 2023-27]***

Net family assets do not include the value of term life insurance, which has no cash value to the individual before death.

The cash value of a life insurance policy available to a family member before death, such as a whole life or universal life policy, is included in the calculation of the value of the family's assets. The cash value is the surrender value. While the cash value of an insurance policy is considered an asset, the face value of any policy is not. If such a policy earns dividends or interest that the family could elect to receive, the amount of dividends or interest is counted as income from the asset whether or not the family actually receives it.

#### ***Tax Refunds [24 CFR 5.603(b)(3)(xi) and Notice PIH 2023-27]***

All amounts received by a family in the form of federal tax refunds or refundable tax credits are excluded from a family's net family assets for a period of 12 months after receipt by the family.

At the time of an annual or interim reexamination of income, if the federal tax refund was received during the 12 months preceding the effective date of the reexamination, then the amount of the refund that was received by the family is subtracted from the total value of the account in which the

federal tax refund or refundable tax credits were deposited. When the subtraction results in a negative number, then the balance of the asset is considered \$0.

If the tax refund or refundable tax credit is deposited into another excluded asset, such as a retirement account or a Coverdell Education Savings Account, then the deposit will have no effect on the balance of the asset (i.e., there is no need for County Housing to subtract the amount of the deposit from the value of the excluded asset).

### ***Asset Exclusions [24 CFR 5.603(b)]***

The following are excluded from the calculations of net family assets:

- The value of any account under a retirement plan recognized as such by the IRS, including individual retirement arrangements (IRAs), employer retirement plans, and retirement plans for self-employed individuals [24 CFR 5.603(b)(3)(iii)].
- The value of real property that the family does not have the effective legal authority to sell in the jurisdiction in which the property is located [24 CFR 5.603(b)(3)(iv)].
  - *Real property*, as used in this part, has the same meaning as that provided under the law of the state in which the property is located [24 CFR 5.100].
  - Examples of this include but are not limited to co-ownership situations (including situations where one owner is a victim of domestic violence), where one party cannot unilaterally sell the real property; property that is tied up in litigation; and inherited property in dispute [Notice PIH 2023-27].
- Any amounts recovered in any civil action or settlement based on a claim of malpractice, negligence, or other breach of duty owed to a family member arising out of law, that resulted in a family member being a person with a disability [24 CFR 5.603(b)(3)(v)];
- The value of any Coverdell education savings account under section 530 of the Internal Revenue Code of 1986 [24 CFR 5.603(b)(3)(vi)];
- The value of any qualified tuition program under Section 529 of such Code [24 CFR 5.603(b)(3)(vi)];
- The value of any “baby bond” account created, authorized, or funded by federal, state, or local government [24 CFR 5.603(b)(3)(vi)];
- Interests in Indian trust land [24 CFR 5.603(b)(3)(vii)];
- Equity in a manufactured home where the family receives assistance under 24 CFR part 982 [24 CFR 5.603(b)(3)(viii)];
- Equity in property under the Homeownership Option for which a family receives assistance under 24 CFR part 982 [24 CFR 5.603(b)(3)(ix)];
- Family Self-Sufficiency accounts [24 CFR 5.603(b)(3)(x)];
- Federal tax refunds or refundable tax credits for a period of 12 months after receipt by the family [24 CFR 5.603(b)(3)(xi)].
- The full amount of assets held in an irrevocable trust [Notice PIH 2023-27]; and

- The full amount of assets held in a revocable trust where a member of the family is the beneficiary, but the grantor/owner and trustee of the trust is not a member of the participant family or household [Notice PIH 2023-27].

#### **6-II.D. DETERMINING INCOME FROM ASSETS**

In some cases, amounts that are excluded from net family assets may be included as annual income when disbursements are made to a family from an asset. In other cases, amounts are excluded from annual income as a lump-sum addition to net family assets, but those funds are then considered a net family asset if held in an account or other investment that is considered part of net family assets [Notice PIH 2023-27].

##### ***Net Family Assets***

*Net family assets* are defined as the net cash value of all assets owned by the family, after deducting reasonable costs that would be incurred in disposing real property, savings, stocks, bonds, and other forms of capital investment.

##### County Housing Policy

Reasonable costs that would be incurred when disposing of an asset include but are not limited to penalties for premature withdrawal, broker and legal fees, and settlement costs incurred in real estate transactions such as settlement costs and transfer taxes [New PH OCC GB, *Income Determinations*, p. 24].

The calculation of asset income sometimes requires County Housing to make a distinction between an asset's market value and its cash value.

- The market value of an asset is its worth in the market (e.g., the amount a buyer would pay for real estate or the total value of an investment account).
- The cash value of an asset is its market value less all reasonable amounts that would be incurred when converting the asset to cash.

The cash value of real property or other assets with negative equity would be considered \$0 for the purposes of calculating net family assets. Negative equity in real property or other investments does not prohibit the family from selling the property or other investments, so negative equity alone would not justify excluding the property or other investments from family assets [Notice PIH 2023-27].

##### ***Actual Income from Assets***

Income from assets must be included on the Form HUD-50058 regardless of the amount of income. Actual income from assets is always included in a family's annual income, regardless of the total value of net family assets or whether the asset itself is included or excluded from net family assets, unless that income is specifically excluded by 24 CFR 5.609(b).

Income or returns from assets are generally considered to be interest, dividend payments, and other actual income earned on the asset, and not the increase in market value of the asset. The increase in market value is relevant to the cash value of the asset for the purpose of determining total net family assets and imputing income.

County Housing may determine the net assets of a family based on a self-certification by the family that the net family assets do not exceed \$50,000 (adjusted annually by HUD), without taking

additional steps to verify the accuracy of the declaration [24 CFR 5.618(b)]. Policies related to the verification of assets are found in Chapter 7 of this policy.

County Housing may not calculate or include any imputed income from assets when net family assets total \$50,000 or less [24 CFR 5.609(b)(1)]. The actual income from assets must be included on the Form HUD-50058.

### ***Imputed Income from Assets***

When net family assets exceed \$50,000 (adjusted annually by HUD), County Housing may not rely on self-certification. If actual returns can be calculated, County Housing must include actual income from the asset on the Form HUD-50058 (for example, a savings account or CD where the rate of return is known). If actual returns cannot be calculated, County Housing must calculate imputed returns using the HUD-determined passbook rate (for example, real property or a non-necessary item of personal property such as a recreational boat). If County Housing can compute actual income from some but not all assets, County Housing must compute actual returns where possible and use the HUD-determined passbook rate for assets where actual income cannot be calculated [24 CFR 5.609(a)(2)].

An asset with an actual return of \$0 (such as a non-interest-bearing checking account) is not the same as an asset for which an actual return cannot be computed (such as non-necessary personal property). If the asset is a financial asset and there is no income generated (for example, a bank account with a zero percent interest rate or a stock that does not issue cash dividends), then the asset generates zero actual asset income, and imputed income is not calculated. When a stock issues dividends in some years but not others (e.g., due to market performance), the dividend is counted as the actual return when it is issued, and when no dividend is issued, the actual return is \$0. When the stock never issues dividends, the actual return is consistently \$0.

## PART III: ADJUSTED INCOME

### 6-III.A. INTRODUCTION

#### Overview

HUD regulations require PHAs to deduct from annual income any of five mandatory deductions for which a family qualifies and allows PHAs to deduct other permissive deductions in accordance with PHA policies. The resulting amount is the family's adjusted income. Mandatory deductions are found in 24 CFR 5.611.

5.611 *Adjusted income* means annual income (as determined under CFR 24 5.609) of the members of the family residing or intending to reside in the dwelling unit after making the following deductions:

(a) *Mandatory deductions*

- (1) \$480 for each dependent (adjusted annually by HUD, rounded to the next lowest multiple of \$25);
- (2) \$525 for any elderly family or disabled family (adjusted annually by HUD, rounded to the next lowest multiple of \$25);
- (3) The sum of the following, to the extent the sum exceeds ten percent of annual income:
  - (i) Unreimbursed health and medical care expenses of any elderly family or disabled family;
  - (ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed; and
- (4) Any reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education.

This part covers policies related to these mandatory deductions. Verification requirements related to these deductions are found in Chapter 7.

#### Anticipating Expenses

##### County Housing Policy

Generally, County Housing will use current circumstances to anticipate expenses. When possible, for costs that are expected to fluctuate during the year (e.g., childcare during school and non-school periods and cyclical medical expenses), County Housing will estimate costs based on historical data and known future costs.

If a family has an accumulated debt for medical or disability assistance expenses, County Housing will include as an eligible expense the portion of the debt that the family expects to pay during the period for which the income determination is being made. However, amounts previously deducted will not be allowed even if the amounts were not paid as expected in a preceding period. County Housing may require the family to provide documentation of payments made in the preceding year.

When calculating health and medical care expenses, County Housing will include those expenses anticipated to be incurred during the 12 months following the certification date that are not covered by an outside source, such as insurance. The allowance is not

intended to give a family an allowance equal to last year's expenses but to anticipate regular ongoing and anticipated expenses during the coming year. Since these expenses are anticipated, the *PH Occupancy Guidebook* states "it is likely that actual expenses will not match what was anticipated. Typically, this would not be considered an underpayment as long as at the time of the annual re-examination, the expenses were calculated based on the appropriate verification" [New PH OCC GB, *Income Determinations*, p. 30]. For annual reexaminations, County Housing will use information for the previous 12-month period.

### **6-III.B. DEPENDENT DEDUCTION**

An allowance of \$480 is deducted from annual income for each dependent (which amount will be adjusted by HUD annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25) [24 CFR 5.611(a)(1)].

Dependent is defined as any family member other than the head, spouse, or co-head who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student. Foster children, foster adults, and live-in aides are never considered dependents [24 CFR 5.603(b)].

### **6-III.C. ELDERLY OR DISABLED FAMILY DEDUCTION**

A single deduction of \$525 is taken for any elderly or disabled family (which amount will be adjusted by HUD annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25) [24 CFR 5.611(a)(2)].

An *elderly family* is a family whose head, spouse, cohead, or sole member is 62 years of age or older, and a *disabled family* is a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403].

### **6-III.D. HEALTH AND MEDICAL CARE EXPENSES DEDUCTION [24 CFR 5.611(a)(3)(i)]**

Unreimbursed health and medical care expenses may be deducted to the extent that, in combination with any disability assistance expenses, they exceed ten percent of annual income.

This deduction is permitted only for families in which the head, spouse, or co-head is at least 62 or is a person with disabilities. If a family is eligible for a medical expense deduction, the medical expenses of all family members are counted.

#### **Definition of *Medical Expenses***

HUD regulations define *health and medical care expenses* at 24 CFR 5.603(b) to mean "any costs incurred in the diagnosis, cure, mitigation, treatment, or prevention of disease or payments for treatments affecting any structure or function of the body. Health and medical care expenses include medical insurance premiums and long-term care premiums that are paid or anticipated during the period for which annual income is computed."

Medical insurance premiums continue to be eligible health and medical care expenses. Health and medical care expenses may be deducted from annual income only if they are eligible and not otherwise reimbursed and may only be deducted for elderly or disabled families.

Although HUD revised the definition of *health and medical care expenses* to reflect the Internal Revenue Service's (IRS) general definition of medical expenses, HUD is not permitting PHAs to specifically align their policies with IRS Publication 502 for determining which expenses are included in HUD's mandatory deduction for health and medical care expenses. PHAs must review each expense to determine whether it is eligible in accordance with HUD's definition of *health and medical care expenses*.

## **Families That Qualify for Both Health and Medical and Disability Assistance Expenses**

### County Housing Policy

This policy applies only to families in which the head, spouse, or co-head is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either a health and medical care or disability assistance expenses, County Housing will consider them health and medical care expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

### **6-III.E. DISABILITY ASSISTANCE EXPENSES DEDUCTION [24 CFR 5.603(b) and 24 CFR 5.611(a)(3)(ii)]**

Unreimbursed reasonable expenses for attendant care and auxiliary apparatus for each member of the family who is a person with disabilities may be deducted if they: (1) are necessary to enable a family member 18 years or older to work, (2) are not paid to a family member or reimbursed by an outside source, (3) in combination with any medical expenses, exceed ten percent of annual income, and (4) do not exceed the earned income received by the family member who is enabled to work.

#### **Earned Income Limit on the Disability Assistance Expense Deduction**

A family can qualify for the disability assistance expense deduction only if at least one family member (who may be the person with disabilities) is enabled to work [24 CFR 5.603(b)].

The disability expense deduction is capped by the amount of “earned income received by family members who are 18 years of age or older and who are able to work” because of the expense [24 CFR 5.611(a)(3)(ii)]. The earned income used for this purpose is the amount verified before any earned income disallowances or income exclusions are applied.

### County Housing Policy

The family must identify the family members enabled to work as a result of the disability assistance expenses. In evaluating the family’s request, County Housing will consider factors such as how the work schedule of the relevant family members relates to the hours of care provided, the time required for transportation, the relationship of the family members to the person with disabilities, and any special needs of the person with disabilities that might determine which family members are enabled to work.

When County Housing determines that the disability assistance expenses enable more than one family member to work, the expenses will be capped by the sum of the family members’ incomes [New PH Occ GB, *Income Determinations*, p. 28].

#### ***Eligible Auxiliary Apparatus [Notice PIH 2023-27]***

Auxiliary apparatus items may include expenses for wheelchairs, ramps, adaptations to vehicles, guide dogs, assistance animals, or special equipment to enable a person who is blind or has low vision to read or type, or special equipment to assist a person who is deaf or hard of hearing.

#### ***Eligible Attendant Care [Notice PIH 2023-27]***

Examples of attendant care expenses can include teaching a person with disabilities how to perform day-to-day tasks independently like cleaning, bathing, doing laundry, and cooking.

Attendant care can be 24-hour care or care during sporadic periods throughout the day. The family determines the type of attendant care that is appropriate for the person with disabilities.

County Housing Policy

Attendant care expenses will be included for the period that the person enabled to work is employed, plus reasonable transportation time. The cost of general housekeeping and personal services is not an eligible attendant care expense. However, if the person enabled to work is the person with disabilities, personal services necessary to enable the person with disabilities to work are eligible.

If the care attendant also provides other services to the family, County Housing will prorate the cost and allow only that portion of the expenses attributable to attendant care that enables a family member to work. For example, if the care provider also cares for a child who is not the person with disabilities, the cost of care must be prorated. Unless otherwise specified by the care provider, the calculation will be based on the number of hours spent on each activity and/or the number of persons under care.

**Payments to Family Members**

No disability expenses may be deducted for payments to a member of a tenant family [23 CFR 5.603(b)]. However, expenses paid to a relative who is not a member of the tenant family may be deducted if they are not reimbursed by an outside source.

**Necessary and Reasonable Expenses**

The family determines the type of care or auxiliary apparatus to be provided and must describe how the expenses enable a family member to work. The family must certify that the disability assistance expenses are necessary and are not paid or reimbursed by any other source.

County Housing Policy

County Housing determines the reasonableness of the expenses based on typical costs of care or apparatus in the locality. To establish typical costs, County Housing will collect information from organizations that provide services and support to persons with disabilities. A family may present, and County Housing will consider, the family's justification for costs that exceed typical costs in the area.

**Families That Qualify for Both Health and Medical and Disability Assistance Expenses**

County Housing Policy

This policy applies only to families in which the head, spouse, or co-head is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either health and medical care or disability assistance expenses, County Housing will consider them health and medical care expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

**6-III.F. CHILDCARE EXPENSE DEDUCTION**

HUD defines *child care expenses* at 24 CFR 5.603(b) as "amounts anticipated to be paid by the family for the care of children under 13 years of age (including foster children) during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and

only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for childcare. In the case of childcare necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.”

### **Clarifying the Meaning of *Child* for this Deduction**

Child care expenses do not include child support payments made to another on behalf of a minor who is not living in an assisted family’s household [VG, p. 26]. However, child care expenses for foster children who are living in the assisted family’s household are included when determining the family’s child care expenses [HCV GB, p. 5-29].

### **Qualifying for the Deduction**

#### ***Determining Who Is Enabled to Pursue an Eligible Activity***

##### County Housing Policy

The family must identify the family member(s) enabled to pursue an eligible activity. The term *eligible activity* in this section means any of the activities that may make the family eligible for a childcare deduction (seeking work, pursuing an education, or being gainfully employed).

In evaluating the family’s request, County Housing will consider factors such as how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

#### ***Seeking Work***

##### County Housing Policy

If the childcare expense being claimed is to enable a family member to seek employment, the family must provide evidence of the family member’s efforts to obtain employment at each re-examination. The deduction may be reduced or denied if the family member’s job search efforts are not commensurate with the childcare expense being allowed by County Housing.

#### ***Furthering Education***

##### County Housing Policy

If the childcare expense being claimed is to enable a family member to further his or her education, the member must be enrolled in school (academic or vocational) or participating in a formal training program. The family member is not required to be a full-time student, but the time spent in educational activities must be commensurate with the childcare claimed.

#### ***Being Gainfully Employed***

##### County Housing Policy

If the childcare expense being claimed is to enable a family member to be gainfully employed, the family must provide evidence of the family member’s employment during the time that childcare is being provided. Gainful employment is any legal work activity (full- or part-time) for which a family member is compensated.

## **Earned Income Limit on Child Care Expense Deduction**

When a family member looks for work or furthers his or her education, there is no cap on the amount that may be deducted for childcare – although the care must still be necessary and reasonable. However, when childcare enables a family member to work, the deduction is capped by “the amount of employment income that is included in annual income” [24 CFR 5.603(b)].

The earned income used for this purpose is the amount of earned income verified after any earned income disallowances or income exclusions are applied.

When the person who is enabled to work is a person who receives the earned income disallowance (EID) or a full-time student whose earned income above the dependent allowance is excluded, childcare costs related to enabling a family member to work may not exceed the portion of the person’s earned income that actually is included in annual income. For example, if a family member who qualifies for the EID makes \$15,000, but because of the EID, only \$5,000 is included in annual income, childcare expenses are limited to \$5,000.

County Housing must not limit the deduction to the least expensive type of childcare. If the care allows the family to pursue more than one eligible activity, including work, the cap is calculated in proportion to the amount of time spent working [HCV GB, p. 5-30].

### County Housing Policy

When the childcare expense being claimed is to enable a family member to work, only one family member’s income will be considered for a given period of time. When more than one family member works during a given period, County Housing generally will limit allowable childcare expenses to the earned income of the lowest-paid member. The family may provide information that supports a request to designate another family member as the person enabled to work.

## **Eligible Child Care Expenses**

The type of care to be provided is determined by the tenant family. County Housing may not refuse to give a family the childcare expense deduction because there is an adult family member in the household who may be available to provide childcare [VG, p. 26].

## **Allowable Child Care Activities**

### County Housing Policy

For school-age children, costs attributable to public or private school activities during standard school hours are not considered. Expenses incurred for supervised activities after school or during school holidays (e.g., summer day camp, after-school sports league) are allowable forms of childcare.

The costs of general housekeeping and personal services are not eligible. Likewise, childcare expenses paid to a family member who lives in the family’s unit are not eligible; however, payments for childcare to relatives who do not live in the unit are eligible.

If a childcare provider also renders other services to a family or childcare is used to enable a family member to conduct activities that are not eligible for consideration, County Housing will prorate the costs and allow only that portion of the expenses that is attributable to childcare for eligible activities. For example, if the care provider also cares for a child with disabilities who is 13 or older, the cost of care will be prorated. Unless

otherwise specified by the childcare provider, the calculation will be based upon the number of hours spent on each activity and/or the number of persons under care.

### ***Necessary and Reasonable Costs***

Childcare expenses will be considered necessary if: (1) a family adequately explains how the care enables a family member to work, actively seek employment, or further his or her education, and (2) the family certifies, and the childcare provider verifies, that the expenses are not paid or reimbursed by any other source.

#### County Housing Policy

Childcare expenses will be considered for the time required for the eligible activity plus reasonable transportation time. For childcare that enables a family member to go to school, the time allowed may include not more than one study hour for each hour spent in class.

To establish the reasonableness of childcare costs, County Housing will use the schedule of childcare costs from the local welfare agency. Families may present, and County Housing will consider justification for costs that exceed typical costs in the area.

### **6-III.G. HARDSHIP EXEMPTIONS [24 CFR. 5.611(c), (d), (e)]**

#### **Health and Medical Care and Disability Assistance Expenses [24 CFR 5.611(c); Notice PIH 2023-27]**

The regulations provide for two types of hardship exemption categories for families that qualify for unreimbursed health and medical care expenses and /or disability assistance expenses. A family will benefit from this hardship exemption only if the family has eligible expenses that can be deducted in excess of five percent of annual income. In order to claim unreimbursed health and medical care expenses, the family must have a head, cohead, or spouse who is elderly or a person with a disability. In order to claim unreimbursed reasonable attendant care and auxiliary apparatus expenses, the family must include a person with a disability, and the expenses must enable any member of the family (including the member who is a person with a disability) to be employed.

Families may be eligible for relief under one of two categories; phased-in relief or general relief, as defined below.

#### ***Phased-In Relief***

The first category is applicable to all families who received a deduction for unreimbursed health and medical care and/or reasonable attendant care or auxiliary apparatus expenses based on their most recent income review. The family must receive phased-in relief if they are determined to be eligible. These families will begin receiving a 24-month phased-in relief at their next annual or interim reexamination, whichever occurs first.

For these families, the threshold amount is phased in as follows:

- The family is eligible for a deduction totaling the sum of expenses that exceeds 5 percent of annual income for the first 12 months.
- At the conclusion of 12 months, the family is eligible for a deduction totaling the sum of their expenses that exceed 7.5 percent of annual income for another 12 months.
- At the conclusion of 24 months, the standard threshold amount of 10 percent would be used, unless the family qualifies for relief under the general hardship relief category.

- When an eligible family's phased-in relief begins at an interim reexamination, the PHA will need to process another transaction one year later to move the family along to the next phase. The transaction can be either an interim reexamination if triggered, or a non-interim reexamination transaction.

Prior to the end of the 24-month period, the family may request a hardship exemption under the second category as described below. If the family is found eligible under the second category, the hardship exemption under the first category ends, and the family's hardship is administered in accordance with the requirements listed below. Once a family requests general relief, the family may no longer receive phased-in relief.

PHAs must track the 24-month phase-period for each eligible family, even if a family's expenses go below the appropriate phase-in percentage, during the first or second 12-month phase-in period. The phase-in must continue for families who move to another public housing unit at the same PHA. When the family is treated as a new admission under a different property/program (e.g., the family moves from public housing to the HCV program), unless the PHA has a written policy to continue the phased-in relief upon admission, the family's expense deduction will be calculated using the 10-percent threshold unless request for general relief is approved by the PHA.

#### County Housing Policy

County Housing will not continue the phased-in relief for families who move from the HCV program to public housing. These families will be treated as new admissions, and the sum of expenses that exceeds 10 percent of annual income will be used to calculate their adjusted income.

#### **General Relief**

The second category is for families that can demonstrate:

- Their health and medical and/or disability assistance expenses increased (other than the transition to the higher threshold); or
- The family's financial hardship is a result of a change in circumstances (as defined in County Housing policy) that would not otherwise trigger an interim reexamination.

The family may request a hardship exemption under the second category regardless of whether the family previously received the health and medical and/or disability assistance deductions or are currently or were previously receiving relief under the phased-in relief category above. HUD requires that PHAs develop policies defining what constitutes a hardship for purposes of this exemption.

PHAs must obtain third-party verification of the hardship or must document in the file the reason third-party verification was not available. PHAs must attempt to obtain third-party verification prior to the end of the 90-day hardship exemption period.

#### County Housing Policy

To qualify for a hardship exemption, a family must submit a request in writing. The request must show that the family's health and medical and/or disability assistance expenses have increased (other than the transition to the higher threshold) or that the family's financial hardship is a result of a change in circumstances. County Housing defines *a change in circumstances* as a decrease in income or increase in other expenses that has resulted in

the family's financial hardship but does not, on its own, trigger an interim reexam in accordance with County Housing policies.

Examples of circumstances constituting a financial hardship may include the following situations:

The family is awaiting an eligibility determination for a federal, state, or local assistance program, such as a determination for unemployment compensation or disability benefits;

The family's income decreased because of a loss of employment, death of a family member, or due to a natural or federal/state declared disaster; or

Other circumstances as determined by County Housing.

The family must provide third-party verification of the hardship with the request. If third-party verification is not available, County Housing will document the file with the reason and will attempt to obtain third-party verification prior to the end of the 90-day hardship exemption period.

County Housing must promptly notify the family in writing of the change in the determination of adjusted income and the family's rent resulting from hardship exemptions. The notice must inform the family of when the hardship exemption will begin and expire [24 CFR 5.611(e)(2)].

#### County Housing Policy

County Housing will make a determination of whether the family qualifies within 30 calendar days and will notify the family in writing of the result within 10 business days of the determination.

If County Housing denies the hardship exemption request, the notice will also state that if the family does not agree with the determination, the family may request a hearing.

If the family qualifies for an exemption, County Housing will include the date the hardship exemption will begin and the date it will expire, as well as information on how to request a 90-day extension based on family circumstances.

If the family qualifies, the family will receive a deduction for the sum of eligible expenses that exceed five percent of annual income.

The family's hardship relief ends when the circumstances that made the family eligible for the relief are no longer applicable or after 90 days, whichever is earlier. However, County Housing may, at its discretion, extend the relief for one or more additional 90-day periods while the family's hardship condition continues. PHAs are not limited to a maximum number of 90-day extensions. PHAs are not limited to a maximum number of 90-day extensions. PHAs must establish written policies regarding the types of circumstances that will allow a family to qualify for financial hardship and when such deductions may be eligible for additional 90-day extensions. PHAs must develop policies requiring families to report if the circumstances that made the family eligible for the hardship exemption are no longer applicable.

#### County Housing Policy

The family may request an extension either orally or in writing prior to the end of the hardship exemption period. County Housing will extend relief for an additional 90-days if the family demonstrates to its satisfaction that the family continues to qualify for the

hardship exemption based on circumstances described above. County Housing will require updated verification based on the family's current circumstances. Additional extension(s) may be granted on a case-by-case basis, provided the family continues to request extensions prior to the end of each hardship exemption period. Families must report if the circumstances that made the family eligible for the hardship exemption are no longer applicable. At any time, County Housing may terminate the hardship exemption if it determines that the family no longer qualifies for the exemption.

### **Child Care Expense Hardship Exemption [24 CFR 5.611(d) and Notice PIH 2023-27]**

A family whose eligibility for the child care expense deduction is ending may request a financial hardship exemption to continue receiving the deduction. If the family demonstrates to County Housing's satisfaction that they are unable to pay their rent because of the loss of the child care expense deduction, and that the child care expense is still necessary even though the family member is not working, looking for work, or seeking to further their education, County Housing must recalculate the family's adjusted income and continue the child care deduction.

County Housing must develop a policy to define what constitutes a hardship, which includes the family's inability to pay rent. County Housing must obtain third-party verification of the hardship or must document in the file the reason third-party verification was not available. PHAs must attempt to obtain third-party verification prior to the end of the 90-day hardship exemption period.

#### County Housing Policy

For a family to qualify, they must demonstrate that their inability to pay rent would be as a result of the loss of this deduction. County Housing defines this hardship as a potential decrease in income or increase in other expenses that would result from the loss of the child care expense and such loss would impact the family's ability to pay their rent.

Some factors to consider when determining if the family is unable to pay rent may include determining that the rent, utility payment, and applicable expenses (child care expenses or health and medical expenses) are more than 40 percent of the family's adjusted income, or verifying whether the family has experienced unanticipated expenses, such as large medical bills, that have affected their ability to pay their rent.

The family must also demonstrate that the child care expense is still necessary even though the family member is no longer employed or furthering their education. County Housing will consider qualification under this criterion on a case-by-case basis (for example, if the family member who was employed has left their job in order to provide uncompensated care to an elderly friend or family member who is severely ill and lives across town).

The family must provide third-party verification of the hardship with the request. If third-party verification is not available, County Housing will document the file with the reason and will attempt to obtain third-party verification prior to the end of the 90-day hardship exemption period.

County Housing must promptly notify the family in writing of the change in the determination of adjusted income and the family's rent resulting from hardship exemptions.

If County Housing denies the request, the notice must specifically state the reason for the denial. PHAs must provide families with 30 days' notice of any increase in rent.

If County Housing approves the request, the notice must inform the family of when the hardship exemption will begin and expire [24 CFR 5.611(e)(2)]. The notice must also state the requirement

for the family to report to County Housing if the circumstances that made the family eligible for relief are no longer applicable and that the family's adjusted income and tenant rent will be recalculated upon expiration of the hardship exemption [Notice PIH 2023-27].

#### County Housing Policy

County Housing will make a determination of whether the family qualifies within 30 calendar days and will notify the family in writing of the result within 10 business days of the determination.

If County Housing denies the hardship exemption request, the notice will also state that if the family does not agree with the determination, the family may request a grievance hearing.

If the family qualifies for an exemption, County Housing will include all required information listed above as well as information on how to request a 90-day extension based on family circumstances.

If the family qualifies, the hardship exemption and the resulting alternative adjusted income calculation must remain in place for a period of up to 90 days.

County Housing may, at its discretion, extend the hardship exemptions for additional 90-day periods based on family circumstances and as stated in its policies. PHAs are not limited to a maximum number of 90-day extensions. PHAs must develop policies requiring families to report if the circumstances that made the family eligible for the hardship exemption are no longer applicable.

PHAs must promptly notify families in writing if they are denied either an initial hardship exemption or an additional 90-day extension of the exemption. If the PHA denies the request, the notice must specifically state the reason for the denial.

PHAs must notify the family if the hardship exemption is no longer necessary and the hardship exemption will be terminated because the circumstances that made the family eligible for the exemption are no longer applicable. The notice must state the termination date and provide 30 days' notice of rent increase, if applicable.

#### County Housing Policy

The family may request an extension either orally or in writing prior to the end of the hardship exemption period. County Housing will extend relief for an additional 90 days if the family demonstrates to County Housing's satisfaction that the family continues to qualify for the hardship exemption. County Housing will require updated verification based on the family's current circumstances. Additional extensions may be granted on a case-by-case basis provided the family continues to request extensions prior to the end of each hardship exemption period. Families must report if the circumstances that made the family eligible for the hardship exemption are no longer applicable. At any time, County Housing may terminate the hardship exemption if it determines that the family no longer qualifies for the exemption.

### **6-III.H. PERMISSIVE DEDUCTIONS [24 CFR 5.611(b)(1)(i)]**

PHAs may adopt additional permissive deductions from annual income if they establish a policy in the ACOP. Permissive deductions are additional, optional deductions that may be applied to annual income. As with mandatory deductions, permissive deductions must be based on need or

family circumstance and deductions must be designed to encourage self-sufficiency or other economic purposes. If County Housing offers permissive deductions, they must be granted to all families that qualify for them and should complement existing income exclusions and deductions [PH Occ GB, p. 128]. Permissive deductions may be used to incentivize or encourage self-sufficiency and economic mobility.

If a PHA chooses to adopt permissive deductions, it is not eligible for an increase in Capital Fund and Operating Fund formula grants based on the application of those deductions. The PHA must establish a written policy for such deductions.

The *Form HUD-50058 Instruction Booklet* states that the maximum allowable amount for total permissive deductions is less than \$90,000 per year.

County Housing Policy

County Housing has opted not to use permissive deductions.

## **PART IV: CALCULATING RENT**

### **6-IV.A. OVERVIEW OF INCOME-BASED RENT CALCULATIONS**

The first step in calculating income-based rent is to determine each family's total tenant payment (TTP). Then, if the family is occupying a unit that has tenant-paid utilities, the utility allowance is subtracted from the TTP. The result of this calculation, if a positive number, is the tenant rent. If the TTP is less than the utility allowance, the result of this calculation is a negative number and is called the utility reimbursement, which may be paid to the family or directly to the utility company by County Housing.

#### **TTP Formula [24 CFR 5.628]**

HUD regulations specify the formula for calculating the total tenant payment (TTP) for a tenant family. TTP is the highest of the following amounts, rounded to the nearest dollar:

- 30 percent of the family's monthly adjusted income (adjusted income is defined in Part II)
- 10 percent of the family's monthly gross income (annual income, as defined in Part I, divided by 12)
- The welfare rent (in as-paid states only)
- A minimum rent between \$0 and \$50 that is established by County Housing
- The alternative non-public housing rent, as determined in accordance with 24 CFR 960.102

County Housing has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-IV.B.

#### **Welfare Rent [24 CFR 5.628]**

County Housing Policy

Welfare rent does not apply in this locality.

#### **Minimum Rent [24 CFR 5.630]**

County Housing Policy

The minimum rent is \$50.

#### **Utility Reimbursement [24 CFR 960.253(c)(4)]**

Utility reimbursement occurs when any applicable utility allowance for tenant-paid utilities exceeds the TTP. HUD permits PHAs to pay the reimbursement to the family or directly to the utility provider.

County Housing Policy

County Housing will make utility reimbursements to the family. County Housing will issue all utility reimbursements monthly.

## **6-IV.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]**

### **Overview**

County Housing must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family's TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If County Housing determines that a hardship exists, the TTP is the highest of the remaining components of the family's calculated TTP.

### **HUD-Defined Financial Hardship**

Financial hardship includes the following situations:

- (1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

#### County Housing Policy

A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

- (2) The family would be evicted because it is unable to pay the minimum rent.

#### County Housing Policy

For a family to qualify under this provision, the cause of the potential eviction must be the family's failure to pay rent or tenant-paid utilities.

- (3) Family income has decreased because of changed family circumstances, including the loss of employment.

- (4) A death has occurred in the family.

#### County Housing Policy

To qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).

- (5) The family has experienced other circumstances determined by County Housing.

#### County Housing Policy

County Housing has not established any additional hardship criteria.

## Implementation of Hardship Exemption

### Determination of Hardship

When a family requests a financial hardship exemption, County Housing must suspend the minimum rent requirement beginning the first of the month following the family's request.

County Housing then determines whether the financial hardship exists and whether the hardship is temporary or long-term.

#### County Housing Policy

County Housing defines temporary hardship as a hardship expected to last 90 days or less. Long-term hardship is defined as a hardship expected to last more than 90 days.

County Housing may not evict the family for non-payment of minimum rent during the 90-day period beginning the month following the family's request for a hardship exemption.

When the minimum rent is suspended, the TTP reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.

<b>Example: Impact of Minimum Rent Exemption</b>	
Assume County Housing has established a minimum rent of \$35.	
<b>TTP – No Hardship</b>	<b>TTP – With Hardship</b>
\$0 30% of monthly adjusted income	\$0 30% of monthly adjusted income
\$15 10% of monthly gross income	\$15 10% of monthly gross income
N/A Welfare rent	N/A Welfare rent
\$35 Minimum rent	\$35 Minimum rent
Minimum rent applies. TTP = \$35	Hardship exemption granted. TTP = \$15

#### County Housing Policy

To qualify for a hardship exemption, a family must submit a request for a hardship exemption in writing. The request must explain the nature of the hardship and how the hardship has affected the family's ability to pay the minimum rent.

County Housing will make the determination of hardship within 30 calendar days.

### No Financial Hardship

If County Housing determines there is no financial hardship, it will reinstate the minimum rent and require the family to repay the amounts suspended.

For procedures pertaining to grievance hearing requests based upon County Housing's denial of a hardship exemption, see Chapter 14, Grievances and Appeals.

#### County Housing Policy

County Housing will require the family to repay the suspended amount within 30 calendar days of the notice that a hardship exemption has not been granted.

### ***Temporary Hardship***

If County Housing determines that a qualifying financial hardship is temporary, County Housing must suspend the minimum rent for the 90-day period beginning the first of the month following the date of the family's request for a hardship exemption.

At the end of the 90-day suspension period, the family must resume payment of the minimum rent and must repay County Housing the amounts suspended. HUD requires County Housing to offer a reasonable repayment agreement, on terms and conditions established by County Housing. County Housing also may determine that circumstances have changed, and the hardship is now a long-term hardship.

For procedures pertaining to grievance hearing requests based upon County Housing's denial of a hardship exemption, see Chapter 14, Grievances and Appeals.

#### County Housing Policy

County Housing will enter into a repayment agreement in accordance with the repayment agreement policies found in Chapter 16 of this ACOP.

### ***Long-Term Hardship***

If County Housing determines that the financial hardship is long-term, it must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family's request until the end of the qualifying hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.

#### County Housing Policy

The hardship period ends when any of the following circumstances apply:

- (1) At annual reexamination, the family's calculated TTP is greater than the minimum rent.
- (2) For hardship conditions based on loss of income, the hardship condition will continue to be recognized until new sources of income are received that are at least equal to the amount lost. For example, if a hardship is approved because a family no longer receives a \$60/month child support payment, the hardship will continue to exist until the family receives at least \$60/month in income from another source or once again begins to receive the child support.
- (3) For hardship conditions based upon hardship-related expenses, the minimum rent exemption will continue to be recognized until the cumulative amount exempted is equal to the expense incurred at the time of the annual reexamination.

## **6-IV.C. UTILITY ALLOWANCES [24 CFR 965, Subpart E]**

### **Overview**

Utility allowances are provided to families paying income-based rents when the cost of utilities is not included in the rent. When determining a family's income-based rent, County Housing must use the utility allowance applicable to the type of dwelling unit leased by the family.

For policies on establishing and updating utility allowances, see Chapter 16.

## **Reasonable Accommodation and Individual Relief [24 CFR 8]**

On request from a family, PHAs must approve a utility allowance that is higher than the applicable amount for the dwelling unit if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family with a disability [PH Occ GB, p. 172].

Residents with disabilities may not be charged for the use of certain resident-supplied appliances if there is a verified need for special equipment because of the disability [PH Occ GB, p. 172].

See Chapter 2 for policies related to reasonable accommodations.

Further, County Housing may grant requests for relief from charges in excess of the utility allowance on reasonable grounds, such as special needs of the elderly, ill, or residents with disabilities, or special factors not within control of the resident, as County Housing deems appropriate. The family must request the higher allowance and provide County Housing with an explanation about the additional allowance required.

PHAs should develop criteria for granting individual relief, notify residents about the availability of individual relief, and notify participants about the availability of individual relief programs (sometimes referred to as “Medical Baseline discounts”) offered by the local utility company [Utility Allowance GB, p. 19; 24 CFR 965.508].

### County Housing Policy

The family must request the higher allowance and provide County Housing with information about the amount of additional allowance required.

County Housing will consider the following criteria as valid reasons for granting individual relief:

The family’s consumption was mistakenly portrayed as excessive due to defects in the meter or errors in the meter reading.

The excessive consumption is caused by a characteristic of the unit County Housing-supplied equipment that is beyond the family’s control, such as a particularly inefficient refrigerator or inadequate insulation. The allowance should be adjusted to reflect the higher consumption needs associated with the unit until the situation is remedied. The resident should be granted individual relief until the allowance is adjusted.

The excessive consumption is due to special needs of the family that are beyond their control, such as the need for specialized equipment in the case of a family member who is ill, elderly, or who has a disability.

In determining the amount of the reasonable accommodation or individual relief, County Housing will allow a reasonable measure of additional usage as necessary. To arrive at the amount of additional utility cost of specific equipment, the family may provide information from the manufacturer of the equipment. The family or County Housing may also conduct an internet search for an estimate of usage or additional monthly cost.

Information on reasonable accommodation and individual relief for charges in excess of the utility allowance will be provided to all residents at move-in and with any notice of proposed allowances, schedule surcharges, and revisions. County Housing will also provide information on utility relief programs or medical discounts (sometimes referred to as “Medical Baseline discounts”) that may be available through local utility providers.

The family must request the higher allowance and provide County Housing with information about the amount of additional allowance required.

At its discretion, County Housing may reevaluate the need for the increased utility allowance as a reasonable accommodation at any regular reexamination.

If the excessive consumption is caused by a characteristic of the unit or County Housing-supplied equipment that is beyond the family's control, such as a particularly inefficient refrigerator or inadequate insulation, the individual relief to the resident will cease when the situation is remedied.

#### **Utility Allowance Revisions [24 CFR 965.507]**

County Housing must review its schedule of utility allowances each year. Between annual reviews, County Housing must revise the utility allowance schedule if there is a rate change that by itself or together with prior rate changes not adjusted for, results in a change of 10 percent or more from the rate on which such allowances were based. Adjustments to resident payments as a result of such changes must be retroactive to the first day of the month following the month in which the last rate change taken into account in such revision became effective [PH Occ GB, p. 171].

The tenant rent calculations must reflect any changes in County Housing's utility allowance schedule [24 CFR 960.253(c)(3)].

##### County Housing Policy

Unless County Housing is required to revise utility allowances retroactively, revised utility allowances will be applied to a family's rent calculations at the first annual reexamination after the allowance is adopted.

#### **6-IV.D. PRORATED RENT FOR MIXED FAMILIES [24 CFR 5.520]**

HUD regulations prohibit assistance to ineligible family members. A *mixed family* is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible family members. Except for non-public housing over-income families, County Housing must prorate the assistance provided to a mixed family. County Housing will first determine TTP as if all family members were eligible and then prorate the rent based upon the number of family members that actually are eligible. To do this, County Housing must:

- (1) Subtract the TTP from the flat rent applicable to the unit. The result is the maximum subsidy for which the family could qualify if all members were eligible.
- (2) Divide the family maximum subsidy by the number of persons in the family to determine the maximum subsidy per each family member who is eligible (member maximum subsidy).
- (3) Multiply the member maximum subsidy by the number of eligible family members.
- (4) Subtract the subsidy calculated in the last step from the flat rent. This is the prorated TTP.
- (5) Subtract the utility allowance for the unit from the prorated TTP. This is the prorated rent for the mixed family.

##### County Housing Policy

Revised public housing flat rents will be applied to a mixed family's rent calculation at the first annual reexamination after the revision is adopted.

(6) When the mixed family's TTP is greater than the applicable flat rent, use the TTP as the prorated TTP. The prorated TTP minus the utility allowance is the prorated rent for the mixed family.

#### **6-IV.E. FLAT RENTS AND FAMILY CHOICE IN RENTS [24 CFR 960.253]**

##### **Flat Rents [24 CFR 960.253(b)]**

The flat rent is designed to encourage self-sufficiency and to avoid creating disincentives for continued residency by families who are attempting to become economically self-sufficient.

Changes in family income, expenses, or composition will not affect the flat rent amount because it is outside the income-based formula.

Policies related to the re-examination of families paying flat rent are contained in Chapter 9, and policies related to the establishment and review of flat rents are contained in Chapter 16.

##### **Family Choice in Rents [24 CFR 960.253(a) and (e)]**

With the exception of non-public housing over-income families, once each year, County Housing must offer families the choice between a flat rent and an income-based rent. The family may not be offered this choice more than once a year. County Housing must document that flat rents were offered to families under the methods used to determine flat rents for County Housing.

###### County Housing Policy

The annual County Housing offer to a family of the choice between flat and income-based rent will be conducted upon admission and upon each subsequent annual reexamination.

County Housing will require families to submit their choice of flat or income-based rent in writing and will maintain such requests in the tenant file as part of the admission or annual reexamination process.

County Housing must provide sufficient information for families to make an informed choice. This information must include County Housing's policy on switching from flat rent to income-based rent due to financial hardship and the dollar amount of the rent under each option. However, if the family chose the flat rent for the previous year, County Housing is required to provide an income-based rent amount only in the year that a reexamination of income is conducted or if the family specifically requests it and submits updated income information.

##### **Switching from Flat Rent to Income-Based Rent Due to Hardship [24 CFR 960.253(f)]**

With the exception of non-public housing over-income families, a family can opt to switch from flat rent to income-based rent at any time if they are unable to pay the flat rent due to financial hardship. If County Housing determines that a financial hardship exists, it must immediately allow the family to switch from flat rent to income-based rent.

###### County Housing Policy

Upon determination by County Housing that a financial hardship exists, County Housing will allow a family to switch from flat rent to income-based rent effective the first of the month following the family's request.

Reasons for financial hardship include:

- The family has experienced a decrease in income because of changed circumstances, including loss or reduction of employment, death in the family, or reduction in or loss of earnings or other assistance

- The family has experienced an increase in expenses, because of changed circumstances, for medical costs, childcare, transportation, education, or similar items
- Such other situations determined by County Housing to be appropriate

County Housing Policy

County Housing considers payment of flat rent to be a financial hardship whenever the switch to income-based rent would be lower than the flat rent [PH Occ GB, p. 137].

**Flat Rents and Earned Income Disallowance [A&O FAQs]**

Because the EID is a function of income-based rents, a family paying flat rent cannot qualify for the EID even if a family member experiences an event that would qualify the family for the EID. If the family later chooses to pay income-based rent, they would only qualify for the EID if a new qualifying event occurred.

Under the EID original calculation method, a family currently paying flat rent that previously qualified for the EID while paying income-based rent and is currently within their exclusion period would have the exclusion period continue while paying flat rent as long as the employment that is the subject of the exclusion continues. A family paying flat rent could therefore see a family member's exclusion period expire while the family is paying flat rent.

Under the EID revised calculation method, a family currently paying flat rent that previously qualified for the EID while paying income-based rent and is currently within their exclusion period would have the exclusion period continue while paying flat rent regardless of whether the employment that is the subject of the exclusion continues. A family paying flat rent could therefore see a family member's exclusion period expire while the family is paying flat rent.

*(b) Annual income does not include the following:*

(A) Student financial assistance, for purposes of this paragraph (9)(ii), means a grant or scholarship received from— (

- 1) The Federal government;
- (2) A State, Tribe, or local government;

The actual covered costs of the student are the actual costs of tuition, books and supplies (including supplies and equipment to support students with learning disabilities or other disabilities), room and board, or other fees required and charged to a student by the education institution, and, for a student who is not the head of household or spouse, the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit. This calculation is described further in paragraph (b)(9)(ii) of this section.

(C) Student financial assistance, for purposes of this paragraph (b)(9)(ii) must be:

- (3) Expressly to assist a student who is not the head of household or spouse with the reasonable and actual costs of housing while attending the education institution and not residing in an assisted unit.

(D) Student financial assistance, for purposes of this paragraph (b)(9)(ii), may be paid directly to the student or to the educational institution on the student's behalf. Student financial assistance paid to the student must be verified by the responsible entity as student financial assistance consistent with this paragraph (b)(9)(ii).

(E) When the student is also receiving assistance excluded under paragraph (b)(9)(i) of this section, the amount of student financial assistance under this paragraph (b)(9)(ii) is determined as follows:

(1) If the amount of assistance excluded under paragraph (b)(9)(i) of this section is equal to or exceeds the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section, none of the assistance described in this paragraph (b)(9)(ii) of this section is considered student financial assistance excluded from income under this paragraph (b)(9)(ii)(E).

(2) If the amount of assistance excluded under paragraph (b)(9)(i) of this section is less than the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section, the amount of assistance described in paragraph (b)(9)(ii) of this section that is considered student financial assistance excluded under this paragraph is the lower of:

(i) the total amount of student financial assistance received under this paragraph (b)(9)(ii) of this section, or

(ii) the amount by which the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section exceeds the assistance excluded under paragraph (b)(9)(i) of this section.

(20) Loan proceeds (the net amount disbursed by a lender to or on behalf of a borrower, under the terms of a loan agreement) received by the family or a third party (e.g., proceeds received by the family from a private loan to enable attendance at an educational institution or to finance the purchase of a car).

(21) Payments received by Tribal members as a result of claims relating to the mismanagement of assets held in trust by the United States, to the extent such payments are also excluded from gross income under the Internal Revenue Code or other Federal law.

(22) Amounts that HUD is required by Federal statute to exclude from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in paragraph (b) of this section apply. HUD will publish a notice in the Federal Register to identify the benefits that qualify for this exclusion. Updates will be published when necessary.

(23) Replacement housing "gap" payments made in accordance with 49 CFR part 24 that offset increased out of pocket costs of displaced persons that move from one federally subsidized housing unit to another Federally subsidized housing unit. Such replacement housing "gap" payments are not excluded from annual income if the increased cost of rent and utilities is subsequently reduced or eliminated, and the displaced person retains or continues to receive the replacement housing "gap" payments.

(24) Nonrecurring income, which is income that will not be repeated in the coming year based on information provided by the family. Income received as an independent contractor, day laborer, or seasonal worker is not excluded from income under this paragraph, even if the source, date, or amount of the income varies. (ii) Direct Federal or State payments intended for economic stimulus or recovery.

(27) Income earned on amounts placed in a family's Family Self Sufficiency Account.

(28) Gross income a family member receives through self-employment or operation of a business; except that the following shall be considered income to a family member:

An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations; and

(ii) Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.

## EXHIBIT 6-2: TREATMENT OF FAMILY ASSETS

### 24 CFR 5.603(b) Net Family Assets

(1) Net family assets is the net cash value of all assets owned by the family, after deducting reasonable costs that would be incurred in disposing real property, savings, stocks, bonds, and other forms of capital investment.

(2) In determining net family assets, PHAs or owners, as applicable, must include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives consideration not measurable in dollar terms. Negative equity in real property or other investments does not prohibit the owner from selling the property or other investments, so negative equity alone would not justify excluding the property or other investments from family assets.

(3) Excluded from the calculation of net family assets are: (i) The value of necessary items of personal property; (ii) The combined value of all nonnecessary items of personal property if the combined total value does not exceed \$50,000 (which amount will be adjusted by HUD in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers); (iii) The value of any account under a retirement plan recognized as such by the Internal Revenue Service, including individual retirement arrangements (IRAs), employer retirement plans, and retirement plans for self-employed individuals; (iv) The value of real property that the family does not have the

effective legal authority to sell in the jurisdiction in which the property is located; (v) Any amounts recovered in any civil action or settlement based on a claim of malpractice, negligence, or other breach of duty owed to a family member arising out of law, that resulted in a family member being a person with a disability; (vi) The value of any Coverdell education savings account under section 530 of the Internal Revenue Code of 1986, the value of any qualified tuition program under section 529 of such Code, the value of any Achieving a Better Life Experience (ABLE) account authorized under Section 529A of such Code, and the value of any "baby bond" account created, authorized, or funded by Federal, State, or local government. (vii) Interests in Indian trust land; (viii) Equity in a manufactured home where the family receives assistance under 24 CFR part 982; (ix) Equity in property under the Homeownership Option for which a family receives assistance under 24 CFR part 982; (x) Family Self-Sufficiency Accounts; and (xi) Federal tax refunds or refundable tax credits for a period of 12 months after receipt by the family.

(4) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the trust fund is not a family asset and the value of the trust is not included in the calculation of net family assets, so long as the fund continues to be held in a trust that is not revocable by, or under the control of, any member of the family or household.

**EXHIBIT 6-3: THE EFFECT OF WELFARE BENEFIT REDUCTION**

**24 CFR 5.615**

**Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.**

**(a) Applicability.** This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

**(b) Definitions.** The following definitions apply for purposes of this section:

*Covered families.* Families who receive welfare assistance or other public assistance benefits (“welfare benefits”) from a State or other public agency (“welfare agency”) under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

*Economic self-sufficiency program.* See definition at Sec. 5.603.

*Imputed welfare income.* The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

*Specified welfare benefit reduction.*

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) “Specified welfare benefit reduction” does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

**(c) Imputed welfare income.**

(1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the PHA by the welfare agency), plus the total amount of other annual income as determined in accordance with Sec. 5.609.

(2) At the request of the PHA, the welfare agency will inform the PHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at the PHA's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the PHA by the welfare agency).

(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed

(5) The PHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

**(d) Review of PHA decision.**

(1) Public housing. If a public housing tenant claims that the PHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. The PHA notice shall also state that if the tenant does not agree with the PHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the PHA determination. The tenant is not required to pay an escrow deposit pursuant to Sec. 966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the PHA determination.

(2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with Sec. 982.555 of this title, to review the PHA determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the family written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. Such notice shall also state that if the family does not agree with the PHA determination, the family may request an

informal hearing on the determination under the PHA hearing procedure.

**(e) PHA relation with welfare agency.**

(1) The PHA must ask welfare agencies to inform the PHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The PHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the PHA. However, the PHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PHA shall be entitled to rely on the welfare agency notice to the PHA of the welfare agency's determination of a specified welfare benefits reduction.

## **Chapter 7**

### **VERIFICATION**

[24 CFR 960.259, 24 CFR 5.230, Notice PIH 2023-27]

#### **INTRODUCTION**

County Housing must verify all information that is used to establish the family's eligibility and level of assistance and is required to obtain written authorization from the family in order to collect the information. Applicants and program participants must cooperate with the verification process as a condition of receiving assistance. County Housing must not pass on the cost of verification to the family.

County Housing must follow the verification guidance provided by HUD in Notice PIH 2023-27 and any subsequent guidance issued by HUD. This chapter summarizes those requirements and provides supplementary PHA policies.

Part I describes the general verification process. Part II provides more detailed requirements related to family information. Part III provides information on income and assets, and Part IV covers mandatory deductions.

Verification policies, rules, and procedures will be modified as needed to accommodate persons with disabilities. All information obtained through the verification process will be handled in accordance with the records management policies established by County Housing.

## PART I: GENERAL VERIFICATION REQUIREMENTS

### 7-I.A. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 960.259; 24 CFR 5.230; and Notice PIH 2023-27]

#### Consent Forms

The family must supply any information that County Housing or HUD determines is necessary to the administration of the program and must consent to County Housing's verification of that information [24 CFR 960.259(a)(1)]. All adult family members must sign consent forms as needed to collect information relevant to the family's eligibility and level of assistance. While PHAs must use form HUD-9886, this form does not release all the information necessary for the administration of the program. County Housing must also develop its own release forms to cover all other necessary information.

#### Form HUD-9886 [24 CFR 5.230(b)(1), (b)(2), (c)(4), and (c)(5); Notice PIH 2023-27]

All adult applicants and tenants must sign form HUD-9886, Authorization for Release of Information. All adult family members (and the head and spouse/cohead regardless of age) are required to sign the Form HUD-9886 at admission. Participants, prior to January 1, 2024, signed and submitted Form HUD-9886 at each annual reexamination. HOTMA eliminated this requirement and instead required that the Form HUD-9886 be signed only once. On or after January 1, 2024, current program participants must sign and submit a new Form HUD-9886 at their next interim or annual reexamination. This form will only be signed once. Another Form HUD-9886 will not be submitted to County Housing except under the following circumstances:

- When any person 18 years or older becomes a member of the family;
- When a current member of the family turns 18; or
- As required by HUD or County Housing in administrative instructions.

County Housing has the discretion to establish policies around when family members must sign consent forms when they turn 18. PHAs must establish these policies stating when family members will be required to sign consent forms at intervals other than at reexamination.

#### County Housing Policy

Family members turning 18 years of age between annual recertifications will be notified in writing that they are required to sign the required Consent to the Release of Information Form HUD-9886 at the family's next annual or interim reexamination, whichever is earlier.

The purpose of form HUD-9886 is to facilitate automated data collection and computer matching from specific sources and provide the family's consent only for the specific purposes listed on the form. HUD and County Housing may collect information from State Wage Information Collection Agencies (SWICAs) and current and former employers of adult family members. Only HUD is authorized to collect information directly from the Internal Revenue Service (IRS) and the Social Security Administration (SSA).

County Housing may obtain any financial record from any financial institution, as the terms financial record and financial institution are defined in the Right to Financial Privacy Act ([12 U.S.C. 3401](#)), whenever County Housing determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits [24 CFR 5.230(c)(4)].

The executed form will remain effective until the family is denied assistance, assistance is terminated, or the family provides written notification to County Housing to revoke consent.

### **Penalties for Failing to Consent [24 CFR 5.232]**

If any family member who is required to sign a consent form fails to do so, County Housing must deny admission to applicants and terminate the lease of tenants [24 CFR 5.232(a)]. The family may request a hearing in accordance with County Housing's grievance procedures.

However, this does not apply if the applicant, participant, or any member of their family revokes their consent with respect to the ability of County Housing to access financial records from financial institutions unless County Housing establishes a policy that revocation of consent to access financial records will result in denial or termination of assistance or admission [24 CFR 5.232(c)]. PHAs may not process interim or annual reexaminations of income without the family's executed consent forms.

#### County Housing Policy

Revocation of consent to access financial records will result in denial of admission or termination of assistance in accordance with County Housing policy.

In order for a family to revoke their consent, the family must provide written notice to County Housing.

Within 10 business days of the date the family provides written notice, County Housing will send the family a notice acknowledging receipt of the request and explaining that revocation of consent will result in denial or termination of assistance, as applicable. At the same time, County Housing will notify the local HUD office.

### **7-I.B. USE OF OTHER PROGRAMS' INCOME DETERMINATIONS [24 CFR 5.609(c)(3) and Notice PIH 2023-27]**

PHAs may, but are not required to, determine a family's annual income, including income from assets, prior to the application of any deductions, based on income determinations made within the previous 12-month period, using income determinations from means-tested federal public assistance programs. PHAs are not required to accept or use determinations of income from other federal means-tested forms of assistance. If a PHA adopts a policy to accept this type of verification, it must establish in policy when it will accept Safe Harbor income determinations and from which programs. PHAs must also create policies that outline the course of action when families present multiple verifications from the same or different acceptable Safe Harbor programs.

#### County Housing Policy

County Housing will not accept verification from other federal assistance programs. All income will be verified in accordance with the requirements of HUD's verification hierarchy and County Housing policies in this chapter.

### **7-I.C. STREAMLINED INCOME DETERMINATIONS [24 CFR 960.257(c); Notice PIH 2023-27]**

HUD permits PHAs to streamline the income determination process for family members with fixed sources of income. While third-party verification of all income sources must be obtained during the intake process and every three years thereafter, in the intervening years, PHAs may determine income from fixed sources by applying a verified cost of living adjustment (COLA) or other inflationary adjustment factor. Streamlining policies are optional. PHAs may, however, obtain third-

party verification of all income, regardless of the source. Further, upon request of the family, PHAs must perform third-party verification of all income sources.

Fixed sources of income include Social Security and SSI benefits, pensions, annuities, disability or death benefits, and other sources of income subject to a COLA or rate of interest. The determination of fixed income may be streamlined even if the family also receives income from other non-fixed sources.

Two streamlining options are available, depending upon the percentage of the family's income that is received from fixed sources.

When 90 percent or more of a family's unadjusted income is from fixed sources, PHAs may apply the inflationary adjustment factor to the family's fixed-income sources, provided that the family certifies both that 90 percent or more of their unadjusted income is fixed and that their sources of fixed income have not changed from the previous year. Sources of non-fixed income are not required to be adjusted and must not be adjusted by a COLA, but PHAs may choose to adjust sources of non-fixed income based on third-party verification. PHAs have the discretion to either adjust the non-fixed income or carry over the calculation of non-fixed income from the first year to years two and three.

When less than 90 percent of a family's unadjusted income consists of fixed income, PHAs may apply a COLA to each of the family's sources of fixed income. PHAs must determine all other income using standard verification requirements as outlined in Notice PIH 2023-27.

#### County Housing Policy

County Housing chooses not to streamline the annual reexamination process for fixed-income sources. County Housing will obtain third-party verification, where applicable, of all sources of income annually in accordance with County Housing policies in this chapter and HUD regulations.

### **7-I.D. VERIFICATION HIERARCHY [Notice PIH 2023-27]**

HUD requires PHAs to obtain third-party verification of:

- Reported family annual income;
- The value of net family assets when the net value exceeds \$50,000 (as adjusted annually);
- Expenses related to deductions from annual income; and
- Other factors that affect the determination of adjusted income.

HUD mandates the use of the EIV system, offers administrative guidance on other methods to verify family information, and specifies the circumstances in which each method will be used. In general, HUD requires County Housing to use the most reliable form of verification available and to document the reasons why it uses a lesser form of verification.

HUD developed a hierarchy that described verification documentation from most acceptable to least acceptable. County Housing must demonstrate efforts to obtain third-party verification prior to accepting self-certification except in instances when self-certification is explicitly allowed.

In order of priority, the hierarchy is:

- Highest: Level 6: Up-front Income Verification (UIV) using HUD's Enterprise Income Verification (EIV) system

- Highest: Level 5: Up-front Income Verification (UIV) using a non-EIV system
- High: Level 4:
  - Written third-party verification from the source, also known as “tenant-provided verification”
  - Or EIV plus self-certification
- Medium: Level 3: Written third-party verification form
- Medium: Level 2: Oral third-party verification
- Low: Level 1: Self-certification (not third-party verification)

Each of the verification methods is discussed in subsequent sections below.

### **File Documentation**

County Housing must document in the file how the figures used in income and rent calculations were determined. All verification attempts, information obtained, and decisions reached during the verification process will be recorded in the family’s file in sufficient detail to demonstrate that County Housing has followed all of the verification policies set forth in this ACOP. The record should be sufficient to enable a staff member or HUD reviewer to understand the process followed and the conclusions reached.

### **7-I.E. LEVEL 5 AND 6 VERIFICATION: UP-FRONT INCOME VERIFICATION (UIV)**

Up-front income verification (UIV) refers to the County Housing’s use of the verification tools available from independent sources that maintain computerized information about earnings and benefits for a number of individuals. PHAs may use UIV sources before or during a family reexamination.

UIV will be used to the extent that these systems are available to County Housing.

There may be legitimate differences between the information provided by the family and UIV-generated information. If the family disputes the accuracy of UIV data, no adverse action can be taken until County Housing has independently verified the UIV information and the family has been granted the opportunity to contest any adverse findings through the County Housing’s informal review/hearing processes.

### **Upfront Income Verification Using HUD’s Enterprise Income Verification (EIV) System**

PHAs must use HUD’s EIV system in its entirety as a third-party source to verify tenant employment and income information during annual and streamlined reexaminations of family composition and income in accordance with 24 CFR 5.236 and Notice PIH 2023-27.

HUD’s EIV system contains data showing earned income, unemployment benefits, social security benefits, and SSI benefits for participant families.

The income validation tool (IVT) in EIV provides projections of discrepant income for wages, unemployment compensation, and SSA benefits pursuant to HUD’s data sharing agreements with other departments.

The following policies apply to the use of HUD’s EIV system.

### ***EIV Income and IVT Reports***

PHAs are required to obtain an EIV Income and IVT report for each family any time an annual reexamination is conducted. However, PHAs are not required to use the EIV Income and IVT reports:

- At annual reexamination if using Safe Harbor verification from another means-test federal assistance program to determine the family's income; or
- During any interim reexaminations.

The EIV Income and IVT Reports are also not available for program applicants at admission.

When required to use the EIV Income Report, in order for the report to be considered current, PHAs must pull the report within 120 days of the effective date of the annual reexamination.

The EIV Income Report may be used to verify and calculate income at annual reexamination if the family self-certifies that the amount is accurate and representative of current income. The family must be provided with the information in EIV.

#### PHA Policy

County Housing will obtain EIV Income and IVT reports for all annual reexaminations for all families on a monthly basis. Reports will be generated as part of the regular reexamination process. County Housing will ensure that all EIV Income Reports are pulled within 120 days of the effective date of the annual reexamination.

Income and IVT reports will only be used for interim reexaminations as necessary. For example, EIV may be used to verify that families claiming zero income are not receiving income from any sources listed in EIV.

Income and IVT reports will be retained in resident files with the applicable annual documents or interim reexamination documents (if applicable) for the duration of tenancy.

When County Housing determines through EIV reports and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 15, Program Integrity.

### ***New Hires Report [Notice PIH 2023-27]***

The New Hires Report identifies participant families that have had new employment within the last six months and is updated monthly. PHAs must review this information at annual reexamination.

PHAs that do not require families to undergo interim reexaminations for earned income increases after an interim decrease are not required to review this report between a family's annual reexamination. PHAs that do require an interim for increases in earned income after an interim decrease must review the report quarterly after the family's interim decrease.

#### County Housing Policy

In accordance with policies in Chapter 9, County Housing does not process interim reexaminations for families who have increases in earned income. County Housing will only review the New Hires Report at annual reexamination.

***No Income Reported by the Department of Health and Human Services (HHS) or the Social Security Administration (SSA) Report***

This report is a tool for PHAs to identify participants who passed the SSA identity test, but no income information was reported by either HHS or SSA records. This scenario does not mean that the tenant does not have any income. PHAs obtain written, third-party verification of any income reported by the tenant. PHAs must identify in their policies and procedures when this report will be pulled [Notice PIH 2023-27].

County Housing Policy

County Housing will generate the No Income Reported by HHS or SSA Report quarterly and will retain the report.

County Housing will re-verify the status of tenants identified on the report quarterly. Based on the information provided by the family and in EIV, County Housing may require that family members provide verifications or sign release forms in order to obtain additional verification.

When County Housing determines through this report and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 15 of this ACOP.

***EIV Identity Verification Report***

The EIV system verifies resident identities against Social Security Administration (SSA) records. These records are compared to HUD data for a match on social security number, name, and date of birth.

PHAs are required to use EIV's *Identity Verification Report* on a monthly basis to improve the availability of income information in EIV [Notice PIH 2023-27].

When identity verification for a resident fails, a message will be displayed within the EIV system, and no income information will be displayed.

County Housing Policy

County Housing will identify residents whose identity verification has failed by reviewing EIV's *Identity Verification Report* on a monthly basis.

County Housing will attempt to resolve discrepancies by obtaining appropriate documentation from the tenant. When County Housing determines that discrepancies exist as a result of County Housing errors such as spelling errors or incorrect birth dates, it will correct the errors promptly.

***Deceased Tenants Reports [Notice PIH 2012-4 and Notice PIH 2023-27]***

The Deceased Tenant Report identifies residents who have been reported by the SSA as deceased. PHAs are required to review the report at least quarterly.

County Housing Policy

County Housing will review the Deceased Tenants Report on a monthly basis.

When the Deceased Tenants Report identifies an individual as being deceased, County Housing must immediately send a letter to the head of household or emergency contact person (if the head of household is deceased and there is no other adult household member) to confirm the death of

the listed household member. County Housing must conduct a home visit to determine if anyone is residing in the unit.

County Housing is required to list the family's move-out date as the date on which the family or designee of the deceased tenant's estate returned the keys and signed a vacate notice, the date the public housing lease was terminated, or the date County Housing legally regained possession of the unit, whichever occurs first.

When the only remaining household member is the live-in aide, the live-in aide is not entitled or eligible for continued occupancy. County Housing may not designate the live-in aide as the new head of household or change the relation code on the Form HUD-50058.

### ***Other EIV Reports [Notice PIH 2023-27]***

County Housing is required to review the Multiple Subsidy Report at least quarterly and the Failed EIV Pre-Screening and Failed Verification (Failed SSA Identity Test) reports at least monthly.

### **Upfront Income Verification Using Non-HUD Systems**

HUD encourages PHAs to utilize other upfront verification sources such as the Work Number and web-based state benefits systems.

#### County Housing Policy

County Housing will inform all applicants and residents of its use of the following UIV resources:

Equifax's Work Number (as needed)

Missouri Department of Social Services Benefits Report

Missouri Automated Child Support System Payment Information

### **7-I.F. LEVEL 4 VERIFICATION [Notice PIH 2023-27]**

HUD identifies two types of Level 4 verification: written third-party verification from the source and EIV + self-certification.

#### **EIV + Self-Certification**

EIV may be used as written third-party verification and may be used to calculate income if the family agrees with the information in EIV and self-certifies that the amount is accurate and representative of current income. This practice is known as *EIV + self-certification*. When calculating income using this method, County Housing may use its discretion to determine which method of calculation is reasonable: the last four quarters combined or an average of any number of quarters. The family must be provided with the information from EIV.

#### County Housing Policy

At annual reexamination, if County Housing is unable to use a determination of income from a means-tested federal assistance program and if there are no reported changes to an income source, County Housing will use EIV + self-certification as verification of employment income, provided the family agrees with the amounts listed in EIV.

County Housing will use an average of the last two quarters of income listed in EIV to determine income from employment. County Housing will provide the family with the information in EIV. The family will be required to sign a self-certification stating that the amount listed in EIV is accurate and representative of current income. If the family

disagrees with the amount in EIV, the amount is not reflective of current income, or if less than two quarters are available in EIV, County Housing will use written third-party verification from the source as outlined below.

County Housing will not use this method of verification at new admission since EIV is not available for applicant families or at interim reexamination since the income information in EIV is not current.

### **Written Third-Party Verification from the Source**

Written, third-party verification from the source is also known as “tenant-provided verification.” In order to qualify as written third-party verification from the source, the documents must be original or authentic and (generally) dated within 120 days of the date received by County Housing. For fixed-income sources, a statement dated within the appropriate benefit year is acceptable documentation. Documents may be supplied by the family or received from a third-party source.

Examples of acceptable tenant-provided documents include, but are not limited to pay stubs, payroll summary reports, employer notice or letters of hire and termination, SSA benefit verification letters, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices. Income tax returns with corresponding official tax forms and schedules attached and including third-party receipt of transmission for an income tax return filed (i.e., tax preparer’s transmittal receipt, a summary of transmittal from an online source, etc.) are an acceptable form of written, third-party verification.

County Housing is required to obtain, at minimum, two current and consecutive pay stubs when calculating income using third-party verification from the source. For new income sources or when two pay stubs are not available, County Housing should determine income based on the information from a traditional written, third-party verification form or the best available information.

When the family disputes EIV-reported employment income, County Housing uses written third-party verification.

When verification of assets is required, PHAs are required to obtain a minimum of one statement that reflects the current balance of banking/financial accounts.

#### County Housing Policy

In general, County Housing will use third-party verification from the source in the following circumstances:

- At annual reexamination when EIV + self-certification is not used;
- For all new admissions; and
- For all interim reexaminations.

County Housing will not use this method if it uses EIV + self-certification as outlined above.

In general, third-party documents provided by the family or the source must be dated within 120 days of the date received by County Housing. However, for fixed-income sources, a statement dated within the appropriate benefit year is acceptable documentation.

County Housing may reject documentation provided by the family if the document is not original, if the document appears to be forged, or if the document is altered, mutilated, or illegible. If County Housing determines that third-party documents provided by the family

are not acceptable, it will explain the reason to the family and request additional documentation from the family or will use a lower form of verification such as a written third-party verification form.

When verification of assets held by a banking or financial institution is required, County Housing will obtain one statement that reflects the current balance of the account.

When pay stubs are used, County Housing will require the family to provide the two most current, consecutive pay stubs. At County Housing's discretion, if additional paystubs are needed due to the family's circumstances (e.g., sporadic income, fluctuating schedule, etc.), County Housing may request additional paystubs or a payroll record.

### **7-I.G. LEVEL 3 VERIFICATION: WRITTEN, THIRD-PARTY FORM [Notice PIH 2023-27]**

This type of verification is a form developed by County Housing and used uniformly for all families when needed to collect information from a third-party source. This is known as "traditional third-party verification." PHAs send a PHA-developed form directly to the third-party source by mail, fax, or email, and the source completes the form by hand (in writing or typeset).

County Housing may use this method when higher forms are unavailable or rejected or when the family is unable to provide acceptable verification. County Housing may skip this level of verification and may instead substitute oral third-party verification before moving to self-certification.

#### County Housing Policy

Typically, County Housing will attempt to send written third-party verification forms to the verification source whenever higher forms of verification are unavailable.

However, on a case-by-case basis, County Housing may choose to obtain oral third-party verification without first attempting and in lieu of a written third-party verification form.

### **7-I.H. LEVEL 2: ORAL THIRD-PARTY VERIFICATION [Notice PIH 2023-27]**

For third-party oral verification, PHAs contact sources, identified by UIV techniques or by the family, by telephone or in person.

Third-party oral verification may be used when requests for written third-party verification forms have not been returned within a reasonable time—e.g., 10 business days.

PHAs must document in the file the date and time of the telephone call or visit, the name of the person contacted, the telephone number, as well as the information confirmed.

County Housing may skip this level of verification if they attempted written third-party verification via a form and the source did not respond and move directly to self-certification.

#### County Housing Policy

In general, County Housing will attempt to obtain written third-party verification via a form from the verification source. If written third-party verification forms are not returned within 10 business days, County Housing will accept self-certification from the family without attempting to obtain oral third-party verification.

However, if County Housing chooses to obtain oral third-party verification, it will document in the file the date and time of the telephone call or visit, the name of the person contacted, the telephone number, and the information confirmed.

## **When Third-Party Verification is Not Required [Notice PIH 2023-27]**

Third-party verification may not be available in all situations. HUD has acknowledged that it may not be cost-effective or reasonable to obtain third-party verification of income, assets, or expenses when these items would have a minimal impact on the family's total tenant payment.

### County Housing Policy

If the family cannot provide original documents, County Housing will pay the service charge required to obtain third-party verification unless it is not cost-effective, in which case a self-certification will be acceptable as the only means of verification. The cost of verification will not be passed on to the family.

The cost of postage and envelopes to obtain third-party verification of income, assets, and expenses is not an unreasonable cost [VG, p. 18].

### ***Primary Documents***

Third-party verification is not required when legal documents are the primary source, such as a birth certificate or other legal documentation of birth.

### **7-I.I. LEVEL 1: NON-THIRD-PARTY VERIFICATION TECHNIQUE: SELF-CERTIFICATION [Notice PIH 2023-27]**

Non-third-party verification consists of a signed statement of reported income and/or expenses. This verification method should be used as a last resort when County Housing has not been successful in obtaining information via all other required verification techniques.

Self-certification, however, is an acceptable form of verification when:

- A source of income is fully excluded
- Net family assets total \$50,000 or less, and County Housing has adopted a policy to accept self-certification
- The family declares that they do not have any present ownership in any real property
- A family states that they have non-recurring income that will not be repeated in the coming year

When County Housing is required to obtain third-party verification but instead relies on self-certification, the family's file must be documented to explain why third-party verification was not available.

HUD does not require that a self-certification be notarized; however, HUD recommends including language on any self-certification to ensure the certifier understands the consequences of knowingly providing false information.

### County Housing Policy

When information cannot be verified by a third party or by review of documents, family members will be required to submit self-certifications attesting to the accuracy of the information they have provided to County Housing.

County Housing may require a family to certify that a family member does not receive a particular type of income or benefit.

The self-certification must be made in a format acceptable to County Housing and must be signed by the family member whose information or status is being verified.

All self-certifications will include the following language:

“I/We, the undersigned, certify under penalty of perjury that the information provided here is true and correct, to the best of my knowledge and recollection. WARNING: Anyone who knowingly submits a false claim or knowingly makes a false statement is subject to criminal and/or civil penalties, including confinement for up to five years, fines, and civil and administrative penalties (18 U.S.C. 287, 1001, 1010, 1012; 31 U.S.C. 3279, 3802).”

**PART II: VERIFYING FAMILY INFORMATION**

**7-II.A. VERIFICATION OF LEGAL IDENTITY**

County Housing Policy

County Housing will require families to furnish verification of legal identity for each household member.

<b>Verification of Legal Identity for Adults</b>	<b>Verification of Legal Identity for Children</b>
Certificate of birth, naturalization papers	Certificate of birth
Church-issued baptismal certificate	Adoption papers
Current, valid driver’s license or Department of Motor Vehicle identification card	Custody agreement
U.S. military discharge (DD 214)	Health and Human Services ID
Current U.S. passport	Certified school records
Current government employer identification card with picture	

If a document submitted by a family is illegible for any reason or otherwise questionable, more than one of these documents may be required.

If none of these documents can be provided and at County Housing’s discretion, a third party who knows the person may attest to the person’s identity. The certification must be provided in a format acceptable to County Housing and be signed by the family member whose information or status is being verified.

Legal identity will be verified for all applicants at the time of eligibility determination and in cases where County Housing has reason to doubt the identity of a person representing themselves to be a tenant or a member of a tenant family.

**7-II.B. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and Notice PIH 2023-27]**

The family must provide documentation of a valid Social Security number (SSN) for each member of the household, with the exception of individuals who do not contend eligible immigration status. Exemptions also include existing residents who were at least 62 years of age as of January 31, 2010 and had not previously disclosed an SSN.

County Housing must accept the following documentation as acceptable evidence of the social security number:

- An original SSN card issued by the Social Security Administration (SSA)
- An original SSA-issued document, which contains the name and SSN of the individual
- An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual

While PHAs must attempt to gather third-party verification of SSNs prior to admission as listed above, PHAs also have the option of accepting a self-certification and a third-party document (such

as a bank statement, utility or cell phone bill, or benefit letter) with the applicant's name printed on it to satisfy the SSN disclosure when all other attempts to obtain the required documentation have been exhausted. If verifying an individual's SSN using this method, PHAs must document why the other SSN documentation was not available.

If the tenant's SSN becomes verified in EIV, then no further verification is required. If the tenant's SSN fails the SSA identity match, then PHAs must obtain a valid SSN card issued by the SSA or an original document issued by a federal or state government agency that contains the name of the individual and the SSN of the individual, along with other identifying information of the individual. The tenant's assistance must be terminated if they fail to provide the required documentation.

#### County Housing Policy

County Housing will verify an individual's SSN in the situations described above using the method described above as a last resort when no other forms of verification of the individual's SSN are available.

PHAs may only reject documentation of an SSN provided by an applicant or resident if the document is not an original document, if the original document has been altered, mutilated, is illegible, or if the document appears to be forged.

#### County Housing Policy

County Housing will explain to the applicant or resident the reasons the document is not acceptable and request that the individual obtain and submit acceptable documentation of the SSN to County Housing within 90 days.

If an applicant family includes a child under 6 years of age who joined the household within the 6 months prior to the date of program admission, an otherwise eligible family may be admitted and must provide documentation of the child's SSN within 90 days. A 90-day extension will be granted if a PHA determines that the resident's failure to comply was due to unforeseen circumstances and was outside of the resident's control.

#### County Housing Policy

County Housing will grant one additional 90-day extension if needed for reasons beyond the applicant's control, such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

When a resident requests to add a new household member who is at least 6 years of age, or who is under the age of 6 and has an SSN, the resident must provide the complete and accurate SSN assigned to each new member at the time of reexamination or recertification, in addition to the documentation required to verify it. County Housing may not add the new household member until such documentation is provided.

When a resident requests to add a new household member who is under the age of 6 and has not been assigned an SSN, the resident must provide the SSN assigned to each new child and the required documentation within 90 calendar days of the child being added to the household. A 90-day extension will be granted if County Housing determines that the resident's failure to comply was due to unforeseen circumstances and was outside of the resident's control. During the period County Housing is awaiting documentation of the SSN, the child will be counted as part of the assisted household.

County Housing Policy

County Housing will grant one additional 90-day extension if needed for reasons beyond the resident's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

Social security numbers must be verified only once during continuously assisted occupancy.

County Housing Policy

County Housing will verify each disclosed SSN by:

Obtaining documentation from applicants and residents that is acceptable as evidence of social security numbers

Making a copy of the original documentation submitted, returning it to the individual, and retaining a copy in the file

Once the individual's verification status is classified as "verified," County Housing may, at its discretion, remove and destroy copies of documentation accepted as evidence of social security numbers. The retention of the EIV Summary Report or Income Report is adequate documentation of an individual's SSN.

County Housing Policy

Once an individual's status is classified as "verified" in HUD's EIV system, County Housing will not remove and destroy copies of documentation accepted as evidence of social security numbers.

**7-II.C. DOCUMENTATION OF AGE**

A birth certificate or other official record of birth is the preferred form of age verification for all family members. For elderly family members, an original document providing evidence of the receipt of social security retirement benefits is acceptable.

County Housing Policy

If an official record of birth or evidence of social security retirement benefits cannot be provided, County Housing will require the family to submit other documents that support the reported age of the family member (e.g., school records, driver's license if the birth year is recorded) and to provide a self-certification.

Age must be verified only once during continuously assisted occupancy.

**7-II.D. FAMILY RELATIONSHIPS**

Applicants and tenants are required to identify the relationship of each household member to the head of household. Definitions of the primary household relationships are provided in Chapter 3 of this ACOP.

County Housing Policy

Family relationships are verified only to the extent necessary to determine a family's eligibility and level of assistance. Certification by the head of household normally is sufficient verification of family relationships.

## **Marriage**

### County Housing Policy

Certification by the head of household is normally sufficient verification. If County housing has reasonable doubts about a marital relationship, it will require the family to document the marriage.

A marriage certificate generally is required to verify that a couple is married.

## **Separation or Divorce**

### County Housing Policy

County Housing will require the family to provide documentation of a divorce or separation.

A certified copy of a divorce decree, signed by a court officer, is required to document that a couple is divorced.

A copy of a court-ordered maintenance or other court record is required to document a separation.

If no court document is available, documentation from a community-based agency will be accepted.

## **Absence of Adult Member**

### County Housing Policy

If an adult member who was formerly a member of the household is reported to be permanently absent, the family must provide evidence to support that the person is no longer a member of the family (e.g., documentation of another address at which the person resides such as a lease or utility bill), if County Housing so requests.

## **Foster Children and Foster Adults**

### County Housing Policy

Third-party verification from the state or local government agency responsible for the placement of the individual with the family is required.

## **7-II.E. VERIFICATION OF STUDENT STATUS**

### **General Requirements**

#### County Housing Policy

County Housing requires families to provide information about the student status of all students who are 18 years of age or older. This information will be verified only if:

The family claims full-time student status for an adult other than the head, spouse, or cohead, or

The family claims a childcare deduction to enable a family member to further their education.

## **7-II.F. DOCUMENTATION OF DISABILITY**

County Housing must verify the existence of a disability in order to allow certain income disallowances and deductions from income. County Housing is not permitted to inquire about the

nature or extent of a person's disability [24 CFR 100.202(c)]. County Housing may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If County Housing receives a verification document that provides such information, it will not place this information in the tenant file. Under no circumstances will County Housing request a resident's medical record(s). For more information on healthcare privacy laws, see the Department of Health and Human Services website at [www.os.dhhs.gov](http://www.os.dhhs.gov).

County Housing may make the following inquiries, provided it makes them of all applicants, whether or not they are persons with disabilities [VG, p. 24]:

- Inquiry into an applicant's ability to meet the requirements of ownership or tenancy
- Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with disabilities or to persons with a particular type of disability
- Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with disabilities or to persons with a particular type of disability
- Inquiry about whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance
- Inquiry about whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance

#### **Family Members Receiving SSA Disability Benefits**

Verification of receipt of disability benefits from the Social Security Administration (SSA) is sufficient verification of disability for the purpose of qualification for waiting list preferences or certain income disallowances and deductions [VG, p. 23].

##### County Housing Policy

For family members claiming disability who receive disability payments from the SSA, County Housing will attempt to obtain information about disability benefits through HUD's Enterprise Income Verification (EIV) system. If documentation is not available through HUD's EIV system, County Housing will request a current (dated within the last 60 days) SSA benefit verification letter from each family member claiming disability status. If a family member is unable to provide the document, County Housing will ask the family to obtain a benefit verification letter either by calling SSA at 1-800-772-1213 or by requesting one from [www.ssa.gov](http://www.ssa.gov). Once the family receives the benefit verification letter, they will be required to provide the letter to County Housing.

#### **Family Members Not Receiving SSA Disability Benefits**

Receipt of veteran's disability benefits, worker's compensation, or other non-SSA benefits based on the individual's claimed disability are not sufficient verification that the individual meets HUD's definition of disability in 24 CFR 5.403, necessary to qualify for waiting list preferences or certain income disallowances and deductions.

##### County Housing Policy

For family members claiming disability who do not receive SSI or other disability payments from the SSA, a knowledgeable professional must provide third-party verification that the family member meets the HUD definition of disability. See Chapter 3 of this ACOP for the

HUD definition of disability. A knowledgeable professional will verify whether the family member does or does not meet the HUD definition.

## **7-II.G. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5.508]**

### **Overview**

Housing assistance is not available to persons who are not citizens, nationals, or eligible immigrants. Prorated assistance is provided for "mixed families" containing both eligible and ineligible persons. See Chapter 3 for a detailed discussion of eligibility requirements. This chapter (7) discusses HUD and County Housing verification requirements related to citizenship status.

The family must provide a certification that identifies each family member as a U.S. citizen, a U.S. national, an eligible noncitizen, or an ineligible noncitizen and submit the documents discussed below for each family member. Once eligibility to receive assistance has been verified for an individual, it need not be collected or verified again during continuously-assisted occupancy [24 CFR 5.508(g)(5)]

### **U.S. Citizens and Nationals**

HUD requires a declaration for each family member who claims to be a U.S. citizen or national. The declaration must be signed personally by any family member 18 or older and by a guardian for minors.

County Housing may request verification of the declaration by requiring the presentation of a birth certificate, United States passport, or other appropriate documentation.

#### County Housing Policy

Family members who claim U.S. citizenship or national status will not be required to provide additional documentation unless County Housing receives information indicating that an individual's declaration may not be accurate.

### **Eligible Immigrants**

#### ***Documents Required***

All family members claiming eligible immigration status must declare their status in the same manner as U.S. citizens and nationals.

The documentation required for eligible noncitizens varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, age, and the date on which the family began receiving HUD-funded assistance. Exhibit 7-1 at the end of this chapter summarizes documents family members must provide.

#### ***PHA Verification*** [HCV GB, pp 5-3 and 5-7]

For family members aged 62 or older who claim to be eligible immigrants, proof of age is required in the manner described in 7-II.C. of this ACOP. No further verification of eligible immigration status is required.

For family members under the age of 62 who claim to be eligible immigrants, County Housing must verify immigration status with the U.S. Citizenship and Immigration Services (USCIS).

County Housing will follow all USCIS protocols for verification of eligible immigration status.

#### **7-II.H. VERIFICATION OF PREFERENCE STATUS**

County Housing must verify any preferences claimed by an applicant that determined their placement on the waiting list.

##### County Housing Policy

County Housing offers a preference for victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking, as described in Section 4-III.B. To verify that applicants qualify for the preference, County Housing will follow documentation requirements outlined in Section 16-VII.D.

## **PART III: VERIFYING INCOME AND ASSETS**

Chapter 6 of this ACOP describes in detail the types of income that are included and excluded and how assets and income from assets are handled. Any income reported by the family must be verified. This part provides County Housing policies that supplement the general verification procedures specified in Part I of this chapter.

### **7-III.A. EARNED INCOME**

#### **Tips**

##### County Housing Policy

Unless tip income is included in a family member's W-2 by the employer or in UIV verification sources, persons who work in industries where tips are standard will be required to sign a certified estimate of tips received for the prior year or tips anticipated to be received in the coming year.

#### **Wages**

##### County Housing Policy

When County Housing requires third-party verification of wages other than tips, the family must provide originals of the two most current, consecutive pay stubs.

### **7-III.B. BUSINESS AND SELF EMPLOYMENT INCOME**

County Housing must obtain written, third-party verification when the income type is not available in EIV. This includes income from self-employment.

##### County Housing Policy

Business owners and self-employed persons will be required to provide:

Income tax returns with corresponding official tax forms and schedules attached and including third-party receipt of transmission for income tax returns filed (i.e., tax preparer's transmittal receipt, summary of transmittal from online source, etc.).

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense using straight-line depreciation rules.

For self-employed individuals who claim they do not have to file tax returns, County Housing will obtain a completed copy of IRS Form 4506-T to verify that no return has been filed.

For those employed in "gig employment" (i.e., those in formal agreements with on-demand companies such as Uber, Lyft, or DoorDash), County Housing will provide a format for the individual to declare their income and expenses. County Housing will also review the printed statement of monthly income from the applicable app for all hours worked and pay received as well as Schedule C of the individual's tax return and the corresponding IRS Form 1099 or 1099k.

County Housing will provide a format for any person who is unable to provide such a statement to record income and expenses for the coming year. The business owner/self-employed person will be required to submit the information requested and certify its

accuracy at all future reexaminations. At any reexamination, County Housing may request documents that support submitted financial statements, such as manifests, appointment books, cash books, or bank statements.

If a family member has been self-employed for less than three (3) months, County Housing will accept the family member's certified estimate of income and schedule an interim reexamination in three (3) months. If the family member has been self-employed for three (3) to twelve (12) months, County Housing will require the family to provide documentation of income and expenses for this period and use that information to project income.

### **7-III.C. PERIODIC PAYMENTS AND PAYMENTS IN LIEU OF EARNINGS**

#### **Social Security/SSI Benefits**

Verification requirements for Social Security (SS) and Supplemental Security Income (SSI) benefits differ for applicants and participants.

For applicants, since EIV does not contain SS or SSI benefit information, County Housing must ask applicants to provide a copy of their current SS and/or SSI benefit letter (dated within the last 120 calendar days) for each family member that receives SS and/or SSI benefits. If the family is unable to provide the document or documents, County Housing should help the applicant request a benefit verification letter from SSA's website at [www.ssa.gov](http://www.ssa.gov) or ask the family to request one by calling SSA at 1-800-772-1213. County Housing must obtain the original benefit letter from the applicant, make a photocopy of the document for the file, and return the original to the family.

For participants, County Housing must obtain information through the HUD EIV system and confirm with the participants that the current listed benefit amount is correct.

- If the participant agrees with the amount reported in EIV, County Housing must use the EIV-reported gross benefit amount to calculate annual income from Social Security. PHAs are required to use the EIV-reported SS and SSI benefit amounts when calculating income unless the tenant disputes the EIV-reported amount. For example, an SSA benefit letter may list the monthly benefit amount as \$450.80 and EIV displays the amount as \$450.00. PHAs must use the EIV-reported amount unless the participant disputes the amount.
- If the participant disputes the EIV-reported benefit amount, or if benefit information is not available in EIV, County Housing must request a current SSA benefit verification letter (dated within the last 120 calendar days) from each family member that receives SS and/or SSI benefits. If the family is unable to provide the document or documents, County Housing should help the participant request a benefit verification letter from SSA's website at [www.ssa.gov](http://www.ssa.gov) or ask the family to request one by calling SSA at 1-800-772-1213. County Housing must obtain the original benefit letter from the participant, make a photocopy of the document for the file, and return the original to the family.

Photocopies of social security checks or bank statements are not acceptable forms of verification for SS/SSI benefits.

### **7-III.D. ALIMONY OR CHILD SUPPORT [Notice PIH 2023-27]**

Annual income includes "all amounts received," not the amount that a family may be legally entitled to receive but which they do not receive. For example, a family's child support or alimony income must be based on payments received, not the amounts to which the family is entitled by court or agency orders. A copy of a court order or other written payment agreement alone may not be sufficient verification of amounts received by a family.

### County Housing Policy

The methods County Housing will use to verify alimony and child support payments differ depending on whether the family declares that it receives regular payments.

If the family declares that it **receives regular payments**, verification will be obtained in the following order of priority:

Copies of the receipts and/or payment stubs for the 12 months prior to County Housing's request

Third-party verification form from the state or local child support enforcement agency

Third-party verification form from the person paying the support

Family's self-certification of amount received

**Note:** Families are not required to undertake independent enforcement action.

### **7-III.E. NONRECURRING INCOME [Notice PIH 2023-27]**

Income that will not be repeated beyond the coming year (i.e., the 12 months following the effective date of the certification), based on information provided by the family, is considered nonrecurring income and is excluded from annual income. PHAs may accept a self-certification from the family stating that the income will not be repeated in the coming year.

### County Housing Policy

County Housing will accept self-certification from the family stating that income will not be repeated in the coming year. However, County Housing may choose, on a case-by-case basis, to require third-party verification that income sources will not be repeated in the coming year.

### **7-III.F. ASSETS AND INCOME FROM ASSETS**

#### **Net Family Assets [24 CFR 5.603]**

At admission and reexam, for families with net assets totaling \$50,000 or less (adjusted annually), County Housing may, but is not required to, accept the family's self-certification that the family's assets do not exceed \$50,000 without taking any additional steps to verify the accuracy of the declaration. The declaration must include the amount of income the family expects to receive from assets, which must be included in the family's income. This includes declaring income from checking and savings accounts, which, although excluded from the calculation of net family assets (because the combined value of non-necessary personal property does not exceed \$50,000), may generate asset income. PHAs must clarify during the self-certification process which assets are included/excluded from net family assets.

For PHAs that choose to accept self-certification, third-party verification of all assets, regardless of the amount, is required at least once every three years.

PHAs who choose not to accept self-certifications of assets must verify all families' assets on an annual basis.

When net family assets have a total value over \$50,000, PHAs may not rely on the family's self-certification. Third-party verification of assets is required when net family assets exceed \$50,000, adjusted annually by HUD.

When verification of assets is required, PHAs are required to obtain a minimum of one statement that reflects the current balance of banking/financial accounts.

County Housing Policy

County Housing will obtain third-party verification of all assets regardless of the amount.

**Self-Certification of Real Property Ownership [24 CFR 5.618(b)(2)]**

County Housing must determine whether a family has present ownership in real property that is suitable for occupancy for purposes of determining whether the family is compliant with the asset limitation described in Chapters 3 and 13. At admission and reexam, County Housing may accept a self-certification from the family that the family does not have any present ownership in any real property that is suitable for occupancy. If the family declares they have present ownership in real property, County Housing must obtain third-party verification.

County Housing Policy

Both at admission and reexam, County Housing will accept self-certification from the family that the family does not have any present ownership in any real property. The certification will state that the family does not have any present ownership interest in any real property and must be signed by all family members 18 years of age and older. County Housing reserves the right to require additional verification in situations where the accuracy of the declaration is in question.

If the family declares they have present ownership in real property, County Housing will obtain third-party verification of the following factors: whether the family has the legal right to reside in the property, whether the family has the effective legal authority to sell the property, and whether the property is suitable for occupancy by the family as a residence. However, in cases where a family member is a victim of domestic violence, dating violence, sexual assault, or stalking, County Housing will comply with confidentiality requirements under 24 CFR 5.2007 and will accept a self-certification.

**7-III.G. ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE**

The family must certify whether any assets have been disposed of for less than fair market value in the preceding two years. HUD permits PHAs to accept self-certifications from a family as verification of assets disposed of for less than fair market value [HCV GB, p. 5-28]. PHAs need to verify only those certifications that warrant documentation [HCV GB, p. 5-28].

County Housing Policy

County Housing will accept a self-certification from a family as verification of assets disposed of for less than fair market value.

County Housing will verify the value of assets disposed of only if:

County Housing does not already have a reasonable estimation of its value from previously collected information, or

The amount reported by the family in the certification appears obviously in error.

Example 1: An elderly resident reported a \$10,000 certificate of deposit at the last annual reexamination and the PHA verified this amount. Now the person reports that she has given this \$10,000 to her son. The PHA has a reasonable estimate of the value of the asset; therefore, reverification of the value of the asset is not necessary.

Example 2: A family member has disposed of its 1/4 share of real property located in a desirable area and has valued her share at approximately \$5,000. Based upon market conditions, this declaration does not seem realistic. Therefore, the PHA will verify the value of this asset.

### **7-III.H. NET INCOME FROM RENTAL PROPERTY**

#### County Housing Policy

The family must provide:

A current executed lease for the property that shows the rental amount or certification from the current tenant.

A self-certification from the family members engaged in the rental of property providing an estimate of expenses for the coming year and the most recent IRS Form 1040 with Schedule E (Rental Income).

If schedule E was not prepared, County Housing will require the family members involved in the rental of property to provide a self-certification of income and expenses for the previous year and may request documentation to support the statement, including tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.

### **7-III.I. FEDERAL TAX REFUNDS OR REFUNDABLE TAX CREDITS [Notice PIH 2023-27]**

PHAs are not required to verify the amount of the family's federal tax refund or refundable tax credit(s) if the family's net assets are equal to or below \$50,000 (adjusted annually for inflation), even in years when full verification of assets is required or if a PHA does not accept self-certification of assets. PHAs must verify the amount of the family's federal tax refund or refundable tax credits if the family's net assets are greater than \$50,000.

### **7-III.J. RETIREMENT ACCOUNTS**

#### County Housing Policy

County Housing will accept an original document from the entity holding the account dated no earlier than 12 months before that reflects any distributions of the account balance, any lump sums taken, and any regular payments.

### **7-III.K. INCOME FROM EXCLUDED SOURCES [Notice PIH 2023-27]**

A detailed discussion of excluded income is provided in Chapter 6, Part I.

HUD guidance on verification of excluded income draws a distinction between income that is fully excluded and income that is only partially excluded.

For fully excluded income, County Housing is **not** required to verify the income using third-party verification, document why third-party verification is not available, or report the income on the

50058. *Fully excluded income* is defined as income where the entire amount qualifies to be excluded from the annual income determination in accordance with 24 CFR 5.609(b) and any *Federal Register* notice on mandatory exclusions issued by HUD (for example, food stamps, earned income of a minor, or foster care funds).

PHAs may accept a family's signed application or reexamination form as self-certification of fully excluded income. They do not have to require additional documentation. However, if there is any doubt that a source of income qualifies for full exclusion, PHAs have the option of requiring additional verification.

For partially excluded income, County Housing **is** required to follow the verification hierarchy and all applicable regulations and to report the income on the 50058. Partially excluded income is defined as income where only a certain portion of what is reported by the family qualifies to be excluded, and the remainder is included in annual income (for example, the income of an adult full-time student).

#### County Housing Policy

County Housing will accept the family's self-certification as verification of fully excluded income. County Housing may request additional documentation if necessary to document the income source.

County Housing will verify the source and amount of partially excluded income as described in Part 1 of this chapter.

#### **7-III.L. ZERO INCOME REVIEWS [Notice PIH 2023-27]**

A *zero-income review* is an assessment, sometimes periodic, performed by PHAs of the income of a family who claims that they do not receive income from any source, including assets. During such reviews, it is common for PHAs to request that families complete and sign a worksheet explaining how they pay for the household's expenses. HUD does not require PHAs to conduct periodic zero-income reviews. In calculating annual income, PHAs must not assign monetary value to nonmonetary in-kind donations from a food bank or similar organization received by the family [24 CFR 5.609(b)(24)(vi)]. PHAs that perform zero-income reviews must update local discretionary policies, procedures, and forms. Families who begin receiving income that does not trigger an interim reexamination should no longer be considered zero income, even though the family's income is not reflected on Form HUD-50058.

#### County Housing Policy

County Housing will check UIV sources and/or may request information from third-party sources to verify that certain forms of income, such as unemployment benefits, TANF, SS, SSI, earned income, child support, etc., are not being received by families claiming to have zero annual income.

County Housing will also require that each family member who claims zero income status complete a zero-income form certifying that they have no sources of income.

County Housing will only conduct interims in accordance with policies in Chapter 9.

### **7-III.M. STUDENT FINANCIAL ASSISTANCE [24 CFR 5.609(b)(9)]**

The regulations under HOTMA distinguish between two categories of student financial assistance paid to both full-time and part-time students. Any assistance to students under section 479B of the Higher Education Act of 1965 (Title IV of the HEA) must be excluded from the family's annual income [24 CFR 5.609(b)(9)(i)]. Any other grant-in-aid, scholarship, or other assistance amounts an individual receives for the actual covered costs charged by the institute of higher education not otherwise excluded by the federally mandated income exclusions are excluded [24 CFR 5.609(b)(9)(ii)].

#### County Housing Policy

County Housing will request written third-party verification of both the source and the amount of student financial assistance. Family-provided documents from the educational institution attended by the student will be requested, as well as documents generated by any other person or entity providing such assistance, as reported by the student.

In addition, unless the student's only source of assistance is assistance under Title IV of the HEA, County Housing will request written verification of the cost of the student's tuition, books, supplies, room and board, and other required fees and charges to the student from the educational institution.

If County Housing is unable to obtain third-party written verification of the requested information, it will pursue other forms of verification following the verification hierarchy in section 7-I.B.

## **PART IV: VERIFYING MANDATORY DEDUCTIONS**

### **7-IV.A. DEPENDENT AND ELDERLY/DISABLED HOUSEHOLD DEDUCTIONS**

The dependent and elderly/disabled family deductions require only that County Housing verify that the family members identified as dependents or elderly/disabled persons meet the statutory definitions. No further verifications are required.

#### **Dependent Deduction**

See Chapter 6 for a full discussion of this deduction. County Housing will verify that:

- Any person under the age of 18 for whom the dependent deduction is claimed is not the head, spouse, or cohead of the family and is not a foster child
- Any person aged 18 or older for whom the dependent deduction is claimed is not a foster adult or live-in aide and is a person with a disability or a full-time student

#### **Elderly/Disabled Family Deduction**

See Chapter 3 of this ACOP for a definition of elderly and disabled families and Chapter 6 for a discussion of the deduction. County Housing will verify that the head, spouse, or cohead is 62 years of age or older or a person with disabilities.

### **7-IV.B. HEALTH AND MEDICAL CARE EXPENSE DEDUCTION**

Policies related to medical expenses are found in Chapter 6. The amount of the deduction will be verified following the standard verification procedures described in Part I.

County Housing must comply with the Health Insurance Portability and Accountability Act (HIPAA) ([Pub. L. 104-191](#), 110 Stat. 1936) and the Privacy Act of 1974 (Pub. L. 93-579, 88 Stat. 1896) when requesting documentation to determine unreimbursed health and medical care expenses. County Housing may not request documentation beyond what is sufficient to determine anticipated health and medical care costs. Before placing bills and documentation in the tenant file, County Housing must redact all personally identifiable information [FR Notice 2/14/23].

#### **Amount of Expense**

##### County Housing Policy

Medical expenses will be verified through:

Written third-party documents provided by the family, such as pharmacy printouts or receipts. County Housing will make the best effort to determine what expenses from the past are likely to continue to occur in the future.

Evidence of monthly payments or total payments that will be due for medical expenses during the upcoming 12 months.

Written third-party verification forms if the family is unable to provide acceptable documentation.

If third-party or document review is not possible, the family must provide written certification of the costs anticipated to be incurred during the upcoming 12 months.

Before placing bills and documentation in the tenant file, County Housing will redact all personally identifiable information.

If County Housing receives documentation from a verification source that contains the individual's specific diagnosis, information regarding the individual's treatment, and/or information regarding the nature or severity of the person's disability, County Housing will immediately dispose of this confidential information; this information will never be maintained in the individual's file. If the information needs to be disposed of, County Housing will note in the individual's file that verification was received, the date received, and the name and address of the person/organization that provided the verification. Under no circumstances will County Housing include an applicant's or resident's medical records in the file [Notice PIH 2010-26].

In addition, County Housing must verify that:

- The household is eligible for the deduction.
- The costs to be deducted are qualified health and medical care expenses.
- The expenses are not paid for or reimbursed by any other source.
- Costs incurred in past years are counted only once.

### **Eligible Household**

The health and medical care expense deduction is permitted only for households in which the head, spouse, or cohead is at least 62 or a person with disabilities. County Housing must verify that the family meets the definition of an elderly or disabled family provided in Chapter 3 and as described in Chapter 7 (7-IV.A) of this ACOP.

### **Qualified Expenses**

To be eligible for the health and medical care expense deduction, the costs must qualify as medical expenses. See Chapter 6 for County Housing's policy on what counts as a medical expense.

### **Unreimbursed Expenses**

To be eligible for the health and medical care expense deduction, costs must not be reimbursed by another source.

#### County Housing Policy

The family will be required to certify that the medical expenses are not paid or reimbursed to the family from any source. If expenses are verified through a third party, the third party must certify that the expenses are not paid or reimbursed from any other source.

### **Expenses Incurred in Past Years**

#### County Housing Policy

When anticipated costs are related to on-going payment of medical bills incurred in past years, County Housing will verify:

The anticipated repayment schedule

The amounts paid in the past, and

Whether the amounts to be repaid have been deducted from the family's annual income in past years

## **7-IV.C. DISABILITY ASSISTANCE EXPENSES**

Policies related to disability assistance expenses are found in 6-II.E. The amount of the deduction will be verified following the standard verification procedures described in Part I.

County Housing must comply with the Health Insurance Portability and Accountability Act (HIPAA) ([Pub. L. 104-191](#), 110 Stat. 1936) and the Privacy Act of 1974 (Pub. L. 93-579, 88 Stat. 1896) when requesting documentation to determine unreimbursed auxiliary apparatus or attendance care costs. County Housing may not request documentation beyond what is sufficient to determine anticipated reasonable attendant care and auxiliary apparatus costs. Before placing bills and documentation in the tenant file, County Housing must redact all personally identifiable information [FR Notice 2/14/23].

### **Amount of Expense**

#### ***Attendant Care***

##### County Housing Policy

Expenses for attendant care will be verified through:

Written third-party documents provided by the family, such as receipts or canceled checks.

Third-party verification form signed by the provider, if family-provided documents are not available.

If third-party verification is not possible, written family certification as to costs anticipated to be incurred for the upcoming 12 months.

Before placing bills and documentation in the tenant file, County Housing will redact all personally identifiable information.

If County Housing receives documentation from a verification source that contains the individual's specific diagnosis, information regarding the individual's treatment, and/or information regarding the nature or severity of the person's disability, County Housing will immediately dispose of this confidential information; this information will never be maintained in the individual's file. If the information needs to be disposed of, County Housing will note in the individual's file that verification was received, the date received, and the name and address of the person/organization that provided the verification. Under no circumstances will County Housing include an applicant's or resident's medical records in the file [Notice PIH 2010-26].

#### ***Auxiliary Apparatus***

##### County Housing Policy

Expenses for auxiliary apparatus will be verified through:

Written third-party documents provided by the family, such as billing statements for the purchase of auxiliary apparatus or other evidence of monthly payments or total payments that will be due for the apparatus during the upcoming 12 months.

Third-party verification form signed by the provider if family-provided documents are not available.

If third-party or document review is not possible, written family certification of estimated apparatus costs for the upcoming 12 months.

In addition, County Housing must verify that:

- The family member for whom the expense is incurred is a person with disabilities (as described in 7-II.F above).
- The expense permits a family member, or members, to work (as described in Chapter 6).
- The expense is not reimbursed from another source (as described in Chapter 6).

#### **Family Member is a Person with Disabilities**

To be eligible for the disability assistance expense deduction, the costs must be incurred for attendant care or auxiliary apparatus expenses associated with a person with disabilities. County Housing will verify that the expense is incurred for a person with disabilities (See 7-II.F.).

#### **Family Member(s) Permitted to Work**

County Housing must verify that the expenses claimed actually enable a family member (or members) to work, including the person with disabilities.

##### County Housing Policy

County Housing will request third-party verification from a rehabilitation agency or knowledgeable medical professional indicating that the person with disabilities requires attendant care or an auxiliary apparatus to be employed or that the attendant care or auxiliary apparatus enables another family member or members to work (See 6-II.E.). This documentation may be provided by the family.

If third-party verification has been attempted and is either unavailable or proves unsuccessful, the family must certify that the disability assistance expense frees a family member or members (possibly including the family member receiving the assistance) to work.

#### **Unreimbursed Expenses**

To be eligible for the disability expenses deduction, the costs must not be reimbursed by another source.

##### County Housing Policy

The family will be required to certify that attendant care or auxiliary apparatus expenses are not paid by or reimbursed to the family from any source.

#### **7-IV.D. CHILD CARE EXPENSES**

Policies related to child care expenses are found in Chapter 6. The amount of the deduction will be verified following the standard verification procedures described in Part I of this chapter. In addition, County Housing must verify that:

- The child is eligible for care (12 or younger).
- The costs claimed are not reimbursed.
- The costs enable a family member to work, actively seek work, or further their education.
- The costs are for an allowable type of child care.

- The costs are reasonable.

### **Eligible Child**

To be eligible for the child care deduction, the costs must be incurred for the care of a child under the age of 13. County Housing will verify that the child being cared for (including foster children) is under the age of 13 (See 7-II.C.).

### **Unreimbursed Expense**

To be eligible for the child care deduction, the costs must not be reimbursed by another source.

#### County Housing Policy

The family and the care provider will be required to certify that the child care expenses are not paid by or reimbursed to the family from any source.

### **Pursuing an Eligible Activity**

County Housing must verify that the family member(s) that the family has identified as being enabled to seek work, pursue education, or be gainfully employed, are actually pursuing those activities.

#### County Housing Policy

##### *Information to be Gathered*

County Housing will verify information about how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the time required for study (for students), the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

##### *Seeking Work*

Whenever possible, County Housing will use documentation from a state or local agency that monitors work-related requirements (e.g., welfare or unemployment). In such cases, County Housing will request family-provided verification from the agency of the member's job-seeking efforts to date and require the family to submit to County Housing any reports provided to the other agency.

In the event third-party verification is not available, County Housing will require the family to submit a signed self-certification form stating their job search efforts. County Housing will review this information at each subsequent reexamination for which this deduction is claimed.

##### *Furthering Education*

County Housing will request third-party documentation to verify that the person permitted to further their education by the child care is enrolled and provide information about the timing of classes for which the person is registered. The documentation may be provided by the family.

##### *Gainful Employment*

County Housing will use third-party verification, such as paycheck stubs, to verify that members of the family are gainfully employed. In cases in which two or more family

members could be permitted to work, the work schedules for all relevant family members may be verified. The documentation may be provided by the family.

### **Allowable Type of Child Care**

The type of care to be provided is determined by the family, but must fall within certain guidelines, as discussed in Chapter 6.

#### County Housing Policy

County Housing will verify that the type of child care selected by the family is allowable, as described in Chapter 6.

County Housing will verify that the fees paid to the child care provider cover only child care costs (e.g., no housekeeping services or personal services) and are paid only for the care of an eligible child (e.g., prorate costs if some of the care is provided for ineligible family members).

County Housing will verify that the child care provider is not an assisted family member. Verification will be made through the head of household's declaration of family members who are expected to reside in the unit.

### **Reasonableness of Expenses**

Only reasonable child care costs can be deducted.

#### County Housing Policy

The actual costs the family incurs will be compared with the state of Missouri's established standards of reasonableness for the type of care in the locality to ensure that the costs are reasonable.

If the family presents a justification for costs that exceed typical costs in the area, county Housing will request additional documentation, as required, to support a determination that the higher cost is appropriate.

**Exhibit 7-1: Summary of Documentation Requirements for Noncitizens**  
**[HCV GB, pp. 5-9 and 5-10]**

- **All** noncitizens claiming eligible status must sign a declaration of eligible immigrant status on a form acceptable to the PHA.
- Except for persons 62 or older, all noncitizens must sign a verification consent form
- Additional documents are required based upon the person's status.

**Elderly Noncitizens**

- A person 62 years of age or older who claims eligible immigration status also must provide proof of age such as birth certificate, passport, or documents showing receipt of SS old-age benefits.

**All other Noncitizens**

- Noncitizens that claim eligible immigration status also must present the applicable USCIS document. Acceptable USCIS documents are listed below.

- Form I-551 Alien Registration Receipt Card (for permanent resident aliens)
- Form I-94 Arrival-Departure Record annotated with one of the following:
  - “Admitted as a Refugee Pursuant to Section 207”
  - “Section 208” or “Asylum”

## Chapter 8

### LEASING AND INSPECTIONS

[24 CFR 5, Subpart G; 24 CFR 966, Subpart A]

#### INTRODUCTION

Public housing leases are the contractual basis of the legal relationship between the PHA and the tenant. All units must be occupied pursuant to a dwelling lease agreement that complies with HUD regulations.

HUD regulations require County Housing to inspect each dwelling unit prior to move-in, at move-out, and annually during the period of occupancy. In addition, County Housing may conduct additional inspections in accordance with County Housing policy.

This chapter is divided into two parts as follows:

Part I: Leasing. This part describes pre-leasing activities and County Housing's policies pertaining to lease execution, lease modification, and payments under the lease.

Part II: Inspections. This part describes County Housing's policies for inspecting dwelling units.

## **PART I: LEASING**

### **8-I.A. OVERVIEW**

An eligible family may occupy a public housing dwelling unit under the terms of a lease. The lease must meet all regulatory requirements and must also comply with applicable state and local laws and codes.

The term of the lease must be for a period of 12 months. The lease must be renewed automatically for another 12-month term, except that County Housing may not renew the lease if the family has violated the community service requirement and if the family is determined to be over-income for 24 consecutive months [24 CFR 966.4(a)(2)].

County Housing has adopted smoke-free policies. The policy is attached as Exhibit 8-1.

Part I of this chapter contains regulatory information on leasing, where applicable, as well as the County Housing's leasing policies.

For policies on lease requirements for families whose income has exceeded the over-income limit for 24 consecutive months, see 13-III.C., Over-Income Families.

### **8-I.B. LEASE ORIENTATION**

#### County Housing Policy

After unit acceptance but prior to occupancy, County Housing representative will conduct a lease orientation with the family. The head of household or spouse is required to attend.

#### **Orientation Agenda**

#### County Housing Policy

When families attend the lease orientation, they will be provided with:

- A copy of the lease
- A copy of County Housing's grievance procedure
- A copy of the house rules
- A copy of County Housing's schedule of maintenance charges
- A copy of "Is Fraud Worth It?" (Form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse
- A copy of "What You Should Know about EIV," a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2017-12
- A copy of the form HUD-5380, VAWA Notice of Occupancy Rights
- A copy of form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking
- A copy of County Housing's smoke-free policy
- A copy of County Housing's bed bug policy
- A notice that includes the procedures for requesting relief and County Housing's criteria for granting requests for relief for excess utility surcharges

Topics to be discussed and explained to all families include:

- Applicable deposits and all other charges
- Review and explanation of lease provisions
- Unit maintenance requests and work orders
- County Housing's interim reporting requirements
- Review and explanation of occupancy forms
- Community service requirements
- Family choice of rent
- VAWA protections
- Smoke-free policies
- Bed bug policies

### **8-I.C. EXECUTION OF LEASE**

The lease must be executed by the tenant and County Housing, except for automatic renewals of a lease [24 CFR 966.4(a)(3)].

A lease is executed at the time of admission for all new residents. A new lease is also executed at the time of transfer from one County Housing unit to another.

The lease must state the composition of the household as approved by County Housing (family members and any County Housing-approved live-in aide) [24 CFR 966.4(a)(1)(v)]. See Section 8-I.D. for policies regarding changes in family composition during the lease term.

#### County Housing Policy

The head of household, spouse or co-head, and all other adult members of the household will be required to sign the public housing lease prior to admission. An appointment will be scheduled for the parties to execute the lease. The head of household will be provided a copy of the executed lease and County Housing will retain a copy in the resident's file.

### **8-I.D. MODIFICATIONS TO THE LEASE**

The lease may be modified at any time by written agreement of the tenant and County Housing [24 CFR 966.4(a)(3)].

#### **Modifications to the Lease Form**

County Housing may modify its lease from time to time. However, County Housing must give residents at least 30 days' advance notice of the proposed changes and an opportunity to comment on the changes. County Housing must also consider any comments before formally adopting a new lease [24 CFR 966.3].

After proposed changes have been incorporated into the lease and approved by the Board, each family must be notified at least 60 days in advance of the effective date of the new lease or lease revision. A resident's refusal to accept permissible and reasonable lease modifications that are made in accordance with HUD requirements, or are required by HUD, is grounds for termination of tenancy [24 CFR 966.4(l)(2)(iii)(E)].

### County Housing Policy

The family will have 30 days to accept the revised lease. If the family does not accept the offer of the revised lease within that 30-day timeframe, the family's tenancy will be terminated for other good cause in accordance with the policies in Chapter 13.

Schedules of special charges and rules and regulations are subject to modification or revision. Because these schedules are incorporated into the lease by reference, residents and resident organizations must be provided at least 30 days written notice of the reason(s) for any proposed modifications or revisions and must be given an opportunity to present written comments. The notice must be delivered directly or mailed to each tenant; or posted in at least three conspicuous places within each structure or building in which the affected dwelling units are located, as well as in a conspicuous place at the project office, if any, or if none, a similar central business location within the project. Comments must be taken into consideration before any proposed modifications or revisions become effective [24 CFR 966.5].

After the proposed revisions become effective, they must be publicly posted in a conspicuous manner in the project office and must be furnished to applicants and tenants on request [24 CFR 966.5].

### County Housing Policy

When County Housing proposes to modify or revise schedules of special charges or rules and regulations, County Housing will post copies of the notice on their website, in the central office, in each project office, and in at least three conspicuous places in each structure that contains dwelling units.

## **Other Modifications**

### County Housing Policy

The lease will be amended to reflect all changes in family composition.

If, for any reason, any member of the household ceases to reside in the unit, the lease will be amended by drawing a line through the person's name. The head of household and County Housing will be required to initial and date the change.

If a new household member is approved by County Housing to reside in the unit, the person's name and birth date will be added to the lease. The head of household and County Housing will be required to initial and date the change. If the new member of the household is an adult, s/he will also be required to sign and date the lease.

Policies governing when and how changes in family composition must be reported are contained in Chapter 9, Reexaminations.

## **8-I.E. SECURITY DEPOSITS [24 CFR 966.4(b)(5)]**

At the option of County Housing, the lease may require security deposits. The amount of the security deposit cannot exceed one month's rent or a reasonable fixed amount as determined by County Housing. County Housing may allow for gradual accumulation of the security deposit by the family, or the family may be required to pay the security deposit in full prior to occupancy. Subject to applicable laws, interest earned on security deposits may be refunded to the tenant after vacating the unit or used for tenant services or activities.

### County Housing Policy

Residents must pay a security deposit to County Housing at the time of admission. The amount of the security deposit will be equal to the family's total tenant payment at the time of move-in and must be paid in full prior to occupancy.

County Housing will hold the security deposit for the period the family occupies the unit. County Housing will not use the security deposit for rent or other charges while the resident is living in the unit.

Within 30 days of move-out, County Housing will refund to the resident the amount of the security deposit (including interest earned on the security deposit), less any amount needed to pay the cost of unpaid rent, damages listed on the move-out inspection report that exceed normal wear and tear, and other charges due under the lease.

County Housing will provide the resident with a written list of any charges against the security deposit within 10 business days of the move-out inspection. If the resident disagrees with the amount charged, County Housing will hold a meeting to discuss the charges.

If the resident transfers to another unit, County Housing will transfer the security deposit to the new unit. The tenant will be billed for any maintenance or other charges due for the "old" unit.

## **8-I.F. PAYMENTS UNDER THE LEASE**

### **Rent Payments [24 CFR 966.4(b)(1)]**

Families must pay the amount of the monthly tenant rent determined by County Housing in accordance with HUD regulations and other requirements. The amount of the tenant rent is subject to change in accordance with HUD requirements.

The lease must specify the initial amount of the tenant rent at the beginning of the initial lease term, and County Housing must give written notice stating any change in the amount of tenant rent and when the change is effective.

### County Housing Policy

The tenant rent is due and payable at the County Housing-designated location on the first of every month. If the first falls on a weekend or holiday, the rent is due and payable on the first business day thereafter.

If a family's tenant rent changes, County Housing will notify the family of the new amount and the effective date by sending a "Notice of Rent Adjustment" which will become an attachment to the lease.

### **Late Fees and Nonpayment**

At the option of County Housing, the lease may provide for payment of penalties when the family is late in paying tenant rent [24 CFR 966.4(b)(3)].

The lease must provide that late payment fees are not due and collectible until two weeks after County Housing gives written notice of the charges. The written notice is considered an adverse action and must meet the requirements governing a notice of adverse action [24 CFR 966.4(b)(4)].

The notice of proposed adverse action must identify the specific grounds for the action and inform the family of their right for a hearing under County Housing grievance procedures. County Housing

must not take the proposed action until the time for the tenant to request a grievance hearing has expired, or (if a hearing was requested within the required timeframe,) the grievance process has been completed [24 CFR 966.4(e)(8)].

#### County Housing Policy

If the family fails to pay their rent by the fifth day of the month, and County Housing has not agreed to accept payment at a later date, a 14-day Notice to Vacate will be issued to the resident for failure to pay rent, demanding payment in full or the surrender of the premises.

When a check is returned for insufficient funds or is written on a closed account, the rent will be considered unpaid, and a returned check fee of \$25.00 will be charged to the family. The fee will be due and payable 14 days after billing.

#### **Maintenance and Damage Charges**

If County Housing charges the tenant for maintenance and repair beyond normal wear and tear, the lease must state the basis for the determination of such charges [24 CFR 966.4(b)(2)].

Schedules of special charges for services and repairs which are required to be incorporated in the lease by reference must be publicly posted in a conspicuous manner in the development office and must be furnished to applicants and tenants on request [24 CFR 966.5].

The lease must provide that charges for maintenance and repair beyond normal wear and tear are not due and collectible until two weeks after County Housing gives written notice of the charges. The written notice is considered an adverse action and must meet the requirements governing a notice of adverse action [24 CFR 966.4(b)(4)].

The notice of proposed adverse action must identify the specific grounds for the action and inform the family of their right for a hearing under County Housing's grievance procedures. County Housing must not take the proposed action until the time for the tenant to request a grievance hearing has expired, or (if a hearing was requested within the required timeframe,) the grievance process has been completed [24 CFR 966.4(e)(8)].

#### County Housing Policy

When applicable, families will be charged for maintenance and/or damages according to County Housing's current schedule. Work that is not covered in the schedule will be charged based on the actual cost of labor and materials to make needed repairs (including overtime, if applicable).

Notices of maintenance and damage charges will be mailed monthly and will be in accordance with requirements regarding notices of adverse actions. Charges are due and payable 14 calendar days after billing. If the family requests a grievance hearing within the required timeframe, County Housing may not take action for nonpayment of the charges until the conclusion of the grievance process.

Nonpayment of maintenance and damage charges is a violation of the lease and is grounds for eviction.

## **PART II: INSPECTIONS**

### **8-II.A. OVERVIEW**

County Housing is obligated to maintain safe and habitable dwelling units and to make necessary repairs to dwelling [24 CFR 966.4(e)]. The National Standards for the Inspection Physical Inspection of Real Estate (NSPIRE) are the standard under which HUD housing units, including those under the public housing program, are inspected. NSPIRE ensures that residents of public housing live in safe, habitable dwellings, and the items and components located inside, outside, and within the units are functionally adequate, operable, and free of health and safety hazards [24 CFR 5.703(a)]. Further, units must comply with state and local code requirements (such as fire, mechanical, plumbing, carbon monoxide, property maintenance, and residential code) [24 CFR 5.703(f)] as well as with all requirements related to the evaluation and control of lead-based paint hazards [24 CFR 5.703(e)(2)].

Under NSPIRE, public housing units are subject to three types of inspections: annual self-inspections, NSPIRE inspections (which are used to assess and score County Housing under the Public Housing Assessment System (PHAS)), and NSPIRE Plus inspections (which are triggered by poor property conditions). HUD regulations also require County Housing to inspect each public housing unit prior to move-in and at move-out. County Housing may require additional inspections in accordance with County Housing policy. This part contains County Housing's policies governing inspections, notification of unit entry, and repair timelines. This section also discusses inspections conducted by County Housing and inspections conducted by HUD's Real Estate Assessment Center (REAC).

### **8-II.B. PHA-CONDUCTED INSPECTIONS**

County Housing is obligated to maintain dwelling units and the project in safe and habitable condition and to make necessary repairs to dwelling units [24 CFR 966.4(e)].

#### **Types of PHA-Conducted Inspections**

##### **Move-In Inspections [24 CFR 966.4(i)]**

The lease must require County Housing and the family to inspect the dwelling unit prior to occupancy to determine the condition of the unit and equipment in the unit. A copy of the initial inspection, signed by County Housing and the tenant, must be provided to the tenant, and retained in the resident file.

##### County Housing Policy

Any adult family member may attend the initial inspection and sign the inspection form for the head of household.

##### **Move-Out Inspections [24 CFR 966.4(i)]**

County Housing must inspect the unit at the time the resident vacates the unit and must allow the resident to participate in the inspection if he or she wishes unless the tenant vacates without notice to County Housing. County Housing must provide the tenant with a statement of any charges to be made for maintenance and damage beyond normal wear and tear.

The difference between the condition of the unit at move-in and move-out establishes the basis for any charges against the security deposit so long as the work needed exceeds that for normal wear and tear.

County Housing Policy

When applicable, County Housing will provide the tenant with a statement of charges to be made for maintenance and damage beyond normal wear and tear, within 10 business days of conducting the move-out inspection.

**Self-Inspections [24 CFR 5.707]**

All PHAs are required to self-inspect their properties, including all units, annually to ensure they are maintained in accordance with NSPIRE standards in 24 CFR 5.703. As part of the self-inspection process, PHAs must ensure that deficiencies previously cited and repaired as a result of an NSPIRE inspection have not subsequently failed.

County Housing must maintain the results of self-inspections for three years and must provide the results to HUD upon request.

**Quality Control Inspections**

The purpose of quality control inspections is to ensure that all defects were identified in the original inspection and that repairs were completed within an acceptable time frame.

County Housing Policy

Supervisory quality control inspections will be conducted in accordance with the County Housing's maintenance plan.

**Special Inspections**

County Housing Policy

County Housing staff may conduct a special inspection for any of the following reasons:

- Housekeeping
- Unit condition
- Suspected lease violation
- Preventive maintenance
- Routine maintenance
- There is reasonable cause to believe an emergency exists

**Other Inspections**

County Housing Policy

Building exteriors, grounds, common areas, and systems will be inspected annually.

**Notice of Entry**

***Non-emergency Entries [24 CFR 966.4(j)(1)]***

County Housing may enter the unit with reasonable advance notification to perform routine inspections and maintenance, make improvements and repairs, or show the unit for re-leasing. A written statement specifying the purpose of County Housing entry delivered to the dwelling unit at least two days before such entry is considered reasonable advance notification.

### County Housing Policy

County Housing will notify the resident in writing at least 48 hours prior to any non-emergency inspection.

For regular annual self-inspections, the family will receive at least one week's written notice of the inspection to allow the family to prepare the unit for it.

Entry for repairs requested by the family will not require prior notice. Resident-requested repairs presume permission for County Housing to enter the unit.

Except for emergencies, management will not enter the dwelling unit to perform inspections where a pet resides unless accompanied for the entire duration of the inspection by the pet owner or a responsible person designated by the pet owner in accordance with pet policies in Chapter 10 of this ACOP.

### ***Emergency Entries [24 CFR 966.4(j)(2)]***

County Housing may enter the dwelling unit at any time without advance notice when there is reasonable cause to believe that an emergency exists. If no adult household member is present at the time of an emergency entry, County Housing must leave a written statement showing the date, time, and purpose of the entry prior to leaving the dwelling unit.

### **Scheduling of PHA-Conducted Inspections**

#### County Housing Policy

Inspections will be conducted during business hours. If a family needs to reschedule an inspection, they must notify County Housing at least 24 hours prior to the scheduled inspection. County Housing will reschedule the inspection no more than once unless the resident has a verifiable good cause to delay the inspection. County Housing may request verification of such cause.

### **Attendance at Inspections**

Residents are required to be present for move-in inspections [24 CFR 966.4(i)]. There is no such requirement for other types of inspections.

#### County Housing Policy

While the resident is required to be present for move-in inspections, the resident is not required to be present for other types of inspections. The resident may attend the inspection if they wish.

If no one is at home, the inspector will enter the unit, conduct the inspection, and leave a copy of the inspection report in the unit.

### **Repairs**

Correction timeframes differ depending on whether repairs are considered emergency or non-emergency repairs.

### **Emergency Repairs [24 CFR 966.4(h)]**

If the unit is damaged to the extent that conditions are created that are hazardous to the life, health, or safety of the occupants, the tenant must immediately notify County Housing of the damage, and County Housing must make repairs within a reasonable time frame. Under NSPIRE, County Housing must correct all life-threatening and severe deficiencies within 24 hours.

If the damage was caused by a household member or guest, County Housing must charge the family for the reasonable cost of repairs. County Housing may also take lease enforcement action against the family.

If County Housing cannot make repairs quickly, it must offer the family standard alternative accommodations. If County Housing can neither repair the defect within a reasonable time frame nor offer alternative housing, rent shall be abated in proportion to the seriousness of the damage and loss in value as a dwelling. Rent shall not be abated if the damage was caused by a household member or guest or if the resident rejects the alternative accommodations.

### **Non-emergency Repairs**

#### County Housing Policy

County Housing will correct deficiencies resulting in a non-emergency work order identified during a County Housing-conducted inspection within 15 business days of the inspection date. If County Housing is unable to make repairs within that period due to circumstances beyond County Housing's control (e.g., required parts or services are not available, weather conditions, etc.), it will notify the family of an estimated date of completion.

The family must allow County Housing access to the unit to make repairs.

Except for emergencies, management will not enter the dwelling unit to perform repairs where a pet resides unless accompanied for the entire duration of the repair by the pet owner or a responsible person designated by the pet owner in accordance with the pet policies in Chapter 10 of this ACOP.

### **Resident-Caused Damages**

#### County Housing Policy

Damages to the unit beyond wear and tear will be billed to the tenant in accordance with the policies in 8-I.F., Maintenance and Damage Charges.

Repeated or excessive damage to the unit beyond normal wear and tear will be considered a serious or repeated violation of the lease.

### **Housekeeping**

#### County Housing Policy

Residents whose housekeeping habits pose a non-emergency health or safety risk, encourage insect or rodent infestation, or damage the unit are in violation of the lease. In these instances, County Housing will provide proper notice of a lease violation.

A reinspection will be conducted within 30 days to confirm that the resident has complied with the requirement to abate the problem. Failure to abate the problem or allow for a reinspection is considered a violation of the lease and may result in termination of tenancy in accordance with Chapter 13.

Notices of lease violation will also be issued to residents who purposely disengage the unit's smoke detector and/or carbon monoxide alarm. Only one warning will be given. A second incidence will result in lease termination.

### **8-II.C. NSPIRE INSPECTIONS [24 CFR 5.705(c); Notice PIH 2023-16]**

During an NSPIRE inspection, REAC inspectors will inspect areas and associated items or components that are listed in the regulations as affirmative requirements and those included within the NSPIRE standards. For most properties, the frequency of NSPIRE inspections is determined by the date of the prior inspection and the score received.

#### **Notice to Residents [Notice PIH 2023-16]**

County Housing must provide notice to all residents as described in 24 CFR 5.711(h) and the lease.

##### County Housing Policy

County Housing will provide all residents with at least seven days' notice of an NSPIRE inspection. Notice will be provided through multiple communication methods, including by posting a notice on each resident's door and through email. All materials, notices, and communications to families regarding the inspection will be clearly communicated and provided in a manner that is effective for persons with hearing, visual, and other communication-related disabilities consistent with Section 504 of the Rehabilitation Act (Section 504) and HUD's Section 504 regulation, and Titles II or III of the Americans with Disabilities Act (ADA) and implementing regulations.

#### **24-Hour Corrections [24 CFR 5.711(c); Notice PIH 2023-16]**

At the conclusion of the NSPIRE inspection, or at the end of the day on multi-day inspections, HUD provides County Housing with a list of life-threatening and severe deficiencies. County Housing must correct all life-threatening and severe deficiencies within 24 hours, with certification of correction submitted to HUD within two business days of receipt of notification of the deficiency.

If permanent repair will take longer than the allowable time in the relevant standard for the deficiency, County Housing must provide HUD with a timeframe for completing permanent repairs and submit evidence that the repair is in progress. Any extension to the allowable time for rectifying the deficiency is allowed only upon HUD approval for good cause.

##### County Housing Policy

County Housing will correct all life-threatening and severe deficiencies within 24 hours. Correcting the deficiency means County Housing will resolve or sufficiently address the deficiency in a manner that it no longer poses a severe health or safety risk to residents or the hazard is blocked until permanent repairs can be completed. A correction could include controlling or blocking access to the hazard by performing a temporary relocation of the resident while repairs are made.

While County Housing will complete all repairs expeditiously, if a permanent repair is not possible within 24 hours, County Housing will correct the deficiency by performing an interim repair to remove the health and safety hazard. If the correction is temporary or professional services or materials are unavailable within 24 hours, County Housing will provide a target date for permanent correction. Such interim repairs will be fully completed within a reasonable timeframe approved by HUD.

The family must allow County Housing access to the unit to make repairs.

#### **Non-emergency Repairs**

Under NSPIRE, County Housing must correct moderate deficiencies within 30 days and low deficiencies within 60 days or as otherwise provided in the NSPIRE standards. Repairs should be

permanent fixes unless otherwise approved by HUD in writing. HUD may also prescribe timelines in Corrective Action Plans as defined in 24 CFR 902.3 or Corrective Action Agreements as described in 24 CFR 902.105.

#### County Housing Policy

If County Housing is unable to make repairs within the periods identified in the NSPIRE standards due to circumstances beyond County Housing's control (e.g., required parts or services are not available, weather conditions, etc.), County Housing will provide HUD with a timeframe for completing permanent repairs and obtain HUD approval. County Housing will also notify the family of an estimated date of completion.

The family must allow County Housing access to the unit to make repairs.

Except for emergencies, management will not enter the dwelling unit to perform repairs where a pet resides unless accompanied for the entire duration of the repair by the pet owner or a responsible person designated by the pet owner in accordance with the pet policies in Chapter 10 of this ACOP.

## **EXHIBIT 8-1: SMOKE-FREE POLICY**

In accordance with HUD regulations, the County Housing has adopted these smoke-free policies.

Due to the increased risk of fire, increased maintenance costs, and the known health effects of secondhand smoke, smoking is prohibited in all living units and interior areas, including but not limited to hallways, rental and administrative offices, community centers, daycare centers, laundry centers, and similar structures. Smoking is also prohibited in outdoor areas within 25 feet of public housing and administrative office buildings.

This policy applies to all employees, residents, household members, guests, and service persons. Residents are responsible for ensuring that household members and guests comply with this rule.

The term “smoking” means any inhaling, exhaling, burning, or carrying any lighted cigar, cigarette, pipe, or other prohibited tobacco or marijuana product in any manner or any form. Prohibited products include water pipes, hookahs, and e-cigarettes.

Violation of the smoke-free policy constitutes a violation of the terms of the public housing lease. Consequences of lease violations include termination of tenancy.

### **COUNTY HOUSING POLICIES**

#### **Designated Smoking Areas (DSA)**

County Housing has not designated any smoking areas on County Housing property. Residents may not discard smoking products on the property.

#### **Electronic Nicotine Delivery Systems (ENDS)**

Electronic nicotine delivery systems (ENDS) include e-cigarettes, nicotine inhalers, and vaping devices.

The use of ENDS is not permitted in public housing units, common areas, or outdoor areas within 25 feet of housing and administrative buildings.

#### **Effective Date**

County Housing’s effective date(s) of this smoke-free policy is/are as follows:

The smoke-free policy is effective for all residents, household members, employees, guests, and service persons as of January 01, 2018.

#### **Enforcement**

County Housing must enforce smoke-free policies when a resident violates this policy. When enforcing the lease, County Housing will provide due process and allow residents to exercise their right to an informal settlement and formal hearing. County Housing will not evict a resident for a single incident of smoking in violation of this policy. As such, County Housing will implement a graduated enforcement framework that includes escalating warnings. Prior to pursuing eviction for violation of smoke-free policies, County Housing will take specific, progressive monitoring and enforcement actions while at the same time educating tenants and providing smoking cessation information. County Housing’s progressive monitoring and enforcement actions are as follows:

1. Residents found in violation of this policy will be deemed in violation of their lease. The first offense will be a written warning from County Housing staff.
2. The second offense will consist of a second written warning from County Housing staff.

3. The third offense within a 12-month period will result in the resident receiving a 30-day Notice to Vacate.

Residents are responsible for assuring all visitors to their residence adhere to this policy. Should residents fail to ensure visitors refrain from smoking in the units or on the property, corrective action as indicated above will be enforced by County Housing staff.

The following will constitute a policy violation:

- County Housing staff witnesses a resident or resident’s visitor smoking.
- A lighted product in an ashtray or other receptacle inside a unit or on County Housing property.
- Damage to the interior or exterior of the property determined to be the result of burns caused by smoking products.
- Evidence of smoking in the unit including but not limited to, smoking product smells, smoke film or smoke damage to walls, smoke clogged filters, or evidence of ashes on any surface within the unit or on the grounds.
- Fire caused by smoking products.

**Reasonable Accommodation**

While addiction to nicotine or smoking is not a disability, County Housing will provide reasonable accommodation to persons with disabilities who smoke that are in compliance with the requirements of this smoke-free policy.

**Tenant Acknowledgement**

I have read and understood County Housing’s Smoke-Free Policy. I agree to fully comply with its provisions and understand that failure by me, my household member, or guests to follow this policy may result in the termination of my lease.

## **EXHIBIT 8-2: BED BUG POLICY**

County Housing is committed to providing prompt and effective responses to any residents who suspect the presence of bed bugs in their housing unit or community. To ensure the safety and comfort of all residents, the following policies must be followed. These policies apply to all employees, residents, household members, guests, and service persons. Residents are responsible for ensuring that household members and guests comply with this rule.

### **COUNTY HOUSING POLICIES**

#### **Reporting**

If a resident suspects the presence of bed bugs, their property manager must be contacted immediately. Any County Housing staff who becomes aware of a possible bed bug issue must also contact the appropriate property manager.

#### **Exterminator Inspection**

Upon notification of a bed bug issue, property managers must immediately notify a professional pest control company and request that an exterminator be dispatched to the affected unit for an inspection. County Housing is responsible for contacting pest control services; residents may not contact or hire their own third-party service.

Some pest control companies may not be able to dispatch exterminators during weekends, holidays, or outside regular business hours so it is vital that any suspected infestations be reported to property management as early as possible.

Once the inspection is scheduled, residents must grant the exterminator access to the unit. If residents are unable to attend the inspection to grant access, County Housing will provide access to the exterminator. Residents must notify County Housing if they are unable to attend the inspection.

#### **Exterminator Findings**

If the exterminator reports that no bed bugs were found, no further action will be taken. Residents should continue to monitor their units and report any new concerns to property management.

If the exterminator confirms that bed bugs are present, the resident will be provided with a list of instructions for the removal and laundering of personal items. County Housing is not responsible for any laundry services, drying services, dry-cleaning services, or their associated costs.

#### **Treatment**

Successful treatment of bed bugs requires more than insecticides. Residents must cooperate and follow the instructions outlined in the list provided by the exterminator.

After the treatment is completed, the exterminator will return for a follow-up visit to confirm if it is safe to return to the unit. In some cases, the exterminator may suggest additional treatment.

#### **Violations**

Any interference with the treatment process or failure to comply with the checklist will result in a lease violation, which could lead to termination of the lease.

Bed bugs are a serious community issue, and residents are required to follow the exterminator and County Housing's instructions within 24 hours of the determination that bed bugs are present.

## Chapter 9

### REEXAMINATIONS

[24 CFR 960.257, 960.259, 966.4]

#### INTRODUCTION

County Housing is required to reexamine each family's income and composition periodically, and to adjust the family's rent accordingly. PHAs must adopt policies for conducting annual and interim reexaminations that are consistent with regulatory requirements and must conduct reexaminations in accordance with such policies [24 CFR 960.257(c)].

The frequency with which PHAs must reexamine the income and composition of a family depends on whether the family pays income-based rent or flat rent. HUD requires PHAs to offer all families the choice of paying income-based rent or flat rent at least annually. County Housing's policies for offering families a choice of rent are located in Chapter 6.

This chapter discusses both annual and interim reexaminations.

Part I: Annual Reexaminations for Families Paying Income-Based Rents. This part discusses the requirements for annual reexamination of income and family composition. Full reexaminations are conducted at least once a year for families paying income-based rents.

Part II: Reexaminations for Families Paying Flat Rents. This part contains County Housing's policies for conducting full reexaminations of family income and composition for families paying flat rents. These full reexaminations are conducted at least once every three years. This part also contains County Housing's policies for conducting annual updates of family composition for flat rent families.

Part III: Interim Reexaminations. This part includes HUD requirements and County Housing policies related to when a family may and must report changes that occur between annual reexaminations.

Part IV: Recalculating Tenant Rent. After gathering and verifying the required information for an annual or interim reexamination, County Housing must recalculate the tenant's rent. While the basic policies that govern these calculations are provided in Chapter 6, this part describes the policies that affect these calculations during a reexamination.

Part V: Non-Interim Reexamination Transactions. This part describes transactions that do not entail changes to the family's adjusted income.

Policies governing reasonable accommodation, family privacy, required family cooperation, and program abuse, as described elsewhere in this ACOP, apply to annual and interim reexaminations.

## **PART I: ANNUAL REEXAMINATIONS FOR FAMILIES PAYING INCOME-BASED RENTS [24 CFR 960.257]**

### **9-I.A. OVERVIEW**

For those families who choose to pay income-based rent, County Housing must conduct a reexamination of income and family composition at least annually [24 CFR 960.257(a)(1)]. With the exception of over-income families, who must have their income reviewed at 12 and 24 months, for families who choose flat rents, County Housing must conduct a reexamination of family composition at least annually and must conduct a reexamination of family income at least once every 3 years [24 CFR 960.257(a)(2)]. For any non-public housing over-income families, County Housing may not conduct an annual reexamination of family income. Policies related to the reexamination process for families paying flat rent are in Part II of this chapter.

For all residents of public housing, whether those residents are paying income-based or flat rents, County Housing must conduct an annual review of community service requirement compliance. This annual reexamination is also a suitable time to have residents sign consent forms for criminal background checks in case the criminal history of a resident is needed at some point for the purposes of lease enforcement or eviction.

County Housing is required to obtain all the information necessary to conduct reexaminations. How that information will be collected is left to the discretion of County Housing. Families are required to provide current and accurate information on income, assets, allowances and deductions, family composition, and community service compliance as part of the reexamination process [24 CFR 960.259].

Unlike when performing an interim reexamination or at intake, at annual reexamination, County Housing must determine the income of the family for the previous 12-month period, except where it uses a streamlined income determination. Income from assets, however, is always anticipated, irrespective of the income examination type [Notice PIH 2023-27]. PHAs also have the option of using a “safe harbor” income verification from another federal means-tested program to verify gross annual income. Chapter 7 contains County Housing’s policies related to streamlined income determinations and the use of safe harbor income verifications.

This part contains County Housing’s policies for conducting annual reexaminations.

### **9-I. B. SCHEDULING ANNUAL REEXAMINATIONS**

County Housing must establish a policy to ensure that the annual reexamination for each family paying an income-based rent is completed within a 12-month period [24 CFR 960.257(a)(1)].

#### County Housing Policy

Generally, County Housing will schedule annual reexaminations to coincide with the family's anniversary date. County Housing will begin the annual reexamination process approximately 120 days in advance of the scheduled effective date.

*Anniversary date* is defined as 12 months from the effective date of the family’s last annual reexamination or, during a family’s first year in the program, from the effective date of the family’s initial examination (admission).

If the family transfers to a new unit, County Housing will not perform a new annual reexamination.

County Housing may also schedule an annual reexamination for completion prior to the anniversary date for administrative purposes.

### **Notification of and Participation in the Annual Reexamination Process**

County Housing is required to obtain information needed to conduct annual reexaminations. How that information will be collected is left to the discretion of County Housing. However, PHAs should give tenants who were not provided the opportunity to provide contact information at the time of admission the option to complete Form HUD-92006 at this time. PHAs should provide the family with the opportunity to update, change, or remove information from the HUD-92006 at the time of the annual reexamination [Notice PIH 2009-36].

#### County Housing Policy

Families generally are required to participate in an annual reexamination interview, which must be attended by the head of household, spouse, or cohead. If participation in an in-person interview poses a hardship because of a family member's disability, the family should contact County Housing to request a reasonable accommodation (see Chapter 2).

Notification of annual reexamination interviews will be sent by first-class mail and email. It will contain the date, time, and location of the interview. In addition, it will inform the family of the information and documentation that must be brought to the interview.

If the family is unable to attend a scheduled interview, the family should contact County Housing in advance of the interview to schedule a new appointment. In all circumstances, if a family does not attend the scheduled interview, County Housing will send a second notification with a new interview appointment time.

If a family fails to attend two scheduled interviews without County Housing approval, the family will be in violation of their lease, and their assistance may be terminated in accordance with the policies in Chapter 13 of this ACOP.

An advocate, interpreter, or other assistant may assist the family in the reexamination process.

### **9-I.D. CONDUCTING ANNUAL REEXAMINATIONS**

The terms of the public housing lease require the family to furnish information regarding income and family composition as may be necessary for the redetermination of rent, eligibility, and the appropriateness of the housing unit [24 CFR 966.4(c)(2)].

#### County Housing Policy

Families will be asked to bring all required information (as described in the reexamination notice) to the reexamination appointment. The required information will include County Housing-designated reexamination forms, an Authorization for the Release of Information/Privacy Act Notice, as well as supporting documentation related to the family's income, expenses, and family composition.

Any required documents or information that the family is unable to provide at the time of the interview or any stated deadline must be provided within 10 business days of the interview. If the family is unable to obtain the information or materials within the required time frame, the family may request an extension.

If the family does not provide the required documents or information within the required time frame (plus any extensions), the family will be in violation of their lease and may be terminated in accordance with the policies in Chapter 13.

The information provided by the family generally must be verified in accordance with the policies in Chapter 7. Unless the family reports a change, or the agency has reason to believe a change has occurred in information previously reported by the family, certain types of information that are verified at admission typically do not need to be re-verified on an annual basis. These include:

- Legal identity
- Age
- Social Security numbers
- A person's disability status
- Citizenship or immigration status

#### **9-I.D. CALCULATING ANNUAL INCOME AT ANNUAL REEXAMINATION [24 CFR 5.609(c)(2) and Notice PIH 2023-27]**

County Housing must determine the income of the family for the previous 12-month period and use this amount as the family income for annual reexaminations, except where streamlined income determination is used as indicated in Chapter 7 of this policy. PHAs may also use Safe Harbor income determinations dated within the last 12 months from a means-tested federal public assistance program at annual reexamination as outlined in Chapter 7 of this policy.

In determining the family's income for the previous 12-month period, any change of income since the family's last annual reexamination, including those that did not meet the threshold to process an interim reexamination in accordance with County Housing policies and 24 CFR 5.657(c) or 960.257(b), must be considered.

Income from assets is always anticipated, irrespective of the income examination type.

A change in income may be a loss of income or the addition of a new source of income. Changing to a different employer in the prior year does not necessarily constitute a change if the income earned from either employer is substantially the same. County Housing should look at the entirety of the family's unearned income and earned income from the prior year in which earned income may have been one constant job or many different jobs that start and stop.

Cost of Living Adjustments (COLA) to Social Security income and Social Security disability income are always considered changes to income because the COLA is an adjustment that automatically occurs annually by law. See Chapter 6 for County Housing policies on when the COLA is applied and Chapter 7 on streamlined determination of income for inflationary adjustments.

Notice PIH 2023-27 lists the following steps to calculate both earned and unearned income at annual reexamination.

**Step 1:** County Housing determines annual income for the previous 12-month period by reviewing the following information:

- The EIV Income Report pulled within 120 days of the effective date of the annual reexamination;
- The income reported on the most recent HUD-50058; and

- The amount of prior-year income reported by the family on County Housing’s annual reexamination paperwork.

**Step 2:** County Housing takes into consideration any interim reexamination of family income completed since the last annual reexamination.

- If there was an interim reexamination performed, County Housing must use the annual income from the interim to determine the family’s total annual income, provided there are no additional changes.
- If County Housing did not perform an interim or there have been changes since the last reexamination, County Housing moves to Step 3.

**Step 3:** If there were changes in annual income not processed by County Housing since the last reexamination, County Housing must use current income. The family will be required to report their income for the prior year and whether there have been permanent changes.

If there are no reported changes to an income source, County Housing may use documentation of prior-year income to calculate the annual income. For example, County Housing may use the following documentation:

- EIV + self-certification (wages, Supplemental Security Income (SSI), Social Security, and unemployment)
- Current written third-party verification from the source verifying prior-year income that is dated within 120 days of receipt by County Housing, for example:
  - Year-end statements
  - Paycheck with year-to-date amounts
  - Tax forms (Form 1040, W2, 1099, etc.)

If there are reported changes by the family or County Housing notes discrepancies between EIV and what the family reports, County Housing must follow the verification hierarchy (described in Chapter 7) to document and verify income. Exhibit 9-1 provides detailed examples of how County Housing calculates income from different sources at annual reexamination using the above method.

## **9-I.E. OTHER CONSIDERATIONS**

### **Change in Unit Size**

Changes in family or household composition may make it appropriate to consider transferring the family to comply with occupancy standards. County Housing may use the results of the annual reexamination to require the family to move to an appropriate size unit [24 CFR 960.257(a)(4)]. Policies related to such transfers are in Chapter 12.

### **Criminal Background Checks**

Information obtained through criminal background checks may be used for lease enforcement and eviction [24 CFR 5.903(e)(1)(ii)]. Criminal background checks of residents will be conducted in accordance with the policy in Section 13-IV.B.

### County Housing Policy

Each household member, age 18 and over, will be required to execute a consent form for a criminal background check as part of the annual reexamination process.

Additionally, HUD recommends that at annual reexaminations PHAs ask whether the tenant, or any member of the tenant's household, is subject to a lifetime sex offender registration requirement in any state [Notice PIH 2012-28].

### County Housing Policy

At the annual reexamination, County Housing will ask whether the tenant, or any member of the tenant's household, is subject to a lifetime sex offender registration requirement in any state. County Housing will use the Dru Sjodin National Sex Offender database to verify the information provided by the tenant.

If County Housing proposes to terminate assistance based on lifetime sex offender registration information, it must notify the household of the proposed action and must provide the subject of the record and the tenant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to termination [24 CFR 5.903(f) and 5.905(d)] (see Chapter 13).

### **Compliance with Community Service**

For families who include nonexempt individuals, County Housing must determine compliance with community service requirements once every 12 months [24 CFR 960.257(a)(3)].

See Chapter 11 for County Housing's policies governing compliance with the community service requirement.

### **9-I.F. EFFECTIVE DATES**

As part of the annual reexamination process, County Housing must make appropriate adjustments in the rent after consultation with the family and upon verification of the information [24 CFR 960.257(a)(1)].

### County Housing Policy

In general, an *increase* in the tenant rent that results from an annual reexamination will take effect on the family's anniversary date, and the family will be notified at least 30 days in advance.

If less than 30 days remain before the scheduled effective date, the increase will take effect on the first of the month following the end of the 30-day notice period.

If County Housing chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by County Housing, but will always allow for the 30-day notice period.

If the family causes a delay in processing the annual reexamination, *increases* in the tenant rent will be applied retroactively to the scheduled effective date of the annual reexamination. The family will be responsible for any underpaid rent and may be offered a repayment agreement in accordance with the policies in Chapter 16.

In general, a *decrease* in the tenant rent that results from an annual reexamination will take effect on the family's anniversary date.

If County Housing chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by County Housing.

If the family causes a delay in processing the annual reexamination, *decreases* in the tenant rent will be applied retroactively to the scheduled effective date of the annual reexamination.

Delays in reexamination processing are considered to be caused by the family if the family fails to provide information requested by County Housing by the date specified, and this delay prevents County Housing from completing the reexamination as scheduled.

**PART II: REEXAMINATIONS FOR FAMILIES PAYING FLAT RENTS**  
**[24 CFR 960.253(f)]**

**9-II.A. OVERVIEW**

HUD requires that County Housing offer all families the choice of paying income-based rent or flat rent at least annually. County Housing’s policies for offering families a choice of rent are located in Chapter 6.

For families who choose flat rents, County Housing must conduct a reexamination of family composition at least annually and must conduct a reexamination of family income at least once every three years [24 CFR 960.253(f)]. County Housing is only required to provide the amount of income-based rent the family might pay in those years that County Housing conducts a full reexamination of income and family composition, or upon request of the family after the family submits updated income information [24 CFR 960.253(e)(2)]. However, these regulations are not applicable to over-income families. Once an over-income determination is made, County Housing must conduct an interim reexamination at 12 and 24 months, as applicable, to determine if the family remains over-income [Notice PIH 2023-03].

As it does for families that pay income-based rent, County Housing must also review compliance with the community service requirement for families with nonexempt individuals.

This part contains County Housing’s policies for conducting reexaminations of families who choose to pay flat rents.

**9-II.B. FULL REEXAMINATION OF FAMILY INCOME AND COMPOSITION**

**Frequency of Reexamination**

County Housing Policy

For families paying flat rents, County Housing will conduct a full reexamination of family income and composition annually.

**Reexamination Policies**

County Housing Policy

In conducting full reexaminations for families paying flat rents, County Housing will follow the policies used for the annual reexamination of families paying income-based rent as set forth in Sections 9-I.B through 9-I.E above.

***Change in Unit Size***

Changes in family or household composition may make it appropriate to consider transferring the family to comply with occupancy standards. County Housing may use the results of the annual update to require the family to move to an appropriate size unit [24 CFR 960.257(a)(4)]. Policies related to such transfers are in Chapter 12.

***Criminal Background Checks***

Information obtained through criminal background checks may be used for lease enforcement and eviction [24 CFR 5.903(e)]. Criminal background checks of residents will be conducted in accordance with the policy in Section 13-IV.B.

County Housing Policy

Each household member aged 18 and over will be required to execute a consent form for criminal background check as part of the annual reexamination process.

***Compliance with Community Service***

For families who include nonexempt individuals, County Housing must determine compliance with community service requirements once every 12 months [24 CFR 960.257(a)(3)].

See Chapter 11 for County Housing's policies governing compliance with the community service requirement.

## **PART III: INTERIM REEXAMINATIONS [24 CFR 960.257; 24 CFR 966.4]**

### **9-III.A. OVERVIEW**

Family circumstances may change during the period between annual reexaminations. HUD and County Housing policies define the types of information about changes in family circumstances that must be reported and under what circumstances County Housing must process interim reexaminations to reflect those changes.

A family may request an interim determination of family income or composition because of any changes since the last determination. County Housing must conduct any interim reexamination within a reasonable period of time after the family request or when County Housing becomes aware of a change in the family's adjusted income that must be processed in accordance with HUD regulations. What qualifies as a "reasonable time" may vary based on the amount of time it takes to verify information, but County Housing generally should conduct the interim reexamination not longer than 30 days after becoming aware of changes in income.

Notice PIH 2023-27 changes the conditions under which interim reexaminations must be conducted, codifies when interim reexaminations should be processed and made effective, and requires related changes for annual reexaminations and streamlined income determinations. When County Housing determines that an interim reexamination of income is necessary, they must ask the family to report changes in all aspects of adjusted income.

### **9-III.B. CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION**

#### **Reporting**

PHAs must require families to report household composition changes; however, PHAs determine the timeframe in which reporting happens [Notice PIH 2023-27]. County Housing must adopt policies prescribing when and under what conditions the family must report changes in family composition [24 CFR 960.257(b)(5)].

Changes in family or household composition may make it appropriate to consider transferring the family to comply with occupancy standards. Policies related to such transfers are in Chapter 12.

#### County Housing Policy

All families, those paying income-based rent as well as flat rent, must report all changes in family and household composition that occur between annual reexaminations within 10 business days.

County Housing will conduct interim reexaminations to account for any changes in household composition that occur between annual reexaminations.

#### **New Family Members Not Requiring Approval**

The addition of a family member because of birth, adoption, or court-awarded custody does not require County Housing approval. However, the family is required to promptly notify County Housing of the addition [24 CFR 966.4(a)(1)(v)].

#### **New Family and Household Members Requiring Approval**

Except for children who join the family because of birth, adoption, or court-awarded custody, a family must request County Housing approval to add a new family member [24 CFR 966.4(a)(1)(v)] or other household members (live-in aide or foster child) [24 CFR 966.4(d)(3)].

County Housing may adopt reasonable policies concerning residence by a foster child or a live-in aide, and defining the circumstances in which consent will be given or denied. Under such policies, the factors considered by County Housing may include [24 CFR 966.4(d)(3)(i)]:

- Whether the addition of a new occupant may necessitate a transfer of the family to another unit, and whether such units are available.
- County Housing's obligation to make reasonable accommodations for persons with disabilities.

#### County Housing Policy

Families must request County Housing approval to add a new family member, live-in aide, foster child, or foster adult. This includes any person not on the lease who is expected to stay in the unit for more than 14 consecutive days or a total of 30 cumulative calendar days during any 12-month period and, therefore, no longer qualifies as a "guest." Requests must be made in writing and approved by County Housing prior to the individual moving into the unit.

If adding a person to a household (other than a child by birth, adoption, or court-awarded custody) will require a transfer to a larger size unit (under the transfer policy in Chapter 12), County Housing will approve the addition only if the family can demonstrate that there are medical needs or other extenuating circumstances, including reasonable accommodation, that County Housing should consider. Exceptions will be made on a case-by-case basis.

County Housing will not approve the addition of a new family or household member unless the individual meets its eligibility criteria (see Chapter 3) and documentation requirements (see Chapter 7).

If County Housing determines that an individual does not meet its eligibility criteria or documentation requirements, County Housing will notify the family in writing of its decision to deny approval of the new family or household member and the reasons for the denial.

County Housing will make its determination within 10 business days of receiving all information required to verify the individual's eligibility.

#### **Departure of a Family or Household Member**

The family must promptly notify County Housing if any household member (including a live-in aide, foster child, or foster adult) no longer lives in the unit. County Housing must process an interim for all decreases in adjusted income when a family member permanently moves out of the unit.

#### County Housing Policy

If a family member ceases to reside in the unit, the family must inform County Housing within 10 business days. This requirement also applies to family members who were considered temporarily absent and are now permanently absent.

If a live-in aide, foster child, or foster adult ceases to reside in the unit, the family must inform County Housing within 10 business days.

#### **9-III.C. CHANGES AFFECTING INCOME OR EXPENSES**

This section only applies to families paying income-based rent. Families paying flat rent are not required to report changes in income or expenses.

Interim reexaminations for changes in income or expenses may be scheduled either because County Housing has reason to believe that changes in income or expenses may have occurred, or because the family reports a change.

County Housing must estimate the income of the family for the upcoming 12-month period to determine family income for an interim reexamination [24 CFR 5.609(c)(1)]. Policies for projecting income are found in Chapter 6.

### **PHA-initiated Interim Reexaminations**

PHA-initiated interim reexaminations are those that are scheduled based on circumstances or criteria defined by County Housing. They are not scheduled because of changes reported by the family.

#### County Housing Policy

County Housing will conduct interim reexaminations at any time to correct an error in a previous reexamination or to investigate a tenant fraud complaint.

### **Interim Decreases [24 CFR 960.257(b)(2) and Notice PIH 2023-27]**

A family may request an interim determination of family income for any change since the last determination. However, County Housing may decline to conduct an interim reexamination if it estimates the family's adjusted income will decrease by an amount that is less than 10 percent of the family's adjusted income. County Housing may set a lower threshold in its policy, such as performing an interim for any decreases in adjusted income, although HUD prohibits setting a dollar-figure threshold.

However, while County Housing has some discretion, HUD requires that the PHAs perform an interim reexamination for a decrease in adjusted income of any amount in two circumstances:

- When there is a decrease in family size attributed to the death of a family member; or
- When a family member permanently moves out of the assisted unit during the period since the family's last reexamination.

In the above circumstances, County Housing must perform an interim reexamination for any decrease in adjusted income.

If the net effect of the changes in adjusted income due to a decrease in family size results in no change or an increase in annual adjusted income, then County Housing must process the removal of the household member(s) as a non-interim reexamination transaction without making changes to the family's annual adjusted income.

#### County Housing Policy

County Housing will conduct an interim reexamination any time the family's adjusted income has decreased by any amount.

### **Interim Increases [24 CFR 982.516(c)(3) and Notice PIH 2023-27]**

#### ***Increases Less than 10 Percent***

PHAs must not process interim reexaminations for income increases that result in less than a 10 percent increase in annual adjusted income.

### ***Increases 10 Percent or Greater***

PHAs must conduct an interim reexamination of family income when the PHA becomes aware that the family's adjusted income has changed by an amount that the PHA estimates will result in an increase of 10 percent or more in adjusted income, with the following exceptions:

- PHAs may not consider any increases in earned income when estimating or calculating whether the family's adjusted income has increased unless the family has previously received an interim reduction during the same reexamination cycle; and
- PHAs may choose not to conduct an interim reexamination during the last three months of a certification period if a family reports an increase in income within three months of the next annual reexamination effective date.

When the family previously received an interim reexamination for a decrease to adjusted income during the same annual reexamination cycle, a PHA has the discretion whether to consider a subsequent increase in earned income.

#### County Housing Policy

When a family reports an increase in their earned income between annual reexaminations, County Housing will not conduct an interim reexamination, regardless of the amount of the increase, and regardless of whether there was a previous decrease since the family's last annual reexamination.

County Housing will process an interim reexamination for any increases in unearned income of 10 percent or more in adjusted income.

County Housing will not perform an interim reexamination when a family reports an increase in income (whether earned or unearned income) within three months of their annual reexamination effective date. However, families who delay reporting income increases until the last three months of their certification period may be subject to retroactive rent increases in accordance with County Housing policies in Chapter 15.

### ***Concurrent Increases in Earned and Unearned Income [Notice PIH 2023-27]***

When the family reports an increase in both earned and unearned income at the same time, County Housing must look at the earned and unearned income changes independently of each other to determine if an interim reexamination is performed. County Housing will only conduct an interim reexamination when the increase independently meets the 10 percent threshold and all other requirements for performing interim reexaminations. For example, if a family reported increases in both earned and unearned income that overall resulted in a 12 percent increase in their adjusted income, but the change in earned income represented a 7 percent increase, and the change in unearned income represented a 5 percent increase, County Housing will not perform an interim for either change since neither change meets the 10 percent threshold amount independently. If the change in unearned income met the 10 percent threshold in this case, County Housing would be required to perform an interim. If the change in earned income met the 10 percent threshold in this case, County Housing would not perform an interim.

### ***Cumulative Increases [Notice PIH 2023-27]***

A series of smaller reported increases in adjusted income may cumulatively meet or exceed the 10-percent increase threshold, at which point County Housing must conduct an interim reexamination in accordance with its policy.

***Public Housing Over-Income Families [24 CFR 960.507(c); Notice PIH 2020-3; and Notice PIH 2023-27]***

Regardless of changes in adjusted income, in some circumstances, County Housing is required to conduct an interim reexamination to determine whether a family's income continues to exceed the public housing over-income limit. PHAs are required to conduct income examinations of public housing families who have been determined to exceed the over-income limit at specific intervals. When a PHA makes an initial determination that a family is over-income during an interim reexamination, it must conduct a second interim reexamination 12 months after the over-income determination, and then again 12 months after the second over-income determination, unless the family's income falls below the over-income limit during the 24-month period. This continued evaluation of the family's over-income status requires PHAs to notify any family that exceeds the over-income limit that they remain over the income limit, even if the family is paying the flat rent [24 CFR 960.253]. An interim income reexamination to determine if a public housing family remains over-income does not reset the family's normal annual reexamination date.

***Family Reporting***

County Housing must adopt policies consistent with HUD regulations prescribing when and under what conditions the family must report a change in family income or composition [24 CFR 960.257(b)(5)].

When County Housing determines that an interim reexamination of income is necessary, it must ask the family to report changes in all aspects of adjusted income. For example, if the family reports a decrease in adjusted income of more than 10 percent, but the family also had a change in assets that would result in a change in income, the change in assets must also be reviewed [Notice PIH 2023-27].

County Housing Policy

The family will be required to report all changes in income regardless of the amount of the change, whether the change is to earned or unearned income, or if the change occurred during the last three months of the certification period. Families must report changes in income within 10 business days of the date the change takes effect. The family may notify County Housing of changes either orally or in writing. If the family provides oral notice, County Housing may also require the family to submit the changes in writing.

Within 10 business days of the family reporting the change, County Housing will determine whether the change will require an interim reexamination.

If the change will not result in an interim reexamination, County Housing will note the information in the tenant file but will not conduct an interim reexamination. County Housing will send the family written notification within 10 business days of making this determination informing the family that it will not conduct an interim reexamination.

If the change will result in an interim reexamination, County Housing will determine the documentation the family will be required to submit based on the type of change reported and the policies in Chapter 7. County Housing will ask the family to report changes in all aspects of adjusted income at this time. The family must submit any required information or documents within 10 business days of receiving a request. This time frame may be extended for good cause with County Housing approval. Required documentation will be accepted by mail, email, fax, or in

person. County Housing will conduct the interim within a reasonable time period based on the amount of time it takes to verify the information.

Generally, the family will not be required to attend an interview for an interim reexamination. However, if County Housing determines that an interview is warranted, the family may be required to attend.

### **9-III.D. EFFECTIVE DATES**

#### **Changes Reported Timely [24 CFR 960.257(b)(6) and Notice PIH 2023-27]**

If the family reports a change in family income or composition timely in accordance with County Housing policies:

- County Housing must give the family 30 days' advance written notice of rent increases. The rent increase becomes effective on the first of the month after the end of that 30-day notice period.
- Rent decreases are effective on the first of the month after the date of the actual change leading to the interim reexamination of family income. This means the decrease will be applied retroactively.

#### **Changes Not Reported Timely [24 CFR 960.257(b)(6)(ii) and (iii) and Notice PIH 2023-27]**

If the family failed to report a change in family income or composition timely in accordance with County Housing policies:

- For rent increases, County Housing must implement any resulting rent increases retroactively to the first of the month following the date of the change leading to the interim reexamination of family income.
- For rent decreases, County Housing must implement the change no later than the first rent period following completion of the interim reexamination.

However, County Housing may choose to adopt a policy that would make the effective date of the rent decrease retroactive to the first of the month following completion of the reexamination. PHAs may choose to establish conditions or requirements for when such a retroactive application would apply. PHAs that choose to adopt such policies must ensure the earliest date that the retroactive decrease is applied is the later of:

- The first of the month following the date of the change that led to the interim reexamination; or
- The first of the month following the most recent previous income examination.

In applying a retroactive change in rent as the result of an interim reexamination, County Housing must clearly communicate the effect of the retroactive adjustment to the family so that there is no confusion over the amount of the rent that is the family's responsibility.

#### County Housing Policy

In general, when the family fails to report a change in income or family composition in a timely manner, and the change would lead to a rent decrease, County Housing will apply the decrease on the first of the month following the completion of the interim reexamination.

However, County Housing will apply the results of the interim reexamination retroactively where a family's ability to report a change in income promptly may have been hampered due to extenuating circumstances such as a natural disaster or disruptions to County

Housing management operations. County Housing will decide to apply decreases retroactively on a case-by-case basis.

When County Housing applies the results of interim decreases retroactively, it will clearly communicate the effect of the retroactive adjustment to the family and may enter into a repayment agreement in accordance with its policies.

## **PART IV: RECALCULATING TENANT RENT**

### **9-IV.A. OVERVIEW**

For those families paying income-based rent, County Housing must recalculate the rent amount based on the income information received during the reexamination process and notify the family of the changes [24 CFR 966.4, 960.257]. While the basic policies that govern these calculations are provided in Chapter 6, this part lays out policies that affect these calculations during a reexamination.

### **9-IV.B. CHANGES IN UTILITY ALLOWANCES [24 CFR 965.507, 24 CFR 966.4]**

The tenant rent calculations must reflect any changes in County Housing's utility allowance schedule [24 CFR 960.253(c)(3)]. Chapter 16 discusses how utility allowance schedules are established.

#### County Housing Policy

Unless County Housing is required to revise utility allowances retroactively, revised utility allowances will be applied to a family's rent calculations at the first annual reexamination after the allowance is adopted.

### **9-IV.C. NOTIFICATION OF NEW TENANT RENT**

The public housing lease requires County Housing to give the tenant written notice stating any change in the amount of tenant rent, and when the change is effective [24 CFR 966.4(b)(1)(ii)].

When County Housing redetermines the amount of rent payable by the tenant, not including the determination of County Housing's schedule of utility allowances for families in County Housing's public housing program, or determines that the tenant must transfer to another unit based on family composition, County Housing must notify the tenant that the tenant may ask for an explanation stating the specific grounds of the determination, and that if the tenant does not agree with the determination, the tenant shall have the right to request a hearing under County Housing's grievance procedure [24 CFR 966.4(c)(4)].

### **9-IV.D. DISCREPANCIES**

During an annual or interim reexamination, County Housing may discover that information previously reported by the family was in error, or that the family intentionally misrepresented information. In addition, County Housing may discover errors made by County Housing. When errors resulting in the overpayment or underpayment of rent are discovered, corrections will be made in accordance with the policies in Chapter 15.

## **PART V: NON-INTERIM REEXAMINATION TRANSACTIONS [Notice PIH 2023-17]**

### **9-V.A. OVERVIEW**

Families may experience changes within the household that do not trigger an interim reexamination under County Housing policy and HUD regulations, but HUD still requires County Housing to report to HUD via Form HUD-50058. These are known as *non-interim reexamination transactions*. In these cases, PHAs will submit a separate, new action code on Form HUD-50058. The following is a list of non-interim reexamination transactions:

- Adding or removing a hardship exemption for the childcare expense deduction;
- Updating or removing the phased-in hardship relief for the health and medical care expense deduction and/or reasonable attendant care and auxiliary apparatus expense deduction (families will begin receiving a 24-month phased-in relief at their next annual or interim reexamination, whichever occurs first);
- Adding or removing general hardship relief for the health and medical care expense deduction and/or reasonable attendant care and auxiliary apparatus expense deduction;
- Adding or removing a minimum rent hardship;
- Adding or removing a non-family member (i.e., live-in aide, foster child, foster adult);
- Ending a family's EID or excluding 50 percent (decreased from 100 percent) of a family member's increase in employment income at the start of the second 12- month EID period.
- Adding a family member and the increase in adjusted income does not trigger an interim reexamination under the final rule;
- Removing a family member and the increase in adjusted income does not trigger an interim reexamination under the final rule;
- Adding/updating a family or household member's Social Security number; and
- Updating a family member's citizenship status from eligible to ineligible or vice versa, resulting in a change to the family's rent and/or utility reimbursement, if applicable (i.e., the family begins receiving prorated assistance or previously prorated assistance becomes full assistance), or updating the prorated rent calculation due to the addition or removal of family members in a household with an ineligible noncitizen(s).

PHAs must make all other changes to assets, income, and deductions at the next annual or interim reexamination of income, whichever is sooner.

**EXHIBIT 9-1: CALCULATING INCOME AT ANNUAL REEXAMINATION**

**Example 1: Calculating Annual Income at Annual Reexamination Using EIV**

Staff are processing the 3/1/2024 annual reexamination for Ruby Myers and her minor daughter, Georgia. No interim reexaminations have been processed, and Ruby has not reported any changes to annual income to the PHA since the 3/1/2023 annual reexamination. The SSA published 2024 COLA is 7 percent.

Last reexamination – 3/1/2023 Annual Reexamination

Ruby:

Georgia:

Wages: \$30,000

SSI: \$10,980 (\$915 monthly)

The EIV report pulled on 12/15/2023

Ruby:

Georgia:

Wages Total: \$33,651

SSI Total: \$10,980

Quarter 3 of 2023: \$8,859 (City Public School)

2023 benefit \$915 monthly

Quarter 2 of 2023: \$8,616 (City Public School)

Quarter 1 of 2023: \$8,823 (City Public School)

Quarter 4 of 2022: \$7,353 (City Public School)

Income Reported on Reexamination Application

Ruby:

Georgia:

Wages at City Public School: \$32,000 (switched jobs but no permanent change to amount)

SSI benefits: \$10,980 (no changes)

Calculating Ruby's wages:

Calculating Georgia's SSI benefit:

Step 1: Determine prior annual income from EIV (i.e., Q4 2022 through Q3 of 2023: \$33,651).

Step 1: Determine the prior annual income from EIV (i.e., \$915 x 12 months: \$10,980).

Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination (in this case, there have been no interim reexaminations processed since the last annual reexamination).

Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination (in this case, there have been no interim reexaminations processed since the last annual reexamination).

Step 3: Ruby certifies that the \$33,651 of wages in EIV is accurate and reflects her current annual income, so the PHA will use \$33,651 for annual wages for the 3/1/2024 annual reexamination given there have been no additional changes to annual income.

Step 3: Ruby certifies the SSI income in EIV is accurate and reflects Georgia's current annual income. The PHA must adjust the prior-year income (2023 SSI benefit) by the 7- percent COLA and will use this amount to calculate annual SSI income for the 3/1/2024 annual reexamination:

COLA: \$64.05 (\$915 x 0.07)

New gross SSI benefit: \$11,748.60 (\$979.05 x 12 months)

If Ruby did not agree with the annual wages reported in EIV, the PHA/MFH Owner would be required to verify her current income in accordance with HUD's verification hierarchy.

Summary of Annual Income (as reported on the HUD-50058)

Ruby (Head of Household):

Georgia (Other Youth Under 18):

Other Wage: \$33,651

SSI: \$11,748

Myers Family Total Annual Income: \$45,399

**Example 2: Calculating Annual Income at Annual Reexamination Using EIV:  
Family Disagrees with EIV**

Staff are processing Paul Hewson's 5/1/2024 annual reexamination. Since the last annual reexamination, Paul reported a decrease in annual income that exceeded 10 percent. Last year, Paul reported a decrease in earned income because he transferred from a full-time job at Sasha's Sweets to a part-time job at Viking Bakery. Following HUD's EIV verification hierarchy, staff confirmed Paul was no longer employed at Sasha's Sweets and decreased his anticipated annual income from \$28,000 to \$7,500 resulting from his new part-time employment at Viking Bakery; an interim reexamination was processed effective 7/1/2023. After the 7/1/2023 interim, Paul worked briefly at two different jobs, but he says he is no longer working and is not planning to work.

5/1/2023 Annual Reexamination

Wages: \$28,000

The EIV report pulled on 1/15/2024

Wages Total: \$18,271

Quarter 3 of 2023: \$2,500 (Viking Bakery)

Quarter 3 of 2023: \$796 (Sweet Tooth Candy Bar)

Quarter 2 of 2023: \$1,300 (Sasha's Sweets)

Quarter 2 of 2023: \$584 (Larry's Concessions)

Quarter 2 of 2023: \$2,401 (Viking Bakery)

Quarter 1 of 2023: \$6,500 (Sasha's Sweets)

Quarter 4 of 2022: \$600 (Sasha's Sweets)

SS/SSI: No history of benefits

Income Reported on Reexamination Application

Wages: \$0 (permanent change; no longer receiving)

Social Security: \$14,400 (\$1,200 monthly)

Paul certified on the PHA's annual reexamination paperwork that he does not agree with the annual wages of \$18,271 reported in EIV and it is not reflective of his current anticipated annual income. He reported he is currently unemployed, and provided a copy of an award letter from the Social Security Administration to document that he will begin receiving a monthly disability benefit of \$1,200 effective 3/1/2024.

Calculating Wages and SS Benefit

Step 1: Determine prior annual income taking into consideration the 7/1/2023 interim reexamination (i.e., EIV wages reflected Q4 2022 through Q3 2023: \$18,271)

Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination. In this case, there was a 7/1/2023 interim that reduced wages to \$7,500.

Step 3: Obtain documentation to verify current income and confirm Paul is no longer employed at Viking Bakery or The Sweet Tooth Candy Bar (the employers reported in the most recent quarter of EIV). This step is necessary, because Paul did not agree with the EIV income report or income reported on the last interim reexamination. Paul reported that he is no longer working at all.

Process the annual reexamination effective 5/1/2024 using annual SS income of \$14,400 and \$0 wages.

Summary of Annual Income (as reported on the HUD-50058)

Paul (Head of Household): \$14,400 (SS)

Hewson Family Total Annual Income: \$14,400

**Example 3: Calculating Annual Income at Annual Reexamination**

Staff are processing the 11/1/2024 annual reexamination for Samantha and Fergus Pool, head of household and spouse. On 2/14/2024 Samantha reported her monthly child support payment was reduced from \$200 to \$100 per month, but an interim reexamination was not processed because the reduction in child support income for Samantha’s daughter, Hailey, did not result in a decrease of 10 percent or more in annual adjusted income, and the PHA did not establish a lower threshold. Samantha did not report any additional changes to the PHA.

Last reexamination – 11/1/2023 Annual Reexamination

<u>Samantha:</u>	<u>Fergus:</u>
Business income: \$28,000	Wages: \$8,250
VA disability pension: \$12,000	Other non-wage income: \$3,000 (Go Fund Me online fundraiser)
Child support: \$2,400	

The EIV report pulled on 9/16/2024

Samantha:

Wages Total: \$0 (no wage data reported since Q1 2023)

Fergus:

Wages Total: \$8,600

Quarter 1 of 2024: \$2,100 (Ian’s Fish ‘n’ Chips)

Quarter 1 of 2024: \$500 (Claire’s Healthcare Supplies)

Quarter 4 of 2023: \$1,000 (Claire’s Healthcare Supplies)

Quarter 3 of 2023: \$1,800 (The Onion Garden Shop)

Quarter 2 of 2023: \$3,200 (Ivar’s Fish Haus)

Current Family Circumstances: Income Reported on Reexamination Application

Samantha and Fergus reported how much income was earned/received in the previous 12-month period and noted permanent changes, where applicable, for each source of their income on PHA’s annual reexamination form. However, no information was reported by the family concerning other non-wage income. Fergus reported only wages and his current employment at Ian’s Fish ‘n’ Chips for the annual reexamination. The family supplied the supporting documentation noted below to the PHA for the 11/1/2024 annual reexamination.

Samantha:  Business income: \$28,750 (last year); has decreased to \$18,000 (permanent change)  VA disability benefit: \$12,000 (last year); has increased to \$12,300 (permanent change)  Child support: \$2,400 (last year); has decreased to \$1,200 (permanent change)	Fergus:  Wages: \$6,000
--	-------------------------------

Calculating Samantha’s Net Business Income

Step 1: Determine prior annual net business income (i.e., \$28,000 on last HUD–50058).

Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination. In this case, there have been no interim reexaminations processed since the last annual reexamination.

Step 3: Adjust to reflect current net business income. Samantha reported on the annual reexamination application that business income permanently decreased to \$18,000. The PHA must obtain supporting documentation from Samantha that demonstrates current net business income. Samantha provided documentation that supported the current annual net business income is \$18,000. Process the annual reexamination effective 11/1/2024 using annual net business income determined in Step 3.

Calculating Samantha’s VA Pension Income

Step 1: Determine prior annual VA pension income (i.e., \$12,000 supported by a VA award letter Samantha supplied that documents the prior year monthly VA pension was \$1,000).

Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination. In this case, there have been no interim reexaminations processed since the last annual reexamination.

Step 3: The PHA needs to adjust to reflect current VA pension income. Samantha supplies a VA award letter showing a monthly pension of \$1,025, or \$12,300 annually. Process the annual reexamination effective 11/1/2024 using annual VA pension income determined in Step 3 (\$12,300 in this example).

Calculating Samantha’s Child Support Income

Step 1: Determine prior annual child support income (i.e., \$2,400 on the last HUD–50058).

Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination. In this case, there have been no interim reexaminations processed since the last annual reexamination. The family reported a decrease from \$200 to \$100 monthly, but the change was not processed because it did not meet the threshold.

Step 3: The family reported changes, so the PHA must adjust to reflect current child support income. In this example, the family submitted a child support history report from the local child support office that documents regular \$100 monthly child supports payments beginning 3/1/2024 through the current month. Process the annual reexamination effective 11/1/2024 using current annual child support income determined in Step 3 (\$1,200 in this example).

#### Calculating Fergus' Wages

Step 1: Determine prior annual income from wages in EIV (i.e., Q2 2023 through Q1 of 2024: \$8,600).

Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination. In this case, there have been no interim reexaminations processed since the last annual reexamination.

Step 3: There is a discrepancy between what the family reported and EIV, so the PHA must verify and adjust to reflect current annual income from wages. Fergus reported \$6,000 in annual income from wages on the annual reexamination from a single employer, Ian's Fish 'n' Chips. The PHA projected annual income of \$7,800 based on the two paystubs for this employer, and EIV shows \$8,600 earned in the most recent four quarters in EIV. To complete Step 3, the PHA must do the following:

- Resolve the discrepancy between EIV wages, the \$6,000 annual income Fergus reported, and the \$7,800 projected based on the paystubs he provided, and
- Verify he is no longer employed at Claire's Healthcare Supplies in accordance with HUD's verification hierarchy and local policies.

The PHA determined that Fergus reported his net vs. gross annual income from wages, which he corrected on the annual reexamination form to reflect his current gross annual income of \$9,000. The PHA verified Fergus was no longer employed at Claire's Healthcare Supplies and obtained two additional paystubs. Based on four current and consecutive paystubs, Fergus is now projected to earn \$9,360 annually. Process the annual reexamination effective 11/1/2024 using income from wages determined in Step 3 (\$9,360 in this example).

Calculating Fergus' Other Non-Wage Income

Step 1: Determine prior annual income from other non-wage income (i.e., \$3,000 on the last HUD- 50058).

Step 2: Take into consideration any interim reexamination of family income completed since the last annual reexamination. In this case, there have been no interim reexaminations processed since the last annual reexamination.

Step 3: The family did not report any non-wage income on the annual reexamination form, but it was included on the last HUD-50058. The PHA must verify and adjust to reflect current non-wage income. The PHA must verify no income was received through a "Go Fund Me" online fundraiser so that it may be excluded. Fergus provided a self-certification that he hasn't solicited funds online and doesn't plan to in the following year; he also provided records from the account that documented no fundraising activity in the prior 12-month period. Process the annual reexamination effective 11/1/2024 using annual non-wage income of \$0 determined in Step 3.

Summary of Annual Income (as reported on the HUD-50058)

Samantha (Head of Household):

Own business: \$18,000

Pension: \$12,300

Child support: \$1,200

Fergus (Co-head):

Wages: \$9,360

Poole Family Total Annual Income: \$40,860

## Chapter 10

### PETS

[24 CFR 5, Subpart C; 24 CFR 960, Subpart G]

#### INTRODUCTION

This chapter explains County Housing's policies on the keeping of pets and describes any criteria or standards pertaining to the policies. The rules adopted are reasonably related to the legitimate interest of County Housing to provide a decent, safe, and sanitary living environment for all tenants, and to protect and preserve the physical condition of the property, as well as the financial interest of County Housing.

The chapter is organized as follows:

Part I: Assistance Animals. This part explains the difference between assistance animals, including service and support animals, and pets, and contains policies related to the designation of an assistance animal as well as their care and handling.

Part II: Pet policies for all developments. This part includes pet policies that are common to both elderly/disabled developments and general occupancy developments.

Part III: Pet deposits and fees for general occupancy developments. This part contains policies for pet deposits and fees that are applicable to general occupancy developments.

## **PART I: ASSISTANCE ANIMALS**

[Section 504; Fair Housing Act (42 U.S.C.); 24 CFR 5.303; 24 CFR 960.705; Notice FHEO 2020-01]

### **10-I.A. OVERVIEW**

This part discusses situations under which permission for an assistance animal, including service and support animals, may be denied, and establishes standards for the care of assistance animals.

Notice FHEO 2020-01 was published January 28, 2020. The notice provides guidance to help PHAs and other housing providers distinguish between a person with a non-obvious disability who has a legitimate need for an assistance animal and a person without a disability who simply wants to have a pet or avoid the costs and limitations imposed by the PHA's pet policies. FHEO 2020-01 makes clear that the notice is guidance and a tool for PHAs and other housing providers to use at their discretion and provides a set of best practices for addressing requests for assistance animals. The guidance in FHEO 2020-01 should be read together with HUD's regulations prohibiting discrimination under the Fair Housing Act (FHA) and the HUD/Department of Justice (DOJ) Joint Statement on Reasonable Accommodation under the Fair Housing Act. Housing providers may also be subject to the Americans with Disabilities Act (ADA) and should therefore refer also to DOJ's regulations implementing Titles II and III of the ADA at 28 CFR Parts 35 and 36, in addition to DOJ's other guidance on assistance animals.

There are two types of assistance animals: (1) service animals, and (2) other animals that do work, perform tasks, provide assistance, and/or provide therapeutic emotional support for individuals with disabilities (i.e., support animals).

Assistance animals, including service and support animals, are not pets and thus are not subject to the PHA's pet policies described in Parts II through IV of this chapter [24 CFR 5.303; 960.705; Notice FHEO 2020-01].

### **10-I.B. APPROVAL OF ASSISTANCE ANIMALS [Notice FHEO 2020-01]**

#### **Service Animals**

Notice FHEO 2020-01 states that PHAs should initially follow the Department of Justice (DOJ) analysis to assessing whether an animal is a service animal under the Americans with Disabilities Act (ADA). Under the ADA, a *service animal* means any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Other species of animals, whether wild or domestic, trained, or untrained, are not service animals for the purposes of this definition. The work or tasks performed by a service animal must be directly related to the individual's disability.

As a best practice, housing providers may use the following questions to help them determine if an animal is a service animal under the ADA:

- Is the animal a dog? If not, the animal is not a service animal but may be another type of assistance animal for which an accommodation is needed (support animal).
- Is it readily apparent that the dog is trained to do work or perform tasks for the benefit of the individual with a disability? If yes, further inquiries are inappropriate because the animal is a service animal. If not, it is advisable that the PHA limit its inquiries to the following two

questions: (1) Is the animal required because of the disability? and (2) What work or task has the animal been trained to perform?

If the answer to question (1) is “yes” and work or a task is identified in response to question (2), grant the requested accommodation if otherwise reasonable. If the answer to either question is “no,” the animal does not qualify as a service animal but may be a support animal.

A service animal must be permitted in all areas of the facility where members of the public are allowed.

### **Support Animals (Assistance Animals other than Service Animals)**

If the animal does not qualify as a service animal, the PHA must next determine whether the animal would qualify as a support animal (other type of assistance animal). If the individual has indeed requested a reasonable accommodation to get or keep an animal in connection with a physical or mental impairment or disability, the PHA may use the following questions to help them assess whether to grant the accommodation in accordance with the policies outlined in Chapter 2 (the PHA is not required to grant a reasonable accommodation that has not been requested):

- Does the person have an observable disability or does the PHA already have information giving them reason to believe that the person has a disability? If not, has the person requesting the accommodation provided information that reasonably supports that the person seeking the accommodation has a disability?
- If the person has an observable disability, the PHA already has information giving them reason to believe the person has a disability, or the person has provided information supporting that he or she has a disability, then has the person provided information that reasonably supports that the animal does work, performs tasks, provides assistance, and/or provides therapeutic emotional support with respect to the individual’s disability?
- If yes, is the animal commonly kept in households? An *animal commonly kept in households* would be a dog, cat, small bird, rabbit, hamster, gerbil, other rodent, fish, turtle, or other small, domesticated animal that is traditionally kept in the home for pleasure rather than for commercial purposes. For purposes of this assessment, reptiles (other than turtles), barnyard animals, monkeys, kangaroos, and other non-domesticated animals are not considered common household animals.

If the individual is requesting to keep a unique animal not commonly kept in households, then the requestor has the substantial burden of demonstrating a disability-related therapeutic need for the specific animal or the specific type of animal. Such individuals are encouraged to submit documentation from a health care professional.

### **General Considerations**

A person with a disability is not automatically entitled to have an assistance animal. Reasonable accommodation requires that there be a relationship between the person’s disability and his or her need for the animal [PH Occ GB, p. 179].

Before denying a reasonable accommodation request due to lack of information confirming an individual’s disability or disability-related need for an animal, the PHA is encouraged to engage in a good-faith dialog with the requestor called the “interactive process” [FHEO 2020-01].

A PHA may not refuse to allow a person with a disability to have an assistance animal merely because the animal does not have formal training. Some, but not all, animals that assist persons

with disabilities are professionally trained. Other assistance animals are trained by the owners themselves and, in some cases, no special training is required. The question is whether or not the animal performs the assistance or provides the benefit needed by the person with the disability [PH Occ GB, p. 178].

A PHA's refusal to permit persons with a disability to use and live with an assistance animal that is needed to assist them, would violate Section 504 of the Rehabilitation Act and the Fair Housing Act unless:

- There is reliable objective evidence that the animal poses a direct threat to the health or safety of others that cannot be reduced or eliminated by a reasonable accommodation
- There is reliable objective evidence that the animal would cause substantial physical damage to the property of others

The Fair Housing Act does not require a dwelling to be made available to an individual whose tenancy would constitute a direct threat to the health or safety of other individuals or would result in substantial physical damage to the property of others. A PHA may therefore refuse a reasonable accommodation for an assistance animal if the specific animal poses a direct threat that cannot be eliminated or reduced to an acceptable level through the actions the individual takes to maintain or control the animal (e.g., keeping the animal in a security enclosure).

While most requests for reasonable accommodations involve one animal, requests sometimes involve more than one animal (for example, a person has a disability-related need for both animals, or two people living together each have a disability-related need for a separate assistance animal). The decision-making process in Notice FHEO 2020-01 should be used in accordance with the reasonable accommodation policies in Chapter 2 for all requests for exceptions or modifications to the PHA's rules, policies, practices, and procedures so that persons with disabilities can have assistance animals in the housing where they reside.

PHAs have the authority to regulate service animals and assistance animals under applicable federal, state, and local law [24 CFR 5.303(b)(3); 960.705(b)(3)].

#### County Housing Policy

For an animal to be excluded from the pet policy and be considered a service animal, it must be a trained dog, and there must be a person with disabilities in the household who requires the dog's services.

For an animal to be excluded from the pet policy and be considered a support animal, there must be a person with disabilities in the household, there must be a disability-related need for the animal, and the family must request and County Housing approve a reasonable accommodation in accordance with the criteria outlined in Notice FHEO 2020-01 and the policies contained in Chapter 2.

### **10-I.C. CARE AND HANDLING**

HUD regulations do not affect any authority a PHA may have to regulate assistance animals, including service animals, under federal, state, and local law [24 CFR 5.303; 24 CFR 960.705].

### County Housing Policy

Residents are responsible for feeding, maintaining, providing veterinary care, and controlling their assistance animals. A resident may do this on his or her own or with the assistance of family, friends, volunteers, or service providers.

Residents must care for assistance animals in a manner that complies with state and local laws, including anti-cruelty laws.

Residents must ensure that assistance animals do not pose a direct threat to the health or safety of others, or cause substantial physical damage to the development, dwelling unit, or property of other residents.

When a resident's care or handling of an assistance animal violates these policies, County Housing will consider whether the violation could be reduced or eliminated by a reasonable accommodation. If County Housing determines that no such accommodation can be provided, County Housing may withdraw the approval of a particular assistance animal.

## **PART II: PET POLICIES FOR ALL DEVELOPMENTS**

[24 CFR 5, Subpart C; 24 CFR 960, Subpart G]

### **10-II.A. OVERVIEW**

The purpose of a pet policy is to establish clear guidelines for the ownership of pets and to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets. This part contains pet policies that apply to all developments.

### **10-II.B. MANAGEMENT APPROVAL OF PETS**

#### **Registration of Pets**

PHAs may require registration of the pet with the PHA [24 CFR 960.707(b)(5)].

##### County Housing Policy

Pets must be registered with County Housing before they are brought onto the premises.

Registration includes documentation signed by a licensed veterinarian or state/local authority that the pet has received all inoculations required by state or local law and that the pet has no communicable disease(s) and is pest-free. This registration must be renewed annually and will be coordinated with the annual reexamination date.

Pets will not be approved to reside in a unit until completion of the registration requirements.

#### **Refusal to Register Pets**

##### County Housing Policy

County Housing will refuse to register a pet if:

The pet is not *a common household pet* as defined in Section 10-II.C. below.

Keeping the pet would violate any pet restrictions listed in this policy.

The pet owner fails to provide complete pet registration information or fails to update the registration annually.

The applicant has previously been charged with animal cruelty under state or local law; or has been evicted, had to relinquish a pet, or been prohibited from future pet ownership due to pet rule violations or a court order.

County Housing reasonably determines that the pet owner is unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament and behavior may be considered a factor in determining the pet owner's ability to comply with the lease provisions.

If County Housing refuses to register a pet, a written notification will be sent to the pet owner within 10 business days of the decision. The notice will state the reason for refusing to register the pet and will inform the family of their right to appeal the decision in accordance with County Housing's grievance procedures.

## **Pet Agreement**

### County Housing Policy

Residents who have been approved to have a pet must enter into a pet agreement with County Housing, or the approval of the pet will be withdrawn.

The pet agreement is the resident's certification that he or she has received a copy of County Housing's pet policy and applicable house rules, that he or she has read the policies and/or rules, understands them, and agrees to comply with them.

The resident further certifies by signing the pet agreement that he or she understands that noncompliance with County Housing's pet policy and applicable house rules may result in the withdrawal of County Housing approval of the pet or termination of tenancy.

### **10-II.C. STANDARDS FOR PETS [24 CFR 5.318; 960.707(b)]**

PHAs may establish reasonable requirements related to pet ownership including, but not limited to:

- Limitations on the number of animals in a unit, based on unit size
- Prohibitions on types of animals that the PHA classifies as dangerous, provided that such classifications are consistent with applicable state and local law
- Prohibitions on individual animals, based on certain factors, including the size and weight of the animal
- Requiring pet owners to have their pets spayed or neutered

PHAs may not require pet owners to have any pet's vocal cords removed.

PHAs may not require pet owners to obtain or carry liability insurance.

PHAs may not require that cats be declawed.

### **Definition of "Common Household Pet"**

There is no regulatory definition of common household pet for public housing programs, although the regulations for pet ownership in both elderly/disabled and general occupancy developments use the term. The regulations for pet ownership in elderly/disabled developments expressly authorize PHAs to define the term [24 CFR 5.306(2)].

### County Housing Policy

*Common household pet* means a domesticated animal, such as a dog, cat, bird, or fish that is traditionally recognized as a companion animal and is kept in the home for pleasure rather than commercial purposes.

The following animals are not considered common household pets:

Reptiles

Rodents

Insects

Arachnids

Wild animals or feral animals

Pot-bellied pigs  
Animals used for commercial breeding

### **Pet Restrictions**

#### County Housing Policy

The following animals are not permitted:

- Any animal whose adult weight will exceed 40 pounds
- Dogs of the pit bull, rottweiler, chow, or boxer breeds
- Ferrets or other animals whose natural protective mechanisms pose a risk to small children of serious bites or lacerations
- Any animal not permitted under state or local law or code

### **Number of Pets**

#### County Housing Policy

Residents may own a maximum of 2 pets, only 1 of which may be a dog.

In the case of fish, residents may keep no more than can be maintained in a safe and healthy manner in a tank holding up to 10 gallons. Such a tank or aquarium will be counted as 1 pet.

### **Other Requirements**

#### County Housing Policy

Dogs and cats must be spayed or neutered at the time of registration or, in the case of underage animals, within 30 days of the pet reaching 6 months of age. Exceptions may be made upon veterinary certification that subjecting this particular pet to the procedure would be temporarily or permanently medically unsafe or unnecessary.

Pets must be licensed in accordance with state or local law. Residents must provide proof of licensing at the time of registration and annually, in conjunction with the resident's annual reexamination.

### **10-II.D. PET RULES**

Pet owners must maintain pets responsibly, in accordance with County Housing policies, and in compliance with applicable state and local public health, animal control, and animal cruelty laws and regulations [24 CFR 5.315; 24 CFR 960.707(a)].

### **Pet Area Restrictions**

#### County Housing Policy

Pets must be maintained within the resident's unit. When outside of the unit (within the building or on the grounds) dogs and cats must be kept on a leash or carried. They must be under the control of the resident or other responsible individual at all times.

Pets other than dogs or cats must be kept in a cage or carrier when outside of the unit.

Pets are not permitted in common areas, including lobbies, community rooms, and laundry areas, except for those common areas, which are entrances to and exits from the building.

Pet owners are not permitted to exercise pets or permit pets to deposit waste on project premises outside of the areas designated for such purposes.

**Designated Pet/No-Pet Areas [24 CFR 5.318(g), PH Occ GB, p. 182]**

PHAs may designate buildings, floors of buildings, or sections of buildings as no-pet areas where pets generally may not be permitted. Pet rules may also designate buildings, floors of buildings, or sections of buildings for residency by pet-owning tenants.

PHAs may direct initial tenant moves as may be necessary to establish pet and no-pet areas. The PHA may not refuse to admit, or delay admission of, an applicant on the grounds that the applicant's admission would violate a pet or no-pet area. The PHA may adjust the pet and no-pet areas or may direct such additional moves as may be necessary to accommodate such applicants for tenancy or to meet the changing needs of the existing tenants.

PHAs may not designate an entire development as a no-pet area since regulations permit residents to own pets.

County Housing Policy

With the exception of common areas as described in the previous policy, County Housing has not designated any buildings, floors of buildings, or sections of buildings as no-pet areas. In addition, County Housing has not designated any buildings, floors of buildings, or sections of buildings for residency of pet-owning tenants.

**Cleanliness**

County Housing Policy

The pet owner shall be responsible for the removal of waste from the exercise area by placing it in a sealed plastic bag and disposing of it.

The pet owner shall take adequate precautions to eliminate any pet odors within or around the unit and to maintain the unit in a sanitary condition at all times.

Litter box requirements:

Pet owners must promptly dispose of waste from litter boxes and must maintain litter boxes in a sanitary manner.

Litter shall not be disposed of by being flushed through a toilet.

Litter boxes shall be kept inside the resident's dwelling unit.

**Alterations to Unit**

County Housing Policy

Pet owners shall not alter their unit, patio, premises, or common areas to create an enclosure for any animal.

Installation of pet doors is prohibited.

**Noise**

County Housing Policy

Pet owners must agree to control the noise of pets so that such noise does not constitute a nuisance to other residents or interrupt their peaceful enjoyment of their housing unit or

premises. This includes, but is not limited to loud or continuous barking, howling, whining, biting, scratching, chirping, or other such activities.

### **Pet Care**

#### County Housing Policy

Each pet owner shall be responsible for adequate care, nutrition, exercise, and medical attention for his/her pet.

Each pet owner shall be responsible for appropriately training and caring for his/her pet to ensure that the pet is not a nuisance or danger to other residents and does not damage County Housing property.

No animals may be tethered or chained inside or outside the dwelling unit at any time.

### **Responsible Parties**

#### County Housing Policy

The pet owner will be required to designate one responsible party for the care of the pet if the health or safety of the pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet.

A resident who cares for another resident's pet must notify County Housing and sign a statement that they agree to abide by all the pet rules.

### **Pets Temporarily on the Premises**

#### County Housing Policy

Pets that are not owned by a tenant are not allowed on the premises. Residents are prohibited from feeding or harboring stray animals.

This rule does not apply to visiting pet programs sponsored by a humane society or other non-profit organizations and approved by County Housing.

### **Pet Rule Violations**

#### County Housing Policy

All complaints of cruelty and all dog bites will be referred to animal control or an applicable agency for investigation and enforcement.

If a determination is made on objective facts supported by written statements that a resident/pet owner has violated the pet rules, written notice will be served.

The notice will contain a brief statement of the factual basis for the determination and the pet rule(s) that were violated. The notice will also state:

That the pet owner has 10 business days from the effective date of the service of notice to correct the violation or make written request for a meeting to discuss the violation

That the pet owner is entitled to be accompanied by another person of his or her choice at the meeting

That the pet owner's failure to correct the violation, request a meeting, or appear at a requested meeting may result in initiation of procedures to remove the pet, or to terminate the pet owner's tenancy

### **Notice for Pet Removal**

#### County Housing Policy

If the pet owner and County Housing are unable to resolve the violation at the meeting or the pet owner fails to correct the violation in the time period allotted by County Housing, County Housing may serve notice to remove the pet.

The notice will contain:

A brief statement of the factual basis for County Housing's determination of the pet rule that has been violated

The requirement that the resident /pet owner must remove the pet within 30 calendar days of the notice

A statement that failure to remove the pet may result in the initiation of termination of tenancy procedures

### **Pet Removal**

#### County Housing Policy

If the death or incapacity of the pet owner threatens the health or safety of the pet or other factors occur that render the owner unable to care for the pet, the situation will be reported to the responsible party designated by the pet owner.

If the responsible party is unwilling or unable to care for the pet, or if County Housing, after reasonable efforts, cannot contact the responsible party, County Housing may contact the appropriate state or local agency and request the removal of the pet.

### **Termination of Tenancy**

#### County Housing Policy

County Housing may initiate procedures for termination of tenancy based on a pet rule violation if:

The pet owner has failed to remove the pet or correct a pet rule violation within the time period specified

The pet rule violation is sufficient to begin procedures to terminate tenancy under terms of the lease

### **Emergencies**

#### County Housing Policy

County Housing will take all necessary steps to ensure that pets that become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are immediately removed from the premises by referring the situation to the appropriate state or local entity authorized to remove such animals.

If it is necessary for County Housing to place the pet in a shelter facility, the cost will be the responsibility of the pet owner.

If the pet is removed as a result of any aggressive act on the part of the pet, the pet will not be allowed back on the premises.

## **PART III: PET DEPOSITS AND FEES IN GENERAL OCCUPANCY DEVELOPMENTS**

### **10-III.A. OVERVIEW**

This part describes County Housing's policies for pet deposits and fees for those who reside in general occupancy developments.

### **10-III.B. PET DEPOSITS**

A PHA may require a refundable pet deposit to cover additional costs attributable to the pet and not otherwise covered [24 CFR 960.707(b)(1)].

A PHA that requires a resident to pay a pet deposit must place the deposit in an account of the type required under applicable State or local law for pet deposits, or if there are no such requirements, for rental security deposits, if applicable. The PHA must comply with such laws as to retention of the deposit, interest, and return of the deposit to the resident, and any other applicable requirements [24 CFR 960.707(d)].

#### **Payment of Deposit**

##### County Housing Policy

Pet owners are required to pay a pet deposit of \$200 in addition to any other required deposits. The deposit must be paid in full before the pet is brought onto the premises.

The pet deposit is not part of rent payable by the resident.

#### **Refund of Deposit**

##### County Housing Policy

County Housing will refund the pet deposit to the resident, less the costs of any damage caused by the pet to the dwelling unit, within 30 days of move-out or removal of the pet from the unit.

The resident will be billed for any amount that exceeds the pet deposit.

County Housing will provide the resident with a written list of any charges against the pet deposit within 10 business days of the move-out inspection. If the resident disagrees with the amount charged to the pet deposit, County Housing will provide a meeting to discuss the charges.

### **10-III.C. NON-REFUNDABLE NOMINAL PET FEE**

PHAs may require payment of a non-refundable nominal pet fee to cover the reasonable operating costs to the development relating to the presence of pets [24 CFR 960.707(b)(1)].

### **10-III.D. OTHER CHARGES**

#### **Pet-Related Damages During Occupancy**

##### County Housing Policy

All reasonable expenses incurred by County Housing because of damages directly attributable to the presence of the pet in the project will be the responsibility of the resident, including:

The cost of repairs and replacements to the resident's dwelling unit

Fumigation of the dwelling unit

Repairs to common areas of the project

The expense of flea elimination shall also be the responsibility of the resident.

If the resident is in occupancy when such costs occur, the resident shall be billed for such costs in accordance with the policies in Chapter 8 of this ACOP. Pet deposits will not be applied to the costs of pet-related damage during occupancy.

Charges for pet-related damage are not part of the rent payable by the resident.

**Pet Waste Removal Charge**

The regulations do not address County Housing's ability to impose charges for house pet rule violations. However, charges for violation of County Housing pet rules may be treated like charges for other violations of the lease and County Housing's tenancy rules.

County Housing Policy

A separate pet waste removal charge of \$10.00 per occurrence will be assessed against pet owners who fail to remove pet waste in accordance with this policy.

Such charges will be due and payable 14 calendar days after billing.

Charges for pet waste removal are not part of the rent payable by the resident.

## Chapter 11

### COMMUNITY SERVICE

#### INTRODUCTION

This chapter explains HUD regulations requiring PHAs to implement a community service program for all non-exempt adults living in public housing.

This chapter describes HUD regulations and County Housing policies related to these topics in two parts:

Part I: Community Service Requirements. This part describes who is subject to the community service requirement, who is exempt, and HUD's definition of economic self-sufficiency.

Part II: PHA Implementation of Community Service. This part provides County Housing's policy regarding implementation and program design.

## **PART I: COMMUNITY SERVICE REQUIREMENT**

### **11-I.A. OVERVIEW**

HUD regulations pertaining to the community service requirement are contained in 24 CFR 960 Subpart F (960.600 through 960.609). PHAs and residents must comply with the community service requirement, effective with PHA fiscal years that commenced on or after October 1, 2000. Per 903.7(l)(1)(iii), the PHA Plan must contain a statement of how the PHA will comply with the community service requirement, including any cooperative agreement that the PHA has entered into or plans to enter into.

Community service is the performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community. Community service is not employment and may not include political activities [24 CFR 960.601(b)].

In administering community service requirements, the PHA must comply with all non-discrimination and equal opportunity requirements [24 CFR 960.605(c)(5)].

### **11-I.B. REQUIREMENTS**

Each adult resident of County Housing's public housing program, who is not exempt, must [24 CFR 960.603(a)]:

- Contribute 8 hours per month of community service; or
- Participate in an economic self-sufficiency program (as defined in the regulations) for 8 hours per month; or
- Perform 8 hours per month of combined activities (community service and economic self-sufficiency programs).
- The required community service or self-sufficiency activity may be completed 8 hours each month or may be aggregated across a year. Any blocking of hours is acceptable as long as 96 hours are completed by each annual certification of compliance [Notice PIH 2015-12].

### **Definitions**

#### ***Exempt Individual [24 CFR 960.601(b), Notice PIH 2015-12]***

An *exempt individual* is an adult who:

- Is age 62 years or older
- Is blind or disabled (as defined under section 216[i][l] or 1614 of the Social Security Act), and who certifies that because of this disability s/he is unable to comply with the service provisions
- Is a primary caretaker of such an individual
- Is engaged in work activities

#### County Housing Policy

County Housing will consider 20 hours per week as the minimum number of hours needed to qualify for a work activity exemption.

- Is able to meet requirements of being exempted under a state program funded under part A of title IV of the Social Security Act, or under any other welfare program of the state of Missouri, including a state-administered welfare-to-work program
  - This exemption applies to anyone whose characteristics or family situation meets the welfare agency exemption criteria and can be verified.
- Is a member of a family receiving assistance, benefits, or services under a state program funded under part A of title IV of the Social Security Act, or under any other welfare program of Missouri, including a state-administered welfare-to-work program and the supplemental nutrition assistance program (SNAP), and has not been found by the state or other administering entity to be in non-compliance with such program.
- Is a member of a non-public housing over-income family.

***Community Service [24 CFR 960.601(b), Notice PIH 2015-12]***

*Community service* is the performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self responsibility in the community. Community service is not employment and may not include political activities.

Eligible community service activities include, but are not limited to, work at:

- Local public or nonprofit institutions such as schools, Head Start programs, before or after school programs, childcare centers, hospitals, clinics, hospices, nursing homes, recreation centers, senior centers, adult day care programs, homeless shelters, feeding programs, food banks (distributing either donated or commodity foods), or clothes closets (distributing donated clothing)
- Nonprofit organizations serving County Housing residents or their children such as: Boy or Girl Scouts, Boys or Girls Club, 4-H clubs, Police Assistance League (PAL), organized children’s recreation, mentoring or education programs, Big Brothers or Big Sisters, garden centers, community clean-up programs, beautification programs
- Programs funded under the Older Americans Act, such as Green Thumb, Service Corps of Retired Executives, senior meals programs, senior centers, Meals on Wheels
- Public or nonprofit organizations dedicated to seniors, youth, children, residents, citizens, special-needs populations or with missions to enhance the environment, historic resources, cultural identities, neighborhoods, or performing arts
- County Housing to improve grounds or provide gardens (so long as such work does not alter the County Housing’s insurance coverage); or work through resident organizations to help other residents with problems, including serving on the Resident Advisory Board
- Care for the children of other residents so parents may volunteer

County Housing Policy

Community services at profit-motivated entities, volunteer work performed at homes or offices of general private citizens, and court-ordered or probation-based work will not be considered eligible community service activities.

***Economic Self-Sufficiency Program [24 CFR 5.603(b), Notice PIH 2015-12]***

For purposes of satisfying the community service requirement, an *economic self-sufficiency program* is defined by HUD as any program designed to encourage, assist, train, or facilitate economic independence of assisted families or to provide work for such families.

Eligible self-sufficiency activities include, but are not limited to:

- Job readiness or job training
- Training programs through local one-stop career centers, workforce investment boards (local entities administered through the U.S. Department of Labor), or other training providers
- Employment counseling, work placement, or basic skills training
- Education, including higher education (junior college or college), GED classes, or reading, financial, or computer literacy classes
- Apprenticeships (formal or informal)
- English proficiency or English as a second language classes
- Budgeting and credit counseling
- Any other program necessary to ready a participant to work (such as substance abuse or mental health counseling)

***Work Activities [42 U.S.C. 607(d)]***

As it relates to an exemption from the community service requirement, *work activities* means:

- Unsubsidized employment
- Subsidized private sector employment
- Subsidized public sector employment
- Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available
- On-the-job training
- Job search and job readiness assistance
- Community service programs
- Vocational educational training (not to exceed 12 months with respect to any individual)
- Job skills training directly related to employment
- Education directly related to employment, in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency
- Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate

**Notification Requirements [24 CFR 960.605(c)(2), Notice PIH 2015-12, Notice PIH 2016- 06]**

County Housing must give each family a written description of the community service requirement, the process for claiming status as an exempt person, and the process used by County Housing to verify exempt status. County Housing must also notify the family of its determination identifying the family members who are subject to the service requirement, and the family members who are exempt. In addition, the family must sign a certification, such as Attachment A of Notice PIH 2015-12, that they have received and read the policy and understand that if they are not exempt, failure to comply with the requirement will result in non-renewal of their lease. The family must also sign a certification at annual reexamination, such as Attachment B of Notice PIH 2015-12, certifying that they understand the requirement.

County Housing Policy

County Housing will provide the family with a copy of the Community Service Policy found in Exhibit 11-1 of this chapter, at lease-up, lease renewal, when a family member is determined to be subject to the community service requirement during the lease term, and at any time upon the family's request.

On an annual basis, at the time of lease renewal, County Housing will notify the family in writing of the family members who are subject to the community service requirement and the family members who are exempt. If the family includes non-exempt individuals, the notice will include a list of agencies in the community that provide volunteer and/or training opportunities, as well as a documentation form on which they may record the activities they perform and the number of hours contributed. The form will also have a place for a signature by an appropriate official, who will certify the activities and hours completed.

**11-I.C. DETERMINATION OF EXEMPTION STATUS AND COMPLIANCE [24 CFR 960.605(c)(3)]**

County Housing must review and verify family compliance with service requirements annually at least thirty days before the end of the twelve-month lease term. The policy for documentation and verification of compliance with service requirements may be found in Section 11-I.D., Documentation and Verification.

County Housing Policy

Where the lease term does not coincide with the effective date of the annual reexamination, County Housing will change the effective date of the annual reexamination to coincide with the lease term. In making this change, County Housing will ensure that the annual reexamination is conducted within 12 months of the last annual reexamination.

**Annual Determination**

***Determination of Exemption Status***

An exempt individual is excused from the community service requirement [24 CFR 960.603(a)].

County Housing Policy

At least 60 days prior to lease renewal, County Housing will review and verify the exemption status of all adult family members. This verification will only be done on an annual basis unless the family reports a change or County Housing has reason to believe that an individual's exemption status has changed. For individuals who are exempt because they are 62 years of age and older, verification of exemption status will be done only at the initial

examination.

Upon completion of the verification process, County Housing will notify the family of its determination in accordance with the policy in Section 11-I.B., Notification Requirements.

### ***Determination of Compliance***

County Housing must review resident family compliance with service requirements annually at least 30 days before the end of the twelve-month lease term [24 CFR 960.605(c)(3)]. As part of this review, County Housing must verify that any family member who is not exempt from the community service requirement has met his or her service obligation.

#### County Housing Policy

Approximately 60 days prior to the end of the lease term, County Housing will provide written notice requiring the family to submit documentation that all subject family members have complied with the service requirement. The family will have 10 business days to submit the required documentation form(s).

If the family fails to submit the required documentation within the required timeframe, or County Housing's approved extension, the subject family members will be considered non-compliant with community service requirements, and notices of non-compliance will be issued pursuant to the policies in Section 11-I.E., Non-compliance.

### **Change in Status between Annual Determinations**

#### County Housing Policy

##### **Exempt to Non-exempt Status**

If an exempt individual becomes non-exempt during the twelve-month lease term, it is the family's responsibility to report this change to County Housing within 10 business days.

Within 10 business days of a family reporting such a change, or County Housing determining such a change is necessary, County Housing will provide written notice of the effective date of the requirement, a list of agencies in the community that provide volunteer and/or training opportunities, as well as a documentation form on which the family member may record the activities performed and number of hours contributed.

The effective date of the community service requirement will be the first of the month following 30 days' notice.

##### ***Determination of Initial Compliance***

When an adult family member becomes subject to community service, he or she must perform 8 hours of community service for the months he or she is subject to the requirement before the end of the lease term (anniversary date).

Example 1: Alberto Jones turns 18 on 5/10/15 and is not exempt from the community service requirement. His community service requirement begins on 6/1/15, and his initial compliance is reviewed before the end of the lease term (anniversary date), which is 11/30/15.

- Alberto must perform 6 months of community service in his initial compliance period, before the end of the lease term (anniversary date).

Example 2: Lisa Dewhurst leaves her job on 9/20/14 and is not exempt from the community service requirement. Her community service requirement begins on 10/1/14, and her initial compliance is reviewed before the end of the lease term (anniversary date), which is 6/30/15.

- Ms. Dewhurst must perform 9 months of community service in her initial compliance period, before the end of the lease term (anniversary date).

#### Non-exempt to Exempt Status

If a non-exempt person becomes exempt during the twelve-month lease term, it is the family's responsibility to report this change to County Housing within 10 business days. Any claim of exemption will be verified by County Housing in accordance with the policy at 11-I.D., Documentation and Verification of Exemption Status.

Within 10 business days of a family reporting such a change, or County Housing determining such a change is necessary, County Housing will provide the family written notice that the family member is no longer subject to the community service requirement, if County Housing is able to verify the exemption.

The exemption will be effective immediately.

#### **11-I.D. DOCUMENTATION AND VERIFICATION [24 CFR 960.605(c)(4), 960.607, Notice PIH 2016-08]**

County Housing must retain reasonable documentation of service requirement performance or exemption in participant files.

#### **Documentation and Verification of Exemption Status**

##### County Housing Policy

All family members who claim they are exempt from the community service requirement will be required to sign the community service exemption certification form found in Exhibit 11-3. County Housing will provide a completed copy to the family and will keep a copy in the tenant file.

County Housing will verify that an individual is exempt from the community service requirement by following the verification hierarchy and documentation requirements in Chapter 7.

County Housing makes the final determination whether or not to grant an exemption from

the community service requirement. If a resident does not agree with County Housing's determination, they can dispute the decision through County Housing's grievance procedures (see Chapter 14).

### **Documentation and Verification of Compliance**

At each regularly scheduled reexamination, each non-exempt family member presents a signed standardized certification form developed by County Housing of community service and self-sufficiency activities performed over the last 12 months [Notice PIH 2015-12].

If qualifying community service activities are administered by an organization other than County Housing, a family member who is required to fulfill a service requirement must provide documentation required by County Housing. County Housing may require a self-certification or certification from a third party [24 CFR 960.607].

If County Housing accepts self-certification of compliance with the community service requirement, it must provide a form that includes a statement that the client performed the required hours, contact information for the community service provider, a description of activities performed, and dates of service.

If County Housing accepts self-certification, it must validate a sample of certifications through third-party documentation. County Housing must notify families that self-certification forms are available and that a sample of self-certifications will be validated.

HUD strongly encourages PHAs to investigate community service compliance when there are questions of accuracy.

#### County Housing Policy

Each individual who is subject to the community service requirement will be required to record their community service or self-sufficiency activities and the number of hours contributed on the required form. The certification form will also include places for signatures and phone numbers of supervisors, instructors, and counselors certifying the number of hours contributed.

Families will be required to submit the documentation to County Housing, upon request by County Housing, at least annually.

If County Housing has reasonable cause to believe that the certification provided by the family is false or fraudulent, County Housing has the right to require additional third-party verification.

### **11-I.E. NON-COMPLIANCE**

#### **Non-compliant Residents**

The lease specifies that it is renewed automatically for all purposes, unless the family fails to comply with the community service requirement or families are determined to be over-income for 24 consecutive months. Violation of the service requirement is grounds for non-renewal of the lease at the end of the twelve-month lease term, but not for termination of tenancy during the course of the twelve-month lease term [24 CFR 960.603(b)].

PHAs may not evict a family due to CSSR non-compliance. However, if a PHA finds a tenant is non-compliant with CSSR, the PHA must provide written notification to the tenant of the non-compliance which must include:

- A brief description of the finding of non-compliance with CSSR.
- A statement that the PHA will not renew the lease at the end of the current 12-month lease term unless the tenant enters into a written work-out agreement with the PHA, or the family provides written assurance that is satisfactory to the PHA explaining that the tenant or other non-compliant resident no longer resides in the unit. Such a written work-out agreement must include the means through which a non-compliant family member will comply with the CSSR requirement [24 CFR 960.607(c), Notice PIH 2015-12].

The notice must also state that the tenant may request a grievance hearing on the PHA's determination, in accordance with the PHA's grievance procedures, and that the tenant may exercise any available judicial remedy to seek timely redress for the PHA's non-renewal of the lease because of the PHA's determination.

#### County Housing Policy

The notice of non-compliance will be sent at least 45 days prior to the end of the lease term.

The family will have 10 business days from the date of the notice of non-compliance to enter into a written work-out agreement to cure the non-compliance over the 12-month term of the new lease, provide documentation that the non-compliant resident no longer resides in the unit, or to request a grievance hearing.

If the family reports that a non-compliant family member is no longer residing in the unit, the family must provide documentation that the family member has actually vacated the unit before County Housing will agree to continued occupancy of the family.

Documentation must consist of a certification signed by the head of household as well as evidence of the current address of the family member that previously resided with them.

If the family does not request a grievance hearing or does not take either corrective action required by the notice of non-compliance within the required 10 business day timeframe, County Housing will terminate tenancy in accordance with the policies in Section 13-IV.D.

#### **Continued Non-compliance and Enforcement Documentation [24 CFR 960.607(b)]**

Should a family member refuse to sign a written work-out agreement or fail to comply with the terms of the work-out agreement, PHAs are required to initiate termination of tenancy proceedings at the end of the current 12-month lease (see 24 CFR 966.53(c)) for failure to comply with lease requirements. When initiating termination of tenancy proceedings, the PHA will provide the following procedural safeguards:

- Adequate notice to the tenant of the grounds for terminating the tenancy and for non-renewal of the lease;
- Right of the tenant to be represented by counsel;
- Opportunity for the tenant to refute the evidence presented by the PHA, including the right to confront and cross-examine witnesses and present any affirmative legal or equitable defense which the tenant may have; and,
- A decision on the merits.

### County Housing Policy

Notices of continued non-compliance will be sent at least 30 days prior to the end of the lease term and will also serve as the family's termination notice. The notice will meet the requirements for termination notices described in Section 13-IV.D, Form, Delivery, and Content of the Notice.

The family will have 10 business days from the date of the notice of non-compliance to provide documentation that the non-compliant resident no longer resides in the unit, or to request a grievance hearing.

If the family reports that a non-compliant family member is no longer residing in the unit, the family must provide documentation that the family member has actually vacated the unit before County Housing will agree to continued occupancy of the family. Documentation must consist of a certification signed by the head of household as well as evidence of the current address of the non-compliant family member that previously resided with them.

If the family does not request a grievance hearing or provide such documentation within the required 10 business day timeframe, the family's lease and tenancy will automatically terminate at the end of the current lease term without further notice.

## **PART II: IMPLEMENTATION OF COMMUNITY SERVICE**

### **11-II.A. OVERVIEW**

Each PHA must develop a policy for administration of the community service and economic self-sufficiency requirements for public housing. It is in the PHA's best interests to develop a viable, effective community service program, to provide residents with the opportunity to engage in the community and to develop competencies.

#### **PHA Implementation of Community Service**

County Housing may not substitute any community service or self-sufficiency activities performed by residents for work ordinarily performed by County Housing employees or replace a job at any location where residents perform activities to satisfy the service requirement [24 CFR 960.609].

##### County Housing Policy

County Housing will notify its insurance company if residents will be performing community service for County Housing. In addition, County Housing will ensure that the conditions under which the work is to be performed are not hazardous.

If a disabled resident certifies that they are able to perform community service, County Housing will ensure that requests for reasonable accommodation are handled in accordance with the policies in Chapter 2.

#### **PHA Program Design**

PHAs may administer qualifying community service or economic self-sufficiency activities directly or may make community service activities available through a contractor, or through partnerships with qualified organizations, including resident organizations, and community agencies or institutions [24 CFR 960.605(b)].

##### County Housing Policy

County Housing will attempt to provide the broadest choice possible to residents as they choose community service activities.

County Housing's goal is to design a service program that gives residents viable opportunities to become involved in the community and to gain competencies and skills. County Housing will work with resident organizations and community organizations to design, implement, assess, and recalibrate its community service program.

County Housing will make every effort to identify volunteer opportunities throughout the community, especially those in proximity to public housing developments. To the greatest extent possible, names and contacts at agencies that can provide opportunities for residents will be provided, including persons with disabilities, to fulfill their community service obligations.

County Housing will provide in-house opportunities for volunteer work or self-sufficiency programs when possible.

## HOUSING AUTHORITY OF ST. LOUIS COUNTY

**Note:** Political activity is excluded.

**Self-Sufficiency Activities** – self-sufficiency activities include, but are not limited to:

PHAs can use reasonable guidelines in clarifying the work activities in coordination with TANF, as appropriate.

**Work Activities** mean it relates to an exemption from the community service requirement, *work activities* means:

- Unsubsidized employment
- Subsidized private sector employment
- Subsidized public sector employment

- Provision of childcare services to an individual who is participating in a community service program

### **C. Requirements of the Program**

1. The eight (8) hours per month may be either volunteer work or self-sufficiency program activity, or a combination of the two.
2. At least eight (8) hours of activity must be performed each month or may be aggregated across a year. Any blocking of hours is acceptable as long as long as 96 hours is completed by each annual certification of compliance.
3. Family obligation:
  - At lease execution, all adult members (18 or older) of a public housing resident family must:
    - Sign a certification (Attachment A) that they have received and read this policy and understand that if they are not exempt, failure to comply with the community service requirement will result in a nonrenewal of their lease; and
    - Declare if they are exempt. If exempt, they must complete the Exemption Form (Exhibit 11-3) and provide documentation of the exemption.
  - Upon written notice from County Housing, non-exempt family members must present complete documentation of activities performed during the applicable lease term. This documentation will include places for signatures of supervisors, instructors, or counselors, certifying the number of hours.
  - If a family member is found to be non-compliant at the end of the 12-month lease term, he or she, and the head of household, will be required to sign an agreement with the housing authority to make up the deficient hours over the next twelve (12) month period, or the lease will be terminated.
  - At annual reexamination, the family must also sign a certification certifying that they understand the community service requirement.
4. Change in exempt status:
  - If, during the twelve (12) month lease period, a non-exempt person becomes exempt, it is his or her responsibility to report this to County Housing and provide documentation of exempt status.
  - If, during the twelve (12) month lease period, an exempt person becomes non-exempt, it is their responsibility to report this to County Housing. Upon receipt of this information County Housing will provide the person with the appropriate documentation form(s) and a list of agencies in the community that provide volunteer and/or training opportunities.

### **D. Authority Obligation**

1. To the greatest extent possible and practicable, County Housing will:
  - Provide names and contacts at agencies that can provide opportunities for residents, including residents with disabilities, to fulfill their community service obligations.

- Provide in-house opportunities for volunteer work or self-sufficiency activities.
2. County Housing will provide the family with a copy of this policy, and all applicable exemption verification forms and community service documentation forms, at lease-up, lease renewal, when a family member becomes subject to the community service requirement during the lease term, and at any time upon the family’s request.
  3. Although exempt family members will be required to submit documentation to support their exemption, County Housing will verify the exemption status in accordance with its verification policies. County Housing will make the final determination as to whether or not a family member is exempt from the community service requirement. Residents may use the County Housing’s grievance procedure if they disagree with the determination.
  4. Non-compliance of family member:
    - At least thirty (30) days prior to the end of the 12-month lease term, County Housing will begin reviewing the exempt or non-exempt status and compliance of family members;
    - If, at the end of the initial 12-month lease term under which a family member is subject to the community service requirement, County Housing finds the family member to be non-compliant, County Housing will not renew the lease unless:
      - The head of household and any other non-compliant resident enter into a written agreement with County Housing, to make up the deficient hours over the next twelve (12) month period; or
      - The family provides written documentation satisfactory to County Housing that the non-compliant family member no longer resides in the unit.
    - If, at the end of the next 12-month lease term, the family member is still not compliant, a 30-day notice to terminate the lease will be issued and the entire family will have to vacate, unless the family provides written documentation satisfactory to County Housing that the non-compliant family member no longer resides in the unit;
    - The family may use County Housing’s grievance procedure to dispute the lease termination.

All adult family members must sign and date below, certifying that they have read and received a copy of this Community Service and Self-Sufficiency Policy.

Under the CSSR, each non-exempt adult family member residing in public housing must perform 8 hours per month of community service or self-sufficiency activities.

**Non-compliance:** The Housing Authority of St. Louis County has found that the non-exempt individual named above is in non-compliance with the CSSR. This work-out agreement is County Housing's written notification to you of this non-compliance.

Our records show that for the most recent lease term you were required to perform \_\_\_\_\_ hours of CSSR activities. However, there were \_\_\_\_\_ hours of verified CSSR activities. Therefore, you are in non-compliance for \_\_\_\_\_ hours.

The Housing Authority of St. Louis County will not renew the lease at the end of the current 12-month lease term unless the head of household and non-compliant adult sign a written work-out agreement with the Housing Authority of St. Louis County, or the family provides written assurance that is satisfactory to the Housing Authority of St. Louis County, explaining that the non-compliant adult no longer resides in the unit. The regulations require that the work-out agreement include the means through which a non-compliant family member will comply with the CSSR requirement. [24 CFR 960.607(c), Notice PIH 2015-12]. The terms of the CSSR work-out agreement are on the reverse side of this page.

**Enforcement:** Should a family member refuse to sign this CSSR work-out agreement, or fail to comply with the terms of this CSSR work-out agreement, or fail to provide satisfactory written assurance that the non-compliant adult no longer resides in the unit, the Housing Authority of St. Louis County is required to initiate termination of tenancy proceedings at the end of the current 12-month lease [24 CFR 966.53(c)].

## Chapter 12

### TRANSFER POLICY

#### INTRODUCTION

This chapter explains County Housing's transfer policy, based on HUD regulations, HUD guidance, and County Housing policy decisions.

This chapter describes HUD regulations and County Housing policies related to transfers in four parts:

Part I: Emergency Transfers. This part describes emergency transfers, emergency transfer procedures, and payment of transfer costs.

Part II: PHA Required Transfers. This part describes types of transfers that may be required by County Housing, notice requirements, and payment of transfer costs.

Part III: Transfers Requested by Residents. This part describes types of transfers that may be requested by residents, eligibility requirements, security deposits, payment of transfer costs, and handling of transfer requests.

Part IV: Transfer Processing. This part describes creating a waiting list, prioritizing transfer requests, the unit offer policy, examples of good cause, deconcentration, transferring to another development and reexamination.

County Housing may require the tenant to move from the unit under some circumstances. There are also emergency circumstances under which alternate accommodations for the tenant must be provided, that may or may not require a transfer.

The tenant may also request a transfer, such as a request for a new unit as a reasonable accommodation.

County Housing must have specific policies in place to deal with acceptable transfer requests.

## **PART I: EMERGENCY TRANSFERS**

### **12-I.A. OVERVIEW**

HUD categorizes certain situations that require emergency transfers [PH Occ GB, p. 147]. The emergency transfer differs from a typical transfer in that it requires immediate action by County Housing.

In the case of a genuine emergency, it may be unlikely that County Housing will have the time or resources to immediately transfer a tenant. Due to the immediate need to vacate the unit, placing the tenant on a transfer waiting list would not be appropriate. Under such circumstances, if an appropriate unit is not immediately available, County Housing should find alternate accommodations for the tenant until the emergency passes or a permanent solution, i.e., return to the unit or transfer to another unit, is possible.

### **12-I.B. EMERGENCY TRANSFERS**

If the dwelling unit is damaged to the extent that conditions are created that are hazardous to the life, health, or safety of the occupants, County Housing must offer standard alternative accommodations, if available, where necessary repairs cannot be made within a reasonable time [24 CFR 966.4(h)].

VAWA requires County Housing to adopt an emergency transfer plan for victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking.

#### County Housing Policy

The following are considered emergency circumstances warranting an immediate transfer of the tenant or family:

Maintenance conditions in the resident's unit, building or at the site that pose an immediate, verifiable threat to the life, health, or safety of the resident or family members that cannot be repaired or abated within 24 hours. Examples of such unit or building conditions would include: a gas leak, no heat in the building during the winter, no water, toxic contamination, and serious water leaks.

A verified incident of domestic violence, dating violence, sexual assault, or stalking. For instances of domestic violence, dating violence, sexual assault, stalking, or human trafficking, the threat may be established through documentation outlined in section 16-VII.D. To request the emergency transfer, the requestor must submit an emergency transfer request form (HUD-5383) (Exhibit 16-4 of this ACOP), although County Housing may waive this requirement in order to expedite the transfer process.

County Housing will immediately process requests for transfers due to domestic violence, dating violence, sexual assault, stalking, or human trafficking. County Housing will allow a tenant to make an internal emergency transfer under VAWA when a safe unit is immediately available. County Housing defines *immediately available* as a vacant unit, which is ready for move-in within a reasonable period of time, not to exceed 30 days. If an internal transfer to a safe unit is not immediately available, County Housing will assist the resident in seeking an external emergency transfer either within or outside its programs.

County Housing has adopted an emergency transfer plan, which is included as Exhibit 16-3 in this plan.

#### **12-I.C. EMERGENCY TRANSFER PROCEDURES**

##### County Housing Policy

If the transfer is necessary because of maintenance conditions, and an appropriate unit is not immediately available, County Housing will provide temporary accommodations to the tenant by arranging for temporary lodging at a hotel or similar location. If the conditions that required the transfer cannot be repaired, or the condition cannot be repaired in a reasonable amount of time, County Housing will transfer the resident to the first available and appropriate unit after the temporary relocation.

Emergency transfers that arise due to maintenance conditions are mandatory for the tenant.

If the emergency transfer is necessary to protect a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, County Housing will follow procedures outlined in Exhibit 16-4.

#### **12-I.D. COSTS OF TRANSFER**

##### County Housing Policy

County Housing will bear the reasonable costs of temporarily accommodating the tenant and of long-term transfers, if any, due to emergency conditions.

The reasonable cost of transfers includes the cost of packing, moving, and unloading.

Rather than reimbursing the family for eligible, reasonable expenses related to the move, County Housing will either complete the move, or make arrangements and pay for the move.

## **PART II: PHA REQUIRED TRANSFERS**

### **12-II.A. OVERVIEW**

HUD regulations regarding transfers are minimal, leaving it up to PHAs to develop reasonable transfer policies.

PHAs may require that a resident transfer to another unit under some circumstances. For example, a PHA may require a resident to transfer to make an accessible unit available to a disabled family. A PHA may also transfer residents to maintain occupancy standards based on family composition. Finally, a PHA may transfer residents to demolish or renovate the unit.

A transfer that is required by a PHA is an adverse action and is subject to the notice requirements for adverse actions [24 CFR 966.4(e)(8)(i)].

### **12-II.B. TYPES OF PHA REQUIRED TRANSFERS**

#### County Housing Policy

The types of transfers that may be required by County Housing include, but are not limited to, transfers to make an accessible unit available for a disabled family, transfers to comply with occupancy standards, transfers for demolition, disposition, revitalization, or rehabilitation, and emergency transfers as discussed in Part I of this chapter.

Transfers required by County Housing are mandatory for the tenant. The family will be given 15 days to vacate the unit after receipt of written notice.

#### **Transfers to Make an Accessible Unit Available**

When a family is initially given an accessible unit but does not require the accessible features, County Housing may require the family to agree to move to a non-accessible unit when it becomes available [24 CFR 8.27(b)].

#### County Housing Policy

When a non-accessible unit becomes available, County Housing will transfer a family living in an accessible unit that does not require the accessible features, to an available unit that is not accessible. County Housing may wait until a disabled resident requires the accessible unit before transferring the family that does not require the accessible features out of the accessible unit.

#### **Occupancy Standards Transfers**

County Housing may require a resident to move when a reexamination indicates that there has been a change in family composition, and the family is either overcrowded or over-housed according to County Housing policy [24 CFR 960.257(a)(4)]. On some occasions, County Housing may initially place a resident in an inappropriately sized unit at lease-up, where the family is over-housed, to prevent vacancies. The public housing lease must include the tenant's agreement to transfer to an appropriately sized unit based on family composition [24 CFR 966.4(c)(3)].

#### County Housing Policy

County Housing will transfer a family when the family size has changed, and the family is now too large (overcrowded) or too small (over-housed) for the unit occupied.

For purposes of the transfer policy, overcrowded and over-housed are defined as follows:

*Overcrowded:* the number of household members exceeds the maximum number of people allowed for the unit size in which the family resides, according to the chart in Section 5-I.B.

*Over-housed:* the family no longer qualifies for the bedroom size in which they are living based on County Housing's occupancy standards as described in Chapter 5.

County Housing may also transfer a family who was initially placed in a unit in which the family was over-housed to a unit of appropriate size based on County Housing's occupancy standards when it determines there is a need for the transfer.

County Housing may elect not to transfer an over-housed family in order to prevent vacancies.

A family that is required to move because of family size will be advised by County Housing that a transfer is necessary and that the family has been placed on the transfer list.

Families that request and are granted an exception to the occupancy standards (for either a larger or smaller size unit) in accordance with the policies in Section 5-I.C. will only be required to transfer if it is necessary to comply with the approved exception.

### **Demolition, Disposition, Revitalization, or Rehabilitation Transfers**

These transfers permit County Housing to demolish, sell, or do major capital or rehabilitation work at a building site [PH Occ GB, page 148].

#### County Housing Policy

County Housing will relocate a family when the unit or site in which the family lives is undergoing major rehabilitation that requires the unit to be vacant, or the unit is being disposed of or demolished. County Housing's relocation plan may or may not require transferring affected families to other available public housing units.

If the relocation plan calls for transferring public housing families to other public housing units, affected families will be placed on the transfer list.

In cases of revitalization or rehabilitation, the family may be offered a temporary relocation if allowed under Relocation Act provisions and may be allowed to return to their unit, depending on contractual and legal obligations, once revitalization or rehabilitation is complete.

### **12-II.C. ADVERSE ACTION [24 CFR 966.4(e)(8)(i)]**

A PHA-required transfer is an adverse action. As an adverse action, the transfer is subject to the requirements regarding notices of adverse actions. If the family requests a grievance hearing within the required timeframe, County Housing may not take action on the transfer until the conclusion of the grievance process.

### **12-II.D. COST OF TRANSFER**

#### County Housing Policy

County Housing will bear the reasonable costs of transfers that County Housing requires, except that residents will be required to bear the cost of occupancy standards transfers.

The reasonable costs of transfers include the cost of packing, moving, and unloading.

Rather than reimbursing the family for eligible, reasonable expenses related to the move, County Housing will either complete the move, or make arrangements and pay for the move.

## **PART III: TRANSFERS REQUESTED BY TENANTS**

### **12-III.A. OVERVIEW**

HUD provides PHAs with discretion to consider transfer requests from tenants. The only requests that County Housing is required to consider are requests for reasonable accommodation. All other transfer requests are at the discretion of County Housing. To avoid administrative costs and burdens, this policy limits the types of requests that will be considered by County Housing.

Some transfers that are requested by tenants should be treated as higher priorities than others due to the more urgent need for the transfer.

### **12-III.B. TYPES OF RESIDENT-REQUESTED TRANSFERS**

#### County Housing Policy

The types of requests for transfers that County Housing will consider are limited to requests for transfers to alleviate a serious or life-threatening medical condition, transfers due to a threat of physical harm or criminal activity, reasonable accommodation, transfers to a different unit size as long as the family qualifies for the unit according to County Housing's occupancy standards, and transfers to a location closer to employment. No other transfer requests will be considered.

County Housing will consider the following as high-priority transfer requests:

When a transfer is needed to alleviate verified medical problems of a serious or life-threatening nature.

When there has been a verified threat of physical harm or criminal activity. Such circumstances may, at County Housing's discretion, include an assessment by law enforcement indicating that a family member is the actual or potential victim of a criminal attack, retaliation for testimony, or a hate crime.

When a family requests a transfer as a reasonable accommodation. Examples of a reasonable accommodation transfer include, but are not limited to, a transfer to a first-floor unit for a person with mobility impairment, or a transfer to a unit with accessible features.

County Housing will consider the following as regular priority transfer requests:

When a family requests a larger bedroom size unit even though the family does not meet County Housing definition of overcrowded, as long as the family meets County Housing's occupancy standards for the requested size unit.

When the head of household or spouse is employed 25 miles or more from the public housing unit, has no reliable transportation, and public transportation is not adequate.

Transfers requested by the tenant are considered optional for the tenant.

### **12-III.C. ELIGIBILITY FOR TRANSFER**

Transferring residents do not have to meet the admission eligibility requirements pertaining to income or preference. However, County Housing may establish other standards for considering a transfer request [PH Occ GB, p. 150].

#### County Housing Policy

Except where reasonable accommodation is being requested, County Housing will only consider transfer requests from residents that meet the following requirements:

- Have not engaged in criminal activity that threatens the health and safety of residents and staff

- Owe no back rent or other charges, or have a pattern of late payment

- Have no housekeeping lease violations or history of damaging property

- Can get utilities turned on in the name of the head of household (applicable only to properties with tenant-paid utilities)

A resident with housekeeping standards violations will not be transferred until the resident passes a follow-up housekeeping inspection.

Exceptions to the good record requirement may be made when it is to County Housing's advantage to make the transfer.

Exceptions will also be made when County Housing determines that a transfer is necessary to protect the health or safety of a resident who is a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, and who provides documentation of abuse in accordance with section 16-VII.D of this ACOP. Tenants who are not in good standing may still request an emergency transfer under VAWA.

If a family requests to be placed on the waiting list for a unit size smaller than designated by the occupancy guidelines, the family will not be eligible to transfer to a larger size unit for a period of two years from the date of admission, unless they have a change in family size or composition, or it is needed as a reasonable accommodation.

### **12-III.D. SECURITY DEPOSITS**

#### County Housing Policy

When a family transfers from one unit to another, County Housing will transfer their security deposit to the new unit. The tenant will be billed for any maintenance or others charges due for the "old" unit.

### **12-III.E. COST OF TRANSFER**

County Housing must pay moving expenses to transfer a resident with a disability to an accessible unit as an accommodation for the resident's disability [Notice PIH 2010-26].

#### County Housing Policy

The resident will bear all the costs of transfer s/he requests. However, County Housing will bear the transfer costs when the transfer is done as a reasonable accommodation.

### **12-III.F. HANDLING OF REQUESTS**

#### County Housing Policy

Residents requesting a transfer to another unit or development will be required to submit a written request for transfer.

To request the emergency transfer under VAWA, the resident will be required to submit an emergency transfer request form (HUD-5383) (Exhibit 16-4 of this ACOP). County Housing may, on a case-by-case basis, waive this requirement and accept a verbal request in order to expedite the transfer process. If County Housing accepts an individual's statement, it will document acceptance of the statement in the individual's file in accordance with 16-VII.D. of this ACOP. Transfer requests under VAWA will be processed in accordance with County Housing's Emergency Transfer Plan (Exhibit 16-3). In case of a reasonable accommodation transfer, County Housing will encourage the resident to make the request in writing. However, County Housing will consider the transfer request any time the resident indicates that an accommodation is needed whether or not a formal written request is submitted.

County Housing will respond by approving the transfer and putting the family on the transfer list, by denying the transfer, or by requiring more information or documentation from the family, such as documentation of domestic violence, dating violence, sexual assault, stalking, or human trafficking in accordance with section 16-VII.D of this ACOP.

If the family does not meet the "good record" requirements under Section 12-III.C., the manager will address the problem and, until resolved, the request for transfer will be denied.

County Housing will respond within ten (10) business days of the submission of the family's request. If County Housing denies the request for transfer, the family will be informed of its grievance rights.

## **PART IV: TRANSFER PROCESSING**

### **12-IV.A. OVERVIEW**

Generally, families who request a transfer should be placed on a transfer list and processed in a consistent and appropriate order. The transfer process must be clearly auditable to ensure that residents do not experience inequitable treatment.

### **12-IV.B. TRANSFER LIST**

#### County Housing Policy

County Housing will maintain a centralized transfer list to ensure that transfers are processed in the correct order and that procedures are uniform across all properties.

Emergency transfers will not automatically go on the transfer list. Instead, emergency transfers will be handled immediately, on a case-by-case basis. If the emergency cannot be resolved by temporary accommodation, and the resident requires a permanent transfer, the family will be placed at the top of the transfer list.

Transfers will be processed in the following order:

1. Emergency transfers (hazardous maintenance conditions, VAWA)
2. High-priority transfers (verified medical condition, threat of harm or criminal activity, and reasonable accommodation)
3. Transfers to make accessible units available
4. Demolition, renovation, etc.
5. Occupancy standards
6. Other County Housing-required transfers
7. Other tenant-requested transfers

Within each category, transfers will be processed in order of the date a family was placed on the transfer list, starting with the earliest date.

With the approval of the Director of Housing Administration, County Housing may, on a case-by-case basis, transfer a family without regard to its placement on the transfer list in order to address the immediate need of a family in crisis.

Demolition and renovation transfers will gain the highest priority as necessary to allow County Housing to meet the demolition or renovation schedule.

Transfers will take precedence over waiting list admissions.

### **12-IV.C. TRANSFER OFFER POLICY**

#### County Housing Policy

Residents will receive one offer of a transfer.

When the transfer is required by County Housing, the refusal of that offer without good cause will result in lease termination.

When the transfer has been requested by the resident, the refusal of that offer without good

cause will result in the removal of the family from the transfer list. In such cases, the family must wait six months to reapply for another transfer.

#### **12-IV.D. GOOD CAUSE FOR UNIT REFUSAL**

##### County Housing Policy

Examples of good cause for refusal of a unit offer include, but are not limited to, the following:

The family demonstrates to County Housing's satisfaction that accepting the unit offer will require an adult household member to quit a job, drop out of an educational institution or job training program, or take a child out of day care or an educational program for children with disabilities.

The family demonstrates to County Housing's satisfaction that accepting the offer will place a family member's life, health, or safety in jeopardy. The family should offer specific and compelling documentation such as restraining orders, other court orders, risk assessments related to witness protection from a law enforcement agency, or documentation of domestic violence, dating violence, stalking, or human trafficking in accordance with section 16-VII.D of this ACOP. The reasons offered must be specific to the family. Refusals due to location alone do not qualify for this good cause exemption.

A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (as listed on final application) or live-in aide necessary to the care of the principal household member.

The unit is inappropriate for the applicant's disabilities, or the family does not need the accessible features in the unit offered and does not want to be subject to a 30-day notice to move.

County Housing will require documentation of good cause for unit refusals.

#### **12-IV.E. DECONCENTRATION**

##### County Housing Policy

If subject to deconcentration requirements, County Housing will consider its deconcentration goals when transfer units are offered. When feasible, families above the Established Income Range will be offered a unit in a development that is below the Established Income Range, and vice versa, to achieve County Housing's deconcentration goals. A deconcentration offer will be considered a "bonus" offer; that is, if a resident refuses a deconcentration offer, the resident will receive one additional transfer offer.

#### **12-IV.F. REEXAMINATION POLICIES FOR TRANSFERS**

##### County Housing Policy

The reexamination date will be changed to the first of the month in which the transfer took place.

## Chapter 13

### LEASE TERMINATIONS

#### INTRODUCTION

Either party to the dwelling lease agreement may terminate the lease in accordance with its terms. A public housing lease is different from a private dwelling lease in that the family's rental assistance is tied to their tenancy. When the family moves from their public housing unit, they lose their rental assistance. Therefore, there are additional safeguards to protect the family's tenancy in public housing.

Likewise, there are safeguards to protect HUD's interest in the public housing program. County Housing has the authority to terminate the lease because of the family's failure to comply with HUD regulations, for serious or repeated violations of the terms of the lease, and for other good cause. HUD regulations also specify when termination of the lease is mandatory by County Housing.

When determining policies on terminations of the lease, County Housing must consider state and local landlord-tenant laws in the area where County Housing is located. Such laws vary from one location to another, and these variances may be either more or less restrictive than federal law or HUD regulation.

This chapter presents the policies that govern voluntary termination of the lease by the family and the mandatory and voluntary termination of the lease by County Housing. It is presented in four parts:

Part I: Termination by Tenant. This part discusses County Housing requirements for voluntary termination of the lease by the family.

Part II: Termination by PHA - Mandatory. This part describes circumstances when termination of the lease by County Housing is mandatory. This part also explains non-renewal of the lease for non-compliance with community service requirements and families that have been over the income limit for twenty-four consecutive months.

Part III: Termination by PHA – Other Authorized Reasons. This part describes County Housing's options for lease termination that are not mandated by HUD regulation but for which HUD authorizes PHAs to terminate. For some of these options HUD requires PHAs to establish policies and lease provisions for termination, but termination is not mandatory. For other options, PHAs have full discretion whether to consider the options as just cause to terminate as long as the PHAs' policies are reasonable, non-discriminatory, and do not violate state or local landlord-tenant law. This part also discusses the alternatives that PHAs may consider in lieu of termination, and the criteria PHAs will use when deciding what actions to take.

Part IV: Notification Requirements. This part presents the federal requirements for disclosure of criminal records to the family prior to termination, the HUD requirements and County Housing policies regarding the timing and content of written notices for lease termination and eviction, and notification of the post office when eviction is due to criminal activity. This part also discusses record keeping related to lease termination.

## **PART I: TERMINATION BY TENANT**

### **13-I.A. TENANT CHOOSES TO TERMINATE THE LEASE [24 CFR 966.4(k)(1)(ii) and 24 CFR 966.4(l)(1)]**

The family may terminate the lease at any time, for any reason, by following the notification procedures as outlined in the lease. Such notice must be in writing and delivered to the property site office or County Housing's central office or sent by pre-paid first-class mail, properly addressed.

#### County Housing Policy

If a family desires to move and terminate their tenancy with County Housing, they must give at least thirty calendar days advance written notice to County Housing of their intent to vacate. When a family must give less than 30 days' notice due to circumstances beyond their control County Housing, at its discretion, may waive the 30-day requirement.

The notice of lease termination must be signed by the head of household, spouse, or co-head.

## **PART II: TERMINATION BY PHA – MANDATORY**

### **13-II.A. OVERVIEW**

HUD requires mandatory termination of the lease for certain actions or inactions of the family. There are other actions or inactions of the family that constitute *grounds* for lease termination, but lease termination is not mandatory. County Housing must establish policies for termination of the lease in these cases where termination is optional for County Housing.

For those tenant actions or failures to act where HUD requires termination, County Housing has no such option. In those cases, the family's lease must be terminated. This part describes situations in which HUD requires County Housing to terminate the lease.

### **13-II.B. FAILURE TO PROVIDE CONSENT [24 CFR 960.259(a) and (b)]**

County Housing must terminate the lease if any family member fails to sign and submit any consent form they are required to sign for any re-examination. See Chapter 7 for a complete discussion of consent requirements.

### **13-II.C. FAILURE TO DOCUMENT CITIZENSHIP [24 CFR 5.514(c) and (d) and 24 CFR 960.259(a)]**

County Housing must terminate the lease if (1) a family fails to submit required documentation within the required timeframe concerning any family member's citizenship or immigration status; (2) a family submits evidence of citizenship and eligible immigration status in a timely manner, but United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family, resulting in no eligible family members; or (3) a family member, as determined by County Housing, has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit. For (3), such termination must be for a period of at least 24 months. This does not apply to ineligible non-citizens already in the household where the family's assistance has been prorated.

See Chapter 7 for a complete discussion of documentation requirements.

### **13-II.D. FAILURE TO DISCLOSE AND DOCUMENT SOCIAL SECURITY NUMBERS [24 CFR 5.218(c), 24 CFR 960.259(a)(3), Notice PIH 2018-24]**

County Housing must terminate assistance if a participant family fails to disclose the complete and accurate social security numbers of each household member and the documentation necessary to verify each social security number.

However, if the family is otherwise eligible for continued program assistance, and County Housing determines that the family's failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside of the family's control, County Housing may defer the family's termination and provide the opportunity to comply with the requirement within a period not to exceed 90 calendar days from the date County Housing determined the family to be non-compliant.

#### County Housing Policy

County Housing will defer the family's termination and provide the family with the opportunity to comply with the requirement for a period of 90 calendar days for circumstances beyond the participant's control, such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency, if

there is a reasonable likelihood that the participant will be able to disclose an SSN by the deadline.

See Chapter 7 for a complete discussion of documentation and certification requirements.

#### **13-II.E. FAILURE TO ACCEPT THE PHA'S OFFER OF A LEASE REVISION [24 CFR 966.4(l)(2)(ii)(E)]**

County Housing must terminate the lease if the family fails to accept an offer of a lease revision to an existing lease, provided County Housing has done the following:

- The revision is on a form adopted by County Housing in accordance with 24 CFR 966.3 pertaining to requirements for notice to tenants and resident organizations and their opportunity to present comments.
- County Housing has made written notice of the offer of the revision at least sixty calendar days before the lease revision is scheduled to take effect.
- County Housing has specified in the offer a reasonable time limit within that period for acceptance by the family.

See Chapter 8 for information pertaining to County Housing's policies for offering lease revisions.

#### **13-II.F. METHAMPHETAMINE CONVICTION [24 CFR 966.4(l)(5)(i)(A)]**

County Housing must immediately terminate the lease if it determines that any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally assisted housing.

See Part 13-III.B. below for the HUD definition of *premises*.

#### **13-II.G. LIFETIME REGISTERED SEX OFFENDERS [Notice PIH 2012-28]**

Should County Housing discover that a member of an assisted household was subject to a lifetime registration requirement at admission and was erroneously admitted after June 25, 2001, it must immediately terminate assistance for the household member.

In this situation, County Housing must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, County Housing must terminate assistance for the household.

#### **13-II.H. NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENTS [24 CFR 966.4(l)(2)(ii)(D), 24 CFR 960.603(b) and 24 CFR 960.607(b)(2)(ii) and (c)]**

County Housing is prohibited from renewing the lease at the end of the 12-month lease term when the family fails to comply with the community service requirements as described in Chapter 11.

#### **13-II.I. DEATH OF A SOLE FAMILY MEMBER [Notice PIH 2012-4]**

County Housing must immediately terminate the lease following the death of the sole family member.

##### County Housing Policy

County Housing will attempt to notify the deceased tenant's emergency contact person by mail of their passing. If an emergency contact person is not provided, County Housing will attempt

to contact the deceased tenant's next of kin. The notification will describe County Housing's requirements for removing the tenant's belongings from the public housing unit.

The emergency contact person, or next-of-kin, will have 15 business days to respond to the notification with arrangements for removing the deceased tenant's belongings. County Housing will temporarily move the belongings of the deceased tenant into storage to expedite the turnaround of the unit. If County Housing does not receive correspondence within 15 business days of the notification letter being sent, arrangements to dispose of the belongings will be made by County Housing. Removal of the items from storage must be done within 30 business days of the emergency contact person's response to the notification letter.

### **13-II.J. OVER-INCOME FAMILIES [24 CFR 960.507; FR Notice 7/26/18; Notice PIH 2023-03; FR Notice 2/14/23]**

In the public housing program, an *over-income family* is defined as a family whose income exceeds the over-income limit for 24 consecutive months. When this occurs, County Housing must either:

- Terminate the family's tenancy within six months of County Housing's final notification of the end of the 24-month grace period; or
- Within 60 days of County Housing's final notification of the end of the 24-month grace period or the next lease renewal (whichever is sooner), have the family execute a new lease that is consistent with 24 CFR 960.509 and charge the family a monthly rent that is the higher of the applicable fair market rent (FMR) or the amount of monthly subsidy for the unit, including amounts from the operating and capital funds.

However, a PHA that owns or operates fewer than 250 public housing units may continue to lease public housing units to families whose income exceeds the low-income limit at initial occupancy in accordance with 24 CFR 960.503. PHAs must establish a continued occupancy policy for over-income families in the ACOP indicating which of the above will occur.

#### County Housing Policy

For families whose income exceeds the over-income limit for 24 consecutive months, County Housing will terminate the tenancy of the family no more than six months after the final notification of the family's over-income status in accordance with the continued occupancy policies below.

### **Over-Income Limit [Notice PIH 2023-03]**

County Housing must publish over-income limits in their ACOP and update them no later than 60 days after HUD publishes new income limits each year. The over-income limit is calculated by multiplying the very low-income limit (VLI) by 2.4, as adjusted for family size.

#### County Housing Policy

County Housing will rely on the following over-income limits. These numbers will be updated within 60 days of HUD publishing new income limits each year and will be effective for all annual and interim re-examinations once these policies have been adopted.

Family Size	1	2	3	4	5	6	7	8
Over-Income Limit	\$86,760	\$99,120	\$111,480	\$123,840	\$133,800	\$143,760	\$153,600	\$163,560

For families larger than eight persons, the over-income limit will be calculated by multiplying the applicable very low-income limit by 2.4.

**Decreases in Income [24 CFR 960.507(c)(4)]**

If, at any time during the consecutive 24-month period following the initial over-income determination, County Housing determines that the family’s income is below the over-income limit, County Housing’s over-income policies no longer apply to the family. If County Housing later determines that the family’s income exceeds the over-income limit at a subsequent annual or interim re-examination, the family is entitled to a new 24 consecutive month period and new notices under this section.

County Housing Policy

If, at any time during the 24-month period following the initial over-income determination, an over-income family experiences a decrease in income, the family may request an interim redetermination of rent in accordance with County Housing policy in Chapter 9.

If, as a result, the previously over-income family is now below the over-income limit, the family is no longer subject to over-income provisions as of the effective date of the recertification. County Housing will notify the family in writing within 10 business days of the determination that over-income policies no longer apply to them.

**Initial Notice of Over-Income Status [24 CFR 960.507(c)(1); Notice PIH 2023-03]**

If County Housing determines the family has exceeded the over-income limit during an annual or interim re-examination, County Housing must provide written notice to the family of the over-income determination no later than 30 days after the income examination. The notice must state that the family has exceeded the over-income limit and continuing to do so for a total of 24 consecutive months will result in County Housing following its continued occupancy policy for over-income families. County Housing must afford the family an opportunity for a hearing if the family disputes within a reasonable time the determination that the family has exceeded the over-income limit.

County Housing Policy

At annual or interim re-examination, if a family’s income exceeds the applicable over-income limit, within 10 business days of the determination, County Housing will notify the family in writing of the determination. The notice will state that if the family continues to be over-income for 24 consecutive months, the family will be subject to County Housing’s over-income policies. The notice will state that the family may request a hearing if the family disputes County Housing’s determination in accordance with County Housing policies in Chapter 14. County Housing will ensure that all notices and communications are provided in a manner that is effective for person with hearing, visual, and other impairments.

**Second Notice of Over-Income Status [24 CFR 960.507(c)(2); Notice PIH 2023-03; Notice PIH 2023-27]**

County Housing must conduct an income examination 12 months after the initial over-income determination, even if the family is paying flat rent, unless County Housing determined the family's income fell below the over-income limit since the initial over-income determination. This includes when County Housing makes an initial determination that a family is over-income during an interim reexamination. In this case, County Housing must conduct a second interim reexamination 12 months after the over-income determination unless the family's income falls below the over-income limit during the 24-month period. See Chapter 9 for County Housing policies on interims for over-income families.

If County Housing determines the family continues to exceed the over-income limit for 12 consecutive months, County Housing must provide written notification of this 12-month over-income determination no later than 30 days after the income examination. The notice must state that the family has exceeded the over-income limit for 12 consecutive months and continuing to do so for a total of 24 consecutive months will result in County Housing following its continued occupancy policy for over-income families. Additionally, if applicable under County Housing policy, the notice must include an estimate (based on current data) of the alternative non-public housing rent for the family's unit. County Housing must afford the family an opportunity for a hearing if the family disputes within a reasonable time County Housing's determination that the family has exceeded the over-income limit.

County Housing Policy

If a family's income continues to exceed the applicable over-income limit after 12 consecutive months, within 10 business days of the determination, County Housing will notify the family in writing of the determination. The notice will state that if the family continues to be over-income for twenty-four consecutive months, the family will be subject to County Housing's over-income policies. The notice will also state that the family may request a hearing if the family disputes County Housing's determination in accordance with County Housing policies in Chapter 14. County Housing will ensure that all notices and communications are provided in a manner that is effective for persons with hearing, visual, and other impairments.

**Final Notice of Over-Income Status [24 CFR 960.507(c)(3) and 960.509; Notice PIH 2023-03; Notice PIH 2023-27]**

Unless County Housing determined the family's income fell below the over-income limit since the second over-income determination, County Housing must conduct an income examination 24 months after the initial over-income determination, even if the family is paying flat rent. When a PHA makes an initial determination that a family is over-income during an interim reexamination, it must conduct an interim reexamination 12 months after the over-income determination, and then again 12 months after the second over-income determination, unless the family's income falls below the over-income limit during the 24-month period.

If the family continues to be over-income based on this determination, County Housing must provide written notification of this determination no later than 30 days after the income examination. The notice must state that the family has exceeded the over-income limit for 24 consecutive months and that County Housing will follow its continued occupancy policies for over-income families. County Housing must afford the family an opportunity for a hearing if the family

disputes within a reasonable time County Housing's determination that the family has exceeded the over-income limit.

County Housing Policy

For families whose income exceeds the over-income limit for 24 consecutive months, County Housing will terminate the tenancy of the family no more than six months after the final notification of the family's over-income status.

During the period before termination, the over-income family will continue to be a public housing program participant until their tenancy is terminated. County Housing will continue to charge the family rent in accordance with public housing regulations, will offer the family the choice between income-based and flat rent as required by the regulations, and will prorate rent for mixed families.

County Housing will give appropriate notice of lease tenancy termination (notice to vacate) in accordance with state and local laws.

## **PART III: TERMINATION BY PHA – OTHER AUTHORIZED REASONS**

### **13-III.A. OVERVIEW**

Besides requiring PHAs to terminate the lease under the circumstances described in Part II, HUD requires the PHA to establish provisions in the lease for termination pertaining to certain criminal activity, alcohol abuse, and certain household obligations stated in the regulations. While these provisions for lease termination must be in the lease agreement, HUD does not require PHAs to terminate for such violations in all cases. The PHA has the discretion to consider circumstances surrounding the violation or, in applicable situations, whether the offending household member has entered or completed rehabilitation, and the PHA may, as an alternative to termination, require the exclusion of the culpable household member. The PHA must adopt policies concerning the use of these options.

In addition, HUD authorizes PHAs to terminate the lease for other grounds, but for only those grounds that constitute serious or repeated violations of material terms of the lease or for other good cause. The PHA must develop policies pertaining to what constitutes serious or repeated lease violations, and other good cause, based upon the content of the PHA lease. In the development of the terms of the lease, the PHA must consider the limitations imposed by state and local landlord-tenant law, as well as HUD regulations and federal statutes. Because of variations in state and local landlord-tenant law, and because HUD affords PHAs wide discretion in some areas, a broad range of policies could be acceptable.

The PHA also has the option to terminate the tenancies of certain over-income families.

The PHA may consider alternatives to termination and must establish policies describing the criteria the PHA will use when deciding what action to take, the types of evidence that will be acceptable, and the steps the PHA must take when terminating a family's lease.

### **13-III.B. MANDATORY LEASE PROVISIONS [24 CFR 966.4(l)(5)]**

This section addresses provisions for lease termination that must be included in the lease agreement according to HUD regulations. Although the provisions are required, HUD does not require PHAs to terminate for such violations in all cases, therefore PHA policies are needed.

#### ***Definitions* [24 CFR 5.100]**

The following definitions will be used for this and other parts of this chapter:

*Affiliated individual* is defined in section 16-VII.B.

*Covered person* means a tenant, any member of the tenant's household, a guest, or another person under the tenant's control.

*Dating violence* is defined in section 16-VII.B.

*Domestic violence* is defined in section 16-VII.B.

*Drug* means a controlled substance as defined in section 102 of the Controlled Substances Act [21 U.S.C. 802].

*Drug-related criminal activity* means the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with the intent to manufacture, sell, distribute, or use the drug.

*Guest* means a person temporarily staying in the unit with the consent of a tenant or other member of the household who has expressed or implied authority to so consent on behalf of the tenant.

*Household* means the family and County Housing-approved live-in aide. The term household also includes foster children and/or foster adults that have been approved to reside in the unit [HUD-50058, Instruction Booklet, p. 65].

*Other person under the tenant's control* means that the person, although not staying as a guest in the unit, is, or was at the time of the activity in question, on the premises because of an invitation from the tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant. Absent evidence to the contrary, a person temporarily and infrequently on the premises solely for legitimate commercial purposes is not *under the tenant's control*.

*Premises* means the building or complex or development in which the public or assisted housing dwelling unit is located, including common areas and grounds.

*Sexual assault* is defined in section 16-VII.B.

*Stalking* is defined in section 16-VII.B.

*Violent criminal activity* means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

#### **Drug Crime on or Off the Premises [24 CFR 966.4(l)(5)(i)(B)]**

The lease must provide that drug-related criminal activity engaged in on or off the premises by the tenant, member of the tenant's household or guest, or any such activity engaged in on the premises by any other person under the tenant's control is grounds for termination.

##### County Housing Policy

County Housing will terminate the lease for drug-related criminal activity engaged in on or off the premises by any tenant, member of the tenant's household or guest, and any such activity engaged in on the premises by any other person under the tenant's control.

County Housing will consider all credible evidence, including but not limited to, any record of arrests or convictions of covered persons related to drug-related criminal activity.

A record or records of arrest will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate the lease, County Housing will consider alternatives as described in Section 13-III.D and other factors as described in Sections 13-III.E and 13-III.F. Upon consideration of such alternatives and factors, County Housing may, on a case-by-case basis, choose not to terminate the lease.

#### **Illegal Use of a Drug [24 CFR 966.4(l)(5)(i)(B)]**

The lease must provide that County Housing may evict a family when County Housing determines that a household member is illegally using a drug or that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

### County Housing Policy

County Housing will terminate the lease when it determines that a household member is illegally using a drug or County Housing determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

A pattern of illegal drug use means more than one incident of any use of illegal drugs during the previous three months.

County Housing will consider all credible evidence, including but not limited to, any record of arrests or convictions of household members related to the use of illegal drugs.

A record or records of arrest will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate the lease, County Housing will consider alternatives as described in Section 13-III.D and other factors as described in Sections 13-III.E and 13-III.F. Upon consideration of such alternatives and factors, County Housing may, on a case-by-case basis, choose not to terminate the lease.

### **Threat to Other Residents [24 CFR 966.4(l)(5)(ii)(A)]**

The lease must provide that any criminal activity by a covered person that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents (including County Housing staff residing on the premises) or by persons residing in the immediate vicinity of the premises is grounds for termination of tenancy.

### County Housing Policy

County Housing will terminate the lease when a covered person engages in any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents (including County Housing management staff residing on the premises) or by persons residing in the immediate vicinity of the premises.

*Immediate vicinity* means within a three-block radius of the premises.

County Housing will consider all credible evidence, including but not limited to, any record of arrests or convictions of covered persons related to criminal activity.

A record or records of arrest will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate the lease, County Housing will consider alternatives as described in Section 13-III.D and other factors as described in Sections 13-III.E and 13-III.F. Upon consideration of such alternatives and factors, County Housing may, on a case-by-case basis, choose not to terminate the lease.

### **Alcohol Abuse [24 CFR 966.4(l)(5)(vi)(A)]**

PHAs must establish standards that allow termination of tenancy if the PHA determines that a household member has engaged in abuse or pattern of abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

### County Housing Policy

County Housing will terminate the lease if it is determined that a household member has engaged in abuse or a pattern of abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

A pattern of such alcohol abuse means more than one incident of any such abuse of alcohol during the previous three months.

County Housing will consider all credible evidence, including but not limited to, any record of arrests or convictions of household members related to the abuse of alcohol.

A record or records of arrest will not be used as the sole basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate the lease, County Housing will consider alternatives as described in Section 13-III.D and other factors as described in Sections 13-III.E and 13-III.F. Upon consideration of such alternatives and factors, County Housing may, on a case-by-case basis, choose not to terminate the lease.

### **Furnishing False or Misleading Information Concerning Illegal Drug Use or Alcohol Abuse or Rehabilitation [24 CFR 966.4(l)(5)(vi)(B)]**

PHAs must establish standards that allow termination of tenancy if the PHA determines that a household member has furnished false or misleading information concerning illegal drug use, alcohol abuse, or rehabilitation of illegal drug users or alcohol abusers.

### County Housing Policy

County Housing will terminate the lease if County Housing determines that a household member has furnished false or misleading information concerning illegal drug use, alcohol abuse, or rehabilitation of illegal drug users or alcohol abusers.

County Housing will consider all credible evidence, including but not limited to, any record of arrests or convictions of household members related to the use of illegal drugs or the abuse of alcohol, and any records or other documentation (or lack of records or documentation) supporting claims of rehabilitation of illegal drug users or alcohol abusers.

In making its decision to terminate the lease, County Housing will consider alternatives as described in Section 13-III.D and other factors as described in Sections 13-III.E and 13-III.F. Upon consideration of such alternatives and factors, County Housing may, on a case-by-case basis, choose not to terminate the lease.

### **Other Serious or Repeated Violations of Material Terms of the Lease – Mandatory Lease Provisions [24 CFR 966.4(l)(2)(i) and 24 CFR 966.4(f)]**

HUD regulations require certain tenant obligations to be incorporated into the lease. Violations of such regulatory obligations are considered to be serious or repeated violations of the lease and grounds for termination. Incidents of actual or threatened domestic violence, dating violence, sexual assault, stalking, or human trafficking may not be construed as serious or repeated violations of the lease by the victim or threatened victim [24 CFR 5.2005(c)(1)].

### County Housing Policy

County Housing will terminate the lease for the following violations of tenant obligations under the lease:

Failure to make payments due under the lease, including non-payment of rent (see Chapter 8 for details pertaining to lease requirements for payments due).

Repeated late payment of rent or other charges. Four late payments within a 12-month period shall constitute a repeated late payment.

Failure to fulfill the following household obligations:

Not to assign the lease or to sublease the dwelling unit. Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

Not to provide accommodations for boarders or lodgers

To use the dwelling unit solely as a private dwelling for the tenant and the tenant's household as identified in the lease, and not to use or permit its use for any other purpose

To abide by necessary and reasonable regulations promulgated by County Housing for the benefit and well-being of the housing project and the tenants which shall be posted in the project office and incorporated by reference in the lease

To comply with all obligations imposed upon tenants by applicable provisions of building and housing codes materially affecting health and safety

To keep the dwelling unit and such other areas as may be assigned to the tenant for the tenant's exclusive use in a clean and safe condition

To dispose of all ashes, garbage, rubbish, and other waste from the dwelling unit in a sanitary and safe manner

To use only in a reasonable manner all electrical, plumbing, sanitary, heating, ventilating, air-conditioning and other facilities and appurtenances including elevators

To refrain from, and to cause the household and guests to refrain from destroying, defacing, damaging, or removing any part of the dwelling unit or project

To pay reasonable charges (other than for normal wear and tear) for the repair of damages to the dwelling unit, or to the project (including damages to project buildings, facilities, or common areas) caused by the tenant, a member of the household or a guest

To act, and cause household members or guests to act, in a manner which will not disturb other residents' peaceful enjoyment of their accommodations and will be conducive to maintaining the project in a decent, safe, and sanitary condition

In making its decision to terminate the lease, County Housing will consider alternatives as described in Section 13-III.D and other factors as described in Sections 13-III.E and 13-III.F. Upon consideration of such alternatives and factors, County Housing may, on a case-by-case basis, choose not to terminate the lease.

### **13-III.C. OTHER AUTHORIZED REASONS FOR TERMINATION [24 CFR 966.4(l)(2) and (5)(ii)(B)]**

HUD authorizes PHAs to terminate the lease for reasons other than those described in the previous sections. These reasons are referred to as "other good cause."

## **Other Good Cause [24 CFR 966.4(l)(2)(ii)(B) and (C)]**

HUD regulations state that County Housing may terminate tenancy for other good cause. The regulations provide a few examples of other good causes but do not limit County Housing to only those examples. The Violence Against Women Act prohibits PHAs from considering incidents of actual or threatened domestic violence, dating violence, sexual assault, stalking, or human trafficking as “other good cause” for terminating the assistance, tenancy, or occupancy rights of the victim or threatened victim of such violence [see 24 CFR 5.2005(c)(1)].

### County Housing Policy

County Housing will terminate the lease for the following reasons.

*Fugitive Felon or Parole Violator.* If a tenant is fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or violating a condition of probation or parole imposed under federal or state law.

*Persons subject to sex offender registration requirement.* If any member of the household has, during their current public housing tenancy, become subject to a registration requirement under a state sex offender registration program.

Discovery of facts after admission to the program that would have made the tenant ineligible.

Discovery of material false statements or fraud by the tenant in connection with an application for assistance or with a re-examination of income.

Failure to furnish such information and certifications regarding family composition and income as may be necessary for County Housing to make determinations with respect to rent, eligibility, and the appropriateness of the dwelling unit size.

Failure to transfer to an appropriate size dwelling unit based on family composition, upon appropriate notice by County Housing that such a dwelling unit is available.

Failure to permit access to the unit by County Housing after proper advance notification for the purpose of performing routine inspections and maintenance, for making improvements or repairs, or to show the dwelling unit for re-leasing, or without advance notice if there is reasonable cause to believe that an emergency exists.

Failure to promptly inform County Housing of the birth, adoption, or court-awarded custody of a child. In such a case, promptly means within 10 business days of the event.

Failure to abide by the provisions of County Housing’s pet policy.

**Failure to abide by County Housing’s firearms and weapons policies (see section 16-VIII).**

If the family has breached the terms of a repayment agreement entered into with County Housing.

If a family member has violated federal, state, or local law that imposes obligations in connection with the occupancy or use of the premises.

If a household member has engaged in or threatened violent or abusive behavior toward County Housing personnel.

*Abusive or violent behavior towards County Housing personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

*Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to terminate the lease, County Housing will consider alternatives as described in Section 13-III.D and other factors described in Sections 13-III.E and 13-III.F. Upon consideration of such alternatives and factors, County Housing may, on a case-by-case basis, choose not to terminate the lease.

#### ***Family Absence from Unit [24 CFR 982.551(i)]***

It is reasonable that the family may be absent from the public housing unit for brief periods. However, County Housing needs a policy on how long the family may be absent from the unit. Absence in this context means that no member of the family is residing in the unit.

##### County Housing Policy

The family must supply any information or certification requested by County Housing to verify that the family is living in the unit, or relating to family absence from the unit, including any County Housing-requested information or certification on the purposes of family absences. The family must cooperate with County Housing for this purpose.

The family must promptly notify County Housing when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than thirty calendar days. In such a case promptly means within 10 business days of the start of the extended absence.

If a family is absent from the public housing unit for more than 180 consecutive days, and the family does not adequately verify that they are living in the unit, County Housing will terminate the lease for other good cause.

*Abandonment of the unit.* If the family appears to have vacated the unit without giving proper notice, County Housing will follow state and local landlord-tenant law pertaining to abandonment before taking possession of the unit. If necessary, County Housing will secure the unit immediately to prevent vandalism and other criminal activity.

#### **13-III.D. ALTERNATIVES TO TERMINATION OF TENANCY**

##### **Exclusion of Culpable Household Member [24 CFR 966.4(l)(5)(vii)(C)]**

As an alternative to termination of the lease for criminal activity or alcohol abuse HUD provides that County Housing may consider exclusion of the culpable household member. Such an alternative can be used for any other reason where such a solution appears viable in accordance with County Housing policy.

Additionally, under the Violence Against Women Act, County Housing may bifurcate a lease in order to terminate the tenancy of an individual who is a tenant or lawful occupant of a unit and engages in criminal activity directly related to domestic violence, dating violence, sexual assault, stalking, or human trafficking.

### County Housing Policy

County Housing will consider requiring the tenant to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

As a condition of the family's continued occupancy, the head of household must certify that the culpable household member has vacated the unit and will not be permitted to visit or to stay as a guest in the assisted unit. The family must present evidence of the former household member's current address upon County Housing request.

## **Repayment of Family Debts**

### County Housing Policy

If a family owes amounts to County Housing, as a condition of continued occupancy, County Housing will require the family to repay the full amount or to enter into a repayment agreement, within 30 days of receiving notice from County Housing of the amount owed. See Chapter 16 for policies on repayment agreements.

If applicable, County Housing staff may provide the family with information about emergency rental assistance programs and may assist families with completing applications for such programs.

## **13-III.E. CRITERIA FOR DECIDING TO TERMINATE TENANCY**

A PHA that has grounds to terminate a tenancy is not required to do so, except as explained in Part II of this chapter, and may consider all the circumstances relevant to a particular case before making a decision.

### **Evidence [24 CFR 982.553(c)]**

For criminal activity, HUD permits County Housing to terminate the lease if a *preponderance of the evidence* indicates that a household member has engaged in the activity, regardless of whether the household member has been arrested or convicted, and without satisfying the standard of proof used for a criminal conviction.

### County Housing Policy

County Housing will use the preponderance of the evidence as the standard for making all termination decisions.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

### **Consideration of Circumstances [24 CFR 966.4(l)(5)(vii)(B)]**

Although it is required that certain lease provisions exist for criminal activity and alcohol abuse, HUD provides that County Housing may consider all circumstances relevant to a particular case in order to determine whether or not to terminate the lease.

Such relevant circumstances can also be considered when terminating the lease for any other reason.

## County Housing Policy

County Housing will consider the following facts and circumstances before deciding whether to terminate the lease for any of the HUD required lease provisions or for any other reasons:

The seriousness of the offending action, especially with respect to how it would affect other residents' safety or property.

The extent of participation or culpability of the leaseholder, or other household members, in the offending action, including whether the culpable member is a minor, a person with disabilities, or (as discussed further in section 13-III.F) a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking.

The effects that the eviction will have on other family members who were not involved in the action or failure to act.

The effect on the community of the termination, or of County Housing's failure to terminate the tenancy.

The effect of County Housing's decision on the integrity of the public housing program

The demand for housing by eligible families who will adhere to lease responsibilities.

The extent to which the leaseholder has shown personal responsibility and whether they have taken all reasonable steps to prevent or mitigate the offending action.

The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family's recent history, and the likelihood of favorable conduct in the future.

While a record or records of arrest will not be used as the sole basis for termination, an arrest may, however, trigger an investigation to determine whether the participant actually engaged in disqualifying criminal activity. As part of its investigation, County Housing may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. County Housing may also consider:

Any statements made by witnesses, or the participant not included in the police report.

Whether criminal charges were filed

Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or resulted in an acquittal.

Any other evidence relevant to determining whether or not the participant engaged in disqualifying activity.

Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property.

In the case of program abuse, the dollar amount of the underpaid rent and whether or not a false certification was signed by the family.

### **Consideration of Rehabilitation [24 CFR 966.4(l)(5)(vii)(D)]**

HUD authorizes PHAs to take into consideration whether a household member who had used illegal drugs or abused alcohol and is no longer engaging in such use or abuse is participating in or has successfully completed a supervised drug or alcohol rehabilitation program.

#### County Housing Policy

In determining whether to terminate the lease for illegal drug use or a pattern of illegal drug use, or for abuse or a pattern of abuse of alcohol, by a household member who is no longer engaging in such use or abuse, County Housing will consider whether such household member has successfully completed a supervised drug or alcohol rehabilitation program.

For this purpose, County Housing will require the tenant to submit evidence of the household member's successful completion of a supervised drug or alcohol rehabilitation program.

### **Reasonable Accommodation [24 CFR 966.7]**

If the family includes a person with disabilities, County Housing's decision to terminate the family's lease is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

#### County Housing Policy

If a family indicates that the behavior of a family member with a disability is the reason for a proposed termination of lease, County Housing will determine whether the behavior is related to the disability. If so, upon the family's request, County Housing will determine whether alternative measures are appropriate as a reasonable accommodation. County Housing will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed lease termination. See Chapter 2 for a discussion of reasonable accommodation.

### **Non-discrimination Limitation [24 CFR 966.4(l)(5)(vii)(F)]**

County Housing's eviction actions must be consistent with fair housing and equal opportunity provisions of 24 CFR 5.105.

### **13-III.F. TERMINATIONS RELATED TO DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, STALKING, OR HUMAN TRAFFICKING**

This section addresses the protections against termination of tenancy that the Violence against Women Act (VAWA) provides for public housing residents who are victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking. For general VAWA requirements and County Housing policies pertaining to notification, documentation, and confidentiality, see section 16-VII of this ACOP, where definitions of key VAWA terms are also located.

### **VAWA Protections against Termination [24 CFR 5.2005(c)]**

VAWA provides that no person may deny assistance, tenancy, or occupancy rights to public housing to a tenant on the basis or as a direct result of criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking that is engaged in by a member of the household of the tenant or any guest or other person under the control of the tenant, if the tenant or affiliated individual is the victim or threatened victim of such domestic violence, dating violence, sexual assault, or stalking [FR Notice 8/6/13].

VAWA further provides that incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking may not be construed either as serious or repeated violations of the lease by the victim or threatened victim of such violence or as good cause for terminating the tenancy or occupancy rights of the victim of such violence [24 CFR 5.2005(c)(1), FR Notice 8/6/13].

- Although the VAWA 2022 statute does not specifically include human trafficking in the list of victims protected under VAWA, in 2022 HUD began including human trafficking as part of the list of victims protected under VAWA (as seen in Notices PIH 2022-06, PIH 2022-22, and PIH 2022-24). In the absence of a final rule implementing VAWA 2022 and to mirror HUD's recent usage, this policy includes human trafficking in addition to domestic violence, dating violence, sexual assault, and stalking anywhere such a list appears.

PHAs and owners may not coerce, intimidate, threaten, interfere with, or retaliate against any person who exercises or assists or encourages a person to exercise any rights or protections under VAWA [FR Notice 1/4/23].

### **Limits on VAWA Protections [24 CFR 5.2005(d) and (e), FR Notice 8/6/13]**

While VAWA prohibits a PHA from using domestic violence, dating violence, sexual assault, stalking, or human trafficking as the cause for a termination or eviction action against a public housing tenant who is the victim of the abuse, the protections it provides are not absolute. Specifically:

- VAWA does not limit a PHA's otherwise available authority to terminate assistance to or evict a victim for lease violations not premised on an act of domestic violence, dating violence, sexual assault, stalking, or human trafficking providing that the PHA does not subject the victim to a more demanding standard than the standard to which it holds other tenants.
- VAWA does not limit a PHA's authority to terminate the tenancy of any public housing tenant if the PHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant's tenancy is not terminated.

HUD regulations define *actual and imminent threat* to mean words, gestures, actions, or other indicators of a physical threat that (a) is real, (b) would occur within an immediate time frame, and (c) could result in death or serious bodily harm [24 CFR 5.2005(d)(2) and (e)]. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk
- The nature and severity of the potential harm
- The likelihood that the potential harm will occur
- The length of time before the potential harm would occur [24 CFR 5.2005(e)]

In order to demonstrate an actual and imminent threat, the PHA must have objective evidence of words, gestures, actions, or other indicators. Even when a victim poses an actual and imminent threat, however, HUD regulations authorize a PHA to terminate the victim's assistance "only when there are no other actions that could be taken to reduce or eliminate the threat, including but not limited to transferring the victim to a different unit, barring the perpetrator from the property, contacting law enforcement to increase police presence or develop other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator from acting on a threat" [24 CFR 5.2005(d)(3)]. Additionally, HUD regulations state that restrictions "predicated on public

safety cannot be based on stereotypes but must be tailored to particularized concerns about individual residents” [24 CFR 5.2005(d)(3)].

#### County Housing Policy

In determining whether a public housing tenant who is a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking is an actual and imminent threat to other tenants or those employed at or providing service to a property, County Housing will consider the following, and any other relevant, factors:

Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking

Whether the threat is a physical danger beyond a speculative threat

Whether the threat is likely to happen within an immediate time frame

Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location, transferring the victim to another unit, or seeking a legal remedy to prevent the perpetrator from acting on the threat

If the tenant wishes to contest County Housing’s determination that he or she is an actual and imminent threat to other tenants or employees, the tenant may do so as part of the grievance hearing or in a court proceeding.

#### **Documentation of Abuse [24 CFR 5.2007]**

##### County Housing Policy

When an individual facing termination of tenancy for reasons related to domestic violence, dating violence, sexual assault, stalking, or human trafficking claims protection under VAWA, County Housing will request in writing that the individual provide documentation supporting the claim in accordance with the policies in section 16-VII.D of this ACOP.

County Housing reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice. In such cases County Housing will document the waiver in the individual’s file.

#### **Terminating or Evicting a Perpetrator of Domestic Violence**

Although VAWA provides protection from termination for victims of domestic violence, it does not provide such protection for perpetrators. In fact, VAWA gives the PHA the explicit authority to bifurcate a lease, or remove a household member from a lease, “in order to evict, remove, or terminate assistance to any individual who is a tenant or lawful occupant of the housing and who engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual, without evicting, removing, terminating assistance to, or otherwise penalizing a victim of such criminal activity who is also a tenant or lawful occupant of the housing” [FR Notice 8/6/13]. Moreover, HUD regulations impose on the PHA the obligation to consider lease bifurcation in any circumstances involving domestic violence, dating violence, stalking, or human trafficking [see 24 CFR 966.4(e)(9)].

Specific lease language affirming the PHA’s authority to bifurcate a lease is not necessary, and the authority supersedes any local, state, or federal law to the contrary. However, if the PHA chooses to exercise its authority to bifurcate a lease, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law for eviction, lease termination, or termination of assistance.

This means that the PHA must follow the same rules when terminating or evicting an individual as it would when terminating or evicting an entire family [FR Notice 3/16/07]. However, perpetrators should be given no more than 30 days' notice of termination in most cases [Notice PIH 2017-08].

#### County Housing Policy

County Housing will bifurcate a family's lease and terminate the tenancy of a family member if County Housing determines that the family member has committed criminal acts of physical violence against other family members or others. This action will not affect the tenancy or program assistance of the remaining, non-culpable family members.

In making its decision, County Housing will consider all credible evidence, including, but not limited to, a signed certification (form HUD-5382) or other documentation of abuse submitted to County Housing by the victim in accordance with this section and section 16-VII.D. County Housing will also consider the factors in section 13.III.E. Upon such consideration, County Housing may, on a case-by-case basis, choose not to bifurcate the lease and terminate the tenancy of the culpable family member.

If County Housing does bifurcate the lease and terminate the tenancy of the culpable family member, it will do so in accordance with the lease, applicable law, and the policies in this ACOP. If the person removed from the lease was the only tenant eligible to receive assistance, County Housing must provide any remaining tenant a chance to establish eligibility for the unit. If the remaining tenant cannot do so, County Housing must provide the tenant with a reasonable time to find new housing or to establish eligibility for another housing program under VAWA.

## **PART IV: NOTIFICATION REQUIREMENTS, EVICTION PROCEDURES AND RECORD KEEPING**

### **13-IV.A. OVERVIEW**

HUD regulations specify the requirements for the notice that must be provided prior to lease termination. This part discusses those requirements and the specific requirements that precede and follow termination for certain criminal activities which are addressed in the regulations. This part also discusses specific requirements pertaining to the actual eviction of families and record keeping.

### **13-IV.B. CONDUCTING CRIMINAL RECORDS CHECKS [24 CFR 5.903(e)(ii) and 24 CFR 960.259]**

HUD authorizes PHAs to conduct criminal records checks on public housing residents for lease enforcement and eviction. PHA policy determines when the PHA will conduct such checks.

#### County Housing Policy

County Housing will conduct criminal records checks when it has come to the attention of County Housing, either from local law enforcement or by other means, that an individual has engaged in the destruction of property, engaged in violent activity against another person, or has interfered with the right to peaceful enjoyment of the premises of other residents. Such checks will also include sex offender registration information. In order to obtain such information, all adult household members must sign consent forms for release of criminal conviction and sex offender registration records on an annual basis.

County Housing may not pass along to the tenant the costs of a criminal records check.

### **13-IV.C. DISCLOSURE OF CRIMINAL RECORDS TO FAMILY [24 CFR 5.903(f), 24 CFR 5.905(d) and 24 CFR 966.4(l)(5)(iv)]**

In conducting criminal records checks, if County Housing uses the authority of 24 CFR 5.903 and 5.905 to obtain such information, certain protections must be afforded the tenant before any adverse action is taken. In such cases if County Housing obtains criminal records information from a state or local agency showing that a household member has been convicted of a crime, or is subject to a sex offender registration requirement, relevant to lease enforcement or eviction, County Housing must notify the household of the proposed action and must provide the subject of the record and the tenant a copy of such information, and an opportunity to dispute the accuracy and relevance of the information before an eviction or lease enforcement action is taken.

#### County Housing Policy

In all cases where criminal record or sex offender registration information would result in lease enforcement or eviction, County Housing will notify the household in writing of the proposed adverse action and will provide the subject of the record and the tenant a copy of such information, and an opportunity to dispute the accuracy and relevance of the information before an eviction or lease enforcement action is taken.

The family will be given 10 business days from the date of County Housing's notice, to dispute the accuracy and relevance of the information. If the family does not contact County Housing to dispute the information within that 10-business day period, County Housing will proceed with the termination action.

Should the tenant not exercise their right to dispute prior to any adverse action, the tenant still has the right to dispute in the grievance hearing or court trial.

#### **13-IV.D. LEASE TERMINATION NOTICE [24 CFR 966.4(l)(3); Notice PIH 2021-29]**

##### **Form, Delivery, and Content of the Notice**

Notices of lease termination must be in writing. The notice must state the specific grounds for termination, the date the termination will take place, the resident's right to reply to the termination notice, and their right to examine County Housing documents directly relevant to the termination or eviction. If County Housing does not make the documents available for examination upon request by the tenant, County Housing may not proceed with the eviction [24 CFR 996.4(m)].

##### County Housing Policy

The notice will also state that the resident may request a remote hearing.

If County Housing requires that the hearing be conducted remotely, at the time the notice is sent to the resident informing them of the right to request a hearing, the resident will be notified that the hearing will be conducted remotely. The resident will be informed of the processes involved in a remote hearing and that County Housing will provide technical assistance, if needed, before the hearing.

When County Housing is required to offer the resident an opportunity for a grievance hearing, the notice must also inform the resident of their right to request a hearing in accordance with County Housing's grievance procedure. In these cases, the tenancy shall not terminate until the time for the tenant to request a grievance hearing has expired and the grievance procedure has been completed.

When County Housing is not required to offer the resident an opportunity for a grievance hearing because HUD has made a due process determination and the lease termination is for criminal activity that threatens health, safety or right to peaceful enjoyment or for drug-related criminal activity, the notice of lease termination must state that the tenant is not entitled to a grievance hearing on the termination. It must specify the judicial eviction procedure to be used by County Housing for eviction of the tenant, and state that HUD has determined that the eviction procedure provides the opportunity for a hearing in court that contains the basic elements of due process as defined in HUD regulations. The notice must also state whether the eviction is for a criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or employees of County Housing, or for a drug-related criminal activity on or off the premises.

##### County Housing Policy

County Housing will attempt to deliver notices of lease termination directly to the tenant or an adult member of the household. If such an attempt fails, the notice will be sent by first-class mail the same day.

All notices of lease termination will include a copy of the forms HUD-5382 and HUD-5380 to accompany the termination notice. Any tenant who claims that the cause for termination involves domestic violence, dating violence, sexual assault, stalking, or human trafficking of which the tenant or affiliated individual of the tenant is the victim will be given the opportunity to provide documentation in accordance with the policies in sections 13-III.F and 16-VII.D.

### **Timing of the Notice [24 CFR 966.4(l)(3)(i); 24 CFR 966.8; Notice PIH 2021-29]**

County Housing must give written notice of lease termination of:

- During the period of time for which HUD determines that a national emergency requires additional time for families to secure federal funding that is available due to a Presidential declaration of a national emergency, at least 30 days from the date the tenant receives the notice in the case of failure to pay rent
- When such emergency is not present, 14 calendar days in the case of failure to pay rent
- A reasonable period of time considering the seriousness of the situation (but not to exceed 30 calendar days)

If the health or safety of other residents, County Housing employees, or persons residing in the immediate vicinity of the premises is threatened

If any member of the household has engaged in any drug-related criminal activity or violent criminal activity

If any member of the household has been convicted of a felony

- 30 calendar days in any other case, except that if a state or local law allows a shorter notice period, such shorter period shall apply

#### County Housing Policy

County Housing will give written notice of 30 calendar days from the date the tenant receives the notice for non-payment of rent (during nationwide emergency orders) or 14 calendar days from the date the tenant receives the notice for non-payment of rent (upon expiration of nationwide emergency orders). For all other lease terminations, County Housing will give 30 days written notice or, if state or local law allows less than 30 days, such shorter notice will be given.

The notice to vacate that may be required under state or local law may be combined with or run concurrently with the notice of lease termination.

#### County Housing Policy

Any notice to vacate or notice to quit that is required by state or local law will run concurrently with the notice of lease termination under this section.

### **Notice of Non-renewal Due to Community Service Non-compliance [24 CFR 966.4(l)(2)(ii)(D), 24 CFR 960.603(b) and 24 CFR 960.607(b)]**

When County Housing finds that a family is in non-compliance with the community service requirement, the tenant and any other non-compliant resident must be notified in writing of this determination. Notices of non-compliance will be issued in accordance with the requirements and policies in Section 11-I.E.

#### County Housing Policy

If after receiving a notice of initial non-compliance the family does not request a grievance hearing or does not take either corrective action required by the notice within the required timeframe, a termination notice will be issued in accordance with the policies above.

If a family agrees to cure initial non-compliance by signing an agreement and is still in non-compliance after being provided the 12-month opportunity to cure, the family will be issued a notice of continued non-compliance. The notice of continued non-compliance will be sent in accordance with the policies in Section 11-I.E. and will also serve as the notice of termination of tenancy.

#### **Notice of Termination Based on Citizenship Status [24 CFR 5.514 (c) and (d)]**

In cases where termination of tenancy is based on citizenship status, HUD requires the notice of termination to contain additional information. In addition to advising the family of the reasons their assistance is being terminated, the notice must also advise the family of any of the following that apply: the family's eligibility for proration of assistance, the criteria and procedures for obtaining relief under the provisions for preservation of families, the family's right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or a written explanation in support of the appeal, and the family's right to request an informal hearing with County Housing either upon completion of the USCIS appeal or in lieu of the USCIS appeal. Please see Chapter 14 for County Housing's informal hearing procedures.

#### **13-IV.E. EVICTION [24 CFR 966.4(l)(4) and 966.4(m)]**

Eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action. County Housing may only evict the tenant from the unit by instituting a court action, unless the law of the jurisdiction permits eviction by administrative action, after a due process administrative hearing, and without a court determination of the rights and liabilities of the parties.

##### County Housing Policy

When a family does not vacate the unit after receipt of a termination notice, by the deadline given in the notice, County Housing will follow state and local landlord-tenant law in filing an eviction action with the local court that has jurisdiction in such cases.

If the eviction action is finalized in court and the family remains in occupancy beyond the deadline to vacate given by the court, County Housing will seek the assistance of the court to remove the family from the premises as per state and local law.

County Housing may not proceed with an eviction action if it has not made available the documents to be used in the case against the family and has not afforded the family the opportunity to examine and copy such documents in accordance with the provisions of 24 CFR 966.4(l)(3) and (m).

#### **13-IV.F. NOTIFICATION TO POST OFFICE [24CFR 966.4(l)(5)(iii)(B)]**

When County Housing evicts an individual or family for criminal activity, including drug-related criminal activity, the local post office serving the dwelling unit that the individual or family is no longer residing in the unit must be notified.

#### **13-IV.G. RECORD KEEPING**

For more information concerning general record keeping, see Chapter 16.

### County Housing Policy

A written record of every termination and/or eviction will be maintained by County Housing at the development where the family was residing, and will contain the following information:

Name of resident, number, and identification of unit occupied

Date of the notice of lease termination and any other notices required by state or local law; these notices may be on the same form and will run concurrently

Specific reason(s) for the notices, citing the lease section or provision that was violated, and other facts pertinent to the issuing of the notices described in detail (other than any criminal history reports obtained solely through the authorization provided in 24 CFR 5.903 and 5.905)

Date and method of notifying the resident

Summaries of any conferences held with the resident including dates, names of conference participants, and conclusions

## Chapter 14

### GRIEVANCES AND APPEALS

#### INTRODUCTION

This chapter discusses grievances and appeals pertaining to County Housing actions or failures to act that adversely affect public housing applicants or residents. The policies are discussed in the following three parts:

Part I: Informal Hearings for Public Housing Applicants. This part outlines the requirements and procedures for informal hearings for public housing applicants.

Part II: Informal Hearings with Regard to Non-citizens. This part discusses informal hearings regarding citizenship status and where they differ from the requirements for general applicant and tenant grievances.

Part III: Grievance Procedures for Public Housing Residents. This part outlines the requirements and procedures for handling grievances for public housing residents.

## **PART I: INFORMAL HEARINGS FOR PUBLIC HOUSING APPLICANTS**

### **14-I.A. OVERVIEW**

When County Housing makes a decision that has a negative impact on an applicant family, the family is often entitled to appeal the decision. For applicants, the appeal takes the form of an informal hearing. HUD regulations do not provide a structure for or requirements regarding informal hearings for applicants (except with regard to citizenship status, to be covered in Part II). This part discusses County Housing policies necessary to respond to applicant appeals through the informal hearing process.

### **14-I.B. INFORMAL HEARING PROCESS [24 CFR 960.208(a) and PH Occ GB, p. 58]**

Informal hearings are provided for public housing applicants. An applicant is someone who has applied for admission to the public housing program but is not yet a tenant in the program. Informal hearings are intended to provide a means for an applicant to dispute a determination of ineligibility for admission to a project [24 CFR 960.208(a)]. Applicants for public housing are not entitled to the same hearing process afforded tenants under County Housing's grievance procedures [24 CFR 966.53(a) and PH Occ GB, p. 58].

Informal hearings provide applicants the opportunity to review the reasons for denial of admission and to present evidence to refute the grounds for denial.

#### **Use of Informal Hearing Process**

##### County Housing Policy

County Housing will only offer informal hearings to applicants for the purpose of disputing denials of admission.

#### **Notice of Denial [24 CFR 960.208(a)]**

County Housing must give an applicant prompt notice of a decision denying eligibility for admission. The notice must contain a brief statement of the reasons for the decision and must also state that the applicant may request an informal hearing to dispute the decision. The notice must describe how to obtain the informal hearing.

##### County Housing Policy

As applicable, County Housing's notice of denial will include information about required or requested remote informal hearings.

When denying eligibility for admission, County Housing must provide the family a notice of VAWA rights (form HUD-5380) as well as the HUD VAWA self-certification form (form HUD-5382) in accordance with the Violence against Women Act, and as outlined in 16-VII.C. The notice and self-certification form must accompany the written notification of the denial of eligibility determination.

Prior to notification of denial based on information obtained from criminal or sex offender registration records, the family, in some cases, must be given the opportunity to dispute the information in those records which would be the basis of the denial. See Section 3-III.G for details concerning this requirement.

## **Scheduling an Informal Hearing**

### County Housing Policy

A request for an informal hearing must be made in writing and delivered to County Housing either in person, by first class mail, or via email by the close of the business day, no later than 10 business days from the date of County Housing's notification of denial of admission.

County Housing will coordinate with the hearing officer to schedule and send written notice of the informal hearing within 10 business days of the family's request.

Informal hearings will be conducted remotely. At the time the notice is sent to the family, the family will be informed:

Regarding the processes involved in a remote informal hearing;

That County Housing will provide technical assistance prior to and during the informal hearing, if needed; and

That if the family or any individual witness has any technological, resource, or accessibility barriers preventing them from fully accessing the remote informal hearing, the family may inform County Housing and County Housing will assist the family in resolving the issues. If needed, County Housing will allow the family to schedule an in-person appointment at its main office. The appointment will be scheduled to assist the family with logging into the remote informal hearing.

## **Conducting an Informal Hearing [PH Occ GB, p. 58]**

### County Housing Policy

The informal hearing will be conducted by a person other than the one who made or approved the decision under review, or a subordinate of this person.

The applicant will be provided with an opportunity to present written or oral objections to the decision of County Housing.

## **Remote Informal Hearings [Notice PIH 2020-32]**

There is no requirement that informal hearings be conducted in-person, and as such, HUD allows PHAs to conduct all or a portion of their informal hearings remotely either over the phone, via video conferencing, or through other virtual platforms. If County Housing chooses to conduct remote informal hearings, applicants may still request an in-person informal hearing, as applicable.

### County Housing Policy

County Housing has the sole discretion to require that informal hearings be conducted remotely in case of local, state, or national physical distancing orders, and in cases of inclement weather or natural disaster.

County Housing will conduct all informal hearings remotely, unless upon request of the applicant as a reasonable accommodation, an applicant requires an in-person informal hearing. County Housing will consider other reasonable requests for an in-person informal hearing on a case-by-case basis.

## **Ensuring Accessibility for Persons with Disabilities and LEP Individuals**

As with in-person informal hearings, the platform for conducting remote informal hearings must be accessible to persons with disabilities and the informal hearing must be conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual. PHAs may never request or require that individuals with disabilities provide their own auxiliary aids or services, including for remote informal hearings.

If no method of conducting a remote informal hearing is available that appropriately accommodates an individual's disability, County Housing may not hold against the individual his or her inability to participate in the remote informal review and should consider whether postponing the remote informal hearing to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation, will depend on the specific circumstances and requirements.

As with in-person hearings, Limited English Proficiency (LEP) requirements also apply to remote informal hearings, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote informal hearings.

## **Conducting Remote Informal Hearings [Notice PIH 2020-32]**

County Housing must ensure that the lack of technology or inability to use technology for remote informal hearings does not pose a disadvantage to families that may not be apparent to County Housing. County Housing should determine through a survey or other means if these barriers exist prior to conducting the remote informal hearing and, if the family does not have the proper technology to fully participate, either postpone the informal hearing or provide an alternative means of access.

As with in-person informal hearings, County Housing must provide all materials presented, whether paper or electronic, to the family prior to the remote informal hearing. The family must also be provided with an accessible means by which to transmit their own evidence.

County Housing must ensure that the applicant has the right to hear and be heard. All County Housing policies and processes for remote informal hearings will be conducted in accordance with due process requirements and will be in compliance with HUD regulations at 24 CFR 966.56 and the guidance for conducting remote hearings specified in Notice PIH 2020-32.

### County Housing Policy

County Housing will conduct remote informal hearings via a video conferencing platform, when available. If, after attempting to resolve any barriers, applicants are unable to adequately access the video conferencing platform at any point, or upon applicant request, the informal hearing will be conducted by telephone conferencing call-in. If the family is unable to adequately access the telephone conferencing call-in at any point, the remote

informal hearing will be postponed, and an in-person alternative will be provided promptly within a reasonable time.

At least five business days prior to scheduling the remote hearing, County Housing will provide the family with login information and/or conferencing call-in information and an electronic copy of all materials being presented via first-class mail and/or email. The notice will advise the family of technological requirements for the hearing and request the family notify County Housing of any known barriers. County Housing will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person hearing.

If the informal hearing is to be conducted remotely, County Housing will require the family to provide any documents directly relevant to the informal hearing at least 24 hours before the scheduled hearing through the mail, via email, or text. County Housing will scan and email copies of these documents to the County Housing representative and to the person conducting the informal hearing the same day.

Documents will be shared electronically whenever possible.

County Housing will follow up the email with a phone call and/or email to the applicant at least one business day prior to the remote informal hearing to ensure that the applicant received all information and is comfortable accessing the video conferencing or call-in platform.

County Housing will ensure that all electronic information stored or transmitted with respect to the informal hearing is secure, including protecting personally identifiable information (PII), and meets the requirements for accessibility for persons with disabilities and persons with LEP.

### **Informal Hearing Decision [PH Occ GB, p. 58]**

#### County Housing Policy

County Housing will notify the applicant of its final decision, including a brief statement of the reasons for the final decision.

In rendering a decision, County Housing will evaluate the following matters:

Whether or not the grounds for denial were stated factually in the notice

The validity of grounds for denial of admission. If the grounds for denial are not specified in the regulations or in County Housing Policy, then the decision to deny assistance will be overturned. See Chapter 3 for a detailed discussion of the grounds for applicant denial.

The validity of the evidence. County Housing will evaluate whether the facts presented prove the grounds for denial of admission. If the facts prove that there are grounds for denial, and the denial is required by HUD, County Housing will uphold the decision to deny admission.

If the facts prove the grounds for denial, and the denial is discretionary, County Housing will consider the recommendation of the person conducting the informal hearing in making the final decision whether to deny admission.

County Housing will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. The notice will be mailed, with return receipt

requested, within 10 business days of the informal hearing, to the applicant and his or her representative, if any.

If the informal hearing decision overturns the denial, processing for admission will resume.

If the family fails to appear for their informal hearing, the denial of admission will stand, and the family will be so notified.

**Reasonable Accommodation for Persons with Disabilities [24 CFR 966.7]**

Persons with disabilities may request reasonable accommodations to participate in the informal hearing process and County Housing must consider such accommodations. County Housing must also consider reasonable accommodation requests pertaining to the reasons for denial if related to the person's disability. See Chapter 2 for more detail pertaining to reasonable accommodation requests.

## **PART II: INFORMAL HEARINGS WITH REGARD TO NON-CITIZENS**

### **14-II.A. HEARING AND APPEAL PROVISIONS FOR NON-CITIZENS [24 CFR 5.514]**

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. These special hearings are referred to in the regulations as informal hearings, but the requirements for such hearings are different from the informal hearings used to deny applicants for reasons other than immigration status.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while a County Housing hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or County Housing informal hearing process, does not preclude the family from exercising the right, which may otherwise be available, to seek redress directly through judicial procedures.

#### **Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]**

As discussed in Chapters 3 and 13, the notice of denial or termination of assistance for non-citizens must advise the family of any of the following that apply:

- That financial assistance will be denied or terminated and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
- The family may be eligible for proration of assistance.
- In the case of a tenant, the criteria, and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].
- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.
- That the family has a right to request an informal hearing with County Housing either upon completion of the USCIS appeal or in lieu of the USCIS appeal.
- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

#### **United States Citizenship and Immigration Services Appeal Process [24 CFR 5.514(e)]**

When County Housing receives notification that the USCIS secondary verification failed to confirm eligible immigration status, it must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide County Housing with a copy of the written request for appeal and proof of mailing.

#### County Housing Policy

County Housing will notify the family in writing of the results of the USCIS secondary verification within 10 business days of receiving the results.

The family must provide County Housing with a copy of the written request for appeal and proof of mailing within 10 business days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to County Housing, of its decision. When the USCIS notifies County Housing of the decision, County Housing must notify the family of its right to request an informal hearing.

#### County Housing Policy

County Housing will send written notice to the family of its right to request an informal hearing within 10 business days of receiving notice of the USCIS decision regarding the family's immigration status.

#### **Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, an applicant family may request that County Housing provide a hearing. The request for a hearing must be made either within 30 days of receipt of County Housing notice of denial, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

#### ***Informal Hearing Officer***

County Housing must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision.

#### ***Evidence***

The family must be provided the opportunity to examine and copy at the family's expense, at a reasonable time in advance of the hearing, any documents in the possession of County Housing pertaining to the family's eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

#### County Housing Policy

The family will be allowed to copy any documents related to the hearing at no cost to the family. The family must request discovery of County Housing documents no later than 12:00 p.m. on the business day prior to the hearing.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by County Housing, and to confront and cross-examine all witnesses on whose testimony or information County Housing relies.

### ***Representation and Interpretive Services***

The family is entitled to be represented by an attorney or other designee, at the family's expense, and to have such person make statements on the family's behalf.

The family is entitled to request an interpreter. County Housing is obligated to provide a competent interpreter, free of charge, upon request. The family may also or instead provide its own interpreter, at the expense of the family.

### ***Recording of the Hearing***

The family is entitled to have the hearing recorded by audiotape. County Housing may, but is not required to, provide a transcript of the hearing.

#### County Housing Policy

County Housing will not provide a transcript of an audio taped informal hearing.

### ***Hearing Decision***

County Housing must provide the family with a written notice of the final decision, based solely on the facts presented at the hearing, within 14 calendar days of the date of the informal hearing. The notice must state the basis for the decision.

### **Retention of Documents [24 CFR 5.514(h)]**

County Housing must retain for a minimum of 5 years the following documents that may have been submitted by the family or provided to County Housing as part of the USCIS appeal or County Housing's informal hearing process:

- The application for assistance
- The form completed by the family for income re-examination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

### **Informal Hearing Procedures for Residents [24 CFR 5.514(f)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, a resident family may request that County Housing provide a hearing. The request for a hearing must be made either within 30 days of receipt of County Housing's notice of termination or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for resident families whose tenancy is being terminated based on immigration status is the same as for any grievance under the grievance procedures for resident families found in Part III below.

## PART III: GRIEVANCE PROCEDURES FOR PUBLIC HOUSING RESIDENTS

### 14-III.A. REQUIREMENTS [24 CFR 966.52]

PHAs must have a grievance procedure in place through which residents of public housing are provided an opportunity to grieve any County Housing action or failure to act involving the lease or County Housing policies which adversely affect their rights, duties, welfare, or status. County Housing must not only meet the minimal procedural due process requirements provided under the regulations but must also meet any additional requirements imposed by local, state, or federal law.

County Housing's grievance procedure must be included in, or incorporated by reference in, the lease.

#### County Housing Policy

County Housing's grievance procedure will be incorporated by reference in the tenant lease.

County Housing must provide at least 30 days' notice to tenants and resident organizations setting forth proposed changes in County Housing's grievance procedure and provide an opportunity to present written comments. Comments submitted must be considered by County Housing before adoption of any changes to the grievance procedure by County Housing.

#### County Housing Policy

Residents and resident organizations will have 30 calendar days from the date they are notified by County Housing of any proposed changes in County Housing grievance procedure, to submit written comments to County Housing.

County Housing must furnish a copy of the grievance procedure to each tenant and to resident organizations.

### 14-III.B. DEFINITIONS [24 CFR 966.53; 24 CFR 966.51(a)(2)(i)]

There are several terms used by HUD regarding public housing grievance procedures, which take on specific meanings different from their common usage. These terms are as follows:

- **Grievance** – any dispute which a tenant may have with respect to County Housing action or failure to act in accordance with the individual tenant's lease or County Housing regulations which adversely affect the individual tenant's rights, duties, welfare or status
- **Complainant** – any tenant whose grievance is presented to County Housing or at the project management office
- **Due Process Determination** – a determination by HUD that law of the jurisdiction requires that the tenant must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit
- **Expedited Grievance** – a procedure established by County Housing for any grievance or termination that involves:
  - Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of County Housing's public housing premises by other residents or employees of County Housing; or

- Any drug-related criminal activity on or off the premises
- **Elements of Due Process** – an eviction action or a termination of tenancy in a state or local court in which the following procedural safeguards are required:
  - Adequate notice to the tenant of the grounds for terminating the tenancy and for eviction
  - Right of the tenant to be represented by counsel
  - Opportunity for the tenant to refute the evidence presented by County Housing including the right to confront and cross-examine witnesses and to present any affirmative legal or equitable defense which the tenant may have
  - A decision on the merits
- **Hearing Officer** – an impartial person selected by County Housing, other than the person who made or approved the decision under review, or a subordinate of that person. The individual or individuals do not need legal training.
- **Tenant** – the adult person (or persons) (other than a live-in aide)
  - Who resides in the unit, and who executed the lease with County Housing as lessee of the dwelling unit, or, if no such person now resides in the unit, then,
  - Who resides in the unit, and who is the remaining head of household of the tenant family residing in the dwelling unit
- **Resident Organization** – includes a resident management corporation.

#### **14-III.C. APPLICABILITY [24 CFR 966.51]**

Grievances could potentially address most aspects of a PHA's operation. However, there are some situations for which the grievance procedure is not applicable.

The grievance procedure is applicable only to individual tenant issues relating to County Housing. It is not applicable to disputes between tenants not involving County Housing. Class grievances are not subject to the grievance procedure and the grievance procedure is not to be used as a forum for initiating or negotiating policy changes.

If HUD has issued a due process determination, a PHA may exclude from the PHA grievance procedure any grievance concerning a termination of tenancy or eviction that involves:

- Any criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises of other residents or employees of County Housing
- Any violent or drug-related criminal activity on or off such premises; or
- Any criminal activity that resulted in felony conviction of a household member

In states without due process determinations, PHAs must grant opportunity for grievance hearings for all lease terminations, regardless of cause, with the following exception: PHAs may use expedited grievance procedures for the excluded categories listed above. These expedited grievance procedures are described in Section 14-III.E. below.

If HUD has issued a due process determination, the PHA may evict through the state/local judicial eviction procedures. In this case, the PHA is not required to provide the opportunity for a hearing under the PHA's grievance procedure as described above.

#### County Housing Policy

County Housing is located in a HUD-declared due process state. Therefore, County Housing will not offer grievance hearings for lease terminations involving criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or employees of County Housing, for violent or drug-related criminal activity on or off the premises, or for any criminal activity that resulted in felony conviction of a household member.

See Chapter 13 for related policies on the content of termination notices.

#### **14-III.D. INFORMAL SETTLEMENT OF GRIEVANCE [24 CFR 966.54]**

HUD regulations state that any grievance must be personally presented, either orally or in writing, to County Housing office or to the office of the housing development in which the complainant resides so that the grievance may be discussed informally and settled without a hearing.

#### County Housing Policy

County Housing will accept requests for an informal settlement of a grievance either orally or in writing (including emailed requests), to its office within 10 business days of the grievable event. Within 10 business days of receipt of the request County Housing will arrange a meeting with the tenant at a mutually agreeable time and confirm such a meeting in writing to the tenant. The informal settlement may be conducted remotely as required by County Housing or may be conducted remotely upon consideration of the request of the tenant. See 14-III.G for information on how and under what circumstances remote informal settlements may be conducted.

If a tenant fails to attend the scheduled meeting without prior notice, County Housing will reschedule the appointment only if the tenant can show good cause for failing to appear, or if it is needed as a reasonable accommodation for a person with disabilities.

Good cause is defined as an unavoidable conflict which seriously affects the health, safety, or welfare of the family.

HUD regulations require that a summary of such discussion be prepared within a reasonable time and one copy will be given to the tenant and one retained in County Housing's tenant file.

The summary must specify the names of the participants, dates of meeting, the nature of the proposed disposition of the complaint and the specific reasons therefore and will specify the procedures by which a hearing may be obtained if the complainant is not satisfied.

#### County Housing Policy

County Housing will prepare a summary of the informal settlement within five business days; one copy to be given to the tenant and one copy to be retained in County Housing's tenant file.

For PHAs who have the option to establish an expedited grievance procedure, and who exercise this option, the informal settlement of grievances is not applicable to those grievances for which the expedited grievance procedure applies.

## **14-III.E. PROCEDURES TO OBTAIN A HEARING**

### **Requests for Hearing and Failure to Request**

#### County Housing Policy

The resident must submit a written request (including emailed requests) for a grievance hearing to County Housing within five business days of the tenant's receipt of the summary of the informal settlement.

If the complainant does not request a hearing, County Housing's disposition of the grievance under the informal settlement process will become final. However, failure to request a hearing does not constitute a waiver by the complainant of the right to contest County Housing's action in disposing of the complaint in an appropriate judicial proceeding.

### **Scheduling of Hearings [24 CFR 966.56(a)]**

If the complainant has complied with all requirements for requesting a hearing as described above, a hearing must be scheduled by the hearing officer promptly for a time and place reasonably convenient to both the complainant and County Housing. A written notification specifying the time, place and the procedures governing the hearing must be delivered to the complainant and the appropriate County Housing official.

#### County Housing Policy

Within 10 business days of receiving a written request for a hearing, the hearing officer will schedule and send written notice of the hearing to both the complainant and County Housing.

County Housing hearing will be conducted remotely, and at the time the notice is sent to the family, the family will be notified:

Regarding the processes involved in a remote grievance hearing;

That County Housing will provide technical assistance prior to and during the hearing, if needed; and

That if the family or any individual witness has any technological, resource, or accessibility barriers, the family may inform County Housing and County Housing will assist the family in either resolving the issue or allow the family to participate in an in-person hearing, as appropriate.

County Housing may wish to permit the tenant to request to reschedule a hearing for good cause.

#### County Housing Policy

The tenant may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety, or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, County Housing may request documentation of the "good cause" prior to rescheduling the hearing.

### **Expedited Grievance Procedure [24 CFR 966.52(a)]**

County Housing may establish an expedited grievance procedure for any grievance concerning a termination of tenancy or eviction that involves:

- Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of County Housing;
- Any drug-related criminal activity on or near such premises; or
- Any criminal activity that resulted in felony conviction of a household member.

In such expedited grievances, the informal settlement of grievances as discussed in 14-III.D is not applicable.

County Housing may adopt special procedures concerning expedited hearings, including provisions for expedited notice or scheduling, or provisions for expedited decision on the grievance.

#### County Housing Policy

County Housing will not offer expedited grievance procedures.

### **14-III.F. SELECTION OF HEARING OFFICER [24 CFR 966.53(e)]**

The grievance hearing must be conducted by an impartial person or persons appointed by County Housing, other than the person who made or approved the action under review, or a subordinate of such person. County Housing must describe their policies for selection of a hearing officer in their lease.

#### County Housing Policy

County Housing grievance hearings will be conducted by a single hearing officer and not a panel.

County Housing will appoint a staff member who was not involved in the decision under appeal. If a designated staff member (such as the program manager) was involved in the decision, or is a subordinate of such person, an alternate hearing officer will be selected.

County Housing may select designated staff members who were not involved in the decision under appeal in certain circumstances, such as appeals involving discrimination claims or denials of requests for reasonable accommodations.

PHAs must describe their policies for selection of a hearing officer in their lease forms. Changes to the public housing lease are subject to a 30-day comment period [24 CFR 966.4].

### **14-III.G. REMOTE HEARINGS [Notice PIH 2020-32]**

There is no requirement that grievance hearings be conducted in-person, and as such, HUD allows PHAs to conduct all or a portion of their grievance hearings remotely either over the phone, via video conferencing, or through other virtual platforms. If County Housing chooses to conduct remote grievance hearings, applicants may still request an in-person hearing, as applicable.

#### County Housing Policy

County Housing has the sole discretion to require that hearings be conducted remotely in case of local, state, or national physical distancing orders, and in cases of inclement weather or natural disaster.

County Housing will conduct all informal hearings remotely, unless upon request of the applicant as a reasonable accommodation, an applicant requires an in-person informal hearing. County Housing will consider other reasonable requests for an in-person informal hearing on a case-by-case basis.

### **Discovery of Documents Before the Remote Hearing**

#### County Housing Policy

If the hearing will be conducted remotely, County Housing will compile a hearing packet, consisting of all documents County Housing intends to produce at the hearing. County Housing will mail copies of the hearing packet to the tenant, the tenant's representatives, if any, and the hearing officer at least three days before the scheduled remote hearing. The original hearing packet will be in the possession of the County Housing representative and retained by County Housing.

If the hearing is to be conducted remotely, County Housing will require the resident to provide any documents directly relevant to the hearing at least 24 hours before the scheduled hearing through the mail, via email, or text. County Housing will scan and email copies of these documents to the hearing officer and its representative the same day they are received.

Documents will be shared electronically whenever possible.

### **Ensuring Accessibility for Persons with Disabilities and LEP Individuals**

As with in-person grievance hearings, the platform for conducting remote grievance hearings must be accessible to persons with disabilities and the grievance hearings must be conducted in accordance with Section 504 and accessibility requirements. This includes ensuring any information, websites, emails, digital notifications, and other virtual platforms are accessible for persons with vision, hearing, and other disabilities. Further, providing effective communication in a digital context may require the use of individualized auxiliary aids or services, such as audio description, captioning, sign language and other types of interpreters, keyboard accessibility, accessible documents, screen reader support, and transcripts. Auxiliary aids or services must be provided in accessible formats, in a timely manner, and in such a way to protect the privacy and independence of the individual. PHAs may never request or require that individuals with disabilities provide their own auxiliary aids or services, including for remote grievance hearings.

If no method of conducting a remote grievance hearing is available that appropriately accommodates an individual's disability, County Housing may not hold against the individual his or her inability to participate in the remote grievance hearing, and County Housing should consider whether postponing the remote hearing to a later date is appropriate or whether there is a suitable alternative.

Due to the individualized nature of disability, the appropriate auxiliary aid or service necessary, or reasonable accommodation will depend on the specific circumstances and requirements.

As with in-person reviews, Limited English Proficiency (LEP) requirements also apply to remote grievance hearings, including the use of interpretation services and document translation. See Chapter 2 for a more thorough discussion of accessibility and LEP requirements, all of which apply in the context of remote grievance hearings.

## **Conducting Hearings Remotely**

County Housing must ensure that the lack of technology or inability to use technology for remote grievance hearings does not pose a disadvantage to families that may not be apparent. County Housing should determine through a survey or other means if these barriers exist prior to conducting the remote grievance hearing and, if the family does not have the proper technology to fully participate, either postpone the hearing or provide an alternative means of access.

As with in-person grievance hearings, County Housing must provide all materials presented, whether paper or electronic, to the family prior to the remote grievance hearing. The family must also be provided with an accessible means by which to transmit their own evidence.

County Housing's essential responsibility is to ensure grievance hearings meet the requirements of due process and comply with HUD regulations. Therefore, all County Housing policies and processes for remote grievance hearings will be conducted in accordance with due process requirements and will be in compliance with HUD regulations at 24 CFR 966.56 and the guidance for conducting remote hearings specified in Notice PIH 2020-32.

### County Housing Policy

County Housing will conduct remote grievance hearings via a video conferencing platform, when available. If, after attempting to resolve any barriers, participants are unable to adequately access the video conferencing platform at any point, or upon request, the grievance hearing will be conducted by telephone conferencing call-in. If the family is unable to adequately access the telephone conferencing call-in at any point, the remote grievance hearing will be postponed, and an in-person alternative will be provided promptly within a reasonable time.

At least five business days prior to scheduling the remote hearing, County Housing and the hearing officer will provide the family with login information and/or conferencing call-in information and an electronic copy of all materials being presented via first class mail and/or email. The notice will advise the family of technological requirements for the hearing and request the family notify County Housing of any known barriers. County Housing will resolve any barriers using the guidance in Section 6 of Notice PIH 2020-32, including offering the family the opportunity to attend an in-person hearing.

County Housing will follow up with a phone call and/or email to the family at least one business day prior to the remote grievance hearing to ensure that the family received all information and is comfortable accessing the video conferencing or call-in platform.

County Housing will ensure that all electronic information stored or transmitted with respect to the grievance hearing is secure, including protecting personally identifiable information (PII), and meets the requirements for accessibility for persons with disabilities and persons with LEP.

## **14-III.H. PROCEDURES GOVERNING THE HEARING [24 CFR 966.56]**

### **Rights of Complainant [24 CFR 966.56(b)]**

The complainant will be afforded a fair hearing. This includes:

- The opportunity to examine before the grievance hearing any County Housing documents, including records and regulations that are directly relevant to the hearing. The tenant must be allowed to copy any such document at the tenant's expense. If County Housing does not make

the document available for examination upon request by the complainant, it may not rely on such document at the grievance hearing.

County Housing Policy

The tenant will be allowed to copy any documents related to the hearing at no cost to the family. There will be no charge for documents emailed by County Housing. The family must request discovery of County Housing documents no later than 12:00 p.m. on the business day prior to the hearing.

If the tenant needs to make copies of documents on-site, County Housing staff will schedule an appointment. County Housing staff will be present at the time the tenant makes necessary copies of documentation to ensure there are no violations of privacy regarding tenant files.

- The right to be represented by counsel or another person chosen to represent the tenant, and to have such person make statements on the tenant's behalf.

County Housing Policy

Hearings may be attended by the following applicable persons:

County Housing representatives and any witnesses for County Housing

The tenant and any witnesses for the tenant

The tenant's counsel or other representative

Any other person approved by County Housing as a reasonable accommodation for a person with a disability

- The right to a private hearing unless the complainant requests a public hearing.
- The right to present evidence and arguments in support of the tenant's complaint, to controvert evidence relied on by County Housing or project management, and to confront and cross-examine all witnesses upon whose testimony or information County Housing or project management relies.
- A decision based solely and exclusively upon the facts presented at the hearing.

**Failure to Appear [24 CFR 966.56(c)]**

If the complainant or County Housing fails to appear at a scheduled hearing, the hearing officer may make a determination to postpone the hearing for no more than five business days or may make a determination that the party has waived his/her right to a hearing. Both the complainant and County Housing must be notified of the determination by the hearing officer: Provided, that a determination that the complainant has waived his/her right to a hearing will not constitute a waiver of any right the complainant may have to contest County Housing's disposition of the grievance in an appropriate judicial proceeding.

There may be times when a complainant does not appear due to unforeseen circumstances which are out of their control and are no fault of their own.

County Housing Policy

If the tenant does not appear at the scheduled time of the hearing, the hearing officer will wait up to 15 minutes. If the tenant appears within 15 minutes of the scheduled time, the

hearing will be held. If the tenant does not arrive within 15 minutes of the scheduled time, they will be considered to have failed to appear.

If the tenant fails to appear and was unable to reschedule the hearing in advance, the tenant must contact County Housing within 24 hours of the scheduled hearing date, excluding weekends and holidays. The hearing officer will reschedule the hearing only if the tenant can show good cause for the failure to appear, or it is needed as a reasonable accommodation for a person with disabilities.

“Good cause” is defined as an unavoidable conflict which seriously affects the health, safety, or welfare of the family.

### **General Procedures [24 CFR 966.56(d), (e)]**

At the hearing, the complainant must first make a showing of an entitlement to the relief sought and thereafter County Housing must sustain the burden of justifying County Housing action or failure to act against which the complaint is directed [24 CFR 966.56(d)].

The hearing is conducted informally by the hearing officer. County Housing and the tenant must be given the opportunity to present oral or documentary evidence pertinent to the facts and issues raised by the complaint, and to question any witnesses.

#### County Housing Policy

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

**Oral evidence:** the testimony of witnesses

**Documentary evidence:** a piece of writing which is relevant to the case, for example, a letter written to County Housing. Writings include all forms of recorded communication or representation, including letters, emails, words, pictures, sounds, videotapes, symbols, or combinations thereof.

**Demonstrative evidence:** Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.

**Real evidence:** A tangible item relating directly to the case.

*Hearsay Evidence* is evidence based not on a witness' personal knowledge. In and of itself, hearsay evidence carries no weight when making a finding of fact. The hearing officer may include hearsay evidence when considering their decision if it is corroborated by other evidence. Even though hearsay evidence is generally admissible in a hearing, the hearing officer will not base a hearing decision on hearsay alone unless there is clear probative value and credibility of the evidence, and the party seeking the change has met the burden of proof.

If County Housing fails to comply with the discovery requirements (providing the tenant with the opportunity to examine County Housing documents prior to the grievance hearing), the hearing officer will refuse to accept such evidence.

Other than the failure of County Housing to comply with discovery requirements, the hearing officer has the authority to overrule any objections to evidence.

The complainant or County Housing may arrange, in advance and at the expense of the party making the arrangement, for a transcript of the hearing. Any interested party may purchase a copy of such transcript [24 CFR 966.56(e)].

#### County Housing Policy

If the complainant would like County Housing to record the proceedings by audiotape, the request must be made to County Housing by 12:00 p.m. on the business day prior to the hearing.

County Housing will consider that an audio tape recording of the proceedings is a transcript.

#### **Accommodations of Persons with Disabilities [24 CFR 966.56(f)]**

County Housing must provide reasonable accommodation for persons with disabilities to participate in the hearing. Reasonable accommodation may include qualified sign language interpreters, readers, accessible locations, or attendants.

If the tenant is visually impaired, any notice to the tenant which is required in the grievance process must be in an accessible format.

See Chapter 2 for a thorough discussion of County Housing's responsibilities pertaining to reasonable accommodation.

#### **Limited English Proficiency (24 CFR 966.56(g))**

County Housing must comply with HUD's LEP Final Rule in providing language services throughout the grievance process.

#### **14-III.I. DECISION OF THE HEARING OFFICER [24 CFR 966.57]**

The hearing officer must issue a written decision, stating the reasons for the decision, within a reasonable time after the hearing. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing. A copy of the decision must be sent to the complainant and County Housing. County Housing must retain a copy of the decision in the tenant's folder. A log of all hearing officer decisions must also be maintained by County Housing and made available for inspection by a prospective complainant, his/her representative, or the hearing officer [24 CFR 966.57(a)].

#### County Housing Policy

In rendering a decision, the hearing officer will consider the following matters:

**PHA Notice to the Family:** The hearing officer will determine if the reasons for County Housing's decision are factually stated in the notice.

**Discovery:** The hearing officer will determine if the family was given the opportunity to examine any relevant documents in accordance with County Housing Policy.

**PHA Evidence to Support the PHA Decision:** The evidence consists of the facts presented. Evidence is not conclusion, and it is not argument. The hearing officer will evaluate the facts to determine if they support County Housing's conclusion.

**Validity of Grounds for Termination of Tenancy (when applicable):** The hearing officer will determine if the termination of tenancy is for one of the grounds specified in the HUD regulations and County Housing policies. If the grounds for

termination are not specified in the regulations or in compliance with County Housing policies, then the decision of County Housing will be overturned.

The hearing officer will issue a written decision to the family and County Housing no later than 10 business days after the hearing. The report will contain the following information:

**Hearing information:**

- Name of the complainant
- Date, time, and place of the hearing
- Name of the hearing officer
- Name of County Housing representatives
- Name of family representative (if any)
- Names of witnesses (if any)

**Background:** A brief, impartial statement of the reason for the hearing and the date(s) on which the informal settlement was held, who held it, and a summary of the results of the informal settlement. Also includes the date the complainant requested the grievance hearing.

**Summary of the Evidence:** The hearing officer will summarize the testimony of each witness and identify any documents that a witness produced in support of his/her testimony and that are admitted into evidence.

**Findings of Fact:** The hearing officer will include all findings of fact, based on a preponderance of the evidence. *Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

**Conclusions:** The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold County Housing's decision.

**Order:** The hearing report will include a statement of whether County Housing's decision is upheld or reversed. If it is reversed, the hearing officer will instruct County Housing to change the decision in accordance with the hearing officer's determination. In the case of termination of tenancy, the hearing officer will instruct County Housing to restore the family's status.

**Procedures for Further Hearing**

County Housing Policy

The hearing officer may ask the family for additional information and/or might adjourn the hearing to reschedule it at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of County Housing will take effect and another hearing will not be granted.

### **Final Decision [24 CFR 966.57(b)]**

The decision of the hearing officer is binding on County Housing which must take the action, or refrain from taking the action cited in the decision unless County Housing's Board of Commissioners determines within a reasonable time, and notifies the complainant that:

- The grievance does not concern County Housing action or failure to act in accordance with or involving the complainant's lease on County Housing policies which adversely affect the complainant's rights, duties, welfare, or status; or
- The decision of the hearing officer is contrary to federal, state, or local law, HUD regulations or requirements of the annual contributions contract between HUD and County Housing

#### County Housing Policy

When County Housing considers the decision of the hearing officer to be invalid due to the reasons stated above, it will present the matter to County Housing's Board of Commissioners within 10 business days of the date of the hearing officer's decision. The Board has 30 calendar days to consider the decision. If the Board decides to reverse the hearing officer's decision, it must notify the complainant within 10 business days of this decision.

A decision by the hearing officer or Board of Commissioners in favor of County Housing or which denies the relief requested by the complainant in whole or in part must not constitute a waiver of any rights, nor effect in any manner whatever, any rights the complainant may have to a subsequent trial or judicial review in court [24 CFR 966.57(c)].

## Chapter 15

### PROGRAM INTEGRITY

#### INTRODUCTION

County Housing is committed to ensuring that funds made available to County Housing are spent in accordance with HUD requirements.

This chapter covers HUD and County Housing policies designed to prevent, detect, investigate, and resolve instances of program abuse or fraud. It also describes the actions that will be taken in the case of unintentional errors and omissions.

Part I: Preventing, Detecting, and Investigating Errors and Program Abuse. This part presents County Housing policies related to preventing, detecting, and investigating errors and program abuse.

Part II: Corrective Measures and Penalties. This part describes the corrective measures County Housing must and may take when errors or program abuses are found.

## **PART I: PREVENTING, DETECTING, AND INVESTIGATING ERRORS AND PROGRAM ABUSE**

### **15-I.A. PREVENTING ERRORS AND PROGRAM ABUSE**

HUD created the Enterprise Income Verification (EIV) system to provide PHAs with a powerful tool for preventing errors and program abuse. PHAs are required to use the EIV system at annual reexamination in accordance with HUD administrative guidance [24 CFR 5.233]. PHAs are further required to:

- Provide applicants and residents with form HUD-52675, “Debts Owed to PHAs and Terminations”
- Require all adult members of an applicant or participant family to acknowledge receipt of form HUD-52675 by signing a copy of the form for retention in the family file

#### County Housing Policy

County Housing anticipates that the vast majority of families and County Housing employees intend to and will comply with program requirements and make reasonable efforts to avoid errors.

To ensure that the public housing program is administered effectively and according to the highest ethical and legal standards, County Housing will employ a variety of techniques to ensure that both errors and intentional program abuse are rare.

County Housing will provide each applicant and resident with a copy of “Is Fraud Worth It?” (Form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse.

County Housing will provide each applicant and resident with a copy of “What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2017-12. In addition, County Housing will require the head of each household to acknowledge receipt of the guide by signing a copy for retention in the family file.

County Housing will require mandatory orientation sessions for all prospective residents either prior to or upon execution of the lease. County Housing will discuss program compliance and integrity issues. At the conclusion of all program orientation sessions, the family representative will be required to sign a program briefing certificate to confirm that all rules and pertinent regulations were explained to them.

County Housing will routinely provide resident counseling as part of every reexamination interview to clarify any confusion pertaining to program rules and requirements.

County Housing staff will be required to review and explain the contents of all HUD- and County Housing-required forms prior to requesting family member signatures.

County Housing will place a warning statement about the penalties for fraud (as described in 18 U.S.C. 1001 and 1010) on key forms and form letters that request information from a family member.

Each County Housing employee will be provided with the necessary training on program rules and the organization’s standards of conduct and ethics.

At every regular reexamination, County Housing staff will explain any changes in HUD regulations or County Housing policy that affect residents.

For the purposes of this chapter, the term *error* refers to an unintentional error or omission. *Program abuse or fraud* refers to a single act or pattern of actions that constitute a false statement, omission, or concealment of a substantial fact, made with the intent to deceive, or mislead.

### **15-I.B. DETECTING ERRORS AND PROGRAM ABUSE**

In addition to taking steps to prevent errors and program abuse, County Housing will use a variety of activities to detect errors and program abuse.

#### **Quality Control and Analysis of Data**

##### County Housing Policy

County Housing will employ a variety of methods to detect errors and program abuse, including:

Routinely using EIV and other non-HUD sources of up-front income verification. This includes the Work Number and any other private or public databases available to County Housing.

Comparing current family-provided information at each annual reexamination to information provided at the last annual reexamination to identify inconsistencies and incomplete information.

Comparing family-reported income and expenditures to detect possible unreported income.

#### **Independent Audits and HUD Monitoring**

Notice PIH 2015-16 requires all PHAs that expend \$750,000 or more in federal awards annually to have an independent audit (IPA). In addition, HUD conducts periodic on-site and automated monitoring of PHA activities and notifies the PHA of errors and potential cases of program abuse.

##### County Housing Policy

County Housing will use the results reported in any IPA or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of County Housing's error detection and abuse prevention efforts.

#### **Individual Reporting of Possible Errors and Program Abuse**

##### County Housing Policy

County Housing will encourage staff, residents, and the public to report possible program abuse.

### **15-I.C. INVESTIGATING ERRORS AND PROGRAM ABUSE**

#### **When the PHA Will Investigate**

##### County Housing Policy

County Housing will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant

investigation. In order for County Housing to investigate, the allegation must contain at least one independently verifiable item of information, such as the name of an employer or the name of an unauthorized household member.

County Housing will investigate when inconsistent or contradictory information is detected through file reviews and the verification process.

### **Consent to Release of Information [24 CFR 960.259]**

County Housing may investigate possible instances of error or abuse using all available County Housing and public records. If necessary, County Housing will require families to sign consent forms for the release of additional information.

### **Analysis and Findings**

#### County Housing Policy

County Housing will base its evaluation on a preponderance of the evidence collected during its investigation.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

For each investigation, County Housing will determine (1) whether an error or program abuse has occurred, (2) whether any amount of money is owed to County Housing, and (3) what corrective measures or penalties will be assessed.

### **Consideration of Remedies**

All errors and instances of program abuse must be corrected prospectively. Whether County Housing will enforce other corrective actions and penalties depends upon the nature of the error or program abuse.

#### County Housing Policy

In the case of family-caused errors or program abuse, County Housing will take into consideration (1) the seriousness of the offense and the extent of participation or culpability of individual family members, (2) any special circumstances surrounding the case, (3) any mitigating circumstances related to the disability of a family member, (4) the effects of a particular remedy on family members who were not involved in the offense.

### **Notice and Appeals**

#### County Housing Policy

County Housing will inform the relevant party in writing of its findings and remedies within 10 business days of the conclusion of the investigation. The notice will include (1) a description of the error or program abuse, (2) the basis on which County Housing determined the error or program abuses, (3) the remedies to be employed, and (4) the family's right to appeal the results through an informal hearing or grievance hearing (see Chapter 14).

## **PART II: CORRECTIVE MEASURES AND PENALTIES**

### **15-II.A. UNDER- OR OVERPAYMENT**

An under- or overpayment includes an incorrect tenant rent payment by the family, or an incorrect utility reimbursement to a family.

#### **Corrections**

Whether the incorrect rental determination is an overpayment or underpayment, County Housing must promptly correct the tenant's rent and any utility reimbursement prospectively.

##### County Housing Policy

Increases in the tenant rent will be implemented on the first of the month following a written 30-day notice.

Any decreases in tenant rent will become effective on the first of the month following the discovery of the error.

#### **Reimbursement**

Whether the family is required to reimburse County Housing or County Housing is required to reimburse the family depends upon which party is responsible for the incorrect payment and whether the action taken was an error or program abuse. Policies regarding reimbursement are discussed in the three sections that follow.

### **15-II.B. FAMILY-CAUSED ERRORS AND PROGRAM ABUSE**

General administrative requirements for participating in the program are discussed throughout the ACOP. This section deals specifically with errors and program abuse by family members.

An incorrect rent determination caused by a family generally would be the result of incorrect reporting of family composition, income, assets, or expenses, but also would include instances in which the family knowingly allows County Housing to use incorrect information provided by a third party.

#### **Family Reimbursement to the PHA**

##### County Housing Policy

In the case of family-caused errors or program abuse, the family will be required to repay any amounts of rent underpaid. County Housing may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the amount owed, County Housing will terminate the family's lease in accordance with the policies in Chapter 13.

#### **PHA Reimbursement to Family**

##### County Housing Policy

County Housing will not reimburse the family for any overpayment of rent when the overpayment clearly is caused by the family.

## **Prohibited Actions**

An applicant or resident in the public housing program must not knowingly:

- Make a false statement to County Housing [Title 18 U.S.C. Section 1001].
- Provide incomplete or false information to County Housing [24 CFR 960.259(a)(4)].
- Commit fraud or make false statements in connection with an application for assistance or with reexamination of income [24 CFR 966.4(l)(2)(iii)(C)].

### County Housing Policy

Any of the following will be considered evidence of family program abuse:

Offering bribes or illegal gratuities to County Housing's Board of Commissioners, employees, contractors, or other representatives

Offering payments or other incentives to a third party as an inducement for the third party to make false or misleading statements to County Housing on the family's behalf

Use of a false name or the use of falsified, forged, or altered documents

Intentional misreporting of family information or circumstances (e.g., misreporting of income or family composition)

Omitted facts that were obviously known by a family member (e.g., not reporting employment income)

Admission of program abuse by an adult family member

County Housing may determine other actions to be program abuse based upon a preponderance of the evidence, as defined earlier in this chapter.

## **Penalties for Program Abuse**

In the case of program abuse caused by a family, County Housing may, at its discretion, impose any of the following remedies.

- County Housing may require the family to repay any amounts owed to the program (see 15-II.B., Family Reimbursement to PHA).
- County Housing may require, as a condition of receiving or continuing assistance, that a culpable family member not reside in the unit. See policies in Chapter 3 (for applicants) and Chapter 13 (for residents).
- County Housing may deny admission or terminate the family's lease following the policies set forth in Chapter 3 and Chapter 13, respectively.
- County Housing may refer the family for state or federal criminal prosecution as described in section 15-II.D.

## **15-II.C. PHA-CAUSED ERRORS OR PROGRAM ABUSE**

The responsibilities and expectations of County Housing staff with respect to normal program administration are discussed throughout the ACOP. This section specifically addresses actions of County Housing staff members that are considered errors or program abuse related to the public

housing program. Additional standards of conduct may be provided in County Housing's personnel policy.

**De Minimis Errors [24 CFR 5.609(c)(4); Notice PIH 2023-27]**

County Housing will not be considered out of compliance when making annual income determinations solely due to de minimis errors in calculating family income. A de minimis error is an error in which County Housing's determination of family income deviates from the correct income determination by no more than \$30 per month in monthly adjusted income (\$360 in annual adjusted income) per family.

County Housing must take corrective action to credit or repay a family if the family was overcharged rent, including when County Housing makes de minimis errors in the income determination. Families will not be required to repay County Housing in instances where the miscalculated income results in families being undercharged for rent.

County Housing Policy

County Housing will reimburse a family for any family overpayment of rent, regardless of whether the overpayment was the result of staff-caused error, staff program abuse, or a de minimis error.

**Prohibited Activities**

County Housing Policy

Any of the following will be considered evidence of program abuse by County Housing staff:

Failing to comply with any public housing program requirements for personal gain

Failing to comply with any public housing program requirements as a result of a conflict of interest relationship with any applicant or resident

Seeking or accepting anything of material value from applicants, residents, vendors, contractors, or other persons who provide services or materials to County Housing

Disclosing confidential or proprietary information to outside parties

Gaining profit as a result of insider knowledge of County Housing activities, policies, or practices

Misappropriating or misusing public housing funds

Destroying, concealing, removing, or inappropriately using any records related to the public housing program

Committing any other corrupt or criminal act in connection with any federal housing program

Committing sexual harassment or other harassment based on race, color, religion, national origin, familial status, disability, sexual orientation, or gender identity, either quid pro quo (supervisory harassment) or a hostile environment

Allowing sexual harassment or other harassment based on race, color, religion, national origin, familial status, disability, sexual orientation, or gender identity, either quid pro quo (supervisory harassment) or hostile environment, where County Housing knew or should have known such harassment was occurring

Retaliating against any applicant, resident, or staff reporting sexual harassment or other harassment based on race, color, religion, national origin, familial status, disability, sexual orientation, or gender identity, either quid pro quo (supervisory harassment) or hostile environment

#### **15-II.D. CRIMINAL PROSECUTION**

##### County Housing Policy

When County Housing determines that program abuse by a family or County Housing staff member has occurred and the amount of underpaid rent meets or exceeds the threshold for prosecution under local or state law, County Housing will refer the matter to the appropriate entity for prosecution. When the amount of underpaid rent meets or exceeds the federal threshold, the case will also be referred to the HUD Office of Inspector General (OIG).

Other criminal violations related to the public housing program will be referred to the appropriate local, state, or federal entity.

#### **15-II.E. FRAUD AND PROGRAM ABUSE RECOVERIES**

PHAs who enter into a repayment agreement with a family to collect rent owed, initiate litigation against the family to recover rent owed, or begin eviction proceedings against a family may retain 100 percent of program funds that it recovers [Notice PIH 2007-27 (HA)].

If a PHA does none of the above, all amounts that constitute an underpayment of rent must be returned to HUD.

The family must be afforded the opportunity for a hearing through the PHA's grievance process.

## Chapter 16

### PROGRAM ADMINISTRATION

#### INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this ACOP. The policies are discussed in seven parts as described below:

Part I: Setting Utility Allowances. This part describes how utility allowances are established and revised. Also discussed are the requirements to establish surcharges for excess consumption of County Housing-furnished utilities.

Part II: Establishing Flat Rents. This part describes the requirements and policies related to establishing and updating flat rent amounts.

Part III: Repayment of Family Debts. This part contains policies for the recovery of monies that have been underpaid by families and describes the circumstances under which County Housing will offer repayment agreements to families. Also discussed are the consequences of failure to make payments in accordance with a repayment agreement.

Part IV: Public Housing Assessment System (PHAS). This part describes the PHAS indicators, how PHAs are scored under PHAS, and how those scores affect a PHA.

Part V: Record Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies County Housing will follow.

Part VI: Reporting and Record Keeping for Children with Elevated Blood Lead Level. This part describes County Housing's reporting responsibilities related to children with elevated blood lead levels that are living in public housing.

Part VII: Violence against Women Act (VAWA): Notification, Documentation, and Confidentiality. This part contains key terms used in VAWA and describes requirements related to notifying families about their rights and responsibilities under VAWA; requesting documentation from victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking; and maintaining the confidentiality of information obtained from victims.

Part VIII: Weapons and Firearms. This part describes County Housing's policies regarding participants' possession and use of weapons and firearms on County Housing property.

## **PART I: SETTING UTILITY ALLOWANCES [24 CFR 965 Subpart E]**

### **16-I.A. OVERVIEW**

PHAs must establish allowances for PHA-furnished utilities for all check metered utilities and for resident-purchased utilities for all utilities purchased directly by residents from a utility supplier [24 CFR 965.502(a)].

PHAs must also establish surcharges for excess consumption of PHA-furnished utilities [24 CFR 965.506].

County Housing must maintain a record that documents the basis on which utility allowances and scheduled surcharges are established and revised, and the record must be made available for inspection by residents [24 CFR 965.502(b)].

### **16-I.B. UTILITY ALLOWANCES**

County Housing must establish separate allowances for each utility and for each category of dwelling units County Housing determines to be reasonably comparable as to factors affecting utility usage [24 CFR 965.503].

The objective of a PHA in establishing utility allowances for each dwelling unit category and unit size is to approximate a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment [24 CFR 965.505].

Utilities include gas, electricity, fuel for heating, water, sewerage, and solid waste disposal for a dwelling unit. In addition, if a PHA does not furnish a range and refrigerator, the family must be granted a utility allowance for the range and refrigerator they provide [24 CFR 965.505].

Costs for telephone, cable/satellite TV, and internet services are not considered utilities [PH Occ GB, p. 138].

Utility allowance amounts will vary by the rates in effect, size and type of unit, climatic location and sitting of the unit, type of construction, energy efficiency of the dwelling unit, and other factors related to the physical condition of the unit. Utility allowance amounts will also vary by residential demographic characteristics affecting home energy usage [PH Occ GB, p. 138].

Chapter 14 of the *PH Occupancy Guidebook* provides detailed guidance to PHAs about establishing utility allowances.

### **Air-Conditioning**

“If a PHA installs air conditioning, it shall provide, to the maximum extent economically feasible, systems that give residents the option of choosing to use air conditioning in their units. The design of systems that offer each resident the option to choose air conditioning shall include retail meters or check meters, and residents shall pay for the energy used in its operation. For systems that offer residents the option to choose air conditioning but cannot be check metered, residents are to be surcharged in accordance with 965.506. If an air conditioning system does not provide for resident option, residents are not to be charged, and these systems should be avoided whenever possible.” [24 CFR 965.505(e)]

#### County Housing Policy:

County Housing has installed central air conditioning in all its public housing units.

### **Utility Allowance Revisions [24 CFR 965.507]**

County Housing must review at least annually the basis on which utility allowances have been established and must revise the allowances, if necessary, in order to adhere to the standards for establishing utility allowances that are contained in 24 CFR 965.505.

County Housing may revise its allowances for resident-purchased utilities between annual reviews if there is a rate change, and is required to do so if such change, by itself or together with prior rate changes not adjusted for, results in a change of 10 percent or more from the rate on which the allowance was based.

Adjustments to resident payments because of such changes must be retroactive to the first day of the month following the month in which the last rate change taken into account became effective.

#### County Housing Policy

Between annual reviews of utility allowances, County Housing will only revise its utility allowances due to a rate change, when required to by the regulation.

### **16-I.C. SURCHARGES FOR PHA-FURNISHED UTILITIES [24 CFR 965.506]**

For dwelling units subject to allowances for PHA-furnished utilities where check meters have been installed, County Housing must establish surcharges for utility consumption in excess of the allowances. Surcharges may be computed on a straight per unit of purchase basis or for stated blocks of excess consumption and must be based on County Housing's average utility rate. The basis for calculating the surcharges must be described in County Housing's schedule of allowances. Changes in the amount of surcharge based directly on changes in County Housing's average utility rate are not subject to the advance notice requirements discussed under 16-I.D.

For dwelling units served by PHA-furnished utilities where check meters have not been installed, County Housing must establish schedules of surcharges indicating additional dollar amounts residents will be required to pay by reason of estimated utility consumption attributable to resident-owned major appliances or to optional functions of PHA-furnished equipment. The surcharge schedule must state the resident-owned equipment (or functions of PHA-furnished equipment) for which surcharges will be made and the amounts of such charges. Surcharges must be based on the cost to County Housing of the utility consumption estimated to be attributable to reasonable usage of such equipment.

#### County Housing Policy:

County Housing has PHA-furnished utilities. It furnishes the sewer and trash utilities in all its units. In addition, apartment-style units have County Housing-furnished water.

### **16-I.D. NOTICE REQUIREMENTS [965.502]**

County Housing must give notice to all residents of proposed allowances and scheduled surcharges, and revisions thereof. The notice must be given in the manner provided in the lease and must:

- Be provided at least 60 days before the proposed effective date of the allowances, scheduled surcharges, or revisions.
- Describe the basis for determination of the allowances, scheduled surcharges, or revisions, including a statement of the specific items of equipment and function whose utility

consumption requirements were included in determining the amounts of the allowances and schedule of surcharges.

- Notify residents of the place where the County Housing's documentation on which allowances and surcharges are based is available for inspection.
- Provide all residents an opportunity to submit written comments during a period expiring not less than 30 days before the proposed effective date of the allowances, scheduled surcharges, or revisions.

#### **16-I.E. REASONABLE ACCOMMODATION [24 CFR 965.508]**

On request from a family that includes a disabled or elderly person, County Housing must approve a utility allowance that is higher than the applicable amount for the dwelling unit if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family [PH Occ GB, p. 172].

Likewise, residents with disabilities may not be charged for the use of certain resident-supplied appliances if there is a verified need for special equipment because of the disability [PH Occ GB, p. 172].

See Chapter 2 for policies regarding the request and approval of reasonable accommodations.

## **PART II: ESTABLISHING FLAT RENTS**

### **16-II.A. OVERVIEW**

Flat rents are designed to encourage self-sufficiency and to avoid creating disincentives for continued residency by families who are attempting to become economically self-sufficient.

Flat rents are also used to prorate assistance for a mixed family. A mixed family is one whose members include those with citizenship or eligible immigration status, and those without citizenship or eligible immigrations status [24 CFR 5.504].

This part discusses how County Housing establishes and updates flat rents. Policies related to the use of flat rents, family choice of rent, flat rent hardships, and proration of rent for a mixed family are discussed in Chapter 6.

### **16-II.B. FLAT RENTS [24 CFR 960.253(b) and Notice PIH 2022-33]**

#### **Establishing Flat Rents**

The 2015 Appropriations Act requires that flat rents must be set at no less than 80 percent of the applicable fair market rent (FMR). Alternatively, County Housing may set flat rents at no less than 80 percent of the applicable small area FMR(SAFMR) for metropolitan areas, or 80 percent of the applicable unadjusted rents for nonmetropolitan areas.

For areas where HUD has not determined a SAFMR or an unadjusted rent, PHAs must set flat rents at no less than 80 percent of the FMR or apply for an exception flat rent.

The 2015 Appropriations Act permits PHAs to apply for an exception flat rent that is lower than either 80 percent of the FMR or SAFMR/unadjusted rent if the PHA can demonstrate, through the submission of a market analysis, that these FMRs do not reflect the market value of a particular property or unit and HUD agrees with the PHA's analysis.

The market analysis must be submitted using form HUD-5880, "Flat Rent Market Analysis Summary."

PHAs must receive written HUD approval before implementing exception flat rents. PHAs with a previously approved flat rent exception request may submit a written request to extend the approved flat rents for up to two additional years, provided local market conditions remain unchanged. Detailed information on how to request exception flat rents can be found in Notice PIH 2022-33.

PHAs are now required to apply a utility allowance to flat rents, as necessary. Flat rents set at 80 percent of the FMR must be reduced by the amount of the unit's utility allowance, if any.

#### **Review of Flat Rents**

No later than 90 days after the effective date of the new annual FMRs/SAFMRs/unadjusted rent, PHAs must implement new flat rents as necessary based changes to the FMR/SAFMR/unadjusted rent or request an exception.

If the FMR falls from year to year, the PHA may, but is not required to, lower the flat rent to 80 percent of the current FMR/SAFMR/unadjusted rent.

County Housing Policy

If the FMR/SAFMR/unadjusted rent is lower than the previous year, County Housing will reduce flat rents to 80 percent of the current FMR/SAFMR.

**Posting of Flat Rents**

County Housing Policy

County Housing will publicly post the schedule of flat rents in a conspicuous manner in the applicable Authority or project office.

**Documentation of Flat Rents [24 CFR 960.253(b)(5)]**

County Housing must maintain records that document the method used to determine flat rents, and that show how flat rents were determined by County Housing in accordance with this method.

## **PART III: FAMILY DEBTS TO THE PHA**

### **16-III.A. OVERVIEW**

This part describes County Housing’s policies for recovery of monies owed to County Housing by families.

#### County Housing Policy

When an action or inaction of a resident family results in the underpayment of rent or other amounts, County Housing holds the family liable to return any underpayments.

County Housing will enter into repayment agreements in accordance with the policies contained in this part as a means to recover underpayments.

When a family refuses to repay monies owed to County Housing, other available collection alternatives including, but not limited to, the following will be utilized:

- Collection agencies
- Small claims court
- Civil lawsuit
- State income tax set-off program

### **16-III.B. REPAYMENT POLICY**

#### **Family Debts to the PHA**

#### County Housing Policy

Any amount owed to County Housing by a public housing family must be repaid. If the family is unable to repay the debt within 30 days, County Housing will offer to enter into a repayment agreement in accordance with the policies below.

If the family refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, County Housing will terminate the family’s tenancy in accordance with the policies in Chapter 13. County Housing will also pursue other modes of collection.

#### **General Repayment Agreement Guidelines**

#### ***Down Payment Requirement***

#### County Housing Policy

Before executing a repayment agreement with a family, County Housing will generally require a down payment of 10 percent of the total amount owed. If the family can provide evidence satisfactory to County Housing that a down payment of 10 percent would impose an undue hardship, County Housing may, in its sole discretion, require a lesser percentage or waive the requirement.

#### ***Payment Thresholds***

Notice PIH 2017-12 recommends that the total amount that a family must pay each month—the family’s monthly share of rent plus the monthly debt repayment amount—should not exceed 40 percent of the family’s monthly adjusted income, which is considered “affordable.” Moreover,

Notice PIH 2017-12 acknowledges that PHAs have the discretion to establish “thresholds and policies” for repayment agreements with families [24 CFR 982.552(c)(1)(vii)].

County Housing Policy

If a family is paying less than 40 percent of its monthly adjusted income (MAI) in rent, the minimum monthly payment amount will be the greater of the following two amounts:

The difference between 40 percent of the family’s MAI and the TTP at the time the agreement is executed;

\$25

If a family can provide evidence satisfactory to County Housing that a monthly payment amount of \$25 would impose an undue hardship, County Housing may, in its sole discretion, require a lower monthly payment amount.

If the family’s income increases or decreases during the term of a repayment agreement, either County Housing or the family may request that the monthly payment amount be adjusted accordingly.

***Execution of the Agreement***

County Housing Policy

Any repayment agreement between County Housing and a family must be signed and dated by County Housing and by the head of household and spouse/cohead (if applicable).

***Due Dates***

County Housing Policy

All payments are due by the close of business on the 15th day of the month. If the 15th does not fall on a business day, the due date is the close of business on the first business day after the 15th.

***Late or Missed Payments***

County Housing Policy

If a payment is not received by the end of the business day on the date due, and prior approval for the missed payment has not been given by County Housing, County Housing will send the family a delinquency notice giving the family 14 business days to make the late payment. If the payment is not received by the due date of the delinquency notice, it will be considered a breach of the agreement and County Housing will terminate tenancy in accordance with the policies in Chapter 13.

If a family receives three delinquency notices for unexcused late payments in a 12-month period, the repayment agreement will be considered in default, and County Housing will terminate tenancy in accordance with the policies in Chapter 13.

***No Offer of Repayment Agreement***

County Housing Policy

County Housing generally will not enter into a repayment agreement with a family if there is already a repayment agreement in place with the family, or if the amount owed by the family exceeds the federal or state threshold for criminal prosecution.

### **Repayment Agreements Involving Improper Payments**

Notice PIH 2017-12 requires certain provisions to be included in any repayment agreement involving amounts owed by a family because it underreported or failed to report income:

- A reference to the items in the public housing lease that state the family's obligation to provide true and complete information at every reexamination and the grounds on which County Housing may terminate assistance because of a family's action or failure to act
- A statement clarifying that each month the family not only must pay to County Housing the monthly payment amount specified in the agreement but must also pay to County Housing the monthly tenant rent
- A statement that the terms of the repayment agreement may be renegotiated if the family's income decreases or increases
- A statement that late or missed payments constitute default of the repayment agreement and may result in termination of tenancy

## PART IV: PUBLIC HOUSING ASSESSMENT SYSTEM (PHAS)

### 16-IV.A. OVERVIEW

The purpose of the Public Housing Assessment System (PHAS) is to improve the delivery of services in public housing and enhance trust in the public housing system among PHAs, public housing residents, HUD and the general public by providing a management tool for effectively and fairly measuring the performance of a public housing agency in essential housing operations.

### 16-IV.B. PHAS INDICATORS [24 CFR 902 Subparts A, B, C, D, and E]

The table below lists each of the PHAS indicators, the points possible under each indicator, and a brief description of each indicator. A PHA's performance is based on a combination of all four indicators.

<p><b>Indicator 1: Physical condition of the PHA's projects</b> <b>Maximum Score: 40</b></p> <ul style="list-style-type: none"><li>• The objective of this indicator is to determine the level to which a PHA is maintaining its public housing in accordance with the standard of habitable dwelling units.</li><li>• To determine the physical condition of a PHA's projects, inspections are performed using the National Standards for the Inspection of Real Estate (NSPIRE). The inspections are performed by an independent inspector arranged by HUD and include a statistically valid sample of the units in each project in the PHA's public housing portfolio.</li></ul>
<p><b>Indicator 2: Financial condition of the PHA's projects</b> <b>Maximum Score: 25</b></p> <ul style="list-style-type: none"><li>• The objective of this indicator is to measure the financial condition of the PHA's public housing projects for the purpose of evaluating whether the PHA has sufficient financial resources and is capable of managing those financial resources effectively to support the provision of housing that is decent, safe, sanitary, and in good repair.</li><li>• A PHA's financial condition is determined by measuring each public housing project's performance in each of the following sub indicators: quick ratio, months expendable net assets ratio, and debt service coverage ratio.</li></ul>
<p><b>Indicator 3: Management operations of the PHA's projects</b> <b>Maximum Score: 25</b></p> <ul style="list-style-type: none"><li>• The objective of this indicator is to measure certain key management operations and responsibilities of a PHA's projects for the purpose of assessing the PHA's management operations capabilities.</li><li>• Each project's management operations are assessed based on the following sub-indicators: occupancy, tenant accounts receivable, and accounts payable.</li><li>• An on-site management review may be conducted as a diagnostic and feedback tool for problem performance areas, and compliance. Management reviews are not scored.</li></ul>
<p><b>Indicator 4: Capital Fund</b> <b>Maximum Score: 10</b></p>

- The objective of this indicator is to measure how long it takes the PHA to obligate capital funds and to occupy units.
- The PHA's score for this indicator is measured at the PHA level and is based on the following sub indicators: timeliness of fund obligation and occupancy rate.

#### **16-IV.C. PHAS SCORING [24 CFR 902 Subpart F]**

HUD's Real Estate Assessment Center (REAC) issues overall PHAS scores, which are based on the scores of the four PHAS indicators, and the sub indicators under each indicator. The PHA's indicator scores are based on a weighted average of the PHA's public housing projects' scores. PHAS scores translate into a designation for each PHA as high performing, standard, substandard, or troubled.

A high performer is a PHA that achieves an overall PHAS score of 90 or greater and achieves a score of at least 60 percent of the points available under the physical, financial, and management indicators and at least 50 percent of the points available under the capital fund indicator.

A standard performer is a PHA that has an overall PHAS score between 60 and 89 and achieves a score of at least 60 percent of the points available under the physical, financial, and management indicators and at least 50 percent of the points available under the capital fund indicator.

A substandard performer is a PHA that has an overall PHAS score of at least 60 percent and achieves a score of less than 60 percent under one or more of the physical, financial, or management indicators.

A troubled performer is a PHA that achieves an overall PHAS score of less than 60 or achieves less than 50 percent of the total points available under the capital fund indicator.

These designations can affect a PHA in several ways:

- High-performing PHAs are eligible for incentives including relief from specific HUD requirements and bonus points in funding competitions [24 CFR 902.71].
- PHAs that are standard performers may be required to submit and operate under a corrective action plan to eliminate deficiencies in the PHA's performance [24 CFR 902.73(a)(1)].
- PHAs that are substandard performers will be required to submit and operate under a corrective action plan to eliminate deficiencies in the PHA's performance [24 CFR 902.73(a)(2)].
- PHAs with an overall rating of "troubled" are subject to additional HUD oversight and are required to enter into a memorandum of agreement (MOA) with HUD to improve PHA performance [24 CFR 902.75].
- PHAs that fail to execute or meet MOA requirements may be referred to the Assistant Secretary to determine remedial actions, including, but not limited to, remedies available for substantial default [24 CFR 902.75(g) and 24 CFR Part 907].

PHAs must post a notice of its final PHAS score and status in appropriate conspicuous and accessible locations in its offices within two weeks of receipt of its final score and designation [24 CFR 902.64(b)(2)].

## **PART V: RECORD KEEPING**

### **16-V.A. OVERVIEW**

County Housing must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, County Housing must ensure that all applicant and participant files are maintained in a way that protects an individual's privacy rights, and that comply with VAWA confidentiality requirements.

### **16-V.B. RECORD RETENTION**

County Housing must keep the last three years of the Form HUD-50058 and supporting documentation during the term of each assisted lease, and for a period of at least three years from the end of participation (EOP) date [24 CFR 908.101].

Notice PIH 2014-20 requires County Housing to keep records of all complaints, investigations, notices, and corrective actions related to violations of the Fair Housing Act or the equal access final rule.

County Housing must keep confidential records of all emergency transfer requested under County Housing's Emergency Transfer Plan, and the outcomes of such requests, and retain the records for a period of three years, or for a period of time as specific in program regulations [24 CFR 5.2002(e)(12)].

#### County Housing Policy

County Housing will keep the last three years of the Form HUD-50058 and supporting documentation, and for at least three years after end of participation all documents related to a family's eligibility, tenancy, and termination.

In addition, County Housing will keep the following records for at least three years:

- An application from each ineligible family and notice that the applicant is not eligible
- Lead-based paint records as required by 24 CFR 35, Subpart B
- Documentation supporting the establishment of flat rents
- Documentation supporting the establishment of utility allowances and surcharges
- Documentation related to PHAS
- Accounts and other records supporting County Housing budget and financial statements for the program
- Complaints, investigations, notices, and corrective actions related to violations of the Fair Housing Act, the equal access final rule, or VAWA

Confidential records of all emergency transfers related to VAWA requested under County Housing's Emergency Transfer Plan and the outcomes of such requests

Other records as determined by County Housing or as required by HUD

If a hearing to establish a family's citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 14-II.A.

## **16-V.C. RECORDS MANAGEMENT**

PHAs must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

### County Housing Policy

All applicant and participant information will be kept in a secure location and access will be limited to authorized County Housing staff.

County Housing staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

### **Privacy Act Requirements [24 CFR 5.212 and Form-9886]**

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or County Housing may release the information collected.

### **Upfront Income Verification (UIV) Records**

PHAs that access UIV data through HUD's Enterprise Income Verification (EIV) system are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with federal laws, regardless of the media on which the data is recorded (e.g., electronic, paper). These requirements are contained in the HUD-issued document, *Enterprise Income Verification (EIV) System, Security Procedures for Upfront Income Verification (UIV) Data*.

### County Housing Policy

Prior to utilizing HUD's EIV system, County Housing will adopt and implement EIV security procedures required by HUD.

### **Criminal Records**

County Housing may only disclose the criminal conviction records received from a law enforcement agency to officers or employees of County Housing or to authorized representatives of County Housing who have a job-related need to have access to the information [24 CFR 5.903(e)].

County Housing must establish and implement a system of records management that ensures that any criminal record received from a law enforcement agency is maintained confidentially, not

misused or improperly disseminated, and destroyed once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to County Housing action without the institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

County Housing must establish and implement a system of records management that ensures that any sex offender registration information received from a state or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to County Housing action without the institution of a challenge or final disposition of any such litigation. However, a record of the screening, including the type of screening and the date performed, must be retained [Notice PIH 2012-28]. This requirement does not apply to information that is public information or is obtained by County Housing other than under 24 CFR 5.905.

### **Medical/Disability Records**

PHAs are not permitted to inquire about the nature or extent of a person's disability. County Housing may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If County Housing receives a verification document that provides such information, County Housing should not place this information in the tenant file. County Housing should destroy the document.

### **Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking Records**

For requirements and County Housing policies related to management of documentation obtained from victims of domestic violence, dating violence, sexual assault, stalking, or human trafficking, see section 16-VII.E.

## **PART VI: REPORTING REQUIREMENTS FOR CHILDREN WITH ELEVATED BLOOD LEAD LEVEL**

### **16-VI.A. REPORTING REQUIREMENTS [24 CFR 35.1130(e); Notice PIH 2017-13]**

County Housing has certain responsibilities relative to children with elevated blood lead levels who are living in public housing.

County Housing must report the name and address of a child identified as having an elevated blood lead level (EBLL) to the public health department within five business days of being so notified by any other medical healthcare professional. County Housing must also report each known case of a child with an EBLL to the HUD field office.

#### County Housing Policy

County Housing will provide the public health department with written notice of the name and address of any child identified as having an elevated blood lead level.

County Housing will provide written notice of each known case of a child with an EBLL to the HUD field office and to HUD's Office of Lead Hazard Control (OLHCHH) within five business days of receiving the information.

## **PART VII: VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, AND CONFIDENTIALITY**

### **16-VII.A. OVERVIEW**

The Violence against Women Act (VAWA) provides special protections for victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking who are applying for or receiving assistance under the public housing program. If your state or local laws provide greater protection for such victims, those apply in conjunction with VAWA.

- Although the VAWA 2022 statute does not specifically include human trafficking in the list of victims protected under VAWA, in 2022 HUD began including human trafficking as part of the list of victims protected under VAWA (as seen in Notices PIH 2022-06, PIH 2022-22, and PIH 2022-24). In the absence of a final rule implementing VAWA 2022 and to mirror HUD's recent usage, this policy includes human trafficking in addition to domestic violence, dating violence, sexual assault, and stalking anywhere such a list appears.

In addition to definitions of key terms used in VAWA, this part contains general VAWA requirements and Authority policies in three areas: notification, documentation, and confidentiality. Specific VAWA requirements and Authority policies are located in Chapter 3, "Eligibility" (sections 3-I.C and 3-III.F); Chapter 5, "Occupancy Standards and Unit Offers" (section 5-II.D); Chapter 8, "Leasing and Inspections" (section 8-I.B); Chapter 12, "Transfer Policy" (sections 12-III.C, 12-III.F, and 12-IV.D); and Chapter 13, "Lease Terminations" (sections 13-III.F and 13-IV.D).

### **16-VII.C. NOTIFICATION [24 CFR 5.2005(a)]**

#### **Notification to Public**

County Housing adopts the following policy to help ensure that all actual and potential beneficiaries of its public housing program are aware of their rights under VAWA.

##### County Housing Policy

County Housing will post the following information regarding VAWA in its offices and on its website. It will also make the information readily available to anyone who requests it.

A notice of occupancy rights under VAWA to public housing program applicants and participants who are or have been victims of domestic violence, dating violence, sexual assault, or stalking (Form HUD-5380, see Exhibit 16-1)

A copy of form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation (see Exhibit 16-2)

A copy of the Authority's emergency transfer plan (Exhibit 16-3)

A copy of HUD's Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, Form HUD-5383 (Exhibit 16-4)

The National Domestic Violence Hot Line: 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY) (included in Exhibit 16-1)

Contact information for local victim advocacy groups or service providers

#### **Notification to Applicants and Tenants [24 CFR 5.2005(a)(1)]**

PHAs are required to inform public housing applicants and tenants of their rights under VAWA, including their right to confidentiality and the limits thereof, when they are denied assistance, when they are admitted to the program, and when they are notified of an eviction or termination of housing benefits.

County Housing must distribute a notice of VAWA rights, along with the VAWA self-certification form (HUD-5382) at each of these three junctures.

##### County Housing Policy

The VAWA information provided to applicants and participants will consist of the notices in Exhibit 16-1 and 16-2.

County Housing will provide all applicants with information about VAWA at the time they request an application for housing assistance. County Housing will also include such information in all notices of denial of assistance (see section 3-III.F).

County Housing will provide all tenants with information about VAWA at the time of admission (see section 8-I.B) and at annual reexamination. County Housing will also include such information in all lease termination notices (see section 13-IV. D).

County Housing is not limited to providing VAWA information at the times specified in the above policy. If County Housing decides to provide VAWA information to a tenant following an incident of domestic violence, Notice PIH 2017-08 cautions against sending the information by mail, since the abuser may be monitoring the mail. The notice recommends that in such cases County Housing make alternative delivery arrangements that will not put the victim at risk.

#### County Housing Policy

Whenever County Housing has reason to suspect that providing information about VAWA to a public housing tenant might place a victim of domestic violence at risk, it will attempt to deliver the information by hand directly to the victim or by having the victim come to an office or other space that may be safer for the individual, making reasonable accommodations as necessary. For example, County Housing may decide not to send mail regarding VAWA protections to the victim's unit if it believes the perpetrator may have access to the victim's mail unless requested by the victim.

When discussing VAWA with the victim, County Housing will take reasonable precautions to ensure that no one can overhear the conversation such as having conversations in a private room.

The victim may, but is not required to, designate an attorney, advocate, or other secure contact for communications regarding VAWA protections.

#### **16-VII.D. DOCUMENTATION [24 CFR 5.2007]**

A PHA presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, sexual assault, stalking, human trafficking, or criminal activity related to any of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. PHAs may extend this time period at their discretion. [24 CFR 5.2007(a)]

The individual may satisfy the PHA's request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]:

- (1) A completed and signed HUD-approved certification form (HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), which must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim. The form may be filled out and submitted on behalf of the victim.
- (2) A federal, state, tribal, territorial, or local police report or court record, or an administrative record
- (3) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault, stalking, or human trafficking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; a mental health professional; or a medical professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

PHAs may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under "Conflicting Documentation," nor may they require certification in addition to third-party documentation [FR Notice 11/16/16].

### County Housing Policy

Any request for documentation of domestic violence, dating violence, sexual assault, stalking, or human trafficking will be in writing, will specify a deadline of 14 business days following receipt of the request, will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.

County Housing may, in its discretion, extend the deadline by 10 business days. In determining whether to extend the deadline, County Housing will consider factors that may contribute to the victim's inability to provide documentation in a timely manner, including cognitive limitations, disabilities, limited English proficiency, absence from the unit, administrative delays, the danger of further violence, and the victim's need to address health or safety issues. Any extension granted by County Housing will be in writing.

Once the victim provides documentation, County Housing will acknowledge receipt of the documentation within 10 business days.

### **Conflicting Documentation [24 CFR 5.2007(e)]**

In cases where County Housing receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, County Housing may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3). County Housing may also request third-party documentation when submitted documentation contains information that conflicts with existing information already available. County Housing must honor any court orders issued to protect the victim or to address the distribution of property. Individuals have 30 calendar days to return third-party verification to County Housing. If third-party documentation is not received, and County Housing will deny or terminate assistance as a result, County Housing must hold separate hearings for the tenants [Notice PIH 2017-08].

### County Housing Policy

If presented with conflicting certification documents from members of the same household, County Housing will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance with 24 CFR 5.2007(e) and by following any HUD guidance on how such determinations should be made. When requesting third-party documents, County Housing will provide contact information for local domestic violence and legal aid offices. In such cases, applicants or tenants will be given 30 calendar days from the date of the request to provide such documentation.

If County Housing does not receive third-party documentation within the required timeframe (and any extensions) it will deny VAWA protections and will notify the applicant or tenant in writing of the denial. If, as a result, the applicant or tenant is denied or terminated from the program, County Housing will hold separate hearings for the applicants or tenants.

### **Discretion to Require No Formal Documentation [24 CFR 5.2007(d)]**

County Housing has the discretion to provide benefits to an individual based solely on the individual's statement or other corroborating evidence—i.e., without requiring formal

documentation of abuse in accordance with 24 CFR 5.2007(b). HUD recommends documentation in a confidential manner when a verbal statement or other evidence is accepted.

County Housing Policy

If County Housing accepts an individual's statement or other corroborating evidence (as determined by the victim) of domestic violence, dating violence, sexual assault, stalking, or human trafficking, County Housing will document acceptance of the statement or evidence in the individual's file.

**Failure to Provide Documentation [24 CFR 5.2007(c)]**

In order to deny relief for protection under VAWA, County Housing must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or as long as County Housing may allow, County Housing may deny relief for protection under VAWA.

**16-VII.E. CONFIDENTIALITY [24 CFR 5.2007(b)(4)]**

All information provided to County Housing regarding domestic violence, dating violence, sexual assault, stalking, or human trafficking, including the fact that an individual is a victim of domestic violence, dating violence, sexual assault, stalking, or human trafficking, must be retained in confidence. This means that County Housing (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

County Housing Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, County Housing will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

## **PART VIII: FIREARMS AND WEAPONS POLICY**

### **16-VIII.A. OVERVIEW**

County Housing has established a Firearms and Weapons policy to promote the overall safety and well-being of everyone in the County Housing community. This policy clearly defines firearms and weapons and sets forth definitive guidelines for handling weapons and firearms in the County Housing community consistent with applicable laws.

Residents have the right to keep and bear arms, but also the responsibility to protect the health and safety of themselves, other residents, guests, and County Housing employees. To that end, residents, household members, guests, and visitors shall:

- Comply with all federal, state, and local requirements regarding the lawful ownership, possession, transportation, and use of firearms and weapons.
- Exercise reasonable care in the storage and security of firearms and weapons, including ammunition.
- Exercise reasonable care when handling firearms and weapons, ensuring the safety of household members and others.
- Store or otherwise secure all firearms and weapons during unit inspections, maintenance visits, housekeeping visits, or any occasion where County Housing personnel or authorized third parties enter resident units.
- Not discharge or use any firearm or weapon on County Housing property or within the unit in violation of any applicable federal, state, or local law.
- Not threaten or otherwise take any action with firearms or weapons on County Housing property that endangers the health or safety of others.

### **16-VIII.B. DEFINITIONS**

The term “firearm” shall include but is not limited to the following:

- Pistols, revolvers, semiautomatic handguns, other handguns, rifles, shotguns, and any other instrument capable of being held and fired by a single person, that propels a projectile by means of explosive charge of firearm powder or other explosive propellant, mechanical (spring) action, gas or compressed air, capable of killing or injuring another person or an animal.
- Firearm parts kits that are designed to or may readily be completed, assembled, restored, or otherwise converted to expel a projectile by the action of an explosive (e.g., pistol, revolver, rifle, or shotgun).

No person may lawfully possess on County Housing property or within a unit any fully automatic firearm, machine firearm, sawed-off shotgun, assault weapon (as defined by specific state or federal statute), large capacity magazines unless allowed under state law, large capacity ammunition feeding devices, grenade launcher, rocket-propelled grenade (RPG) launcher, or other firearm or ammunition prohibited by applicable state or federal law.

The term “weapon” shall include but is not limited to the following:

- An instrument that is specifically designed, made, and/or adapted for the purpose of inflicting physical damage, serious bodily injury, or death by striking a person with the instrument, e.g. knife, dagger, club, nightstick, mace, slingshot, metal knuckles, crossbow.

#### **16-VIII.C. VIOLATIONS OF FIREARMS AND WEAPONS POLICY**

Material violations of the Firearms and Weapons Policy, as determined by County Housing, shall be deemed a serious violation of the lease at County Housing's sole discretion. County Housing will terminate the family's tenancy in accordance with the policies in Chapter 13 of this ACOP.

Residents are responsible for the action and conduct of their guests and others under their control with regard to such person's possession of firearms and weapons.

The following are grounds for enforcement action against residents, including lease termination and eviction:

- Unlawful ownership, possession, transportation, or use of a firearm or weapon.
- Unlawful shooting, firing, exploding, throwing, discharging, or use of a firearm or weapon.
- Infliction of any injury upon another person through the intentional, reckless, careless, or negligent use of a firearm or weapon.
- Damaging any property through the reckless, careless, or negligent use of a firearm or weapon.
- Brandishing, displaying, or otherwise taking any action with a firearm or weapon in connection with a verbal or non-verbal threat of bodily harm or endangerment of health and safety.

**EXHIBIT 16-1: NOTICE OF OCCUPANCY RIGHTS UNDER THE VIOLENCE AGAINST WOMEN ACT,  
FORM HUD-5380**

**Notice of Occupancy Rights under the Violence Against Women Act<sup>1</sup>**

**To all Tenants and Applicants**

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women but are available equally to all individuals regardless of sex, gender identity, or sexual orientation.<sup>2</sup> The U.S. Department of Housing and Urban Development (HUD) is the Federal agency that oversees that public housing is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.”

**Protections for Applicants**

If you otherwise qualify for assistance under public housing, you cannot be denied admission or denied assistance because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

**Protections for Tenants**

If you are receiving assistance under public housing, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under public housing solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

**Removing the Abuser or Perpetrator from the Household**

The Authority may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

---

<sup>1</sup> Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

<sup>2</sup> Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

If the Authority chooses to remove the abuser or perpetrator, the Authority may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, the Authority must allow the tenant who is or has been a victim and other household members to remain in the unit for 30 days, in order to establish eligibility under the program or under another HUD housing program covered by VAWA or find alternative housing.

In removing the abuser or perpetrator from the household, the Authority must follow Federal, State, and local eviction procedures. To divide a lease, the Authority may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

### **Moving to Another Unit**

Upon your request, the Authority may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. To approve a request, the Authority may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the Authority may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

**1. You are a victim of domestic violence, dating violence, sexual assault, or stalking.**

If your PHA does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.

**2. You expressly request the emergency transfer.** Your PHA may choose to require that you submit a form or may accept another written or oral request.

**3. You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have reason to fear that if you do not receive a transfer, you will suffer violence in the very near future.

**OR**

**You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer.** If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

The Authority will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families.

The Authority's emergency transfer plan provides further information on emergency transfers, and the Authority must make a copy of its emergency transfer plan available to you if you ask to see it.

### **Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking**

The Authority can, but is not required to, ask you to provide documentation to "certify" that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such a request from the Authority must be in writing, and the Authority must give you at least 14 business days (Saturdays, Sundays, and federal holidays do not count) from the day you receive the request to provide the documentation. The Authority may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to the Authority as documentation. It is your choice which of the following to submit if HP asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- ② A complete HUD-approved certification form given to you by the Authority with this notice, which documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- ② A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- ② A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, "professional") from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.
- ② Any other statement or evidence that the Authority has agreed to accept.

If you fail or refuse to provide one of these documents within 14 business days, the Authority does not have to provide you with the protections contained in this notice.

If the Authority receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), the Authority has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, the Authority does not have to provide you with the protections contained in this notice.

### **Confidentiality**

The Authority must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

The Authority must not allow any individual administering assistance or other services on behalf of the Authority (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable federal, state, or local law.

The Authority must not enter your information into any shared database or disclose your information to any other entity or individual. The Authority, however, may disclose the information provided if:

- ☐ You give written permission to the Authority to release the information on a time limited basis.
- ☐ The Authority needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- ☐ A law requires the Authority to release the information.

VAWA does not limit the Authority's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

### **Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated**

You can be evicted, and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, the Authority cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted, and your assistance terminated, if the Authority can demonstrate that not evicting you or terminating your assistance would present a physical danger that:

1. Would occur within an immediate time frame, and
2. Could result in death or serious bodily harm to other tenants or those who work on the property.

If the Authority can demonstrate the above, the Authority should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

### **Other Laws**

VAWA does not replace any Federal, State, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

### **Non-Compliance with The Requirements of This Notice**

You may report your PHA for violations of these rights and seek additional assistance, if needed, by contacting or filing a complaint with the Director of Housing Administration or HUD's Eastern Missouri Field Office.

**For Additional Information**

You may view a copy of HUD's final VAWA rule at: <https://www.gpo.gov/fdsys/pkg/FR-2016-11-16/pdf/2016-25888.pdf>.

Additionally, the Authority must make a copy of HUD's VAWA regulations available to you if you ask to see them.

OMB Approval No. 2577-0286  
Exp. 06/30/2017

**Purpose of Form:** The Violence Against Women Act (“VAWA”) protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

**Use of This Optional Form:** If you are seeking VAWA protections from your housing provider, your housing provider may give you a written request that asks you to submit documentation about the incident or incidents of domestic violence, dating violence, sexual assault, or stalking.

In response to this request, you or someone on your behalf may complete this optional form and submit it to your housing provider, or you may submit one of the following types of third-party documentation:

- (1) A document signed by you and an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, “professional”) from whom you have sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse. The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of “domestic violence,” “dating violence,” “sexual assault,” or “stalking” in HUD’s regulations at 24 CFR 5.2003.
- (2) A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency; or
- (3) At the discretion of the housing provider, a statement or other evidence provided by the applicant or tenant.

**Submission of Documentation:** The time period to submit documentation is 14 business days from the date that you receive a written request from your housing provider asking that you provide documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking. Your housing provider may, but is not required to, extend the time period to submit the documentation if you request an extension of the time period. If the requested information is not received within 14 business days of when you received the request for the documentation, or any extension of the date provided by your housing provider, your housing provider does not need to grant you any of the VAWA protections. Distribution or issuance of this form does not serve as a written request for certification.

**Confidentiality:** All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking shall be kept confidential and such

details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections to you, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

**EXHIBIT 16-3: EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING**

Attachment: Certification form HUD-5382

**Emergency Transfers**

The Authority is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),<sup>3</sup> the Authority allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant’s current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.<sup>4</sup> The ability of the Authority to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether the Authority has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the federal agency that oversees that the public housing and housing choice voucher (HCV) programs are in compliance with VAWA.

**Eligibility for Emergency Transfers**

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD’s regulations at 24 CFR part 5, subpart L, is eligible for an emergency transfer, if the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

**Emergency Transfer Request Documentation**

To request an emergency transfer, the tenant shall notify the Authority’s management office and submit a written request for a transfer. The Authority will provide reasonable accommodations to

<sup>3</sup>Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

<sup>4</sup>Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under the Authority's program, OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

### **Confidentiality**

The Authority will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives the Authority written permission to release the information on a time-limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person or persons that committed an act of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence against Women Act for All Tenants for more information about the Authority's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

### **Emergency Transfer Timing and Availability**

The Authority cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. The Authority will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. The Authority may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If the Authority has no safe and available units for which a tenant who needs an emergency transfer is eligible, the Authority will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, the Authority will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

### **Emergency Transfers: Public Housing (PH) Program**

If you are a public housing resident and request an emergency transfer as described in this plan, the Authority will attempt to assist you in moving to a safe unit quickly. The Authority will make exceptions as required to policies restricting moves.

Emergency transfers for which you are not required to apply for assistance include the following:

- Public housing unit in a different development
- Public housing unit in the same development if you determine that the unit is safe

At your request, the Authority will refer you to organizations that may be able to further assist you.

You may also request an emergency transfer to the following programs for which you are required to apply for assistance:

- HCV tenant-based program
- HCV project-based assistance
- Other programs administered by the Authority (such as state housing programs)

Emergency transfers will not take priority over waiting list admissions for these types of assistance. At your request, the Authority will refer you to organizations that may be able to further assist you.

### **Safety and Security of Tenants**

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse, and Incest National Network's National Sexual Assault Hotline at 1-800-656-HOPE or visit the online hotline at <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.

**EXHIBIT 16-4: EMERGENCY TRANSFER REQUEST FOR CERTAIN VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING, FORM HUD-5383**

**EMERGENCY TRANSFER  
REQUEST FOR CERTAIN  
VICTIMS OF DOMESTIC  
VIOLENCE, DATING VIOLENCE,  
SEXUAL ASSAULT, OR STALKING**

**U.S. Department of Housing  
and Urban Development**

OMB Approval No. 2577-0286  
Exp. 06/30/2017

**Purpose of Form:** If you are a victim of domestic violence, dating violence, sexual assault, or stalking, and you are seeking an emergency transfer, you may use this form to request an emergency transfer and certify that you meet the requirements of eligibility for an emergency transfer under the Violence Against Women Act (VAWA). Although the statutory name references women, VAWA rights and protections apply to all victims of domestic violence, dating violence, sexual assault or stalking. Using this form does not necessarily mean that you will receive an emergency transfer. See your housing provider's emergency transfer plan for more information about the availability of emergency transfers.

**The requirements you must meet are:**

**(1) You are a victim of domestic violence, dating violence, sexual assault, or stalking.** If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation. In response, you may submit Form HUD-5382, or any one of the other types of documentation listed on that Form.

**(2) You expressly request the emergency transfer.** Submission of this form confirms that you have expressly requested a transfer. Your housing provider may choose to require that you submit this form or may accept another written or oral request. Please see your housing provider's emergency transfer plan for more details.

**(3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer, you would suffer violence in the very near future.

**OR**

**You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer.** If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you submit this form or otherwise expressly request the transfer.

**Submission of Documentation:** If you have third-party documentation that demonstrates why you are eligible for an emergency transfer, you should submit that documentation to your housing provider if it is safe for you to do so. Examples of third party documentation include, but are not

limited to: a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom you have sought assistance; a current restraining order; a recent court order or other court records; a law enforcement report or records; communication records from the perpetrator of the violence or family members or friends of the perpetrator of the violence, including emails, voicemails, text messages, and social media posts.

**Confidentiality:** All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking, and concerning your request for an emergency transfer shall be kept confidential. Such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections or an emergency transfer to you. Such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

- In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust.
